Sunshine Law

Chapter 286, Florida Statutes – It is important to be aware that trustees are subject to the Florida Sunshine Law, which is laid out in Chapter 286, Florida Statutes. In general, the Florida Sunshine Law provides that all business of a public board must be conducted at a properly noticed public meeting. Minutes of each board meeting must be kept and be available for inspection. Trustees **cannot** discuss board business with another Trustee on the same board outside of a meeting. Trustees **can** discuss questions with the Plan Administrator or the Plan's general counsel. You **can** also discuss board matters with anyone else who is not a trustee. You **cannot**, however, use a non-trustee to communicate with another trustee on your behalf.

The Board may, from time to time, delegate any of its functions to a committee of one or more trustees. In the event that a committee consists of more than one trustee, the committee shall meet in accordance with the provisions of the Florida Sunshine Law. All committees are appointed by the Chairperson or the Board. Meetings of committees governed by the Sunshine Law must be publicly noticed and recorded the same as a regular Board meeting.

D. SALARY

This term shall mean the fixed monthly remuneration paid a Firefighter; where, as in the case of a Volunteer Firefighter, remuneration is based on actual services rendered, salary shall be the total cash remuneration received yearly for such services, prorated on a monthly basis

E. CREDITED SERVICE

Shall mean the total number of years and fractional parts of years of service as a Participant during which the Participant made required contributions to the Plan (including contributions to the money purchase plan), when required, omitting intervening years or fractional parts of years when such Participant is not employed by the Employer. A Participant may voluntarily leave his/her Accumulated Contributions in the Fund for a period of five (5) years after leaving the employ of the Employer pending the possibility of being reemployed as a Firefighter, without losing credit for the time that he/she was a Participant of the Plan. If a vested Participant leaves the employ of the Employer, his/her Accumulated Contributions will be returned only upon his/her written request. If a Participant who is not vested is not reemployed as a Firefighter with the Employer within five (5) years, his/her Accumulated Contributions, if one-thousand dollars (\$1,000.00) or less shall be returned. If a Participant who is not vested is not reemployed within five (5) years, his/her Accumulated Contributions, if more than one-thousand dollars (\$1,000.00), will be returned only upon the written request of the Participant and upon completion of a written election to receive a cash lump sum or to rollover the lump sum amount on forms designated by the Board. Upon return of a Participant's Accumulated Contributions, all of his/her rights and benefits under the Plan are forfeited and terminated. Upon any reemployment, a Firefighter shall not receive credit for years or fractional parts of years of service for which he/she has withdrawn his/her Accumulated Contributions from the Fund unless the Firefighter repays into the Fund the contributions he/she has withdrawn, with interest, as determined by the Board, within ninety (90) days after his/her reemployment.

The years or fractional parts of a year that a Participant performs "Qualified Military Service" consisting of voluntary or involuntary "service in the uniformed services" as defined in the Uniformed Services Employment and Reemployment Rights Act (USERRA) (P.L.103-353), after separation from employment as a firefighter with the Employer to perform training or service, shall be added to his/her years of Credited service for all purposes, including vesting, provided that:

- a. The Participant is entitled to reemployment under the provisions of USERRA.

- b. The Participant returns to his/her employment as a Firefighter within (1) year from the earlier of the date of his military discharge or his release from active service, unless otherwise required by USERRA.
- c. The maximum credit for military service pursuant to this paragraph shall be four (4) years.
- d. This paragraph is intended to satisfy the minimum requirements of USERRA. To the extent that this paragraph does not meet the minimum standards of USERRA, as it may be amended from time to time, the minimum standards shall apply.

In the event a Participant dies on or after January 1, 2007, while performing USERRA Qualified Military Service, the beneficiaries of the Participant are entitled to any benefits (other than benefit accruals relating to the period of qualified military service) as if the Participant had resumed employment and then died while employed

In the event that a Participant of this Plan has also accumulated Credited Service in the General Employees' Retirement System maintained by the Employer, then such other Credited Service shall be used in determining vesting, and for determining eligibility for early or normal retirement. Such other Credited Service will not be considered in determining benefits under this Plan. Only his/her Credited Service under this Plan on or after his/her date of membership in this

Plan will be considered for benefit calculation. Any benefit calculation for a Participant of this Plan who is or becomes eligible for a benefit from this Plan after he/she has become a Participant of the General Employees' Retirement System maintained by the Employer, shall be based upon the Participant's Credited Service, Average Final Compensation and the benefit accrual rate in effect as of the date the Participant ceases to be a Participant of this Plan.

I agree. The DROP language in the Summary Plan Description tracks the language in the 2015 Adoption Agreement. Subparagraph (a) concerning DROP eligibility states that a member must make his/her DROP election within one year following their normal retirement date, but may defer their actual DROP beginning date to any time within the 5 year period after reaching the normal retirement date. Subparagraph (b) states: "An eligible member may elect to participate in the DROP for a period not to exceed a maximum of 60 calendar months immediately following the date on which the member first reaches his or her normal retirement date or the date to which he or she is eligible to defer his or her election to participate as provided in subparagraph (a)." Thus, a member must elect to participate in the DROP within 12 months following his/her normal retirement date, but may defer their DROP beginning date to any time within the 5 year period after reaching the normal retirement date, and then participate in the DROP for up to 5 years.

Please let me know if you have any questions or want to discuss.

I think you are reading it correctly, Jennifer. The 12 month opt -n section appears to me a mandatory time period to make the selection. The beginning date is optional within a 5 year period after opting in I think. Jim, do you agree?

Good afternoon Jim and Terry, Happy New Year!

Chief Cambareri has asked that I forward you the summary plan description for your review. Mrs. Underhill with the League of Cities has a question regarding the language.

DROP Plan

A participant who attains his Normal Retirement Age may elect to participate in the DROP for a period of up to five years.

Interest accrues on the DROP account at the rate of 6.5% per annum.

For participants who join the Plan January 1, 2014 or later, the earliest DROP entry date will be no earlier than age 55

and the interest credit will be 1.3% per year.

Election to participate must be made within 12 months immediately following the date on which the member first reaches

normal retirement date. Such beginning date may be subsequent to the 12-month election period but must be within the 60-

month limitation period. *

*Need clarification – does this mean they must make the election with the 12-month period, but they can choose during

that 12 month period to begin their DROP later but within the 5 year mark, then have 5 years in DROP?

I thank you for your time with this matter and look forward to your response.

Take care and stay safe!

ARTICLE 1

DEFINITIONS

As used herein, unless otherwise defined or required by the context, the following words and phrases shall have the meaning indicated:

1.01 “Accumulated Contributions”:

shall mean a Participant's own contributions without interest. For those Participant's who purchase Credited Service with interest or at no cost to the Plan, only that portion of any payment representing the amount attributable to the Participant's contributions based on the applicable Participant contribution rate shall be included in Accumulated Contributions.

1.02 “Accrued Benefit”:

shall mean a fraction of the benefit to which a Participant would be entitled at their Normal Retirement Date. The numerator of the fraction is the years of participation completed to date and the denominator is the years of participation in the Plan that would have been earned if the Participant continued employment until their Normal Retirement Date.

1.03 “Actuary”:

shall mean an actuary that is a member of the Society of Actuaries or the American Academy of Actuaries and who is enrolled under subtitle C of Title III of the Employee Retirement Income Security Act of 1974.

1.04 “Actuarial Equivalent”:

Actuarial Equivalent is defined in the attachment marked Exhibit B.

1.05 “Adoption Agreement”:

shall mean the document outlining the specific benefits of the Plan, as executed by the Employer and attached to and made part of the Plan.

1.06 “Average Final Compensation”:

shall mean one-twelfth (1/12) of the average annual compensation of the five (5) best years of the last ten (10) years of Credited Service prior to retirement, termination or death, or the career average, whichever is greater, unless otherwise specified in the Adoption Agreement. A year shall be defined as the twelve (12) consecutive months immediately prior to death, disability or retirement. In the case of a Volunteer Firefighter, Average Final Compensation shall mean the average salary of the five (5) best years of the ten (10) best contributing years prior to change in status to a permanent full-time Firefighter or retirement as a Volunteer Firefighter or the career average of a Volunteer Firefighter, whichever is greater.

1.07 “Beneficiary”:

shall mean the person or persons entitled to receive benefits hereunder at the death of a Participant who has or have been designated in writing by the Participant and filed with the Board. If no such designation is in effect, or if no person so designated is living, at the time of death of the Participant, the beneficiary shall be the estate of the Participant.

1.08 “Board”:

Shall mean the Board of Trustees, which shall administer and manage the Plan herein provided and serve as Trustees of the Fund.

1.09 “Code”:

shall mean the Internal Revenue Code of 1986, as amended from time to time.

1.10 “Credited Service”:

shall mean the total number of years and fractional parts of years as a Participant during which the Participant made required contributions to the Plan, omitting intervening years or fractional parts of years when such Participant is not employed by the Employer. Credited Service may be given for years of employment as a Police

Officer, Firefighter or Public Safety Officer, prior to plan inception at the discretion of the Employer and as stated in the Adoption Agreement.

A Participant may voluntarily leave his Participant contributions in the Fund for a period of five (5) years after leaving the employ of the Employer pending the possibility of being rehired in a position eligible for participation in this Plan, without losing credit for the time that he was a Participant in the Plan. If a vested Participant does not become reemployed within five (5) years, then the Accumulated Contributions will be returned to the Participant without interest, unless otherwise specified in the Adoption Agreement, upon receipt of written request of the Participant. If a Participant who is not vested is not reemployed with the Employer within five (5) years, his Accumulated Contributions shall be returned without interest. Upon return of a Participant's Accumulated Contribution, all rights and benefits under the Plan are forfeited and terminated. Upon any reemployment in a position eligible for participation in this Plan, a Participant shall not receive credit for the years and fractional parts of years for which he has withdrawn his Accumulated Contributions from the Plan unless the Participant repays into the Fund the contributions he has withdrawn, with interest, as determined by the Board, within ninety (90) days after reemployment.

A Participant shall receive Credited Service for all purposes, including vesting, for the years or fractional parts of years that he performs "Qualified Military Service" including voluntary or involuntary service in the armed forces of the United States as defined in the Uniformed Services Employment and Reemployment Rights Act (USERRA) (P.L. 103-353), after separation from employment with the Employer, to perform training or service, provided that:

- (A)** The Participant must return to his employment with the Employer within one (1) year following the date of military discharge or his release from active service.
- (B)** The Participant is entitled to reemployment under the provisions of USERRA,

(C) The maximum credit for military service pursuant to this paragraph shall be five (5) years.

(D) This section is intended to satisfy the minimum requirements of USERRA, as may be amended from time to time. To the extent that this section does not meet the minimum requirements of USERRA, the provisions of USERRA shall govern.

If a participant dies on or after January 1, 2007 while performing Qualified Military Service as defined by USERRA, the participant's beneficiaries shall be entitled to any benefits the participant would have been entitled to had he or she resumed employment and then died while employed.

Beginning January 1, 2009, to the extent required by section 414(u)(12) of the Code, an individual receiving differential wage payments, as defined under section 3401(h)(2) of the Code, from an employer shall be treated as employed by that employer, and the differential wage payment shall be treated as compensation for purposes of applying the limits on annual additions under section 415(c) of the Code. This provision shall be applied to all similarly situated individuals in a reasonably equivalent manner.

1.11 “Deferred Retirement Option Plan” or “DROP”:

shall mean a local law plan retirement option in which a Participant may elect to participate. A Participant may retire for all purposes of the plan and defer receipt of retirement benefits into a DROP account while continuing employment with his employer. However, a Participant who enters the DROP and who is otherwise eligible to participate shall not thereby be precluded from participating or continuing to participate in a supplemental plan in existence on, or created after, the date of adoption of a DROP by the Employer pursuant to Section M, “DROP,” of the Adoption Agreement.

shall mean the date which is specified in the Adoption Agreement - Section G3, Early Retirement Date.

1. 16 “Firefighter”:

shall mean any person employed solely by a constituted fire department or public safety department of any municipality or special fire control district who is certified as a Firefighter as a condition of employment in accordance with the provisions of Section 633.35, Fl. Stat., and whose duty is to extinguish fires, to protect life, and to protect property. The term includes all certified, supervisory, and command personnel whose duties include, in whole or in part, the supervision, training, guidance, and management responsibilities of full-time firefighters, part-time firefighters, or auxiliary firefighters but does not include part-time firefighters or auxiliary firefighters.

1. 17 “Fund”:

shall mean the Trust Fund established herein as part of the Plan.

1.18 “Limitation Year”:

shall mean the calendar year, or the 12-consecutive month period elected by an Employer in the Adoption Agreement and approved by the FMPTF Master Trustee or its designee. All qualified plans maintained by the Employer must use the same Limitation Year. If the Limitation Year is amended to a different 12-consecutive month period, the new Limitation Year must begin on a date within the Limitation Year in which the amendment is made.

1.19 “Normal Retirement Date”:

shall mean the date as specified in the Adoption Agreement - Section G1 Normal Retirement Date.

1.20 “Participant or Member”

Benefit improvements which, in the past, have been provided for by amendments to the Plan adopted by the Employer by ordinance or resolution, and any benefit improvements which might be made in the future shall apply prospectively and shall not apply to Participants who terminate employment or who retire prior to the effective date of any ordinance or resolution adopting such benefit improvements, unless such ordinance or resolution specifically provides to the contrary.

1.21 “Plan”:

shall mean the pension Plan as herein set forth and as may be amended from time to time.

1.22 “Plan Year”:

shall mean the Plan's accounting year of twelve (12) consecutive months commencing on October 1 of each year and ending the following September 30, or the Plan Year as specified in the Adoption Agreement.

Stat., who is vested with authority to bear arms and make arrests, and whose primary responsibility is the prevention and detection of crime or the enforcement of the penal, criminal, traffic, or highway laws of the State. This definition includes all certified supervisory and command personnel whose duties include, in whole or in part, the supervision, training, guidance, and management responsibilities of full-time law enforcement officers, part-time law enforcement officers, or auxiliary law enforcement officers, but does not include part-time law enforcement officers or auxiliary law enforcement officers as the same are defined in s. 943.10(6) and (8), Fl. Stat., respectively. A Police Officer classification shall also include a public safety officer who is responsible for performing both police and fire services.

1.24 “Public Safety Officer”:

shall mean an actively employed person who is responsible for performing both firefighter and police officer services. A Public Safety Officer shall be considered a “police officer” for the purposes of this Plan.

1.25 “Salary/Compensation”:

Notwithstanding any provision of this Plan or Adoption Agreement, “Salary/Compensation” for all Participants participating under the Plan shall be limited as follows:

For noncollectively bargained service earned on or after July 1, 2011, or for service earned under collective bargaining agreements entered into on or after July 1, 2011, when calculating a Participant’s retirement benefits, the Plan may include up to 300 hours per year of overtime compensation as noted in the Adoption Agreement, but may not include any payments for accrued unused sick leave or annual leave. For those Participants whose terms and conditions of employment are collectively

bargained, this provision is effective for the first agreement entered into on or after July 1, 2011.

For Firefighters, “compensation” or “salary” means, for noncollectively bargained service earned before July 1, 2011, or for service earned under collective bargaining agreements in place before July 1, 2011, the fixed monthly remuneration paid a Firefighter; where, as in the case of a Volunteer Firefighter, remuneration is based on actual services rendered, the term means the total cash remuneration received yearly for such services, prorated on a monthly basis. For noncollectively bargained service earned on or after July 1, 2011, or for service earned under collective bargaining agreements entered into on or after July 1, 2011, the term has the same meaning except that when calculating retirement benefits, up to 300 hours per year in overtime compensation may be included as noted in the Adoption Agreement, but payments for accrued unused sick or annual leave may not be included.

For Police Officers, “compensation” or “salary” means, for noncollectively bargained service earned before July 1, 2011, or for service earned under collective bargaining agreements in place before July 1, 2011, the total cash remuneration paid to a Police Officer for services rendered, including overtime payments which may be limited to not less than 300 hours per calendar year, but not including any payments for extra duty or a special detail work performed on behalf of a second party employer. For noncollectively bargained service earned on or after July 1, 2011, or for service earned under collective bargaining agreements entered into on or after July 1, 2011, the term has the same meaning except that when calculating retirement benefits, up to 300 hours per year in overtime compensation may be included as noted in the Adoption Agreement, but payments for accrued unused sick or annual leave may not be included.

For a firefighter or police officer supplemental plan operating under either section 175.351(4) or 185.35(4), Florida Statutes, the definition of compensation or salary may be as provided under the referenced sections of law.

Compensation in excess of the limitations set forth in Section 401(a)(17) of the Code as of the first day of the calendar year shall be disregarded for any purpose, including employee contributions or any benefit calculations. The annual compensation of each member taken into account in determining benefits or employee contributions for any calendar year beginning on or after January 1, 2002, may not exceed \$200,000, as adjusted for cost-of-living increases in accordance with Section 401(a)(17)(B) of the Code.

See Section D of the Adoption Agreement for further details.

1.26 “Spouse”:

shall mean the Participant's spouse under applicable law at the time benefits become payable.

1.27 “Total and Permanent Disability”:

shall mean a physical or mental condition of a Participant resulting from bodily injury, disease, or mental disorder which renders him incapable of employment as a Firefighter, Police Officer or Public Safety Officer, and which condition constitutes total disability as determined by the Board.

1.28 “Trust Fund or Trust”:

shall mean the Trust Fund established under this Plan to hold Plan assets and to which contributions are to be paid and benefits held. Nothing herein shall preclude the establishment of more than one trust fund as may be required by law or adopted by the Employer.

1.29 “Trustee”:

shall mean the person or persons named as and making up the Board of Trustees or Board, who shall administer and manage the Plan.

1.30 “Valuation Date”:

shall mean the first day of the Plan Year.

1.31 “Volunteer Firefighter”:

shall mean any person whose name is carried on the active membership roll of a constituted volunteer fire department or a combination of a paid and volunteer fire department of any municipality or special fire control district and whose duty is to extinguish fires, protect life, and to protect property. Compensation for services rendered by a Volunteer Firefighter shall not disqualify him as a volunteer. A person shall not be disqualified as a Volunteer Firefighter solely because he has other gainful employment. Any person who volunteers assistance at a fire, but is not an active member of the department described herein is not a Volunteer Firefighter within the meaning of this paragraph.

ARTICLE 2

PARTICIPATION

2.01 Conditions of Eligibility

A Participant shall become eligible to participate in this Plan as specified in Section C of the Adoption Agreement.

As a condition of eligibility, the Employee participants shall be required to complete a medical examination as prescribed by the Board, and provide complete and accurate information concerning their health status as requested by the Board. Any material misstatements or omissions of required health or medical information by an applicant or Participant shall be grounds for denial of benefits. Based upon medical evidence of any pre-existing adverse health condition, resulting from the prescribed examination or other medical records or history, the Board may determine ineligibility for disability benefits hereunder, as related to such pre-existing condition. A Participant may be declared ineligible for disability benefits only at the time of the initial examination provided in this section, or at a later date if the Board established that a condition existed at the time of the Participant's employment or date of participation, and the condition was known to the employee. A determination of pre-existing condition shall be recorded on the Participant's record of membership, a copy of which shall be provided to the Participant, and shall be reflected in the minutes of the Board meeting at which such determination was made by the Board. The procedures followed and the determination of the Board as to a pre-existing condition shall be considered on a uniform, non-discriminatory basis.

2.02 Participation

Each Participant shall complete a form prescribed by the Board providing the following information:

- (A) enrollment in the Plan
- (B) designation of a beneficiary or beneficiaries,

- (C) a certified statement as to prior medical history, and a waiver to release and access medical records.

2.03 Change in Designation of Beneficiary

A Participant may from time to time change his designated beneficiary by written notice to the Board upon forms provided by the Board. Upon such change, the rights of all previously designated beneficiaries to receive any benefits under the Plan shall cease. A change of beneficiary shall not require consent of the beneficiary. Notwithstanding the provisions of this paragraph, a police officer retiree or firefighter retiree may change his or her designation of beneficiary up to two times without the approval of the Board or the current beneficiary. The retiree is not required to provide proof of the good health of the beneficiary being removed, and the beneficiary being removed need not be living.

ARTICLE 3

BOARD OF TRUSTEES

3.01 Board of Trustees

(A) The sole and exclusive administration of and responsibility for the proper operation of the Plan is hereby vested in a Board of Trustees. For plans participating in Chapter 175 or 185, Fl. Stat., these trustees shall be selected according to Section 175.061 (1)(b), Fl. Stat., and Section 185.05, (1)(b), Fl. Stat. For plans not participating in Chapter 175 or 185, Fl. Stat., these trustees shall be selected according to municipal ordinance, or resolution adopted by the governing body of the special fire control district. Each Board of Trustees shall be a legal entity with, in addition to other powers and responsibilities contained herein, the power to bring and defend lawsuits of every kind, nature, and description. Accurate and detailed accounts of all Board meetings must be kept. All accounts, books and records relating thereto shall be open to inspection and audit in accordance with general law. The Board shall issue such reports as are requested and make available to the same for inspection any and all records and accounts which are deemed appropriate in order to comply with governmental regulations issued thereunder.

(B) The Board members shall, by a majority vote, elect a Chairman and a Secretary. The Secretary of the Board shall keep a complete minute book of the actions, proceeding, or hearings of the Board. The Board members shall not receive any compensation as such, but may receive expenses and per diem as provided by law.

(C) Each Board member shall serve as trustee for a period of 2 years, unless he or she sooner leaves the employment of the Employer, whereupon a successor shall be chosen in the same manner as an original appointment. However, the terms of office of the appointed and elected

members may be amended by municipal ordinance, or resolution adopted by the governing body of the special fire control district to extend the terms from 2 years to 4 years. The length of the terms of office shall be the same for all board members.

(D) Each Board member shall be entitled to one vote on the Board. A majority of the Board shall be necessary for any decision of the Board. A Board member shall have the right to abstain from voting as the result of a conflict of interest provided that Board member states in writing the nature of the conflict and complies with the provisions of Section 112.3143, Fl. Stat.

(E) The Board of Trustees shall engage such actuarial, accounting, legal, and other services as shall be required to transact the business of the Plan. The compensation of all persons engaged by the Board and all other expenses of the Board necessary for the operation of the Plan shall be paid from the Fund at such rates and in such amounts as the Board of Trustees shall approve.

(F) The duties and responsibilities of the Board of Trustees shall include, but not necessarily be limited to, the following:

- (1)** To construe the provisions of the Plan and determine all questions arising thereunder.
- (2)** To determine all questions relating to eligibility and participation.
- (3)** To determine the amount of all benefits hereunder.
- (4)** To establish uniform rules and procedures to be followed for administrative purposes, benefit applications, and all matters required to administer the Plan.
- (5)** To distribute to Participants, at regular intervals, information concerning the Plan.
- (6)** To receive and process all applications for participation and benefits.

- (7)** To authorize all payments whatsoever from the Fund, and to notify the disbursing agent, in writing, of approved benefit payments and other expenditures arising through operation of the Plan and Fund.
- (8)** To have performed actuarial studies and at least triennial valuations, as required by law, and make recommendations regarding any and all changes in the provisions of the Plan.
- (9)** To perform such other duties as required to administer the Plan.
- (10)** To arrange for and select physicians for medical exams and review and advise on medical disability eligibility issues.
- (11)** To invest and reinvest the assets of the Fund.

(G) At least once every three (3) years, the Board shall retain a professionally qualified independent consultant who shall evaluate the performance of any existing professional money manager and shall make recommendations to the Board regarding the selection of money managers for the next investment term. These recommendations shall be considered by the Board at its next regularly scheduled meeting.

ARTICLE 4

FINANCES AND FUND MANAGEMENT

4.01 Establishment and Operation of Fund

(A) As part of the Plan, there is hereby established the Fund, into which shall be deposited all of the contributions and assets whatsoever attributable to the Plan, including any assets of any prior municipal trust fund(s).

(B) The actual custody and supervision of the Fund (and assets thereof) shall be vested in the Board. Payment of benefits and disbursements from the Fund shall be made by the disbursing agent but only upon written authorization from the Board or its designee.

(C) All funds of the Plan may be deposited by the Board with the Employer, acting in a ministerial capacity only, who shall be liable in the same manner and to the same extent as he is liable for the safekeeping of funds for the Employer. However, any funds so deposited with the Employer shall be kept in a separate fund by the Employer or clearly identified as such funds of the Plan. In lieu thereof, the Board shall deposit the funds in a qualified public depository as defined in Section 280.02, Fl. Stat., which depository with regard to such funds shall conform to and be bound by all of the provisions of Chapter 280, Fl. Stat. In order to fulfill its investment responsibilities as set forth herein, the Board may retain the services of a custodian bank, an investment adviser registered under the Investment Advisors Act of 1940, or otherwise exempt from such required registration, an insurance company, or a combination of these, for the purpose of investment decisions and management. Such investment manager shall have discretion, subject to any guidelines as prescribed by the Board, in the investment of all Fund assets.

(D) All funds of the Plan may be commingled without limitation in governmental investment trusts, no-load investment funds or no-load mutual

funds, and all such trusts or funds must comply with the Investment Policy as attached as Exhibit A. Accurate records are to be maintained at all times reflecting the financial composition of the Fund, including accurate current accounts and entries as regards the following:

- (1) Current amounts of Accumulated Contributions of Participants on both an individual and aggregate account basis, and
- (2) receipts and disbursements, and
- (3) benefit payments, and

All contributions deposited into the Fund, and the income thereof, without distinction between principal and income, shall be held and administered by the Board, or its agent, in the Fund, and the Board shall not be required to segregate or invest separately any portion of the Fund.

Such Accrued Benefit shall be payable at his otherwise Early or Normal Retirement Date hereunder in accordance with the provisions of this Plan.

ARTICLE 10

OPTIONAL FORMS OF BENEFITS

(A) In lieu of the normal form of benefit as specified herein, a Participant's Early or Normal Retirement or Disability Benefit may be paid in an optional form as selected by the Participant.

2. Monthly income payment for the life of the Participant and after his death, a joint pensioner benefit payable for the life of the joint pensioner equal to, 100%, 75%, 66 2/3%, or 50% of the amount payable to the Participant.
3. Such other amount and form of retirement benefit payment that, in the opinion of the Board, will meet the circumstances of the Participant and the Trust.

(B) The Participant, upon electing any option pursuant to this Article, will designate the joint pensioner or beneficiary (or beneficiaries) to receive the benefit, if any, payable under the Plan in the event of Participant's death, and will have the power to change such designation from time to time. Such designation will name a joint pensioner or one or more primary beneficiaries where applicable. A Participant may change his Beneficiary at any time. If a Participant has elected an option with a joint pensioner and the Participant's retirement benefits have commenced, the Participant may thereafter change his joint pensioner twice without the approval of the Board or the current joint pensioner. A Participant is not required to provide proof of the good health of the joint pensioner being removed, and the joint pensioner being removed need not be living.

(C) Upon change of a Participant's joint pensioner in accordance with this Article, the amount of the retirement income payable to the Participant shall be actuarially re-

determined to ensure that the benefit paid is the Actuarial Equivalent of the present value of the Participant's then-current benefit at the time of change, and there is no impact to the Plan. Any such Participant shall pay the actuarial recalculation expenses. Each request for a change will be made in writing on a form prepared by the Board and on completion will be filed with the Board. In the event that no designated Beneficiary survives the Participant, such benefits as are payable in the event of the death of the Participant subsequent to his retirement shall be paid as provided in Section 11, Beneficiaries.

(D) Benefit payments shall be made under the option elected in accordance with the provisions of this Article and shall be subject to the following limitations:

1. If a Participant dies prior to his Normal Retirement Date or Early Retirement Date, the beneficiary will receive a benefit paid under the normal form of benefit in accordance with Article 7, Pre-Retirement Death.
2. If both the retired Participant and the beneficiary (or beneficiaries) designated by Participant die before full payment has been effected under any option providing for payments for a period certain and life thereafter, the value of the remaining payments shall be paid in such other amount and form of retirement benefit payment that, in the opinion of the Board, will meet the circumstances of the retiree and the Trust in accordance Article 11.
3. If the designated Beneficiary (or Beneficiaries) or joint pensioner dies before the Participant's retirement under the Plan, the option elected will be canceled automatically and a retirement income of the normal form and amount will be payable to the Participant upon his retirement as if the election had not been made, unless a new election is made in accordance with provisions of this Article or a new Beneficiary is designated by the Participant prior to his retirement.
4. If a Participant continues employment beyond his Normal Retirement Date pursuant to the provisions of the Normal Retirement Date provided in the Adoption Agreement, and dies prior to his actual retirement and while an option made pursuant to the provisions of the Adoption Agreement is in effect,

monthly retirement income payments will be made, or a retirement benefit will be paid, under the option to a Beneficiary (or Beneficiaries) designated by the Participant in the amount or amounts computed as if the Participant had retired under the option on the date on which his death occurred.

(E) Unless otherwise allowed by law, a Participant may not change his benefit payment option after the date of cashing or depositing his first benefit check.

(F) Distribution of a participant's benefit under this article must commence no later than April 1 of the calendar year following the later of the calendar year during which the participant attains the applicable age required by IRC § 401(a)(9). or the calendar year in which the participant terminates employment with the Employer. [See note to Provision 6.08 regarding applicable age requirements]

(G) Notwithstanding anything herein to the contrary, the Board in its discretion, may elect to make a lump sum payment to a Participant or a Participant's Beneficiary in the event that the total commuted value of the monthly income payments to be paid do not exceed one thousand dollars (\$1,000). Any such payment made to any person pursuant to the power and discretion conferred upon the Board by the preceding sentence shall operate as a complete discharge of all obligations under the Plan with regard to such Participant and shall not be subject to review by anyone, but shall be final, binding and conclusive on all persons.

ARTICLE 11

The consent of a Participant's beneficiary to any change of beneficiary shall not be required.

(B) If a deceased Participant fails to name a beneficiary in the manner prescribed in Section A, or if the beneficiary (or beneficiaries) named by a deceased Participant predeceases the Participant, the death benefit, if any, which may be payable under the Plan with respect to such deceased Participant shall be paid by the Board to the estate of the Participant, and the Board, in its discretion, may direct that the commuted value of the remaining value of the remaining monthly income benefits be paid in a lump sum.

Any payment made to any person pursuant to this Section shall operate as a complete discharge of all obligations under the Plan with regard to the deceased Participant and any other persons with rights under the Plan and shall not be subject to review by anyone but shall be final, binding, and conclusive on all persons ever interested hereunder.

ARTICLE 16

MAXIMUM PENSION

16.01 Basic Limitation

Notwithstanding any other provisions of this plan to the contrary, the member contributions paid to, and retirement benefits paid from, the plan shall be limited to such extent as may be necessary to conform to the requirements of Code Section 415 for a qualified retirement plan. Before January 1, 1995, a plan member may not receive an annual benefit that exceeds the limits specified in Code Section 415(b), subject to the applicable adjustments in that section. On and after January 1, 1995, a plan member may not receive an annual benefit that exceeds the dollar amount specified in Code Section 415(b)(1)(A) (\$160,000), subject to the applicable adjustments in Code Section 415(b) and subject to any additional limits that may be specified in this plan.

For purposes of Code Section 415(b), the term “annual benefit” means a benefit payable annually in the form of a straight life annuity without regard to the benefit attributable to after-tax employee contributions (except pursuant to Code section 415(n)) and to rollover contributions (as defined in Code section 415(b)(2)(A)), and with the benefit attributable determined in accordance with Treasury Regulations located in 26 C.F.R. 1.415(b)-1.

16.02 Adjustments to Basic Limitation for Form of Benefit.

If the form of benefit is other than the annual benefit defined in section 16.01, the benefit shall be adjusted so that it is the equivalent of the annual benefit using factors prescribed in Treasury Regulations. If the form of benefit without regard to any automatic benefit increase feature is not a straight life annuity or a qualified joint and survivor annuity then the preceding sentence is applied by either reducing the Code Section 415(b) limit applicable at the annuity starting date or by adjusting the form of benefit to an actuarially equivalent amount determined using the assumptions specified in 26 CFR 1.415(b)-1 that takes into account the additional benefits under the form of benefit as follows:

(A) Benefit Forms Not Subject to § 417(e)(3): The straight life annuity that is actuarially equivalent to the member's form of benefit shall be determined under this section 16.02(A) if the form of a member's benefit is either a non-decreasing annuity (other than a straight life annuity) payable for a period of not less than the life of the member (or in the case of a qualified pre-retirement survivor annuity, the life of the surviving spouse), or an annuity that decreases during the life of the participant merely because of (a) the death of the survivor annuitant (but only if the reduction is not below 50% of the benefit payable before the death of the survivor annuitant), or (b) the cessation or reduction of Social Security supplements or qualified disability payments (as defined in Code Section 401(a)(11)). For a benefit paid in a form described in this Section 16.02(A), the actuarially equivalent straight life annuity is equal to the greater of:

- (1) The annual amount of the straight life annuity (if any) payable to the member under the plan commencing at the same annuity starting date as the member's form of benefit, or
- (2) the annual amount of the straight life annuity commencing at the same annuity starting date that has the same actuarial present value as the member's form of benefit, computed using a 5 percent interest rate assumption and the applicable mortality tables described in Code Section 417(e)(3)(B) (Notice 2008-85 or any subsequent Internal Revenue Service guidance implementing Code Section 417(e)(3)(B)); or

(B) Benefit Forms Subject to § 417(e)(3): If a form of member's benefit is other than a benefit form described in section 16.02(A), the actuarially equivalent straight life annuity benefit that is the greatest of:

- (1) The annual amount of the straight life annuity commencing at the annuity starting date that has the same actuarial present value as the particular form of benefit payable, computed using the interest rate and mortality table, or tabular factor, specified in the plan for actuarial experience;

(2) The annual amount of the straight life annuity commencing at the annuity starting date that has the same actuarial present value as the particular form of benefit payable computed using a five percent interest assumption for the applicable statutory interest assumption and (i) for years prior to January 1, 2009 the applicable mortality tables for the distribution under 26 CFR 1.417(e)-1(d)(2) (Revenue Ruling 2001-62 or any subsequent Revenue Ruling modifying the applicable provisions of Revenue Ruling 2001-62) and (ii) for years after December 31, 2008 the applicable mortality tables described in Code Section 417(e)(3)(B) (Notice 2008-85 or any subsequent Internal Revenue Service guidance implementing Code Section 417(e)(3)(B)); or

(3) The annual amount of the straight life annuity commencing at the annuity starting date that has the same actuarial present value as the particular form of benefit payable computed using the applicable interest rate for the distribution under 26 CFR 1.417(e)-1(d)(3) the 30-year Treasury rate prior to January 1, 2007 using the rate in effect for the month prior to retirement and on and after January 1, 2007 using the rate in effect for the first day of the plan year with a one-year stabilization period and (i) for years prior to January 1, 2009 the applicable mortality tables for the distribution under 26 CFR 1.417(e)-1(d)(2) (the mortality table specified in Revenue Ruling 2001-62 or any subsequent Revenue Ruling modifying the applicable provisions of Revenue Ruling 2001-62) and (ii) for years after December 31, 2008 the applicable mortality tables described in Code Section 417(e)(3)(B) (Notice 2008-85 or any subsequent Internal Revenue Service guidance implementing Code Section 417(e)(3)(B)), divided by 1.05.

(C) The actuary may adjust the 415(b) limit at that annuity starting date in accordance with paragraphs (A) and (B) above.

(D) Benefits Not Taken into Account. For purposes of this Section, the following benefits shall not be taken into account in applying these limits:

- (1) Any ancillary benefit which is not directly related to retirement income benefits;
- (2) Survivor benefits payable to a surviving spouse under a qualified joint and survivor annuity to the extent such benefits would not be payable if the participant's benefit were paid in another form;
- (3) Any other benefit not required under §415(b)(2) of the Code and Regulations thereunder to be taken into account for purposes of the limitation of Code Section 415(b)(1);

(E) COLA Effect. Effective on and after January 1, 2003, for purposes of applying the limits under Code Section 415(b) (the "Limit"), the following will apply:

- (1) A member's applicable limit will be applied to the member's annual benefit in the member's first limitation year of benefit payments without regard to any automatic cost of living adjustments;
- (2) thereafter, in any subsequent limitation year, a member's annual benefit, including any automatic cost of living increases, shall be tested under the then applicable benefit limit including any adjustment to the Code Section 415(b)(1)(A) dollar limit under Code Section 415(d), and the regulations thereunder; but
- (3) in no event shall a member's benefit payable under the plan in any limitation year be greater than the limit applicable at the annuity starting date, as increased in subsequent years pursuant to Code Section 415(d) and the regulations thereunder.

Unless otherwise specified in the plan, for purposes of applying the limits under Code Section 415(b), a Member's applicable limit will be applied taking into consideration cost of living increases as required by Section 415(b) of the Code and applicable Treasury Regulations.

(F) Other Adjustments in Limitations.

(1) In the event the member's retirement benefits become payable before age sixty-two (62), the limit prescribed by this section shall be reduced in accordance with regulations issued by the Secretary of the Treasury pursuant to the provisions of Code Section 415(b) of the Code, so that such limit (as so reduced) equals an annual straight life benefit (when such retirement income benefit begins) which is equivalent to an annual benefit in the amount of the applicable dollar limitation of Section 415(b)(1)(A) of the Code (as adjusted pursuant to Section 415(d) of the Code) beginning at age sixty-two (62).

(2) In the event the member's benefit is based on at least fifteen (15) years of credited service as a full-time police officer or firefighter, the adjustments provided for in (F)(1) above shall not apply.

(3) The reductions provided for in (F)(1) above shall not be applicable to disability benefits or pre-retirement death benefits.

(4) In the event the member's retirement benefit becomes payable after age sixty-five (65), for purposes of determining whether this benefit meets the limit set forth herein, such benefit shall be adjusted so that it is actuarially equivalent to the benefit beginning at age sixty-five(65). This adjustment shall be made in accordance with regulations promulgated by the Secretary of the Treasury or his delegate.

16.03 Less than Ten (10) Years of Service.

The maximum retirement benefits payable under this section to any member who has completed less than ten (10) years of credited service shall be the amount determined under section 16.01 multiplied by a fraction, the numerator of which is the number of the member's years of credited service and the denominator of which is ten (10). The reduction provided by this section cannot reduce the maximum benefit below 10% of the limit determined without regard to this

subsection. The reduction provided for in this section shall not be applicable to pre-retirement disability benefits or pre-retirement death benefits.

16.04 Participation in Other Defined Benefit Plans.

The limit of this section with respect to any member who at any time has been a member in any other defined benefit plan as defined in Code Section 414(j) maintained by the Employer shall apply as if the total benefits payable under all Employer defined benefit plans in which the member has been a member were payable from one plan.

16.05 Ten Thousand Dollar (\$10,000) Limit.

Notwithstanding anything in this article to the contrary, the retirement benefit payable with respect to a member shall be deemed not to exceed the limit set forth in this article if the benefits payable, with respect to such member under this plan and under all other qualified defined benefit pension plans to which the Employer contributes, do not exceed ten thousand dollars (\$10,000) for the applicable limitation year and for any prior limitation year and the Employer has not at any time maintained a qualified defined contribution plan in which the member participated; provided, however, that if the member has completed less than ten years of credited service, the limit hereunder shall be a reduced limit equal to ten thousand dollars (\$10,000) multiplied by a fraction, the numerator of which is the number of the member's years of credited service and the denominator of which is ten.

16.06 Reduction of Benefits.

Reduction of benefits and/or contributions to all plans, where required, shall be accomplished by first reducing the member's benefit under any defined benefit plans in which member participated, such reduction to be made first with respect to the plan in which member most recently accrued benefits and thereafter in such priority as shall be determined by the board and the plan administrator of such other plans, and next, by reducing or allocating excess forfeitures to defined

contribution plans in which the member participated, such reduction to be made first with respect to the plan in which member most recently accrued benefits and thereafter in such priority as shall be established by the board and the plan administrator for such other plans provided, however, that necessary reductions may be made in a different manner and priority pursuant to the agreement of the board and the plan administrator of all other plans covering such member.

16.07 Service Credit Purchase Limits.

(A) Effective for permissive service credit contributions made in limitation years beginning after December 31, 1997, if a member makes one or more contributions to purchase permissive service credit under the plan, then the requirements of this section will be treated as met only if:

(1) the requirements of Code Section 415(b) are met, determined by treating the accrued benefit derived from all such contributions as an annual benefit for purposes of Code Section 415(b), or

(2) the requirements of Code Section 415(c) are met, determined by treating all such contributions as annual additions for purposes of Code Section 415(c).

(3) For purposes of applying subparagraph (A)(1), the plan will not fail to meet the reduced limit under Code section 415(b)(2)(C) solely by reason of this subparagraph (3), and for purposes of applying subparagraph (A)(2) the plan will not fail to meet the percentage limitation under Section 415(c)(1)(B) of the Code solely by reason of this subparagraph (3)

(B) For purposes of this subsection the term “permissive service credit” means service credit—

(1) recognized by the plan for purposes of calculating a member’s benefit under the plan.

(2) which such member has not received under the plan, and

(3) which such member may receive only by making a voluntary additional contribution, in an amount determined under the plan,

which does not exceed the amount necessary to fund the benefit attributable to such service credit.

Effective for permissive service credit contributions made in limitation years beginning after December 31, 1997, such term may, if otherwise provided by the plan, include service credit for periods for which there is no performance of service, and, notwithstanding clause (B)(2), may include service credited in order to provide an increased benefit for service credit which a member is receiving under the plan.

(C) For purposes of applying the limits in this Section 16.07 only and for no other purpose, the definition of compensation where applicable will be compensation actually paid or made available during a limitation year, except as noted below and as permitted by Treasury Regulations located in 26 CFR 1.415(c)-2, or successor regulations. Unless another definition of compensation that is permitted by Treasury Regulations Section 1.415(c)-2, or successor regulation, is specified by the plan, compensation will be defined as wages within the meaning of Code Section 3401(a) and all other payments of compensation to an employee by an employer for which the employer is required to furnish the employee a written statement under Code Sections 6041(d), 6051(a)(3) and 6052 and will be determined without regard to any rules under Code Section 3401(a) that limit the remuneration included in wages based on the nature or location of the employment or the services performed (such as the exception for agricultural labor in Code Section 3401(a)(2)).

(1) However, for limitation years beginning after December 31, 1997, compensation will also include amounts that would otherwise be included in compensation but for an election under Code Sections 125(a), 402(e)(3), 402(h)(1)(B), 402(k), or 457(b). For limitation years beginning after December 31, 2000, compensation will also include any elective amounts that are not includible in the gross income of the employee by reason of Code Section 132(f)(4).

(2) For limitation years beginning on and after January 1, 2007, compensation for the limitation year will also include compensation

paid by the later of 2½ months after an employee's severance from employment or the end of the limitation year that includes the date of the employee's severance from employment if:

- a. the payment is regular compensation for services during the employee's regular working hours, or compensation for services outside the employee's regular working hours (such as overtime or shift differential), commissions, bonuses or other similar payments, and, absent a severance from employment, the payments would have been paid to the employee which the employee continued in employment with the employer; or
- b. the payment is for unused accrued bona fide sick, vacation or other leave that the employee would have been able to use if employment had continued.

(3) Back pay, within the meaning of Treasury Regulations Section 1.415(c)-2(g)(8), shall be treated as compensation for the limitation year to which the back pay relates to the extent the back pay represents wages and compensation that would otherwise be included under this definition.

(D) Notwithstanding any other provision of law to the contrary, the Board may modify a request by a member to make a contribution to the plan if the amount of the contribution would exceed the limits provided in Code Section 415 by using the following methods:

- (1) If the law requires a lump sum payment for the purchase of service credit, the Board may establish a periodic payment deduction plan for the member to avoid a contribution in excess of the limits under Code Sections 415(c) or 415(n).
- (2) If payment pursuant to subparagraph (D)(1) will not avoid a contribution in excess of the limits imposed by Code Section 415(c), the Board may either reduce the member's contribution to an amount within the limits of that section or refuse the member's contribution

(E) If the annual additions for any member for a plan year exceed the limitation under Code Section 415(c), the excess annual addition will be corrected as permitted under the Employee Plans Compliance Resolution System (or similar IRS correction program).

(F) For limitation years beginning on or after January 1, 2009, a member's compensation for purposes of this section shall not exceed the annual limit under Code Section 401(a)(17).

16.08 Additional Limitation on Pension Benefits.

Notwithstanding anything herein to the contrary:

(1) The normal retirement benefit or pension payable to a retiree who becomes a Participant of the Plan and who has not previously participated in such Plan, on or after January 1, 1980, shall not exceed one hundred percent (100%) of average final compensation. However, nothing contained in this section shall apply to supplemental retirement benefits or to pension increases attributable to cost-of-living increases or adjustments.

(2) No Participant shall be allowed to receive a retirement benefit or pension which is in part or in whole based upon any service with respect to which the Participant is already receiving, or will receive in the future, a retirement benefit or pension from a different employer's retirement system or plan. This restriction does not apply to social security benefits or federal benefits under Chapter 67, Title 10, U.S. Code.

(C) PARTICIPATION

(1) All Participants, Pensioners and Beneficiaries of the Plan whose retirement or survivor benefits from that Plan for a Plan Year have been limited by Code Section 415 are eligible to participate in

this Benefit Restoration Plan, unless excluded by category under the terms of the Information Sheet.

(2) Participation in the Benefit Restoration Plan is automatic. Any Participant, Pensioner or Beneficiary who is eligible for benefits is entitled to such benefits without the necessity of enrollment. Participation in the Benefit Restoration Plan will cease for any Plan Year in which the retirement benefit of a Pensioner or Beneficiary is not limited by Code Section 415.

(D) **BENEFITS**

(1) **Benefit Amount**

A covered Pensioner or Beneficiary shall receive a monthly benefit equal to the difference between the participant's monthly retirement benefit otherwise payable from the Plan prior to any reduction or limitation because of Code Section 415 and the actual monthly retirement benefit payable from the Plan as limited by Code Section 415. The monthly benefit shall be subject to withholding for any applicable income or employment taxes.

(2) **Payment of Benefit**

Benefits under the Benefit Restoration Plan shall be paid only if the Pensioner or Beneficiary is receiving retirement benefits from the Plan.

(3) **Form of Benefit**

The form of the benefit paid to a Pensioner or Beneficiary from the Benefit Restoration Plan shall be the same payable under the Plan.

(4) **Re-calculation of Benefits**

The maximum benefit under the Plan shall be increased as permitted by Internal Revenue Service regulations to reflect cost-of-living adjustments above the base period, and from August 1, 2000, the benefit paid to any Participant or Beneficiary who is in payment status will be adjusted as the first day of each limitation year for the increase, if any, in the dollar limitation indexed under section 415(d) of the Code.

(E) **CONTRIBUTIONS AND FUNDING**

(1) Contributions

(a) The Board, upon the recommendation of the actuary, shall determine the required contributions to pay plan benefits in accordance with (3) below. The required contribution for each Plan Year shall be the total amount of benefits payable under (D) to all Pensioners and Beneficiaries, plus such amount as determined by the Board to pay the administrative expenses of the Benefit Restoration Plan and the Employer's share of any employment taxes on the benefits paid from the Plan.

(b) The required contribution as determined by the Board, upon the recommendation of the actuary, shall be paid into the Trust from an allocation of the Employer contribution amounts paid under the Plan.

(2) Benefit Restoration Plan Trust Fund

Contributions to the Benefit Restoration Plan shall be deposited in the separate Trust established and administered by the Board. This Trust is intended to be exempt from federal income tax under Code Sections 115 and 415(m)(1). The Trust assets shall be subject to the claims of general creditors of the Employer in the case of bankruptcy.

(3) Funding Assets

The benefit liabilities of the Benefit Restoration Plan shall be funded on an as-needed basis. The Trust established under (2) above shall not be accumulated to pay benefits payable in future years. Accordingly, any assets of the Trust shall be invested by the Board in short-term investments as the Board may determine to assure preservation of principal rather than the generation of income.

(4) Non-assignability of Benefits

The benefits payable under this Benefit Restoration Plan may not be assigned or alienated, except as otherwise permitted for benefits payable by the Plan.

(5) Amendment and Termination

The Employer reserves the right to amend this Benefit Restoration Plan at any time. No modification or amendment of the Benefit Restoration Plan shall make it possible for any part of the income or assets of the fund to be used for, or diverted to, purposes other than for the exclusive benefit of the Participants, Pensioners and Beneficiaries, except as set forth in section (2) above.

The Employer reserves the right to discontinue or terminate this Benefit Restoration Plan in whole or in part. Upon a termination of the Benefit Restoration Plan, the Board shall take such steps as the Board determines to be necessary or desirable to comply with applicable laws and to apply any remaining assets.

If, after satisfaction of all liabilities, there is any balance remaining in the fund, such balance shall be refunded to the Employer if not otherwise prohibited by law.

(F) ADMINISTRATION

(1) Benefit Restoration Plan Administration

The Benefit Restoration Plan shall be administered by the Board. The Board shall have the same authority to administer the Benefit Restoration Plan as exists for the Plan. The Board may delegate any or all of the Board's administrative authority.

(2) Compliance Authority

The Board may make modifications to the benefits payable under the Benefit Restoration Plan as may be necessary to maintain its qualified status under Code Section 415(m).

(3) No Liability for Benefits

Since this Benefit Restoration Plan is not intended to accumulate funds, the Benefit Restoration Plan shall not be liable for the payment of any benefits except to the extent of funds actually received from the Employer and not previously distributed or applied to pay Benefit Restoration Plan expenses.

(4) This Benefit Restoration Plan shall be construed, administered and governed in all respects by the laws of the State of Florida.

(G) EFFECTIVE DATES

The Board shall pay benefits under the Benefit Restoration Plan beginning on or after the date specified on the Information Sheet.

ARTICLE 17

DISTRIBUTION OF BENEFITS

As of the Effective Date, this Plan shall pay all benefits in accordance with a good faith interpretation of the requirements of Code Section 401(a)(9) and the regulations promulgated thereunder, as applicable to a governmental plan as defined in Code Section 414(d). Notwithstanding any other provision of this Plan to the contrary, a form of retirement income payable from this Plan shall satisfy the following conditions:

- (A)** If the retirement income is payable before the Participant's death,
- (1)** It shall either be distributed or commence to the Participant not later than April 1 of the calendar year following the later of the calendar year in which the Participant attains the applicable age required by IRC § 401(a)(9), or the calendar year in which the Participant retires; and,
 - (2)** the benefit shall be paid over the life of the Participant or over the lifetimes of the Participant and designated beneficiary and shall be paid over the period extending not beyond the life expectancy of the Participant and designated beneficiary

Where benefit payments have commenced in accordance with the preceding paragraphs and the Participant dies before his entire interest in the Plan has been distributed, the remaining portion of such interest in the Plan shall be distributed no less rapidly than under the form of distribution in effect at the time of the Participant's death.

(B) If the Participant dies before distributions begin, the Participant's entire interest will be distributed, or begin to be distributed, no later than as follows:

- (1)** If the Participant's surviving spouse is the Participant's sole designated beneficiary, then, except as provided in the adoption agreement, distributions to the surviving spouse will begin by December 31 of the calendar year immediately following the calendar year in which the

Participant died, or by December 31 of the calendar year in which the Participant would have attained the applicable age as required under IRC § 401(a)(9), if later. [See note to Provision 6.08 regarding applicable age requirements]

- (2) If the Participant's surviving spouse is not the Participant's sole designated beneficiary, then, except as provided in the adoption agreement, distributions to the designated beneficiary will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died.
- (3) If there is no designated beneficiary as of September 30 of the year following the year of the Participant's death, the Participant's entire interest will be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.
- (4) If the Participant's surviving spouse is the Participant's sole designated beneficiary and the surviving spouse dies after the Participant but before distributions to the surviving spouse are required to begin, this subsection (B), other than B(1), will apply as if the surviving spouse were the Participant. For purposes of this subsection, unless this provision B(4) applies, distributions are considered to begin on the Participant's required beginning date. If this provision B(4) applies, distributions are considered to begin on the date distributions are required to begin to the surviving spouse under B(4). If distributions under an annuity meeting the requirements of this article commence to the Participant before the Participant's required beginning date (or to the Participant's surviving spouse before the date distributions are required to begin to the surviving spouse under B(1)), the date distributions are considered to begin is the date distributions actually commence.

(C) Direct Transfers of Eligible Rollover Distributions

- (1) This paragraph applies to distributions made on or after January 1, 1993. Notwithstanding any provisions of the Plan to the contrary that would otherwise limit

a distributee's (as defined below) election under this paragraph, a distributee may elect, at the time and in the manner prescribed by the Plan Administrator, to have any portion of an eligible rollover distribution (as defined below) that is equal to at least \$500 paid directly to an eligible retirement plan (as defined below) specified by the distributee in a direct rollover (as defined below). If an eligible rollover distribution is less than \$500, a distributee may not make the election described in the preceding sentence to rollover only a portion of the eligible rollover distribution.

(2) For purposes of this paragraph, the following terms shall have the following meanings:

(i) An "eligible rollover distribution" is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under Code Section 401(a)(9), and the portion of any distribution that is not included in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities); and any other distribution(s) that is reasonably expected to total less than \$200 during a year.

A portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax employee contributions which are not includible in gross income. However, such portion may be transferred only to (1) a traditional individual retirement account or annuity described in § 408(a) or (b) of the Code (a —traditional IRA) or a Roth individual retirement account or annuity described in § 408A (a —Roth IRA); or (2) to a qualified defined contribution, defined benefit, or annuity plan described in § 401(a) or § 403(a) or to an annuity contract described in § 403(b), if such plan or contract provides for separate accounting for

amounts so transferred (including interest thereon), including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

(ii) An “eligible retirement plan” is an eligible plan under § 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this plan, a traditional IRA, a Roth IRA, an annuity plan described in § 403(a) of the Code, an annuity contract described in § 403(b) of the Code, or a qualified defined benefit or defined contribution plan described in § 401(a) of the Code, that accepts the distributee’s eligible rollover distribution. The definition of eligible retirement plan shall also apply in the case of a distribution to a surviving spouse, or to a spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in § 414(p) of the Code.

(iii) A “distributee” includes an Employee or former Employee. In addition, the Employee’s or former Employee’s surviving spouse is a distributee with regard to the interest of the spouse. All assets of the Fund shall be held in trust and at no time prior to the satisfaction of all liabilities under the Plan with respect to Participants and Beneficiaries, shall any part of the corpus or income of the Fund be used for or diverted to any purpose other than for their exclusive benefit. No plan amendment or ordinance shall be adopted by the Employer which shall have the effect of reducing the then vested accrued benefits of Participants or Participants' beneficiaries under the Plan.

18.02 Summary Plan Descriptions

The Summary Plan Description outlining the provisions of this Plan was designed only to give a brief description of the benefit provided and does not include all the provisions or exclusions in the Plan Document. If the Summary Plan Description disagrees with the Plan herein in any way, the Plan Document will govern.

18.03 Gender and Number

Wherever any words are used in the masculine, feminine or neutral gender, they shall be construed as though they were also used in another gender in all cases where they would apply. Whenever any words are used herein in the singular or plural form, they shall be construed as though they were also used in the other form in all cases where they would apply.

18.04 Headings and References

All headings and references to sections, subsections, paragraphs, etc., in this Plan are inserted for convenience only and shall not affect the construction or interpretation of this Plan.

18.05 Benefit Improvements

Benefit improvements which, in the past, have been provided for by amendments to the Plan adopted by the Employer by ordinance or resolution, and any benefit improvements

which might be made in the future, shall apply prospectively and shall not apply to Participants who terminate employment or who retire prior to the effective date of any ordinance or resolution adopting such benefit improvements, unless such ordinance or resolution specifically provides to the contrary.

18.06 Procedure for Unclaimed Benefit

If the Board is unable, within three years after any benefit becomes due to a Participant or Beneficiary under the Plan, to authorize payment because the identity or whereabouts of such person cannot be ascertained, the Board may direct that such benefit and all further benefits with respect to such person shall be forfeited and all liability for the payment thereof shall terminate.

18.07 Qualified Military Service:

Notwithstanding any provision of this Plan to the contrary, contributions, benefits, and service credit with respect to qualified military service will be provided in accordance with § 414(u) of the Code. To the extent that the definition of “credited service” sets forth contribution requirements that are more favorable to the participants than the minimum compliance requirements, the more favorable provisions shall apply.

Consistent with the Heroes Earning Assistance and Relief Tax (HEART) Act, a deceased person’s period of qualified military service will be credited service under the Plan.

If a Participant dies while engaged in qualified military service, the Participant’s beneficiaries shall be entitled to any benefits the Participant would have been entitled to as if the Participant had resumed employment immediately prior to his or her death in accordance with the Heroes Earning Assistance and Relief Tax (HEART) Act, and any regulations promulgated thereunder.

18.08 Domestic Relations Order Submission:

(A) Prior to the entry of any domestic relations order which affects or purports to affect the Fund’s responsibilities in connection with the payment of benefits, that order should

be submitted through the Fund's administrator for review as to whether the Fund may honor it.

(B) If the domestic relations order is not submitted to the administrator for review prior to entry, and the Fund is ordered to take action that it may not legally take, and the Fund expends administrative or legal fees in resolving the matter, the Participant who submitted the domestic relations order will be required to reimburse the Fund its expenses in connection with the order.

(C) The administrator may develop rules or regulations concerning what the Fund will consider to determine if a domestic relations order may be complied with by the Fund.

Any modification or amendment of this Plan may be made retroactively, if necessary or appropriate to maintain qualification.

18.11 Plan Amendments

The Employer acknowledges the FMPTF Defined Benefit Plan document may be amended from time to time by the FMPTF Master Trustee to comply with applicable federal or state laws or regulations, and to make ministerial or administrative changes to the Plan, without the consent of the Employer or of Participants or any Beneficiaries thereof. Any amendment of the Plan, made in accordance with this provision, may be made retroactively, if deemed necessary or appropriate by the FMPTF Master Trustee. A copy of any Plan amendment shall be delivered to the Plan administrator, and the Plan shall be amended in the manner and effective as of the date set forth therein, and the Employers, Employees, Participants and Beneficiaries shall be bound by the amendment.

The FMPTF Master Trustee shall not make any amendment to benefits under the Plan unless the amendment is necessitated to comply with applicable federal or state laws or regulations. Employers shall receive copies of any Plan amendments made by the FMPTF Master Trustee.

ARTICLE 19

REPEAL OR TERMINATION OF PLAN

(A) This Plan and Fund may be modified, terminated, or amended, in whole or in part at any time by the Employer; provided that if this Plan or any subsequent ordinance or resolution shall be amended or repealed in its application to any person benefiting hereunder, the amount of benefits which at the time of any such alteration, amendment, or repeal shall have accrued to the Participant or beneficiary shall not be affected thereby, except to the extent that the assets of the Fund may be determined to be inadequate.

(B) If this Plan shall be repealed, or if contributions to the Plan are discontinued, or if there is a transfer, merger or consolidation of government units, services or functions as provided in Chapter 121, Fl. Stat., the Board shall continue to administer the Plan in accordance with the provisions of this Plan, for the sole benefit of the then Participant's, any beneficiaries then receiving retirement allowances, and any future persons entitled to receive future benefits. In the event of repeal, termination or permanent discontinuance of contributions due to transfer, merger or consolidation of government units, services or functions, or for any other reason, there shall be full vesting (100%) of benefits accrued to date of repeal and the assets of the Plan shall be allocated as follows:

(C) General Employees

Benefits for General Employees shall be distributed in an equitable manner to provide benefits on a proportionate basis to the persons so entitled in accordance with the provisions of this Plan. The following shall be the order of priority for purposes of allocating the assets of the Plan as of the date of repeal of this Plan, or if contributions to the Plan are discontinued with the date of such discontinuation being determined by the Employer.

(1) Apportionment shall first be made in respect of each retired Participant receiving a retirement or disability benefit hereunder on such date, each person receiving a benefit on such date on account of a retired or disabled (but since deceased) Participant, and each Participant who has, by such date, become eligible

for normal retirement but has not yet retired, an amount which is the actuarial equivalent of such benefit, based upon the actuarial assumptions in use for purposes of the most recent actuarial valuation, provided that, if such asset value be less than the aggregate of such amounts, such amounts shall be proportionately reduced so that the aggregate of such reduced amounts will be equal to such asset value.

(2) If there be any asset value remaining after the apportionment under paragraph 1, apportionment shall next be made in respect of each Participant in the service of the Employer on such date who has completed at least ten (10) Years of Credited Service and who is not entitled to an apportionment under paragraph 1, in the amount required to provide the Actuarial Equivalent, as described in paragraph 1 above, of the accrued Normal Retirement Benefit, based on the Credited Service and Salary as of such date, and each vested former Participant then entitled to a deferred benefit who has not, by such date, begun receiving benefit payments, in the amount required to provide said Actuarial Equivalent of the accrued Normal Retirement Benefit, provided that, if such remaining asset value is less than the aggregate of the amounts apportioned hereunder, such latter amounts shall be proportionately reduced so that the aggregate of such reduced amounts will be equal to such remaining asset value.

(3) If there be any asset value after the apportionments under paragraph 1 and 2 above, apportionment shall be made in respect of each Participant in the service of the Employer on such date who is not entitled to an apportionment under paragraphs 1 and 2 above in the amount equal to Participant's Accumulated Contributions, provided that, if such remaining asset value be less than the aggregate of the amounts apportioned hereunder, such latter amount shall be proportionately reduced so that the aggregate of such reduced amounts will be equal to such remaining asset value.

(4) If there be any asset value remaining after the apportionments under paragraphs 1, 2, and 3 above, apportionment shall lastly be made in respect of each participant included in paragraph 3 above to the extent of the Actuarial Equivalent,

as described in paragraph 1 above, of the accrued Normal Retirement Benefit, less the amount apportioned in paragraph 3 above, based on the Credited Service and Average Final Compensation as of such date, provided that, if such remaining asset value be less than the aggregate of the amounts apportioned hereunder, such amounts shall be reduced so that the aggregate of such reduced amounts will be equal to such remaining asset value.

(5) In the event that there be asset value remaining after the full apportionment specified in paragraphs 1, 2, 3, and 4 above, such excess shall be returned to the Employer, less return of the State's contributions to the State if applicable, provided that, if the excess is less than the total contributions made by the Employer and the State to the date of termination such excess shall be divided proportionately to the total contributions made by the Employer and the State.

The allocation of the Fund provided for in this subsection may, as decided by the Board and the Employer be carried out through the purchase of insurance company contracts to provide the benefits determined in accordance with this subsection. The Fund may be distributed in one sum to the persons entitled to said benefits or the distribution may be carried out in such other equitable manner as the Board and the Employer may direct. The Trust may be continued in existence for purposes of subsequent distributions.

(6) After all the vested and accrued benefits provided hereunder have been paid and after all other liabilities have been satisfied, then and only then, shall any remaining funds be reverted to of the Employer.

(D) Police Officers and Firefighters

Benefits for Police Officers and Firefighters for plans participating in Chapters 175 or 185, Fl. Stat., shall be distributed in accordance with the following procedure:

(1) The Board shall determine the date of distribution and the asset value required to fund all the nonforfeitable benefits, after taking into account the expenses of such distribution. The Board shall inform the Employer if additional assets are required, in which event the Employer shall continue to financially support the plan until all nonforfeitable benefits have been funded.

(2) The Board shall determine the method of distribution of the asset value, that is, whether distribution shall be by payment in cash, by the maintenance of another or substituted trust fund, by the purchase of insured annuities, or otherwise, for each participant entitled to benefits under the plan as specified in paragraph (3).

(3) The Board shall distribute the asset value as of the date of termination in the manner set forth in this subsection, on the basis that the amount required to provide any given retirement income shall mean the actuarially computed single-sum value of such retirement income, except that if the method of distribution determined under paragraph (2) involves the purchase of an insured annuity, the amount required to provide the given retirement income shall mean the single premium payable for such annuity. The actuarial single-sum value may not be less than the employee's accumulated contributions to the plan, with interest if provided by the plan, less the value of any plan benefits previously paid to the employee.

(4) If in the event that there is asset value remaining after the full distribution as specified in paragraph (3), and after the payment of any expenses incurred with such distribution, such excess shall be returned to Employer, less return to the state of the state's contributions, provided that, if the excess is less than the total contributions made by the Employer and the state to date of termination of the plan, such excess shall be divided proportionately to the total contributions made by the Employer and the state.

ARTICLE 20

The Investment Manager shall have the power to direct the management, acquisition or disposition of that portion of the Master Trust Fund for which the Investment Manager is responsible.

The Master Trustees shall be responsible for ascertaining that each Investment Manager, while acting in that capacity, satisfies the following requirements:

1. The Investment Manager is either (i) registered as an investment adviser under the Investment Advisers Act of 1940, as amended; (ii) a bank as defined in that Act; (iii) an insurance company qualified to perform the services described herein under the

laws of more than one state; or (iv) a pooled investment program for governmental entities created pursuant to Section 163.01, Florida Statutes; and

2. The Investment Manager has acknowledged in writing to the Master Trustees that it is a fiduciary with respect to the Plan or Plans with assets in the portion of the Master Trust Fund for which the Investment Manager has responsibility for management, acquisition or disposition.

C. Investment Manager Duties. Subject to the approval of the Master Trustees, each Investment Manager shall establish and carry out an investment policy and method for the portion of the Master Trust Fund for which it is responsible that is consistent with the objectives of the Investment Policy and the particular Plan or Plans with assets in the portion of the Master Trust Fund for which the Investment Manager has responsibility for management, acquisition or disposition. At least annually, the Investment Manager shall review its investment policy and method with the Master Trustees. The Investment Manager shall also make investments in a manner that is consistent with applicable law, and, as advised by the Administrator, the cash requirements of the Plans.

Each Investment Manager shall no less than annually or at the request of the Master Trustees certify the value of any securities or other property of the Master Trust Fund managed by such Investment Manager. The Master Trustees shall be entitled to rely conclusively upon such valuation for all purposes under the trust for the Plans.

D. Absence of Master Trustees' Responsibility for Investment Manager. The Master Trustees shall not be liable for any act or omission of any Investment Manager and shall not be under any obligation to invest or otherwise manage the assets of the Master Trust Fund or of the Plans that are subject to the management of any Investment Manager. Without limiting the generality of the foregoing, the Master Trustees shall not be liable by reason of their taking or refraining from taking at the direction of any Investment Manager any action pursuant to this Section, or pursuant to a notification of an order to purchase or sell securities issued by any Investment Manager, nor shall the Master Trustees be liable by reason of their refraining from taking any action because of the failure of any Investment Manager to give such direction or order; the Master Trustees shall be under no duty to question or to make inquiries as to any direction or order or failure to give any direction or order by any Investment Manager; the Master Trustees shall be under no duty to make any review of an investment acquired for any investment fund at the direction or order of any Investment Manager; and the Master Trustees shall be under no duty at any time to make any recommendation with respect to disposing of or continuing to retain any such investment.

E. Investment of Chapters 175 and 185 Funds. F. Reporting. The Master Trustees shall be responsible for and shall cause to be filed such annual or periodic audits, valuations, reports and disclosures as are required by law or agreements.

The Master Trustees may employ professional advisors to prepare such audits, valuations, reports and disclosures and the cost of such professional advisors shall be borne by the Master Trust Fund.

G. Commingling Assets. Except to the extent prohibited by applicable law, the Master Trustees may commingle the assets of all Participating Employers and Participating Employees held by the Master Trustees under this Agreement for investment purposes in the Master Trust Fund and shall hold the Master Trust Fund in trust and manage and administer the same in accordance with the terms and provisions of this Agreement and the Plans. However, the assets of Participating Employers and Participating Employees in the various trusts included in the Master Trust Fund shall be accounted for separately. The Master Trustees and the Administrator shall be under no duty to determine whether the amount of any contribution is in accordance with the Plans, or to collect or enforce payment of any contribution. Separate investment funds within the Master Trust Fund and varying percentages of investment in any such separate investment fund by the Participating Employers and Participating Employees, to the extent so determined by the Master Trustees, are expressly permitted.

H. Open Architecture Investment. Notwithstanding any provisions of this Agreement to the contrary, a Participating Employer that has been acknowledged through the Trust Joinder Agreement may elect Open Architecture Investment. If a Participating Employer selects Open Architecture Investment, the Participating Employer will be responsible for selecting and overseeing Plan investment option(s), including default option(s), rather than using the investment options selected by the Master Trustees. Notwithstanding any provisions of this Agreement to the contrary, a Participating Employer acknowledges by the selection of Open Architecture Investment that neither the Plan Administrator nor the Master Trustees have any responsibility for and shall not have any liability relating to the selection or oversight of Plan investment options. The Master Trustees shall have no fiduciary duty or any liability for an investment option or any loss sustained by a Participating Employer, Participating Employee, Beneficiary, or Alternate Payee whose Account in whole or in part is invested through Open Architecture Investment.

Section 105. TAXES, EXPENSES AND COMPENSATION OF MASTER TRUSTEES.

A. Taxes. The Master Trustees, without direction from the Administrator, shall pay out of the Master Trust Fund all taxes imposed or levied with respect to the Master Trust Fund, or any part thereof, under applicable law, and, in their discretion, may contest the validity or amount of any tax, assessment, claim or demand respecting the Master Trust Fund or any part thereof.

B. Expenses and Compensation. The Master Trustees are authorized to set aside from Participating Employer and Participating Employee contributions received and the investment income earned thereon a reasonable sum for the operating expenses and administrative expenses of the Master Trust Fund and the Plans. Section 110. AMENDMENT OR TERMINATION OF THIS AGREEMENT; TERMINATION OF PLANS.

A. Amendment. This Agreement and the trusts created hereby may be amended in writing at any time by the concurrence of a majority of the Master Trustees. No amendment to this Agreement, which directly affects the scope of powers of the Master Trustees, terms of office or the selection of Master Trustees shall become effective without the concurrence of the Board of Directors of the Florida League of Cities, Inc.

No change which specifically affects the exercise of powers by the Master Trustees or the fiduciary responsibilities of the Master Trustees to Participating Employers and Participating

Employees shall be required to be approved by the Board of Directors of the Florida League of Cities, Inc., nor shall this Section be construed to give the Board of Directors of the Florida League of Cities, Inc. the power to exercise any fiduciary responsibility of the Master Trustees or to interfere with the exercise of those responsibilities by the Master Trustees.

This Agreement may not be amended so as to change its purpose as set forth herein or to permit the diversion or application of any funds of the Master Trust Fund or of the Plans for any purpose other than those specified herein. The Master Trustees, upon adoption of an amendment to this Agreement, shall send a copy of any such amendment to the Participating Employers.

B. Termination. This Agreement and any trust created hereby may be terminated at any time by the Master Trustees with respect to an Employer when the Employer's participation in a participating Plan is terminated or when a Trust Joinder Agreement has been terminated. The Defined Contribution Pension Plan Trust may be terminated in its entirety when all of the participating defined contribution pension plans have been terminated in their entirety or have terminated their participation in the Defined Contribution Pension Plan Trust. The Deferred Compensation Plan Trust may be terminated in its entirety when all of the participating deferred compensation plans have been terminated in their entirety or have terminated their participation in the Deferred Compensation Plan Trust. The Other Post-Employment Benefit Plan Trust may be terminated in its entirety when all of the participating other post-employment benefit plans have been terminated in their entirety or have terminated their participation in the Other Post-Employment Benefit Plan Trust. The Defined Benefit Pension Plan Trust may be terminated in its entirety pursuant to Florida law. This Agreement and the Master Trust Fund may be terminated in their entirety pursuant to Florida law.

In case of a termination of this Agreement, either in whole or in part, the Master Trustees (subject to the provisions of Section 111 hereof and reserving respectively such sums as the Master Trustees shall deem necessary in settling their respective accounts and to discharge any obligation of the Master Trust Fund for which as trustees the Master Trustees shall be liable) shall hold, apply, transfer or distribute the affected assets of the Master Trust Fund in accordance with the applicable provisions of this Agreement and the affected Plans. Upon any termination, in whole or in part, of this Agreement and the trusts created hereby, the Master Trustees shall have a right to have their respective accounts settled as provided in Section 112.

In the case of the complete or partial termination of this Agreement as to one or more Employers, including a termination arising from the discontinuance or delinquency of contributions, the affected assets of the Master Trust Fund shall continue to be held pursuant to the direction of the Master Trustees, for the benefit of affected Participating Employees and Beneficiaries, pursuant to the benefit provisions of the affected Plan. This Agreement shall remain in full effect with respect to each Participating Employer that does not terminate its participation in the Master Trust Fund on behalf of its Participating Employees, or whose participation is not terminated by the Master Trustees. In the event of a complete termination of the Master Trust Fund, or of the complete termination of the Defined Contribution Pension Plan Trust, the Deferred Compensation Plan Trust, the Defined Benefit Pension Plan Trust or the Other Post-Employment Benefit Plan Trust, the Master Trustees will take reasonable steps to avoid a distribution to the Participating Employees and Beneficiaries, except pursuant to benefit options under the provisions of the participating Plans, including transfers to successor plan(s). However, if distributions must

be made, the Administrator shall be responsible for directing distribution of all affected assets of the Master Trust Fund to Participating Employees and Beneficiaries.

Distributions under a participating Plan of existing accounts or accrued benefits to the Participating Employees and Beneficiaries affected by the termination are subject to the benefit provisions of the Plan. However, if a Participating Employer requests a plan-to-plan transfer of Plan assets with respect to the Participating Employer's Participating Employees, the Master Trustees may in their discretion make the transfer.

Notwithstanding the foregoing, the Master Trustees shall not be required to pay out any assets of the Master Trust Fund to Participating Employees and Beneficiaries or a successor plan upon termination of this Agreement or the Master Trust Fund, in whole or in part, until the Master Trustees have received written certification from the Administrator (i) that all provisions of law with respect to such termination have been complied with, including the termination of a Plan; and (ii) after the Master Trustees have made a determination of the fair market value of the assets of a Plan, that the assets of the Plan are sufficient to discharge when due all obligations of the Plan required by law. The Master Trustees shall rely conclusively on such written certification and shall be under no obligation to investigate or otherwise determine its propriety.

When the assets of the Master Trust Fund affected by a termination have been applied, transferred or distributed and the accounts of the Master Trustees have been settled, then the Master Trustees shall be released and discharged from all further accountability or liability respecting the trust or trusts, or portions thereof, affected by the termination and shall not be responsible in any way for the further disposition of the assets of the trust or trusts, or portions thereof, affected by the termination or any part thereof so applied, transferred or distributed.

Section 1. Effective upon adoption of this Resolution, the Retirement Plan for Firefighters of the San Carlos Park Fire Protection and Rescue Service District is amended by amending subsection E. of the Adoption Agreement as follows:

E. CREDITED SERVICE

Shall mean the total number of years and fractional parts of years of service as a Participant during which the Participant made required contributions to the Plan (including contributions to the money purchase plan), when required, omitting intervening years or fractional parts of years when such Participant is not employed by the Employer. A Participant may voluntarily leave his/her Accumulated Contributions in the Fund for a period of five (5) years after leaving the employ of the Employer pending the possibility of being reemployed as a Firefighter, without losing credit for the time that he/she was a Participant of the Plan. If a vested Participant leaves the employ of the Employer, his/her Accumulated Contributions will be returned only upon his/her written request. If a Participant who is not vested is not reemployed as a Firefighter with the Employer within five (5) years, his/her Accumulated Contributions, if one-thousand dollars (\$1,000.00) or less shall be returned. If a Participant who is not vested is not reemployed within five (5) years, his/her Accumulated Contributions, if more than one-thousand dollars (\$1,000.00), will be returned only upon the written request of the Participant and upon completion of a written election to receive a cash lump sum or to rollover the lump sum amount on forms designated by the Board. Upon return of a Participant's Accumulated Contributions, all of his/her rights and benefits under the Plan are forfeited and terminated. Upon any reemployment, a Firefighter shall not receive credit for years or fractional parts of years of service for which he/she has withdrawn his/her Accumulated Contributions from the Fund unless the Firefighter repays into the Fund the contributions he/she has withdrawn, with interest, as determined by the Board, within ninety (90) days after his/her reemployment.

The years or fractional parts of a year that a Participant performs "Qualified Military Service" consisting of voluntary or involuntary "service in the uniformed services" as defined in the Uniformed Services Employment and Reemployment Rights Act (USERRA) (P.L.103-353), after separation from employment as a firefighter with the Employer to perform training or service, shall be added to his/her years of Credited service for all purposes, including vesting, provided that:

- a. The Participant is entitled to reemployment under the provisions of USERRA.
- b. The Participant returns to his/her employment as a Firefighter within (1) year from the earlier of the date of his military discharge or his release from active service, unless otherwise required by USERRA.
- c. The maximum credit for military service pursuant to this paragraph shall be four (4) years.
- d. This paragraph is intended to satisfy the minimum requirements of USERRA. To the extent that this paragraph does not meet the minimum standards of USERRA, as it may be amended from time to time, the minimum standards shall apply.

In the event a Participant dies on or after January 1, 2007, while performing USERRA Qualified Military Service, the beneficiaries of the Participant are entitled to any benefits (other than benefit accruals relating to the period of qualified military service) as if the Participant had resumed employment and then died while employed

In the event that a Participant of this Plan has also accumulated Credited Service in the General Employees' Retirement System maintained by the Employer, then such other Credited Service shall be used in determining vesting, and for determining eligibility for early or normal retirement. Such other Credited Service will not be considered in determining benefits under this Plan. Only his/her Credited Service under this Plan on or after his/her date of membership in this

Plan will be considered for benefit calculation. Any benefit calculation for a Participant of this Plan who is or becomes eligible for a benefit from this Plan after he/she has become a Participant of the General Employees' Retirement System maintained by the Employer, shall be based upon the Participant's Credited Service, Average Final Compensation and the benefit accrual rate in effect as of the date the Participant ceases to be a Participant of this Plan.

Section 2. Effective upon adoption of this Resolution, the Retirement Plan for Firefighters of the San Carlos Park Fire Protection and Rescue Service District is amended by creating a new subsection N. to the Adoption Agreement as follows:

The years or fractional parts of years that a Fighter serves or has served on active duty in the military service of the Armed Forces of the United States, the United States Merchant Marine or the United States Coast Guard, voluntarily or involuntarily and honorably or under honorable conditions, prior to first and initial employment with the District shall be added to his/her years of Credited Service provided that:

- (1) The Participant did not receive Credited Service for the time spent in the Armed Forces from any other private, governmental or military retirement or pension system.
- (2) The Participant contributes to the Fund the sum that he/she would have contributed, based on his/her Salary and the Participant contribution rate in effect at the time that the Credited Service is requested, plus amounts actuarially determined such that the crediting of service does not result in any cost to the Employer or the Fund, plus the amount charged by the actuary for determining the amount the Participant must contribute, plus payment of costs for all professional services rendered to the Board in connection with the purchase of Credited Service.
- (3) Multiple requests to purchase Credited Service pursuant to this Section may be made at any time prior to Retirement.
- (4) Payment by the Participant of the required amount shall be made within ninety (90) days of his/her request for credit, but not later than the retirement date, and shall be made in one lump sum payment upon receipt of which Credited Service shall be given.
- (5) The maximum amount of credited service that may be purchased under this Section shall be four (4) years.
- (6) Credited Service purchased pursuant to this Section shall count for all purposes except vesting and eligibility for not-in-line of duty disability benefits.

(b) PRIOR FIRE SERVICE

Unless otherwise prohibited by law, and except as provided for in this Plan, the years or fractional parts of years that a Participant previously served as a full-time Firefighter with the District during a period of previous employment and for which period Accumulated Contributions were withdrawn from the Fund, or the years and fractional parts of years that a Participant served as a full-time Firefighter for any other municipal, county or special district fire

department in the State of Florida shall be added to his/her years of Credited Service provided that:

- (1) In no event, however, may Credited Service be purchased pursuant to this Section for prior service with any other municipal, county or special district fire department, if such prior service forms or will form the basis of a retirement benefit or pension from a different employer's retirement system or plan.
- (2) A Participant shall purchase credited service under this section by contributing to the fund the sum that he/she would have contributed, based on his/her Salary and the Participant contribution rate in effect at the time that the Credited Service is requested, plus amounts actuarially determined such that the crediting of service does not result in any cost to the Employer or the Fund, plus the amount charged by the actuary for determining the amount the Participant must contribute, plus payment of costs for all professional services rendered to the Board in connection with the purchase of Credited Service.
- (3) Multiple requests to purchase Credited Service pursuant to this Section may be made at any time prior to Retirement.
- (4) Payment of the required amount shall be made within ninety (90) days of your request for credit, but not later than your retirement date, and shall be made in one lump sum payment upon receipt of which credited service shall be given.
- (5) The maximum credit under this subsection for service other than with the District shall be four (4) years of credited service and shall count for all purposes, except vesting and eligibility for not-in-line of duty disability benefits. There shall be no maximum purchase of credit for prior service with the District and such credit shall count for all purposes, including vesting.
- (6) For purposes of determining credit for prior service as a Firefighter as provided for in this Section, in addition to service as a firefighter in this State, credit may be given for federal, other state, or county service if the prior service is recognized by the Division of State Fire Marshal, as provided under Chapter 633, Florida Statutes, or the Firefighter provides proof to the Board that his/her service is equivalent to the service required to meet the definition of a Firefighter under the Plan.

Thank you, Jennifer. I think what I was missing initially is that 482,586 is the annual amount, not cumulative. Correct, Non cumulative value, the annual amount has to be more than \$482,586. Could you please confirm with Chief Cambareri? And since the annual amounts are typically under 250K, it's likely the share plan won't be funded. As of FY2015, the district had a projected excise tax value at \$232,000. That being said, it will be some time until the share plan is funded.

Subject: Chapter 175 Questions SCPFD

Good morning Laura, I have had Chief Cambareri answer your questions below. If you have additional ones or need clarification, please let me know and I can obtain it. Happy Holidays!

1. It looks like the amount above \$482,586 will go into the Share Plan. For a starting point, will this be for the next distribution amounts? Or the amounts already received this past summer/October?
No, the resolution and the agreement with the staff, states that any excise tax dollars collected over \$482,586 will go to share plan. Excise dollars from \$0.00 to \$482,586.00 will be utilized by the district to fund the 175 plan costs. Reference this value was our start/ stop recapture to be utilized for 175 plan funding. For example: if and when the district collects \$482,587.00. in excise tax, the share plan will be funded by \$1.00.
2. We typically create a separate plan for purposes of keeping all investment earnings, etc. separate. Is this okay for your plan? possibly, however there will be no need to do this until we start to fund the share plan. Will this be an increased cost?
3. The expenses of the plan appear to be determined by the board. When will they make this determination each year? Yes I believe each year. Is there a difference between 175 plan expense and share plan expense
4. All participants 586 having 1 year of service will have an equal share, correct? I believe there is a vesting requirement That is, it isn't based on years of service, it's split equally between all who have 1 year of service? It is split equally. but if not vested and leave the funds will then need to be equally distributed to other members.

I have enclosed a copy of the amendment to the FMPTF plan document for the San Carlos Park Fire Protection & Rescue Service District, which amendment makes the following change to the Retirement Plan for the Firefighters of the San Carlos Park Fire Protection & Rescue Service District:

The plan's enrolled actuary, Charles T. Carr of Southern Actuarial Services Company, Inc., was provided with a copy of the amendment. In addition, the described plan change meets the requirements of Part VII, Chapter 112, Florida Statutes, and Section 14, Article X of the State Constitution.

Retirement Plan for the Firefighters of the San Carlos Park Fire Protection & Rescue Service District
Impact Statement for the amendment to the FMPTF plan document (continued)

This actuarial valuation and/or cost determination was prepared and completed by me or under my direct supervision and I acknowledge responsibility for the results. To the best of my knowledge, the results are complete and accurate and, in my opinion, the techniques and assumptions used are reasonable and meet the requirements and intent of Part VII, Chapter 112, Florida Statutes. There is no benefit or expense to be provided by the plan and/or paid from the plan's assets for which liabilities or current costs have not been established or otherwise taken into account in the valuation. All known events or trends which may require a material increase in plan costs or required contribution rates have been taken into account in the valuation.

Respectfully submitted,

Florida Municipal Pension Trust Fund
Statement of Investment Policy Objectives and Guidelines
Amended March 25, 2021

A. Portfolio Asset Allocation Guidelines

There are four asset allocation models or investment options: Fund A, Fund B, Fund C, & Fund D. Fund D is for members who have selected an asset allocation other than Fund A, B, or C. The maximum target asset allocation for Equities is 70% for all asset allocations.

As authorized by Section XII, D., 17. of the Investment Policy, the FMPTF invests in the following Florida Municipal Investment Trust (FMIVT) Portfolios: 0-2 High Quality Bond Fund*, Broad Market High Quality Bond Fund, Core Plus Fixed Income Fund, Diversified Large Cap Equity, Diversified Small to Mid (SMID) Cap Equity, International Equity and Core Real Estate Portfolio.

FMPTF's target asset allocation for the three allocations are listed below.

		Fund A	Fund B	Fund C
	<u>FMIVT Portfolio</u>	<u>Target</u>	<u>Target</u>	<u>Target</u>
Equities		60%	70%	50%
Large Cap				
	Diversified Large Cap Equity	25%	30%	22%
Small Cap				
	Diversified Small to Mid Cap Equity	14%	16%	10%
International				
	International Equity	21%	24%	18%
Fixed Income (Incl. Cash)		30%	20%	40%
Core Bonds	Broad Market High Quality	15%	10%	20%
Core Plus	Core Plus Fixed Income Fund	15%	10%	20%
Real Assets				
Core Real Estate	Core Real Estate Portfolio	10%	10%	10%

* Investment in the 0-2 High Quality Bond Fund would occur at the election of participants terminating their investment in the FMPTF.

A variance of more than 10% from the approved allocation percentages of any asset class requires approval by the Master Trustees. Percentage allocations are intended to serve as guidelines; the Master Trustees will not be required to remain strictly at the designated allocation. Market conditions or an investment transition (asset class or manager) may require an interim investment strategy and, therefore, a temporary imbalance in asset mix.

Overall asset allocation targets shall be reviewed on an annual basis and formal report submitted to the Board every three years by the current performance monitoring consultant.

B. Performance Objectives

Each Fund's total return will be expected to provide equal or superior results, using a three-year moving average, relative to the following benchmarks:

1. A relative return objective (Policy Benchmark)

Fund A - 25% S&P 500 Index, 14 % Russell 2500 Index, 21% MSCI ACWI ex USIndex 30% Barclays Capital Aggregate Bond Index and 10% NFI ODCE Index

Fund B - 30% S&P 500 Index, 16% Russell 2500 Index, 24 % MSCI ACWI ex US Index 20% Barclays Capital Aggregate Bond Index and 10% NFI ODCE Index

Fund C - 22% S&P 500 Index, 10% Russell 2500 Index, 18 % MSCI ACWI ex USIndex 40% Barclays Capital Aggregate Bond Index and 10% NFI ODCE Index

Fund D – Consistent with the strategic asset allocation set by the Member

2. A relative return objective of above median in consultant's total fund peer group universe.

Each Equity, Fixed Income and Real Estate Portfolio's total return is expected to provide equal or superior results relative to an appropriate benchmark as specified in the FMIVT guidelines for the particular portfolio and a relevant peer group universe.

C. Investment Manager Guidelines

The FMPTF hereby adopts the investment manager guidelines as stated for each of the FMIVT portfolios as amended and updated from time to time.

D. Florida Statutes Chapter 175/185 Divestiture

For any Chapter 175 or 185, Florida Statutes, plans participating in the Master Trust Fund, the Administrator and Investment Consultant shall periodically identify and report any direct or indirect holdings the Fund may have in any scrutinized company, as provided in Section 215.473, Florida Statutes, to the plans. The Master Trust Fund shall divest any direct holdings it may have in any scrutinized company as provided in Chapters 175 or 185, and Section 215.473, Florida Statutes. Indirect holdings in actively managed investment funds of any scrutinized company shall be subject to the provisions of Section 215.473(3)(e), Florida Statutes. However, investment managers of such actively managed investment funds containing companies that have scrutinized active business operations shall be requested to consider removing such companies from the fund or create a similar actively managed fund having indirect holdings devoid of such companies. If the investment manager creates such a similar fund, the Master Trust Fund shall replace all applicable investments subject to the provisions of Chapters 175 or 185, and Section 215.473, Florida Statutes, with investments in the similar fund in an expedited time frame consistent with prudent investing standards.

Managers shall adhere to the fiduciary standards set forth in the Employee Retirement Income Security Act of 1974 at 29 U.S.C. s. 1104(a)(1)(A) through (C). Individuals, acting in accordance with established procedures and exercising due diligence, shall be relieved of personal responsibility for an individual security’s credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to minimize any investment losses.

Any individual who is involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions. Managers shall have a written policy which addresses the disclosure of potential conflict-of-interests which shall be submitted to the Administrator upon request. Managers shall also disclose to the Administrator any material financial/investment position or finding which may be contrary to this policy or otherwise related to the performance of the Master Trust Fund's portfolio. Any adverse findings of the U.S. Department of Labor or the Securities and Exchange Commission regarding a Manager or its financial activities shall be brought to the immediate attention of the Master Trustees by the Administrator once the Administrator is notified.

Before engaging in any investment transactions with the Master Trust Fund, a Manager shall have submitted to the Administrator a signed certification from a duly authorized representative attesting that the individuals responsible for the Master Trust Fund's account have reviewed and shall comply with this investment policy and that they agree to undertake reasonable efforts to preclude imprudent transactions involving the assets of the Master Trust Fund.

V. INTERNAL CONTROLS

The Master Trustees require that the Administrator and any other designees establish a system of internal controls which shall be in writing. These controls shall be reviewed by independent certified public accountants as part of any required periodic financial statement audit. The internal controls should be designed to prevent losses of the Master Trust Fund which might arise from fraud, error, misrepresentation by third parties, or imprudent actions by the Master Trustees, Administrator or other designees.

VI. BROKERAGE AND BID REQUIREMENT

Managers shall use their best efforts to ensure that portfolio transactions are placed on a best execution basis. The Master Trustees intend to utilize recapture commissions when it does not interfere with best execution, solely at the discretion of the investment managers. Managers are required to, on a quarterly basis, report all brokerage transactions and reasons for using brokers to the Master Trustees. The Managers shall competitively bid securities in question when feasible and appropriate. Except as otherwise required by law, the most economically advantageous bid must be selected.

VII. PROXY VOTING

Responsibility for the voting of proxies shall be with the Master Trustees. The Master Trustees may exercise the right to assign this responsibility to the investment managers. Since proxy votes may be considered an asset of the Master Trust Fund, the assignment of voting proxies shall be exercised solely in the interest of the participants and beneficiaries of the Master Trust Fund, and for the exclusive purpose of providing benefits to participants and beneficiaries. Documentation related to the handling and voting of proxies will be reported to the Master Trustees on a quarterly basis.

The Master Trustees may (but are not required to) solicit Participating Employees' instructions as to the voting of a Master Trust Fund investment for their benefit. In so doing, the

Master Trustees may solicit instructions from only those Participating Employees whose Plan accounts held the applicable investment on the record date fixed by the investment issuer. To the extent that the Administrator receives proper instructions from these Participating Employees, the Master Trustees shall vote the Master Trust Fund's rights in accordance with the instructions. To the extent of the Master Trust Fund's rights for which Participating Employees did not give proper instructions, the Master Trustees may vote in their discretion.

The Master Trust Fund acknowledges the importance of continuing education for Master Trustees. To that end, the Master Trustees shall attend appropriate educational conferences in connection with their duties and responsibilities as Master Trustees.

IX. REPORTING AND PERFORMANCE MEASUREMENT

Performance shall be measured against appropriate indices identified by the Master Trustees for each investment category. This report shall summarize recent market conditions, economic developments and anticipated investment conditions. The report should also summarize the investment strategies employed in the most recent quarter, and describe the portfolio in terms of investment securities, maturities, risk characteristics, adherence to guidelines and other relevant features.

Managers shall provide timely transaction and performance data to record and document investment activity, including asset valuation, yield and total return data and such other relative performance data of the Master Trust Fund's portfolio on a periodic basis as may be reasonably requested by the Administrator.

The Administrator, Managers and other contracted parties shall provide to the Master Trust Fund's auditor such verifications or reports as are required for the purpose of developing and supporting the annual financial statements of the Master Trust Fund and the footnotes thereto.

Managers shall provide immediate written and telephonic notice to the Administrator of any significant event relating to the Master Trust Fund, specifically but not limited to the resignation, termination or incapacity of any senior personnel of any Manager.

X. RISK AND DIVERSIFICATION

The Master Trustees will monitor the return per unit of risk (as measured by the standard deviation of quarterly returns) of the Master Trust Fund's assets on an ongoing basis, with each Manager's contribution being reviewed independently and as to its impact on the overall Master Trust Fund's investment return and volatility of results over time. Each Manager's contribution will be measured against similar data for appropriate benchmarks.

Investment guidelines and monitoring will provide controls for identifying and limiting risk of loss from over concentration of assets invested in a specific maturity, with a single issuer,

in like instruments, or dealers or through utilization of intermediaries for purchase and sale of investments.

Risk and diversification strategies shall be reviewed and revised, if necessary, on a regular basis in light of the current and projected market condition and the Master Trust Fund's needs.

Assets in the Master Trust Fund shall be diversified among equities, fixed income and real estate to minimize overall portfolio risk consistent with the level of expected return and thereby improve the long-term return potential of the Master Trust Fund's assets. The Master Trustees reserve the right to add additional diversification by retaining multiple Managers or portfolios, upon Master Trustee approval and amendment to this policy, to further minimize portfolio risk or to maintain the level of expected return.

Managers shall be selected to fulfill a particular diversifying role within the Master Trust Fund's overall investment structure. It is the express intent of the Master Trustees to grant each Manager substantial discretion over the assets under its control.

XI. CUSTODIAN

The Custodian shall hold all actively managed or non-indexed assets of the Master Trust Fund. The Custodian will operate in accordance with a separate agreement with the Master Trustees. All securities shall be held with a third party, and all securities purchased by, and all collateral obtained by the Master Trustees shall be properly designated as an asset of the Master Trustees. No withdrawal of securities, in whole or in part, shall be made from safekeeping except by the Master Trustees or their designee. Securities transactions between a broker-dealer and the custodian involving purchase or sale of securities by transfer of money or securities must be made on a "delivery versus payment" basis, if applicable, to ensure that the Custodian will have the security or money, as appropriate, in hand at the conclusion of the transaction.

XII. DEFINED BENEFIT PLAN SPECIFICATIONS

These provisions relate to the investment of the assets of the Defined Benefit Pension Plan Trust and the portion of the Other Post-Employment Benefit Plan Trust relating to other post-employment benefit plans that are defined benefit plans.

A. Investment Objective and Expected Annual Rate of Return. The primary objective is to seek long-term growth of capital and income consistent with conservation of capital. Necessary liquidity will be maintained to meet payout requirements. Emphasis is placed on achieving consistent returns and avoiding extreme volatility in market value.

As of October 1 of each year, the individual members of the FMPTF will annually determine for their defined benefit plans the total expected annual rate of return for the current year, for each of the next several years and for the long-term thereafter. This determination must be filed promptly with the Department of Management Services, the Administrator, Master Trustees, and the actuaries, if any, for the Plans.

B. Asset Allocation and Portfolio Composition. Assets of the Master Trust Fund shall be invested in a diversified portfolio consisting of equity and debt. Although cash is not included in the asset allocation of the Master Trust Fund, surplus cash flows, additional

contributions and Manager cash will be utilized to pay obligations of the Master Trust Fund and periodic re-balancing of the assets. The Master Trust Fund may consider investments in other asset classes which offer potential enhancement to total return at risks no greater than the exposure under the initially selected asset classes.

From time to time the Master Trustees will adopt asset allocation strategies within the ranges specified below:

	<u>Maximum Target Limitation</u>
Equities	70% at market

The Master Trustees may employ an independent consultant to perform an annual, or more frequent, Asset Allocation Report that will include, but not be limited to, a strategic analysis and report on asset allocation investments between different types of investments and appropriate changes to the percentages therein. This study will be used to assist the Master Trustees in the determination of the appropriate investment allocation to maximize the return and minimize the risk to the pooled assets of the Master Trust Fund. This study may include a recommendation to add or delete asset classes as is warranted by the risk/reward analysis and by Master Trustees' approval.

The Master Trustees are not bound by acceptance or denial of recommendations presented in conjunction with the Asset Allocation Report.

It is not the intention of the Master Trust Fund to become involved in the day-to-day investment decisions. Therefore, the Administrator is authorized by this policy to make asset allocation decisions to reallocate or redirect either contributions or the investments held by the Master Trust Fund in order to take advantage of changing market conditions. Any tactical allocation that will cause the allocation of the investment classes to vary from the approved strategic allocation percentages of any asset class by more than 10% requires approval by the Chair of the Master Trustees.

The Administrator will report to the Master Trustees at their quarterly meetings on the tactical and re-balancing allocation decisions made during the prior quarter.

C. Maturity and Liquidity. The Master Trust Fund shall provide sufficient liquidity to meet any required payment.

D. Authorized Investments. In an effort to accomplish the objectives of the Master Trust Fund, this policy identifies various authorized investment instruments, issuer diversification, maturity constraints, investment ratings and liquidity parameters. The following are authorized investments:

For each plan year (defined benefit plans only) the Master Trustees must verify the determination of the fair market value for those investments and ascertain that the determination complies with all applicable state and federal requirements. The Master Trustees shall disclose to the Department of Management Services and the Administrator each such investment for which the fair market value is not provided.

F. Master Repurchase Agreements. All approved institutions and dealers transacting repurchase agreements shall execute and perform as stated in a Master Repurchase Agreement. All repurchase agreement transactions shall adhere to the requirements of the Master

Repurchase Agreement. This provision does not restrict or limit the terms of any such Master Repurchase Agreement.

G. Criteria for Investment Manager Review. The Master Trustees wish to adopt standards by which ongoing retention of a Manager should be determined. With this in mind, the following guidelines are adopted:

3. Loss by the Manager of any senior personnel deemed detrimental to the Manager's ability to perform required duties or any potentially detrimental organizational issues that may arise and have an effect on the management of Master Trust Fund assets.
4. Substantial change in basic investment philosophy by the Manager.
5. Substantial change of ownership of the firm deemed detrimental to the Manager's ability to perform required duties.
6. Failure to attain at least a 51% vote of the confidence of the Master Trustees.
7. Failure to observe any guidelines as stated in this policy.

This shall in no way limit or diminish the Master Trustees' right to terminate the Manager at any time for any reason.

An investment management agreement will be entered into between the Master Trustees and each Manager. Each investment management agreement will include such items as fiduciary standards, notice requirements, duties and responsibilities and specific investment guidelines for the Manager and will be subject to the prior review and approval of an attorney for the Master Trustees.

All Managers must be duly registered with the appropriate government agencies to act in the capacity of investment manager on behalf of the Master Trustees. Any Manager appointed shall promptly notify the Master Trustees in the event any circumstance arises that may result in its failing to continue to meet the requirements stipulated by the respective government agencies.

A Manager's performance will be evaluated with the assistance of performance measurement consultants on an on-going basis and will be a primary criteria for their retention.

H. Deferred Retirement Option Program Funds. For a defined benefit plan within the Defined Benefit Pension Plan Trust, an employer or board of trustees may establish a Deferred Retirement Option Program (“DROP”) distribution option whereby DROP funds are invested through the Master Trust Fund or allow participant-directed investment of DROP funds through the Master Trust Fund as provided under Article XIII of this Investment Policy.

I. “Pecuniary Factor” - Compliance with Section 112.662, Florida Statutes. As used herein, the term “pecuniary factor” means a factor that the Administrator, investment managers, named fiduciary, or Master Trustees prudently determines is expected to have a material effect on the risk or returns of an investment based on appropriate investment horizons consistent with the investment objectives and funding policy of the defined benefit plans. The term does not include the consideration of the furtherance of any social, political, or ideological interests.

When deciding whether to invest and when investing the assets of the defined benefit plans, only pecuniary factors may be considered and the interests of the participants and beneficiaries of the plans may not be subordinated to other objectives, including sacrificing investment return or undertaking additional investment risk to promote any nonpecuniary factor. The weight given to any pecuniary factor must appropriately reflect a prudent assessment of its impact on risk or returns.

If, at any time, the Master Trustees are to exercise shareholder rights or are to exercise such rights on behalf of the defined benefit plans, including the voting of proxies, only pecuniary factors may be considered and the interests of the participants and beneficiaries of plans may not be subordinated to other objectives, including sacrificing investment return or undertaking additional investment risk to promote any nonpecuniary factor.

XIII. DEFINED CONTRIBUTION AND DEFERRED COMPENSATION PLAN SPECIFICATIONS

These provisions relate to the investment of the assets of the Defined Contribution Pension Plan Trust, the Deferred Compensation Plan Trust, the portion of the Other Post-Employment Benefit Plan Trust relating to other post-employment benefit plans that are defined contribution plans, and the portion of the Defined Benefit Pension Plan Trust relating to participant-directed investment of Deferred Retirement Option Program funds. As provided in Section I. Authority of this Investment Policy, the provisions in this Section XIII have limited or no application to investment options selected and overseen by a Participating Employer under Open Architecture Investment.

A. Purpose. The Master Trustees are charged with the overall responsibility to manage the Master Trust Fund assets prudently on behalf of the Participating Employees. The general purpose of this investment policy is to assist the Master Trustees in discharging their responsibility to supervise, monitor and evaluate the investment of the Master Trust Fund assets. The Master Trustees believe this investment policy should be dynamic and should be reviewed periodically. The Master Trustees intend that this policy will not be overly restrictive given changing economic, business and capital market conditions.

Therefore, this policy is compiled to ensure:

1. The Master Trustees define a formal set of investment objectives, guidelines and procedures for the management of the Master Trust Fund assets, subject to the terms of the Plans' documents and investment advisory agreements entered into by the Managers and the Trustees.

2. Direct and indirect investment expenses are controlled and reasonable.

3. The investments of the Master Trust Fund assets are managed in accordance with the fiduciary prudence and due diligence requirements that experienced investment professionals would utilize and with all applicable laws, rules and regulations from various state, local and federal agencies that may impact the Master Trust Fund assets.

4. If and to the extent permitted by their respective Plans, Participating Employees and Beneficiaries have the ability to invest in a variety of asset classes, thereby gaining exposure to a wide range of investment opportunities.

B. Investment Objective. To the extent any Plans provide for participant-directed investments, the Master Trust Fund will make available a range of different diversified investment options that have varying degrees of risk and return.

It is anticipated, but not required, that the same investment options be available for each Plan. Investment options offered to Participating Employees and their Beneficiaries shall be approved by the Trustees.

To the extent any Plans provide for participant-directed investment, the primary objective of the Master Trust Fund is to offer the Participating Employees and their Beneficiaries a range of investment choices to permit diversification and a choice of investment strategies. The objectives are further defined as follows:

1. To provide a spectrum of investment options so a Participating Employee will be able to choose the investment mix that may fall within a range of risk and return characteristics customarily appropriate for the Participating Employee.

2. To provide sufficient investment choices so that the asset classes selected shall be such that taken together Participating Employees will have a reasonable opportunity to materially affect the potential investment returns in their accounts, while at the same time controlling risk or volatility. It is the intent that a Participating Employee may be able to build a balanced portfolio in a manner generally consistent with modern portfolio theory.

C. Guidelines

1. Investment options for the Participating Employees shall be determined solely in the interest of the Participating Employees and their Beneficiaries and for the exclusive purpose of providing benefits to the Participating Employees and their Beneficiaries.

2. Investment options for the Participating Employees shall be determined with the care, skill, prudence and diligence under the circumstances then prevailing that a

prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and aims.

3. Investment options for the Participating Employees shall be determined so as to offer an array of investment options so Participating Employees can protect themselves from large losses by appropriately diversifying their account.

D. Participant Control. To the extent permitted by the Plans, Participating Employees shall be given control over the investment allocation process. This shall include the right to change investment allocations of existing account balances and future contributions daily. Participating Employees shall also be given information necessary for them to reasonably understand the investments and to make reasonably informed investment decisions.

E. Self Directed Investment Option. Participants are allowed to self-direct their Pension accounts within the mutual fund offering. .

F. Procedure

1. The Master Trustees shall use business judgment in selecting investment products limited to registered investment company [“mutual fund”] shares and collective investment fund units, which the Master Trustees may own indirectly through a group trust or a securities account. The Plans’ investment options shall not include any investment for which the indicia of ownership cannot be held by the Master Trustees in the United States of America. Investment companies need not be classified as “diversified” as defined by the Investment Company Act of 1940. Both passive and actively managed investment strategies will be considered.

2. The following characteristics (when applicable) shall be considered in selecting the specific asset classes and corresponding investments to be made available to Participating Employees:

(a) Investment category and objective as defined in the prospectus or equivalent literature as well as current and historically consistent adherence to the asset classes and investment styles as defined in Section XIII.F below.

(b) The Manager(s) and tenure. (Longer tenure is preferred.)

(c) Acquisition costs and ongoing management fees including turnover. (Lower fees and turnover are preferred.)

(d) Investment record: total returns (net of expenses) on a time-weighted basis over three- and five-year periods and their relationship to appropriate benchmarks and peer groups. (Higher returns are preferred.)

(e) Risk adjusted return measurements: Sharpe Ratio and Alpha Returns and their relationship to appropriate benchmarks and peer groups. (Higher Sharpe Ratio and Alpha Return are preferred.)

(f) Risk characteristics: risk as measured implicitly by reviewing standard deviation and beta as used to compute Sharpe Ratios and Alpha statistics. (Lower standard deviations and betas are preferred.)

(g) Any other criteria that the Master Trustees deem worthwhile in judging the suitability of an investment, as long as the overall range of other investment options meets all requirements of this investment policy.

The Master Trustees shall review the long-term performance, risk and correlation characteristics of various asset classes, focusing on the balance between risk and return and the asset class' market behavior so that the investment options reasonably span the risk/return spectrum.

3. Miscellaneous Criteria: In selecting the specific investments to be made available to participants, the Master Trustees shall consider the following additional criteria:

(a) *Services to Participating Employees*

- (1) Communication from the funds
- (2) Accessibility to fund information
- (3) Ease and cost of investment transfers
- (4) Nature and frequency of reports to Participating Employees

(b) *Services to Master Trustees*

- (1) Nature and frequency of investment reports
- (2) Availability and access to Administrator and Managers
- (3) Corresponding costs and expenses associated with Plan record keeping and reporting and administration
- (4) Quantitative and qualitative due diligence regarding the Managers

G. Asset Classes. As a result of review and analysis, and in consideration of the criteria outlined in this policy, the Master Trustees have selected the following asset classes (investment styles) and may achieve objectives through passive (index) or active management. It is understood that this list is dynamic and subject to change by amendment of this policy at any time and from time to time:

- q) Target Retirement Funds – A lineup of multiple targeted maturity funds that offer a range of maturity dates that provide investors of different ages with a single solution or core investment for their retirement portfolio. H. Trustee-Directed Participant Allocation. The following investment allocation will be made for each Participating Employee's account that does not file and maintain a timely investment election form.

Age Based Default Fund utilizing the Vanguard Target Retirement Funds

I. Performance Measurement.

1. Each actively-managed investment shall be measured against the performance of its corresponding asset class and peer group as defined by performance monitoring services deemed to be acceptable by the investment consultant to the Master Trust Fund.

- h) Large Company Index Fund: S&P 500 Index
- i) Social Index Fund: FTSE4Good US Select Index
- j) Small to Mid Cap Core: Russell 2500 Index
- k) Small Cap Index Fund: CRSP US Small Cap Index

3. The performance of each investment may be measured against additional standards and benchmarks established by the Master Trustees from time to time as criteria for continued acceptance of each investment.

4. It is understood that the passively-managed options within the Master Trust Fund will not be measured relative to peer groups, but rather have the goal of mirroring both the risk and return of their appropriate benchmark.

J. Criteria for Evaluating Funds Selected in Each Asset Category

1. The following information shall be considered in determining if an investment option should be replaced. Once an investment is selected for the Master Trust Fund, performance will be evaluated from the date it was added to the Master Trust Fund using these criteria. At all times each mutual fund must carry a Morningstar Star rating of at least a three if available.

(a) Portfolio statistics as determined by portfolio and style analysis that demonstrates a departure from the fund's intended investment category (asset class).

(b) Termination of the Manager, material change in the management team or change in ownership.

(c) Increase in direct and indirect expenses.

(d) Actively managed funds should outperform their relevant benchmark over a 3 and 5 year time frame.

(e) Actively managed funds should rank above median compared to their relevant group over a 3 and 5 year time frame.

(f) Actively managed funds should rank above median in 2 of the last 3 rolling 1 year intervals compared with their relevant benchmarks.

(g) Passively managed funds should approximate the risk (standard deviation) and return of their relevant benchmark over all time periods.

(h) Target retirement funds should generate a sharpe ratio (risk/return statistic) that exceeds their relevant benchmark over a 3 and 5 year time frame.

(i) Any other information that may lead the Master Trustees to believe the fund is not fulfilling the intent and purpose of this policy, including performance relative to indexes specified in Section XIII.H above.

If any of these events occur, the Master Trustees shall consider whether the fund continues to be an appropriate investment for the Master Trust Fund. The Master Trustees acknowledge that fluctuating rates of return characterize the securities markets, particularly during short-term time periods. Recognizing that short-term fluctuations may cause variations in performance, the Master Trustees intend to evaluate Manager performance from a long-term perspective giving funds an opportunity to recover from periods of poor returns. If a Manager has consistently failed to adhere to one or more of the above conditions, it is reasonable to presume a lack of adherence going forward. Failure to remedy the circumstances of unsatisfactory performance by the Manager, within a reasonable time, shall be grounds for termination. Any recommendation to terminate a Manager will not be made solely based on quantitative data. Frequent changes are neither expected nor desirable. When a fund is replaced, all assets in the replaced fund will be transferred to the new fund 30 days after the Master Trustees have voted to remove the fund. Written notice to all affected Participating Employers will be sent within 10 days of the Master Trustees decision to remove the fund. All deposits previously allocated into the replaced fund will be directed to the new fund. Appropriate information about the fund replacement and new fund prospectus will be given to Participating Employees prior to the exchange.

Events that Constitute Immediate Removal of a Mutual Fund.

In an effort to maintain strict oversight of the mutual funds in which assets of the Defined Contribution Pension Plan Trust, Deferred Compensation Plan Trust, Defined Benefit Pension Plan Trust Deferred Retirement Option Program, and Other Post-Employment Benefit Plan Trust are held, the following guidelines have been developed as a basis for when a mutual fund must immediately be removed from the Master Trust Fund. Funds meeting the following criteria may be removed by the Administrator with 30 days written notice to affected Participating Employees and notification to the Chair of the Master Trustees. Written notice to all affected Participating Employers will be sent within 10 days of the decision to remove the fund. Appropriate information about the fund's replacement and new fund prospectus will be given to Participating Employees prior to the exchange.

- Management team termination
- Material and significant changes to the fund's investment policy.

2. Qualitative due diligence of each fund will be conducted on a periodic basis with appropriate parties at each investment entity. Any issue materially affecting the management staff and investment process associated with each fund will be considered, including:

- (a) Changes to the management team or the firm's ownership.
- (b) Modifications to the fund's investment policy, philosophy and decision process.

(c) Deviation of investment style, regulatory action and investigation or litigation by a government agency.

K. **Proxy Voting**. The Master Trustees will vote on all proxies issued by the mutual funds.

XIV. REVIEW AND AMENDMENTS

It is intended that the Managers, investment consultants, Administrator and Master Trustees review this investment policy periodically. If at any time a Manager or consultant believes that the specific objectives defined herein cannot be met or that the guidelines unreasonably constrict performance, the Master Trustees shall be notified in writing. By the initial and continuing acceptance of these investment guidelines, the Manager concurs with the provisions of this policy.

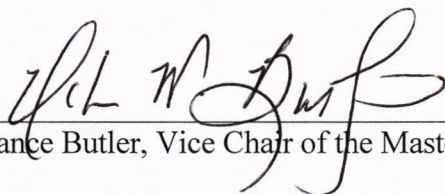

XV. FILING OF INVESTMENT POLICY

Upon adoption by the Master Trustees, this investment policy shall be promptly filed with the Department of Management Services, the Participating Employers and the Plans' actuaries, if any.

XVI. EFFECTIVE DATE

This amendment and restatement of the Florida Municipal Pension Trust Fund Investment Policy shall become effective as of June 8, 2023.

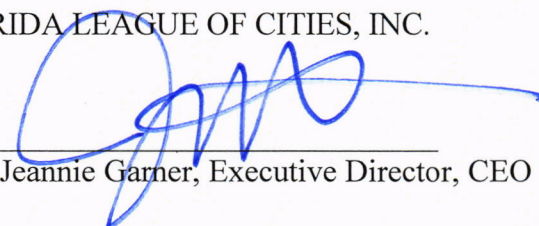

Adopted by the Master Trustees of the Florida Municipal Pension Trust Fund this 8th day of June, 2023.

Introduction

This report presents the results of the October 1, 2022 actuarial valuation of the Retirement Plan for the Firefighters of San Carlos Park Fire Protection & Rescue Service District. The report is based on the participant data and asset information provided by the pension plan administrator and, except for a cursory review for reasonableness including a comparison to the data provided for the previous valuation, we have not attempted to verify the accuracy of this information.

The primary purpose of this report is to provide a summary of the funded status of the plan as of October 1, 2022 and to determine the minimum required contribution under Chapter 112, Florida Statutes, for the 2023/24 plan year. In addition, this report provides a projection of the long-term funding requirements of the plan, statistical information concerning the assets held in the trust, statistical information concerning the participant population, and a summary of any recent plan changes.

The liabilities and cost presented in this report are based on numerous assumptions concerning the cost of benefits to be provided in the future, long-term investment returns, and the future demographic experience of the current participants. Anyone referring to this report should remember that the cost developed herein is only an estimate of the true cost of providing post-employment pension benefits. No one can predict with certainty whether the true cost will be higher or lower than the cost presented in this report. The calculated cost is entirely dependent upon the assumptions that are described in Table IV-A. If any of the assumptions is changed, then the cost shown in this report will change accordingly. Likewise, if any of the assumptions is not completely realized, then the cost shown in this report will change in the future.

Certain assumptions play a bigger role than others in determining the cost of the post-employment pension benefits. In some cases, relatively small changes in a particular assumption can have a dramatic impact on the anticipated cost of benefits. Although a thorough analysis of the impact of such changes is beyond the scope of this report, Table I-B illustrates the impact that alternative long-term investment returns would have on the minimum required contribution rate.

Minimum Required Contribution

Table I-A shows the development of the minimum required contribution for the 2023/24 plan year. The minimum required contribution rate is 39.78% of covered payroll, which represents an increase of 21.21% of payroll from the prior valuation.

The normal cost rate is 38.72% of payroll, which is 20.21% of payroll greater than the normal cost rate that was developed in the prior valuation. Table I-C provides a breakdown of the sources of change in the normal cost rate. Significantly, the rate increased by 16.23% of payroll due to investment losses and increased by another 3.98% of payroll due to demographic experience. The market value of assets lost 13.96% during the 2021/22 plan year, whereas a 6.75% annual investment return was required to maintain a stable contribution rate.

Chapter 112, Florida Statutes, sets forth the rules concerning the minimum required contribution for public pension plans within the state. Essentially, the District must contribute an amount equal to the annual normal cost of the plan plus an adjustment as necessary to reflect interest on any delayed payment of the contribution beyond the valuation date. On this basis, the District's 2023/24 minimum required contribution will be equal to 39.78% multiplied by the total pensionable earnings for the 2023/24 fiscal year for the active employees who are covered by the plan and reduced by the portion of the Chapter 175/185 contribution that is allowed to be recognized during the 2023/24 plan year.

Based on the current assets, participant data, and actuarial assumptions and methods that are used to value the plan, the present-day value of the total long-term funding requirement is \$43,513,869. As illustrated in Table I-A, current assets are sufficient to cover \$26,934,799 of this amount, the employer's 2022/23 expected contribution will cover \$902,804 of this amount, the employer's 2023/24 expected contribution will cover \$2,020,768 of this amount, and future employee contributions are expected to cover \$880,191 of this amount, leaving \$12,775,307 to be covered by future employer funding beyond the 2023/24 fiscal year. Again, demographic and investment experience that differs from that assumed will either increase or decrease the future employer funding requirement.

Advance Employer Contribution

The District has made contributions to the plan in excess of the minimum amount that was required to be contributed pursuant to Chapter 112. In this report, the excess contributions are referred to as an "advance employer contribution." As of October 1, 2022, the advance employer contribution is \$970,228, which reflects the advance employer contribution of \$641,399 as of October 1, 2021 plus \$328,829 of actual employer contributions in excess of the minimum required contribution for the 2021/22 plan year as shown in Table II-F.

The District may apply all or any portion of the advance employer contribution towards the minimum required contribution for the 2022/23 plan year or for any later plan year. The minimum required contribution for that plan year will be reduced dollar-for-dollar by the amount of the advance employer contribution that is applied in this manner.

Alternatively, at any time, the District may apply all or any portion of the advance employer contribution as an extra contribution in excess of the minimum required contribution. In this case, the immediate application of the entire balance of the advance employer contribution as of October 1, 2022 would reduce the normal cost rate to 36.33% of payroll and would reduce the minimum required contribution for the 2023/24 plan year to 37.24% of payroll.

Identification and Assessment of Risk

The liabilities and cost presented in this report are based on numerous assumptions concerning the cost of benefits to be provided in the future, long-term investment returns, and the future demographic experience of the current participants. Anyone referring to this report should remember that the cost developed herein is only an estimate of the true cost of providing post-employment pension benefits. No one can predict with certainty whether the true cost will be higher or lower than the cost presented in this report. The calculated cost is entirely dependent upon the assumptions that are described in Table IV-A. If any of the assumptions is changed, then the cost shown in this report will change

accordingly. Likewise, there is always a risk that, should these assumptions not be realized, the liabilities of the plan, the contributions required to fund the plan, and the funded status of the plan may be significantly different than the amounts shown in this report.

Although a thorough analysis of the risk of not meeting the assumptions is beyond the scope of this report, this discussion is intended to identify the significant risks faced by the plan. In some cases, a more detailed review of the risks, including numerical analysis, may be appropriate to help the plan sponsor and other interested parties assess the specific impact of not realizing certain assumptions. For example, Table I-B illustrates the impact that alternative long-term investment returns would have on the contribution rate. Note that this report is not intended to provide advice on the management or reduction of the identified risks nor is this report intended to provide investment advice.

The most significant risk faced by most defined benefit pension plans is investment risk, i.e. the risk that long-term investment returns will be less than assumed. Other related risks include a risk that, if the investments of the plan decline dramatically over a short period of time (such as occurred with many pension plans in 2008), the plan's assets may not have sufficient time to recover before benefits become due. Even if the assets of the plan grow in accordance with the assumed investment return over time, if benefit payments are expected to be large in the short-term (for example, if the plan provides an actuarial equivalent lump sum payment option and a large number of participants are expected to become entitled to such a lump sum in the near future), the plan's assets may not be sufficient to support such a high level of benefit payments. We have provided a 10-year projection of the expected benefit payments in Table III-G to help the Trustees in formulating an investment policy that is expected to provide an investment return that meets both the short- and long-term cash flow needs of the pension plan.

Another source of risk is demographic experience. This is the risk that participants will receive salary increases that are different than the amount assumed, that participants will retire, become disabled, or terminate their employment at a rate that is different than assumed, and that participants will live longer than assumed, just to cite a few examples of the demographic risk faced by the plan. Although for most pension plans, the demographic risk is not as significant as the investment risk, particularly in light of the fact that the mortality assumption includes a component for future life expectancy increases, the demographic risk can nevertheless be a significant contributing factor to liabilities and contribution rates that become higher than anticipated.

A third source of risk is the risk that the plan sponsor (or other contributing entities) will not make, or will not have the ability to make, the contributions that are required to keep the plan funded at a sufficient level. Material changes in the number of covered employees, covered payroll, and, in some cases, hours worked by active participants can also significantly impact the plan's liabilities and the level of contributions received by the plan.

Finally, an actuarial funding method has been used to allocate the gap between projected liabilities and assets to each year in the future. The contribution rate under some funding methods is higher during the early years of the plan and then is lower during the later years of the plan. Other funding methods provide for lower contribution rates initially, with increasing contribution rates over time.

The Trustees have adopted the aggregate funding method for this plan, which is expected to result in a contribution rate that is level as a percentage of payroll over the working life of the plan's active participants. A brief description of the actuarial funding method is provided in Table IV-A.

Contents of the Report

Tables I-D through I-G provide a detailed breakdown of various liability amounts by type of benefit and by participant group. Tables II-A through II-F provide information concerning the assets of the trust fund. Specifically, Table II-A shows the development of the actuarial value of assets, which is based on the market value of assets. Tables III-A through III-G provide statistical information concerning the plan's participant population. In particular, Table III-G gives a 10-year projection of the cash that is expected to be required from the trust fund in order to pay benefits to the current group of participants. Finally, Tables IV-A through V-B provide a summary of the actuarial assumptions and methods that are used to value the plan's benefits and of the relevant plan provisions as of October 1, 2022, as well as a summary of the changes that have occurred since the previous valuation report was prepared.

Certification

This actuarial valuation was prepared by me or under my direct supervision and I acknowledge responsibility for the results. To the best of my knowledge, the results are complete and accurate and, in my opinion, the techniques and assumptions used are reasonable and meet the requirements and intent of Chapter 112, Florida Statutes. There is no benefit or expense to be provided by the plan and/or paid from the plan's assets for which liabilities or current costs have not been established or otherwise taken into account in the valuation. All known events or trends which may require a material change in plan costs or required contribution rates have been taken into account in the valuation.

Table I-A
(continued)

The minimum required contribution rate of 39.78% includes both the District contribution and the allowable Chapter 175 contribution. In addition, employees are expected to contribute 2.17% of pensionable earnings. The actual City contribution rate is expected to be approximately 34.37% based on the allowable Chapter 175 contribution for the previous year. The chart below shows the expected contribution rate by source for the 2023/24 plan year based on the expected payroll. A comparative chart shows the contribution rate by source for the previous plan year.

Summary of Actuarial Methods and Assumptions

Table IV-A

NOTE: The following assumptions and methods have been selected and approved by the Board of Trustees based in part on the advice of the plan's enrolled actuary in accordance with the authority granted to the Board under the pension ordinances and State law.

1. **Actuarial Cost Method**

Aggregate cost method. Under this actuarial cost method, a funding cost is developed for the plan as a level percentage of payroll. The level funding percentage is calculated as the excess of the total future benefit liability over accumulated assets and future employee contributions, with this excess spread over the expected future payroll for current active participants. The normal cost is equal to the level funding percentage multiplied by the expected payroll for the year immediately following the valuation date. The actuarial accrued liability is equal to the accumulated assets. Therefore, under the aggregate cost method, no unfunded accrued liability is developed.

2. **Asset Method**

The actuarial value of assets is equal to the market value of assets.

3. **Interest (or Discount) Rate**

6.75% per annum

4. **Salary Increases**

Plan compensation is assumed to increase at the rate of 4.50% per annum, unless actual plan compensation is known for a prior plan year.

5. **Decrements**

- Pre-retirement mortality: Sex-distinct rates set forth in the PUB-2010 Headcount-Weighted Employee Mortality Table for public safety employees (Below Median table for males), with full generational improvements in mortality using Scale MP-2018 and with ages set forward one year

Summary of Actuarial Methods and Assumptions

Table IV-A

(continued)

- **Post-retirement mortality:** For non-disabled retirees, sex-distinct rates set forth in the PUB-2010 Headcount-Weighted Healthy Retiree Mortality Table for public safety employees (Below Median table for males), with full generational improvements in mortality using Scale MP-2018 and with ages set forward one year; for disabled retirees, sex-distinct rates set forth in the PUB-2010 Headcount-Weighted Disabled Retiree Mortality Table (80% general employee rates plus 20% public safety employee rates), with full generational improvements in mortality using Scale MP-2018
- **Disability:** Age- and gender-based rates of disability were assumed, ranging from 0.067% for males and 0.040% for females at age 25, 0.119% for males and 0.118% for females at age 35, 0.462% for males and 0.435% for females at age 45, and 1.000% for males and 0.840% for females at age 55; all disabilities are assumed to be service-related.
- **Termination:** With respect to participants with less than 10 years of service, the termination rates are both gender- and service-based, ranging from 15.00% for males and 10.01% for females with less than two years of service to 4.30% for males and 4.75% for females with between eight and 10 years of service; with respect to participants with at least 10 years of service, the termination rates are both gender- and age-based, ranging from 4.28% for males and 5.41% for females at age 25 to 0.00% for both genders at age 55.
- **Retirement:** For those participants who have earned at least 10 years of service, retirement is assumed to occur at the rate of 10% per year at ages 50, 51, and 53, and 100% at age 55; alternatively, 70% of participants who reach their normal retirement age are assumed to retire immediately, with 10% assumed to retire at each of ages one year and three years after the attainment of normal retirement age and 100% assumed to retire five years after the attainment of normal retirement age.

6. Form of Payment

Future retirees have been assumed to select the 10-year certain and life annuity.

Summary of Actuarial Methods and Assumptions

Table IV-A

(continued)

7. Expenses

The total projected benefit liability has been loaded by 0.50% to account for anticipated administrative expenses. In addition, the interest rate set forth in item 3. above is assumed to be net of investment expenses and commissions.

Changes in Actuarial Methods and Assumptions

Table IV-B

No assumptions or methods were changed since the completion of the previous valuation.

The following additional assumption and method changes were made during the past 10 years:

- (1) Effective October 1, 2021, the assumed interest (or discount) rate was decreased from 7.00% per annum to 6.75% per annum.*
- (2) Effective October 1, 2020, the mortality basis was changed from the RP-2000 Blue Collar Mortality Table with generational improvements in mortality using Scale BB to selected PUB-2010 Mortality Tables with generational improvements in mortality using Scale MP-2018.*
- (3) Effective October 1, 2017, the mortality basis was changed from the RP-2000 Combined Mortality Table to the RP-2000 Blue Collar Mortality Table, both with full generational improvements in mortality using Scale BB.*
- (4) Effective October 1, 2016, the mortality basis was changed from a 2015 projection of the RP-2000 Mortality Table for annuitants to a full generational projection using Scale BB of the RP-2000 Combined Mortality Table as required by State law.*
- (5) Effective October 1, 2013, the interest (or discount) rate was decreased from 7.25% per annum to 7.00% per annum.*
- (6) Effective October 1, 2013, the assumed increase in future salaries was changed from a range of rates based on service (8.00% for employees with less than one year of service, 7.00% for employees with at least one but less than two years of service, 6.00% for employees with at least two but less than three years of service, 5.50% for employees with at least three but less than four years of service, and 5.20% for all other employees) to a flat 4.50% per year.*
- (7) Effective October 1, 2013, the mortality basis was changed from the RP-2000 Mortality Table, projected to 2007 by Scale AA, to the RP-2000 Mortality Table, projected to 2015 by Scale AA, both as published by the Internal Revenue Service (IRS) for purposes of Internal Revenue Code (IRC) section 430.*

Summary of Plan Provisions

Table V-A

1. **Benefit Formula**

3.00% of Average Monthly Earnings multiplied by Credited Service

2. **Service Retirement**

Normal retirement: Age 55 with at least six years of credited service (if hired prior to 2014); or
 Any age with at least 25 years of credited service (if hired prior to 2014); or
 Age 55 with at least 10 years of credited service (if hired after 2013); or
 Age 52 with at least 25 years of credited service (if hired after 2013)

Early retirement: Any age with at least six years of credited service (if hired prior to 2014); or
 Age 50 with at least 10 years of credited service (if hired after 2013)

(Note: In the case of early retirement, the participant's benefit is reduced by 3% for each year by which the participant's early retirement age precedes his normal retirement age.)

3. **Disability Retirement**

The disability benefit is a monthly 10-year certain and life annuity equal to the larger of the monthly accrued benefit or either 65% of average monthly earnings (for service-based disability) or 25% of average monthly earnings (for non-service disability), but offset as necessary to preclude the total of the participant's worker's compensation, disability benefit, and other District-financed disability or salary continuation benefit (excluding social security benefits) from exceeding his average monthly earnings. The participant must have earned at least 10 years of credited service in order to be eligible for a non-service disability. The participant may convert his disability benefit into any of the optional forms of payment that are otherwise available under the plan.

(A participant is disabled if he is found to have a mental or physical condition resulting from bodily injury, disease, or a mental disorder that renders him incapable of employment as a firefighter. However, a participant will not be eligible for a disability benefit if his disability is caused by excessive and habitual use of drugs, intoxicants, or narcotics; by injury or disease sustained while serving in the armed forces; by injury or disease sustained while willfully and illegally participating in fights, riots, or civil insurrections, or while committing a crime; by injury or disease sustained after termination of employment; or by an injury or disease sustained while working for another employer and arising from such employment.)

Summary of Plan Provisions

Table V-A

(continued)

4. Deferred Vested Retirement

A vested participant who terminates employment before becoming eligible for retirement receives a deferred vested retirement benefit payable at the participant's early or normal retirement age. If the benefit is payable prior to normal retirement age, then the benefit is reduced by 3% for each year by which the participant's early retirement age precedes his normal retirement age.

A non-vested participant who terminates employment receives his accumulated contributions.

5. Vesting

An employee becomes 100% vested upon the attainment of six years of credited service (if hired prior to 2014) or 10 years of credited service (if hired after 2013).

6. Pre-Retirement Death Benefit

If a participant dies in the line of duty prior to retirement, his beneficiary receives 50% of the participant's monthly salary at the time of his death payable for the remainder of the beneficiary's lifetime or, if the participant was vested, a 10-year certain annuity equal to the participant's monthly accrued benefit payable beginning at the participant's early or normal retirement age, if greater.

If a vested participant dies other than in the line of duty prior to retirement, his beneficiary receives a 10-year certain annuity equal to the participant's monthly accrued benefit payable beginning at the participant's early or normal retirement age.

In either event, the pre-retirement death benefit guarantees at least the return of the participant's accumulated contributions.

If a non-vested participant dies prior to retirement, the participant's beneficiary receives the participant's accumulated contributions.

In addition, participants may purchase up to four years of prior military service and up to four years of prior employment as a firefighter with another governmental employer under the conditions set forth in the legal plan document, provided that such purchased additional service credit is not counted towards meeting the vesting requirement under the plan or towards meeting the eligibility requirement for a non-service connected disability benefit.

11. Employee Contribution

A DROP is available to those participants who have attained their normal retirement age (but not prior to age 55 if hired after 2013), whereby the participant's monthly retirement benefit is accumulated on his behalf in a DROP account while he continues in active employment with the District. Individuals may participate in the DROP for a period of up to 60 months and neither earn additional benefits nor make the required employee contribution during the period of their DROP participation. DROP participants are considered to be retired for all other purposes under the plan and are not eligible for disability or pre-retirement death benefits. DROP accounts earn interest at the rate of 6.50% per annum compounded monthly (if hired prior to 2014) or 1.30% per annum compounded monthly (if hired after 2013).

14. Participant Requirement

All full-time firefighters of the San Carlos Park Fire Protection and Rescue Service District automatically become participants in the plan on their date of hire.

CLAIMS PROCEDURES

1. CLAIMS OF AFFECTED PERSONS

A. The Board of Trustees shall grant an initial hearing upon receipt of a written request ("Claim"), on matters which affect the substantial rights of any person ("Claimant"), including Members, Retirees, Beneficiaries, or any person affected by a decision of the Board of Trustees.

B. The Board shall review the Claim at an initial hearing and enter an order within 90 days from the date of receipt of the Claim and, in the case of disability claims, receipt by the Board of a written medical release authorization in a form approved by the General Counsel and a completed set of interrogatories prepared by the General Counsel and provided to the Claimant. The Board may extend the time for entering the order at an initial hearing for an additional 90 days if it determines such time is necessary for full discovery and adequate review. The General Counsel and the Claimant may stipulate to further extensions of time.

C. It shall be the function of the General Counsel, throughout the claims procedure, to assist the Board in the discovery and presentation of evidence in order to assure that the Board receives all relevant information prior to the Board's decision.

D. The Claimant shall have the right to be represented by counsel at any or all times throughout the claims procedure.

2. INITIAL HEARING

A. At the initial hearing, the only evidence to be considered by the Board shall be documentary evidence contained in the pension file, including but not limited to, correspondence, medical records and reports of treating physicians and/or examining physicians and evidence received pursuant to paragraph B.

B. Other than questions from the Trustees, there will be no taking of additional evidence at the initial hearing, except that the Claimant will be afforded 15 minutes to make a presentation, which shall be limited to comments and/or arguments as to the evidence or information already contained in the pension file, including the report of the examining physician.

C. Upon completion of the review of the Claim at the initial hearing, the Board shall enter an order setting forth its findings and conclusions on the Claim. The written order shall be provided to the Claimant. The order shall include:

(1) The specific findings and conclusions of the Board, including specific references to pertinent provisions of the Plan on which such conclusions are based;

(2) A description of any additional material or information that the Board may deem necessary for the Claimant to perfect his Claim, together with the reasons why such material or information is necessary; and

(3) An explanation of the right to a full hearing on the Claim and the time limit in which a full hearing must be requested in writing.

D. The decision of the Board at the initial hearing shall not be final until after the time has expired to request a full hearing or, if a full hearing is requested, until the Board makes a decision at the conclusion of the full hearing.

3. FULL HEARING

A. Any Claimant may request a full hearing on the issues presented to the Board at an initial hearing and upon which the Board has entered an order as provided in subsection 2.C. above.

B. A full hearing must be requested by the Claimant within 90 days of the receipt of the Board's order. The order will be deemed received three days following the date it is mailed to Claimant at the address provided to the Board by Claimant.

C. Upon receipt of the request for a full hearing and considering the amount of discovery which might be conducted, the Board shall establish a date for the full hearing and cause notice to be given to the Claimant. The full hearing shall be held within 90 days from the receipt of the request from the Claimant. The full hearing may be postponed, if necessary and with the consent of the Claimant, to permit full discovery of the facts.

D. Copies of all documents to be offered into evidence at the full hearing, including depositions, and a complete witness list with names and addresses of witnesses expected to be called, shall be furnished to the Board and the General Counsel by the Claimant at least 20 days prior to the full hearing. Documents not furnished to the Board within the prescribed time limit may be excluded from evidence at the full hearing if a reasonable explanation is not provided for the delay in providing the documents.

F. The costs of any discovery, except discovery requested by the Board or the General Counsel, the appearance of witnesses at the hearing, and the making of a verbatim record of the proceedings shall be the responsibility of the Claimant.

G. The Claimant shall be responsible for the appearance of any witnesses which he wishes to have testify at the hearing. The Board shall, however, have the power to subpoena and require the attendance of witnesses and the production of documents for discovery prior to and at the proceedings provided for herein. The Claimant may request in writing the issuance of subpoenas by the Board. A reasonable fee may be charged for the issuance of any subpoenas not to exceed the fees set forth in Florida Statutes.

H. Testimony at the full hearing may be submitted in the form of a deposition. Depositions timely submitted will be part of the record before the Board at the full hearing and will not be read in totality at the full hearing; provided, however, that this does not preclude the Claimant or the General Counsel from reading parts of depositions in an opening or closing statement.

I. Irrelevant and unduly repetitious evidence shall be excluded.

J. Any person who knowingly gives false testimony is guilty of a misdemeanor of the first degree, punishable as provided in Section 775.082 or 775.083, Florida Statutes.

- P. Should a Claimant requesting an initial or full hearing decide to appeal any decision made by the Board, with respect to any matter considered at such hearing, the Claimant requesting an initial or full hearing will need a record of the proceedings and may need to assure that a verbatim record of the proceeding is made. The Claimant requesting an initial or full hearing will be responsible for obtaining a court reporter or otherwise making a record of the proceedings before the Board.
- Q. The decisions of the Board after the requested full hearing shall be final and binding.
- R. Within 15 days after making a decision at the full hearing, the Board shall enter a final order setting forth its findings and conclusions and a copy of the order shall be provided to the Claimant.
- S. Judicial review of decisions of the Board shall be sought by the filing of a timely petition for writ of certiorari with the Clerk of the Circuit Court, in the appropriate county.

4. CONDUCT OF THE FULL HEARING

- A. The Chairman shall preside over the hearing and shall rule on all evidentiary, procedural, and other legal questions that arise during the hearing. The Chairman's rulings shall stand unless overruled by a majority of the Trustees present. The Chairman shall open the full hearing by explaining the procedures to be followed.
- B. The Claimant shall have the right to be represented by counsel or be self-represented. The General Counsel shall advise the Board.

112.0111 Restrictions on the employment of ex-offenders; legislative intent; state agency reporting requirements.—

(1) The Legislature declares that a goal of this state is to clearly identify the occupations from which ex-offenders are disqualified based on the nature of their offenses. The Legislature seeks to make employment opportunities available to ex-offenders in a manner that serves to preserve and protect the health, safety, and welfare of the general public, yet encourages them to become productive members of society. To this end, state agencies that exercise regulatory authority are in the best position to identify all restrictions on employment imposed by the agencies or by boards that regulate professions and occupations and are obligated to protect the health, safety, and welfare of the general public by clearly setting forth those restrictions in keeping with standards and protections determined by the agencies to be in the least restrictive manner.

(2) Each state agency, including, but not limited to, those state agencies responsible for professional and occupational regulatory boards, shall ensure the appropriate restrictions necessary to protect the overall health, safety, and welfare of the general public are in place, and by December 31, 2011, and every 4 years thereafter, submit to the Governor, the President of the Senate, and the Speaker of the House of Representatives a report that includes:

(a) A list of all agency or board statutes or rules that disqualify from employment or licensure persons who have been convicted of a crime and have completed any incarceration and restitution to which they have been sentenced for such crime.

(b) A determination of whether the disqualifying statutes or rules are readily available to prospective employers and licensees.

(c) The identification and evaluation of alternatives to the disqualifying statutes or rules which protect the health, safety, and welfare of the general public without impeding the gainful employment of ex-offenders.

History.—s. 2, ch. 2011-207.

112.021 Florida residence unnecessary.—Except as expressly provided by law, there shall be no Florida residence requirement for any person as a condition precedent to employment by any county.

History.—s. 3, ch. 69-20; s. 23, ch. 71-355; s. 25, ch. 79-190.

112.042 Discrimination in county and municipal employment; relief.—

(1) It is against the public policy of this state for the governing body of any county or municipal agency, board, commission, department, or office, solely because of the race, color, national origin, sex, handicap, or religious creed of any individual, to refuse to hire or employ, to bar, or to discharge from employment such individuals or to otherwise discriminate against such individuals with respect to compensation, hire, tenure, terms, conditions, or privileges of employment, if the individual is the most competent and able to perform the services required.

(2)(a) Any person, firm, corporation, association, or other group or body, jointly or severally, who is aggrieved by any decision, regulation, restriction, or resolution adopted by the governing body of any county or municipal agency, board, commission, or department which is an unlawful employment practice under this section may apply to such agency, board, commission, or department at any time for a modification or rescission thereof. If such modification or rescission is refused, any such person,

firm, corporation, association or other group or body may, within 30 days after such refusal, but not thereafter, institute original proceedings for relief in the circuit court of the county.

(b) There is no right to apply to the court for relief on account of any order, requirement, decision, determination, or action of any county or municipal officer pursuant to this section unless there has first been an appeal therefrom to the governing agency, board, commission, or department to which such officer is responsible.

(3) Nothing in this section shall be construed to prohibit alternative relief through local civil service systems and boards provided for in s. 14, Art. III of the State Constitution.

History.—s. 1, ch. 69-334; s. 2, ch. 84-125.

112.043 Age discrimination.—It shall be the public policy of the state that no officer or board, whether state or county, shall discriminate in the employment of any person solely on the basis of age. Persons who apply for employment with the state or any county of the state shall be selected on the basis of training, experience, mental and physical abilities, and other selection criteria established for the position. Unless age restrictions have been specifically established through published specifications for a position, available to the public, the employing authority shall give equal consideration to all applicants, regardless of age.

History.—s. 1, ch. 69-141.

112.044 Public employers, employment agencies, labor organizations; discrimination based on age prohibited; exceptions; remedy.—

(1) **LEGISLATIVE INTENT; PURPOSE.**—The Legislature finds and declares that in the face of rising productivity and affluence, older workers find themselves disadvantaged, both in their efforts to retain employment and in their efforts to regain employment when displaced from jobs. The setting of arbitrary age limits, irrespective of capability for job performance, has become a common practice, and certain otherwise desirable practices may work to the disadvantage of older persons. In comparison to the incidence of unemployment among younger workers, the incidence of unemployment, especially long-term unemployment with resultant deterioration of skill, morale, and employer acceptability, is high among older workers, whose numbers are great and growing and whose employment problems are grave. In industries affecting commerce, the existence of arbitrary discrimination in employment because of age burdens commerce and the free flow of goods. It is the purpose of this act to promote employment of older persons based on ability rather than age and to prohibit arbitrary age discrimination in employment.

(2) **DEFINITIONS.**—For the purpose of this act:

(a) “Employee” means an individual employed by any employer.

(b) “Employer” means the state or any county, municipality, or special district or any subdivision or agency thereof. This definition shall not apply to any law enforcement agency or firefighting agency in this state.

(c) “Employment agency” means any person, including any agent thereof, regularly undertaking, with or without compensation, to procure employees for an employer, including state and local employment services receiving federal assistance.

(3) **PROHIBITED ACTIVITIES; EXCEPTIONS.**—

(a) Except as provided in paragraph (f), it is unlawful for an employer to:

1. Fail or refuse to hire, discharge or mandatorily retire, or otherwise discriminate against any individual with respect to the compensation, terms, conditions, or privileges of employment because of age.

2. Limit, segregate, or classify employees in any way which would deprive, or tend to deprive, any individual of employment opportunities, or otherwise adversely affect an individual’s status as an employee, because of age.

3. Reduce the wage rate of any employee or otherwise alter the terms or conditions of employment in order to comply with this act, unless such a reduction is with the employee’s express or implied consent.

(b) Except as provided in paragraph (f), it is unlawful for an employment agency to fail or refuse to refer for employment, or otherwise to discriminate against, any individual because of age or to classify or refer for employment any individual on the basis of age.

(c) Except as provided in paragraph (f), it is unlawful for a labor organization to:

1. Exclude or expel from its membership, or otherwise discriminate against, any individual because of age.

2. Limit, segregate, or classify its membership, or fail or refuse to refer for employment any individual, in any way which would limit, deprive, or tend to deprive the individual of employment opportunities or which would otherwise adversely affect the individual's status as an employee or as an applicant for employment solely because of age.

3. Cause or attempt to cause an employer to discriminate against an individual in violation of this section.

(d) It is unlawful:

1. For an employer to discriminate against any employee or applicant for employment;

2. For an employment agency to discriminate against any individual; or

3. For a labor organization to discriminate against any member or applicant for membership, because such employee, applicant for employment, individual, member, or applicant for membership has opposed any practice made unlawful by this section or because the employee, applicant for employment, individual, member, or applicant for membership has made a charge, testified, assisted, or participated in any manner in an investigation, a proceeding, or litigation under this act.

(e) Except as provided in paragraph (f), it is unlawful for an employer, labor organization, or employment agency to print or publish, or cause to be printed or published, any notice or advertisement relating to:

1. Employment by such employer;

2. Membership in such labor organization or any classification or referral for employment by such labor organization; or

3. Any classification or referral for employment by such employment agency, which notice or advertisement indicates any preference, limitation, specification, or discrimination based on age.

(f) It is not unlawful for an employer, employment agency, or labor organization to:

1. Take any action otherwise prohibited under paragraph (a), paragraph (b), paragraph (c), or paragraph (e), based on a bona fide occupational qualification reasonably necessary to the normal operation of the particular business.

2. Observe the terms of a bona fide seniority system or any bona fide employee benefit plan, such as a retirement, pension, or insurance plan, which is not a subterfuge to evade the purposes of this act.

3. Discharge or otherwise discipline an individual for good cause.

(4) **APPEAL; CIVIL SUIT AUTHORIZED.**—Any employee of the state who is within the Career Service System established by chapter 110 and who is aggrieved by a violation of this act may appeal to the Public Employees Relations Commission under the conditions and following the procedures prescribed in part II of chapter 447. Any person other than an employee who is within the Career Service System established by chapter 110, or any person employed by the Public Employees Relations Commission, who is aggrieved by a violation of this act may bring a civil action in any court of competent jurisdiction for such legal or equitable relief as will effectuate the purposes of this act.

(5) **NOTICE TO BE POSTED.**—Each employer, employment agency, and labor organization shall post and keep posted in conspicuous places upon its premises notices required by the United States Department of Labor and the Equal Employment Opportunity Commission.

112.0441 Prohibition on public employee COVID-19 vaccination mandates.—

(1) For purposes of this section, the term:

(a) “COVID-19” has the same meaning as in s. 381.00317(1).

(b) “Educational institution” means an institution under the control of a district school board; a charter school; a state university; a developmental research school; a Florida College System institution; the Florida School for the Deaf and the Blind; and the Florida Virtual School.

(c) “Governmental entity” has the same meaning as in s. 768.38.

(2)(a) Notwithstanding any other law to the contrary, an educational institution or a governmental entity may not impose a COVID-19 vaccination mandate for any full-time, part-time, or contract employee. Any existing ordinance, rule, or policy imposing such mandate is null and void as of November 18, 2021.

(b) An educational institution or a governmental entity that imposes a COVID-19 vaccination mandate for any full-time, part-time, or contract employee commits a violation of this section for each

employee subject to the employer's COVID-19 vaccination mandate. The Department of Health may impose a fine not to exceed \$5,000 per violation. Fines collected pursuant to this subsection must be deposited in the General Revenue Fund.

(3)(a) If an educational institution or a governmental entity fails to comply with subsection (2) and terminates an employee based on the employee's noncompliance with a COVID-19 vaccination mandate, the terminated employee may be eligible for reemployment assistance under chapter 443 in addition to any other remedy available to the employee.

(b) If an employee is terminated by an educational institution or a governmental entity for refusing to comply with any COVID-19 vaccination mandate:

1. Such refusal may not be deemed misconduct for the purpose of reemployment assistance under chapter 443.

2. Notwithstanding any provision of chapter 443, work is not deemed suitable and benefits may not be denied under s. 443.101 to the terminated employee for refusing to accept new work if the terminated employee is otherwise eligible and the position requires compliance with a COVID-19 vaccination mandate contrary to this section or s. 381.00317.

(4) Notwithstanding s. 120.74(4) and (5), the Department of Health and the Department of Economic Opportunity are authorized, and all conditions are deemed met, to adopt emergency rules pursuant to s. 120.54(4) to implement this section. Such rulemaking must occur initially by filing emergency rules within 15 days after November 18, 2021. Notwithstanding s. 120.54(4)(c), emergency rules adopted pursuant to this subsection remain in effect until replaced by rules adopted under regular rulemaking. The Department of Health and the Department of Economic Opportunity shall begin rulemaking under s. 120.54(2) and (3) immediately after filing the emergency rules.

(5) This section expires June 1, 2023.

History.—ss. 3, 6, ch. 2021-272.

112.0455 Drug-Free Workplace Act.—

(1) **SHORT TITLE.**—This section shall be known and may be cited as the “Drug-Free Workplace Act.”

(2) **PURPOSE.**—This section is intended to:

(a) Promote the goal of drug-free workplaces within government through fair and reasonable drug-testing methods for the protection of public employees and employers.

(b) Encourage employers to provide employees who have drug use problems with an opportunity to participate in an employee assistance program or an alcohol and drug rehabilitation program.

(c) Provide for confidentiality of testing results.

(3) **FINDINGS.**—The Legislature finds that:

(a) Drug use has serious adverse effects upon a significant portion of the workforce, resulting in billions of dollars of lost productivity each year and posing a threat to the workplace and to public safety and security.

(b) Maintaining a healthy and productive workforce, safe working conditions free from the effects of drugs, and quality products and services is important to employers, employees, and the general public in this state. The Legislature further finds that drug use creates a variety of workplace problems, including increased injury on the job, increased absenteeism, increased financial burden on health and benefit programs, increased workplace theft, decreased employee morale, decreased productivity, and a decline in the quality of products and services.

(c) Certain drug-testing standards are necessary to protect persons participating in workplace drug-testing programs.

(d) In balancing the interests of employers, employees, and the welfare of the general public, the establishment of standards to assure fair and accurate testing for drugs in the workplace is in the best interests of all.

(4) **NO LEGAL DUTY TO TEST.**—All drug testing conducted by employers shall be in conformity with the standards established in this section and all applicable rules promulgated pursuant to this section. However, employers shall not have a legal duty under this section to request an employee or job applicant to undergo drug testing. No testing of employees shall take effect until local drug abuse assistance programs have been identified.

(5) **DEFINITIONS.**—Except where the context otherwise requires, as used in this act:

(a) “Chain of custody” refers to the methodology of tracking specified materials or substances for the purpose of maintaining control and accountability from initial collection to final disposition for all

such materials or substances and providing for accountability at each stage in handling, testing, storing specimens, and reporting of test results.

(b) “Confirmation test,” “confirmed test,” or “confirmed drug test” means a second analytical procedure used to identify the presence of a specific drug or metabolite in a specimen. The confirmation test must be different in scientific principle from that of the initial test procedure. This confirmation method must be capable of providing requisite specificity, sensitivity, and quantitative accuracy.

(c) “Drug” means alcohol, including distilled spirits, wine, malt beverages, and intoxicating liquors; amphetamines; cannabinoids; cocaine; phencyclidine (PCP); hallucinogens; methaqualone; opiates; barbiturates; benzodiazepines; synthetic narcotics; designer drugs; or a metabolite of any of the substances listed herein.

(d) “Drug test” or “test” means any chemical, biological, or physical instrumental analysis administered for the purpose of determining the presence or absence of a drug or its metabolites.

(e) “Employee” means a person who works for salary, wages, or other remuneration for an employer.

(f) “Employee assistance program” means an established program for employee assessment, counseling, and possible referral to an alcohol and drug rehabilitation program.

(g) “Employer” means an agency within state government that employs individuals for salary, wages, or other remuneration.

(h) “Initial drug test” means a sensitive, rapid, and reliable procedure to identify negative and presumptive positive specimens. All initial tests must use an immunoassay procedure or an equivalent, or must use a more accurate scientifically accepted method approved by the Agency for Health Care Administration as more accurate technology becomes available in a cost-effective form.

(i) “Job applicant” means a person who has applied for a position with an employer and has been offered employment conditioned upon successfully passing a drug test.

(j) “Prescription or nonprescription medication” means a drug or medication obtained pursuant to a prescription as defined by s. 893.02 or a medication that is authorized pursuant to federal or state law for general distribution and use without a prescription in the treatment of human diseases, ailments, or injuries.

(k) “Random testing” means a drug test conducted on employees who are selected through the use of a computer-generated random sample of an employer’s employees.

(l) “Reasonable suspicion drug testing” means drug testing based on a belief that an employee is using or has used drugs in violation of the employer’s policy drawn from specific objective and articulable facts and reasonable inferences drawn from those facts in light of experience. Reasonable suspicion drug testing may not be required except upon the recommendation of a supervisor who is at least one level of supervision higher than the immediate supervisor of the employee in question. Among other things, such facts and inferences may be based upon:

1. Observable phenomena while at work, such as direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug.

2. Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.

3. A report of drug use, provided by a reliable and credible source, which has been independently corroborated.

4. Evidence that an individual has tampered with a drug test during employment with the current employer.

5. Information that an employee has caused, or contributed to, an accident while at work.

6. Evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working or while on the employer’s premises or while operating the employer’s vehicle, machinery, or equipment.

(m) “Special risk” means employees who are required as a condition of employment to be certified under chapter 633 or chapter 943.

(n) “Specimen” means a tissue, hair, or product of the human body capable of revealing the presence of drugs or their metabolites.

(6) NOTICE TO EMPLOYEES.—

(a) Employers with no drug-testing program shall ensure that at least 60 days elapse between a general one-time notice to all employees that a drug-testing program is being implemented and the beginning of actual drug testing. Employers with drug-testing programs in place prior to the effective date of this section are not required to provide a 60-day notice period.

(b) Prior to testing, all employees and job applicants for employment shall be given a written policy statement from the employer which contains:

1. A general statement of the employer's policy on employee drug use, which shall identify:
 - a. The types of testing an employee or job applicant may be required to submit to, including reasonable suspicion or other basis; and
 - b. The actions the employer may take against an employee or job applicant on the basis of a positive confirmed drug test result.
2. A statement advising the employee or job applicant of the existence of this section.
3. A general statement concerning confidentiality.
4. Procedures for employees and job applicants to confidentially report the use of prescription or nonprescription medications both before and after being tested. Additionally, employees and job applicants shall receive notice of the most common medications by brand name or common name, as applicable, as well as by chemical name, which may alter or affect a drug test. A list of such medications shall be developed by the Agency for Health Care Administration.
5. The consequences of refusing to submit to a drug test.
6. Names, addresses, and telephone numbers of employee assistance programs and local alcohol and drug rehabilitation programs.
7. A statement that an employee or job applicant who receives a positive confirmed drug test result may contest or explain the result to the employer within 5 working days after written notification of the positive test result. If an employee or job applicant's explanation or challenge is unsatisfactory to the employer, the person may contest the drug test result as provided by subsections (14) and (15).
8. A statement informing the employee or job applicant of his or her responsibility to notify the laboratory of any administrative or civil actions brought pursuant to this section.
9. A list of all drugs for which the employer will test, described by brand names or common names, as applicable, as well as by chemical names.
10. A statement regarding any applicable collective bargaining agreement or contract and the right to appeal to the Public Employees Relations Commission.
11. A statement notifying employees and job applicants of their right to consult the testing laboratory for technical information regarding prescription and nonprescription medication.

(c) An employer shall include notice of drug testing on vacancy announcements for those positions where drug testing is required. A notice of the employer's drug-testing policy shall also be posted in an appropriate and conspicuous location on the employer's premises, and copies of the policy shall be made available for inspection by the general public during regular business hours in the employer's personnel office or other suitable locations.

(7) **TYPES OF TESTING.**—Drug testing must be conducted within each agency's appropriation. An employer may conduct, but is not required to conduct, the following types of drug tests:

(a) *Job applicant testing.*—An employer may require job applicants to submit to a drug test and may use a refusal to submit to a drug test or a positive confirmed drug test as a basis for refusal to hire the job applicant.

(b) *Reasonable suspicion.*—An employer may require an employee to submit to reasonable suspicion drug testing.

(c) *Random testing.*—An employer may conduct random testing once every 3 months. The random sample of employees chosen for testing must be computer-generated by an independent third party. A random sample may not constitute more than 10 percent of the total employee population.

(d) *Routine fitness for duty.*—An employer may require an employee to submit to a drug test if the test is conducted as part of a routinely scheduled employee fitness-for-duty medical examination that is part of the employer's established policy or that is scheduled routinely for all members of an employment classification or group.

(e) *Followup testing.*—If the employee in the course of employment enters an employee assistance program for drug-related problems, or an alcohol and drug rehabilitation program, the employer may

require the employee to submit to a drug test as a followup to such program, and on a quarterly, semiannual, or annual basis for up to 2 years thereafter.

(8) **PROCEDURES AND EMPLOYEE PROTECTION.**—All specimen collection and testing for drugs under this section shall be performed in accordance with the following procedures:

(a) A sample shall be collected with due regard to the privacy of the individual providing the sample, and in a manner reasonably calculated to prevent substitution or contamination of the sample.

(b) Specimen collection shall be documented, and the documentation procedures shall include:

1. Labeling of specimen containers so as to reasonably preclude the likelihood of erroneous identification of test results.

2. A form for the employee or job applicant to provide any information he or she considers relevant to the test, including identification of currently or recently used prescription or nonprescription medication, or other relevant medical information. Such form shall provide notice of the most common medications by brand name or common name, as applicable, as well as by chemical name, which may alter or affect a drug test. The providing of information does not preclude the administration of the drug test, but shall be taken into account in interpreting any positive confirmed results.

(c) Specimen collection, storage, and transportation to the testing site shall be performed in a manner that will reasonably preclude specimen contamination or adulteration.

(d) Each initial and confirmation test conducted under this section, not including the taking or collecting of a specimen to be tested, shall be conducted by a licensed laboratory as described in subsection (12).

(e) A specimen for a drug test may be taken or collected by any of the following persons:

1. A physician, a physician assistant, a registered professional nurse, a licensed practical nurse, a nurse practitioner, or a certified paramedic who is present at the scene of an accident for the purpose of rendering emergency medical service or treatment.

2. A qualified person employed by a licensed laboratory.

(f) A person who collects or takes a specimen for a drug test conducted pursuant to this section shall collect an amount sufficient for two drug tests as determined by the Agency for Health Care Administration.

(g) Any drug test conducted or requested by an employer may occur before, during, or immediately after the regular work period of the employee, and shall be deemed to be performed during work time for the purposes of determining compensation and benefits for the employee.

(h) Every specimen that produces a positive confirmed result shall be preserved by the licensed laboratory that conducts the confirmation test for a period of at least 210 days from the time the results of the positive confirmation test are mailed or otherwise delivered to the employer. However, if an employee or job applicant undertakes an administrative or legal challenge to the test result, the employee or job applicant shall notify the laboratory and the sample shall be retained by the laboratory until the case or administrative appeal is settled. During the 180-day period after written notification of a positive test result, the employee or job applicant who has provided the specimen shall be permitted by the employer to have a portion of the specimen retested, at the employee or job applicant's expense, at another laboratory, licensed and approved by the Agency for Health Care Administration, chosen by the employee or job applicant. The second laboratory must test at equal or greater sensitivity for the drug in question as the first laboratory. The first laboratory that performed the test for the employer is responsible for the transfer of the portion of the specimen to be retested, and for the integrity of the chain of custody during such transfer.

(i) Within 5 working days after receipt of a positive confirmed test result from the testing laboratory, an employer shall inform an employee or job applicant in writing of such positive test result, the consequences of such results, and the options available to the employee or job applicant.

(j) The employer shall provide to the employee or job applicant, upon request, a copy of the test results.

(k) Within 5 working days after receiving notice of a positive confirmed test result, the employee or job applicant may submit information to an employer explaining or contesting the test results, and why the results do not constitute a violation of the employer's policy.

(l) If an employee or job applicant's explanation or challenge of the positive test results is unsatisfactory to the employer, a written explanation as to why the employee or job applicant's

explanation is unsatisfactory, along with the report of positive results, shall be provided by the employer to the employee or job applicant. All such documentation shall be kept confidential and exempt from the provisions of s. 119.07(1) by the employer pursuant to subsection (11) and shall be retained by the employer for at least 1 year.

(m) An employer may not discharge, discipline, refuse to hire, discriminate against, or request or require rehabilitation of an employee or job applicant on the sole basis of a positive test result that has not been verified by a confirmation test.

(n) Upon successful completion of an employee assistance program or an alcohol and drug rehabilitation program, the employee shall be reinstated to the same or equivalent position that was held prior to such rehabilitation.

(o) An employer may not discharge, discipline, or discriminate against an employee, or refuse to hire a job applicant, on the basis of any prior medical history revealed to the employer pursuant to this section.

(p) An employer who performs drug testing or specimen collection shall use chain-of-custody procedures as established by the Agency for Health Care Administration to ensure proper recordkeeping, handling, labeling, and identification of all specimens to be tested.

(q) An employer shall pay the cost of all drug tests, initial and confirmation, which the employer requires of employees.

(r) An employee or job applicant shall pay the costs of any additional drug tests not required by the employer.

(s) An employer may not discharge, discipline, or discriminate against an employee solely upon voluntarily seeking treatment, while under the employ of the employer, for a drug-related problem if the employee has not previously tested positive for drug use, entered an employee assistance program for drug-related problems, or entered an alcohol and drug rehabilitation program. However, special risk employees may be subject to discharge or disciplinary action when the presence of illicit drugs, pursuant to s. 893.13, is confirmed.

(t) If testing is conducted based on reasonable suspicion, each employer shall promptly detail in writing the circumstances which formed the basis of the determination that reasonable suspicion existed to warrant the testing. A copy of this documentation shall be given to the employee upon request and the original documentation shall be kept confidential and exempt from the provisions of s. 119.07(1) by the employer pursuant to subsection (11) and retained by the employer for at least 1 year.

(u) If an employee is unable to participate in outpatient rehabilitation, the employee may be placed on leave status while participating in an employee assistance program or an alcohol and drug rehabilitation program. If placed on leave-without-pay status, the employee shall be permitted to use any accumulated leave credits prior to being placed on leave without pay. Upon successful completion of an employee assistance program or an alcohol and drug rehabilitation program, the employee shall be reinstated to the same or equivalent position that was held prior to such rehabilitation.

(9) CONFIRMATION TESTING.—

(a) If an initial drug test is negative, the employer may in its sole discretion and at the employer's expense seek a confirmation test.

(b) Only licensed laboratories as described in subsection (12) shall conduct confirmation drug tests.

(c) All positive initial tests shall be confirmed using gas chromatography/mass spectrometry (GC/MS) or an equivalent or more accurate scientifically accepted method approved by the Agency for Health Care Administration as such technology becomes available in a cost-effective form.

(10) EMPLOYER PROTECTION.—

(a) No employee or job applicant whose drug test result is confirmed as positive in accordance with the provisions of this section shall, by virtue of the result alone, be defined as a person with a "handicap" as cited in the 1973 Rehabilitation Act.

(b) An employer who discharges or disciplines an employee or refuses to hire a job applicant in compliance with this section shall be considered to have discharged, disciplined, or refused to hire for cause.

(c) No physician-patient relationship is created between an employee or job applicant and an employer or any person performing or evaluating a drug test, solely by the establishment, implementation, or administration of a drug-testing program.

(d) Nothing in this section shall be construed to prevent an employer from establishing reasonable work rules related to employee possession, use, sale, or solicitation of drugs, including convictions for drug-related offenses, and taking action based upon a violation of any of those rules.

(e) Nothing in this section shall be construed to operate retroactively.

(f) If an employee or job applicant refuses to submit to a drug test, the employer shall not be barred from discharging or disciplining the employee, or from refusing to hire the job applicant. However, nothing in this paragraph shall abrogate the rights and remedies of the employee or job applicant as otherwise provided in this section.

(g) An employer who refuses to hire a job applicant based on a positive confirmed drug test result shall not be required to hold the employment position vacant while the job applicant pursues administrative action. However, should the job applicant prevail in the actions, the employer shall provide him or her the opportunity of employment in the next available comparable position.

(h) An employer may discharge or discipline an employee following a first-time positive confirmed drug test result. If the employer does not discharge the employee, the employer may refer the employee to an employee assistance program or an alcohol and drug rehabilitation program in which the employee may participate at the expense of the employee or pursuant to a health insurance plan.

1. If an employer refers an employee to an employee assistance program or an alcohol and drug rehabilitation program, the employer must determine whether the employee is able to safely and effectively perform the job duties assigned to the employee while the employee participates in the employee assistance program or the alcohol and drug rehabilitation program.

2. An employee whose assigned duties require the employee to carry a firearm, work closely with an employee who carries a firearm, perform life-threatening procedures, work with heavy or dangerous machinery, work as a safety inspector, work with children, work with detainees in the correctional system, work with confidential information or documents pertaining to criminal investigations, work with controlled substances, hold a position subject to s. 110.1127, or hold a position in which a momentary lapse in attention could result in injury or death to another person, is deemed unable to safely and effectively perform the job duties assigned to the employee while the employee participates in the employee assistance program or the alcohol and drug rehabilitation program.

3. If an employer refers an employee to an employee assistance program or an alcohol and drug rehabilitation program and the employer determines that the employee is unable, or the employee is deemed unable, to safely and effectively perform the job duties assigned to the employee before he or she completes the employee assistance program or the alcohol and drug rehabilitation program, the employer shall place the employee in a job assignment that the employer determines the employee can safely and effectively perform while participating in the employee assistance program or the alcohol and drug rehabilitation program.

4. If a job assignment in which the employee may safely and effectively perform is unavailable, the employer shall place the employee on leave status while the employee is participating in an employee assistance program or an alcohol and drug rehabilitation program. If placed on leave status without pay, the employee may use accumulated leave credits before being placed on leave without pay.

(i) This section does not prohibit an employer from conducting medical screening or other tests required by any statute, rule, or regulation for the purpose of monitoring exposure of employees to toxic or other unhealthy substances in the workplace or in the performance of job responsibilities. Such screening or tests shall be limited to the specific substances expressly identified in the applicable statute, rule, or regulation, unless prior written consent of the employee is obtained for other tests.

(11) CONFIDENTIALITY.—

(a) Except as otherwise provided in this subsection, all information, interviews, reports, statements, memoranda, and drug test results, written or otherwise, received or produced as a result of a drug-testing program are confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution, and may not be used or received in evidence, obtained in discovery, or disclosed in any public or private proceedings, except in accordance with this section.

(b) Employers, laboratories, employee assistance programs, drug and alcohol rehabilitation programs, and their agents may not release any information concerning drug test results obtained pursuant to this section without a written consent form signed voluntarily by the person tested, except where such release is compelled by a hearing officer or a court of competent jurisdiction pursuant to

an appeal taken under this section, or where deemed appropriate by a professional or occupational licensing board in a related disciplinary proceeding. The consent form must contain, at a minimum:

1. The name of the person who is authorized to obtain the information.
2. The purpose of the disclosure.
3. The precise information to be disclosed.
4. The duration of the consent.
5. The signature of the person authorizing release of the information.

(c) Information on drug test results shall not be released or used in any criminal proceeding against the employee or job applicant. Information released contrary to this section shall be inadmissible as evidence in any such criminal proceeding.

(d) Nothing herein shall be construed to prohibit certifying bodies of special risk employees from receiving information on positive confirmed drug test results for the purpose of reviewing certification.

(e) Nothing herein shall be construed to prohibit the employer, agent of the employer, or laboratory conducting a drug test from having access to employee drug test information when consulting with legal counsel in connection with actions brought under or related to this section or where the information is relevant to its defense in a civil or administrative matter.

(12) DRUG-TESTING STANDARDS; LABORATORIES.—

(a) The requirements of part II of chapter 408 apply to the provision of services that require licensure pursuant to this section and part II of chapter 408 and to entities licensed by or applying for such licensure from the Agency for Health Care Administration pursuant to this section. A license issued by the agency is required in order to operate a laboratory.

(b) A laboratory may analyze initial or confirmation drug specimens only if:

1. The laboratory is licensed and approved by the Agency for Health Care Administration using criteria established by the United States Department of Health and Human Services as general guidelines for modeling the state drug testing program and in accordance with part II of chapter 408. Each applicant for licensure and licensee must comply with all requirements of part II of chapter 408.
2. The laboratory has written procedures to ensure chain of custody.
3. The laboratory follows proper quality control procedures, including, but not limited to:
 - a. The use of internal quality controls including the use of samples of known concentrations which are used to check the performance and calibration of testing equipment, and periodic use of blind samples for overall accuracy.
 - b. An internal review and certification process for drug test results, conducted by a person qualified to perform that function in the testing laboratory.
 - c. Security measures implemented by the testing laboratory to preclude adulteration of specimens and drug test results.
 - d. Other necessary and proper actions taken to ensure reliable and accurate drug test results.

(c) A laboratory shall disclose to the employer a written test result report within 7 working days after receipt of the sample. All laboratory reports of a drug test result shall, at a minimum, state:

1. The name and address of the laboratory which performed the test and the positive identification of the person tested.
2. Positive results on confirmation tests only, or negative results, as applicable.
3. A list of the drugs for which the drug analyses were conducted.
4. The type of tests conducted for both initial and confirmation tests and the minimum cutoff levels of the tests.

5. Any correlation between medication reported by the employee or job applicant pursuant to subparagraph (8)(b)2. and a positive confirmed drug test result.

No report shall disclose the presence or absence of any drug other than a specific drug and its metabolites listed pursuant to this section.

(d) The laboratory shall submit to the Agency for Health Care Administration a monthly report with statistical information regarding the testing of employees and job applicants. The reports shall include information on the methods of analyses conducted, the drugs tested for, the number of positive and negative results for both initial and confirmation tests, and any other information deemed appropriate by the Agency for Health Care Administration. No monthly report shall identify specific employees or job applicants.

(e) Laboratories shall provide technical assistance to the employer, employee, or job applicant for the purpose of interpreting any positive confirmed test results which could have been caused by prescription or nonprescription medication taken by the employee or job applicant.

(13) RULES.—

(a) The Agency for Health Care Administration may adopt additional rules to support this law and part II of chapter 408, using criteria established by the United States Department of Health and Human Services as general guidelines for modeling drug-free workplace laboratories, concerning, but not limited to:

1. Standards for drug-testing laboratory licensing and denial, suspension, and revocation of a license.

2. Urine, hair, blood, and other body specimens and minimum specimen amounts which are appropriate for drug testing, not inconsistent with other provisions established by law.

3. Methods of analysis and procedures to ensure reliable drug-testing results, including standards for initial tests and confirmation tests, not inconsistent with other provisions established by law.

4. Minimum cutoff detection levels for drugs or their metabolites for the purposes of determining a positive test result, not inconsistent with other provisions established by law.

5. Chain-of-custody procedures to ensure proper identification, labeling, and handling of specimens being tested, not inconsistent with other provisions established by law.

6. Retention, storage, and transportation procedures to ensure reliable results on confirmation tests and retests.

7. A list of the most common medications by brand name or common name, as applicable, as well as by chemical name, which may alter or affect a drug test.

(b) The following standards and procedures are established related to hair testing:

1. Hair cutoff levels for initial drug-screening tests.—The following initial cutoff levels must be used when screening hair specimens to determine whether they are negative for these drugs or their metabolites:

a. Marijuana: 10 pg/10 mg of hair;

b. Cocaine: 5 ng/10 mg of hair; and

c. Opiate/synthetic narcotics and metabolites: 5 ng/10 mg of hair. For the purpose of this section, opiate and metabolites include the following:

(I) Codeine;

(II) Heroin, monoacetylmorphine (heroin metabolites);

(III) Morphine;

d. Phencyclidine: 3 ng/10 mg of hair; and

e. Amphetamines: 5 ng/10 mg of hair. For the purpose of this section, amphetamines include the following:

(I) Amphetamines;

(II) Methamphetamine;

2. Hair cutoff levels for drug confirmation testing.—

a. All specimens identified as positive on the initial test must be confirmed using gas chromatography/mass spectrometry (GC/MS), mass spectrometry/mass spectrometry (MS/MS) at the following cutoff levels for these drugs on their metabolites. All confirmations must be by quantitative analysis.

(I) Marijuana metabolites: 1 pg/10 mg of hair (Delta-9-tetrahydrocannabinol-0-carboxylic acid).

(II) Cocaine: must be at or above 5 ng/10 mg of hair. Cocaine metabolites if present will be recorded at the following minimum levels:

(A) Benzoylcegonine at 1 ng/10 mg of hair; and

(B) Cocaethylene at 1 ng/10 mg of hair.

(III) Opiate/synthetic narcotics and metabolites: 5 ng/10 mg of hair; opiate and metabolites include the following:

(A) Codeine;

(B) 6-Monoacetylmorphine (heroin metabolite); and

(C) Morphine.

(IV) Phencyclidine: 3 ng/10 mg of hair.

(V) Amphetamines: 5 ng/10 mg of hair. For the purpose of this section, amphetamines include the following:

- (A) Amphetamines; and
- (B) Methamphetamines.

b. All hair specimens undergoing confirmation must be decontaminated using a wash procedure which has been published in the peer-reviewed literature which, as a minimum, has an initial 15-minute organic solvent wash followed by multiple (minimum of three) 30-minute aqueous washes.

c. After hair is washed, the drug entrapped in the hair is released either by digestion (chemical or enzymatic) or by multiple solvent extractions. The resulting digest or pooled solvent extracts are then screened and confirmed by approved methods.

d. All confirmation analysis methods must eliminate the melanin fraction of the hair before analysis. If a nondigestion method is used, the laboratory must present published data in the peer-reviewed literature from a large population study which indicates that the method of extraction does not possess a statistically significant hair-color bias.

e. Additional hair samples may be collected to reconfirm the initial report. The recollected sample shall be retested as specified; however, the confirmation analysis must be performed even if the screening test is negative. A second positive report must be made if the drug concentration in the digest by confirmation methods exceeds the limit of quantitation of the testing laboratory's method. A second test must be offered to anyone disputing a positive hair test result.

3. Hair specimen collection procedures.—

a. Designation of collection site.—Each drug-testing program shall have one or more designated collection sites which have all necessary personnel, materials, equipment, facilities, and supervision to provide for the collection, security, temporary storage, and shipping or transportation of hair specimens to a licensed drug-testing facility.

b. Security.—While security is important with any collection, in the case of hair, only the temporary storage area in the designated collection site needs to be secure.

c. Chain of custody.—Chain-of-custody standardized forms shall be properly executed by authorized collection site personnel upon receipt of specimens. Handling and transportation of hair specimens from one authorized individual or place to another shall always be accomplished through chain-of-custody procedures. Every effort shall be made to minimize the number of persons handling specimens.

d. Access to authorized personnel only.—The hair collection site need be off limits to unauthorized personnel only during the actual collection of specimens.

e. Privacy.—Procedures for collecting hair should be performed on one individual at a time to prevent substitutions or interference with the collection of reliable samples. Procedures must ensure that the hair collection does not infringe on the individual's privacy.

f. Integrity and identity of specimen.—Precautions must be taken to ensure that the root end of a hair specimen is indicated for the laboratory which performs the testing. The maximum length of hair that shall be tested is 3.9 cm distal from the head, which on average represents a 3-month time window. The following minimum precautions must be taken when collecting a hair specimen to ensure that specimens are obtained and correctly identified:

(I) When an individual arrives at the collection site, the collection site personnel shall request the individual to present photo identification. If the individual does not have proper photo identification, the collection site personnel shall contact the supervisor of the individual, the coordinator of the drug testing program, or any other employer official who can positively identify the individual. If the individual's identity cannot be established, the collection site personnel shall not proceed with the collection.

(II) If the individual fails to arrive at the assigned time, the collection site personnel shall contact the appropriate authority to obtain guidance on the action to be taken.

(III) The collection site personnel shall note any unusual behavior or appearance on the chain-of-custody form.

(IV) Hair shall be cut as close to the scalp or body, excluding the pubic area, as possible. Upon taking the specimen from the individual, the collection site personnel shall determine that it contains approximately 1/2-inch of hair when fanned out on a ruler (about 40 mg of hair).

(V) Both the individual being tested and the collection site personnel shall keep the specimen in view at all times prior to the specimen container being sealed with a tamper-resistant seal and labeled with the individual's specimen number and other required information.

(VI) The collection site personnel shall label the container which contains the hair with the date, the individual's specimen number, and any other identifying information provided or required by the drug-testing program.

(VII) The individual shall initial the container for the purpose of certifying that it is the specimen collected from the individual.

(VIII) The collection site personnel shall indicate on the chain-of-custody form all information identifying the specimen. The collection site personnel shall sign the chain-of-custody form next to the identifying information or the chain of custody on the specimen container.

(IX) The individual must be asked to read and sign a statement certifying that the specimen identified as having been collected from the individual is in fact that specimen the individual provided.

(X) The collection site personnel shall complete the chain-of-custody form.

g. Collection control.—To the maximum extent possible, collection site personnel shall keep the individual's specimen container within sight both before and after collection. After the specimen is collected, it must be properly sealed and labeled. An approved chain-of-custody form must be used for maintaining control and accountability of each specimen from the point of collection to final disposition of the specimen. The date and purpose must be documented on an approved chain-of-custody form each time a specimen is handled or transferred, and every individual in the chain must be identified. Every effort must be made to minimize the number of persons handling specimens.

h. Transportation to the testing facility.—Collection site personnel shall arrange to transport the collected specimens to the drug-testing facility. The specimens shall be placed in containers which shall be securely sealed to eliminate the possibility of undetected tampering. The collection site personnel shall ensure that the chain-of-custody documentation is sealed separately from the specimen and placed inside the container sealed for transfer to the drug-testing facility.

4. Quality assurance and quality control.—

a. Quality assurance.—Testing facilities shall have a quality assurance program which encompasses all aspects of the testing process, including, but not limited to, specimen acquisition, chain of custody, security and reporting of results, initial and confirmatory testing, and validation of analytical procedures. Quality assurance procedures shall be designed, implemented, and reviewed to monitor the conduct of each step of the process of testing for drugs.

b. Quality control.—

(I) Each analytical run of specimens to be screened shall include:

(A) Hair specimens certified to contain no drug;

(B) Hair specimens fortified with known standards; and

(C) Positive controls with the drug or metabolite at or near the threshold (cutoff).

(II) In addition, with each batch of samples, a sufficient number of standards shall be included to ensure and document the linearity of the assay method over time in the concentration area of the cutoff. After acceptable values are obtained for the known standards, those values must be used to calculate sample data. Implementation of procedures to ensure that carryover does not contaminate the testing of an individual's specimen must be documented. A minimum of 5 percent of all test samples must be quality control specimens. The testing facility's quality control samples, prepared from fortified hair samples of determined concentration, must be included in the run and must appear as normal samples to drug-screen testing facility analysis. One percent of each run, with a minimum of at least one sample, must be the testing facility's own quality control samples.

5.a. Proficiency testing.—

(I) Each hair drug-testing facility shall enroll and demonstrate satisfactory performance in a proficiency-testing program established by an independent group.

(II) The drug-testing facility shall maintain records which document the handling, processing, and examination of all proficiency-testing samples for a minimum of 2 years from the date of testing.

(III) The drug-testing facility shall ensure that proficiency-testing samples are analyzed at least three times each year using the same techniques as those employed for unknown specimens.

(IV) The proficiency-testing samples must be included with the routine sample run and tested with the same frequency as unknown samples by the individuals responsible for testing unknown specimens.

(V) The drug-testing facility may not engage in discussions or communications concerning proficiency-testing results with other drug-testing facilities, nor may they send proficiency-testing samples or portions of the samples to another drug-testing facility for analysis.

b. Satisfactory performance.—

(I) The drug-testing facility shall maintain an overall testing-event score equivalent to passing proficiency scores for other drug-testing matrices.

(II) Failure to participate in a proficiency-testing event shall result in a score of 0 percent for that testing event.

c. Unsuccessful performance.—Failure to achieve satisfactory performance in two consecutive testing events, or two out of three consecutive testing events, is determined to be unsuccessful performance.

(c) The Department of Management Services may adopt rules for all executive branch agencies implementing this section.

(d) The State Courts Administrator may adopt rules for the state courts system implementing this section.

(e) The Justice Administrative Commission may adopt rules on behalf of the state attorneys and public defenders of Florida, the capital collateral regional counsel, and the Judicial Qualifications Commission.

(f) The President of the Senate and the Speaker of the House of Representatives may adopt rules, policies, or procedures for the employees and members of the legislative branch implementing this section.

This section shall not be construed to eliminate the bargainable rights as provided in the collective bargaining process where applicable.

(14) DISCIPLINE REMEDIES.—

(a) An executive branch employee who is disciplined or who is a job applicant for another position and is not hired pursuant to this section, may file an appeal with the Public Employees Relations Commission. Any appeal must be filed within 30 calendar days of receipt by the employee or job applicant of notice of discipline or refusal to hire. The notice shall inform the employee or job applicant of the right to file an appeal, or if available, the right to file a collective bargaining grievance pursuant to s. 447.401. Such appeals shall be resolved pursuant to the procedures established in ss. 447.207(1)-(4), 447.208(2), and 447.503(4) and (5). A hearing on the appeal shall be conducted within 30 days of the filing of the appeal, unless an extension is requested by the employee or job applicant and granted by the commission or an arbitrator.

(b) The commission shall promulgate rules concerning the receipt, processing, and resolution of appeals filed pursuant to this section.

(c) Appeals to the commission shall be the exclusive administrative remedy for any employee who is disciplined or any job applicant who is not hired pursuant to this section, notwithstanding the provisions of chapter 120. However, nothing in this subsection shall affect the right of an employee or job applicant to file a collective bargaining grievance pursuant to s. 447.401 provided that an employee or job applicant may not file both an appeal and a grievance.

(d) An employee or a job applicant who has been disciplined or who has not been hired pursuant to this section must exhaust either the administrative appeal process or collective bargaining grievance-arbitration process.

(e) Upon resolving an appeal filed pursuant to paragraph (c), and finding a violation of this section, the commission may order the following relief:

1. Rescind the disciplinary action, expunge related records from the personnel file of the employee or job applicant and reinstate the employee.
2. Order compliance with paragraph (10)(g).
3. Award back pay and benefits.
4. Award the prevailing employee or job applicant the necessary costs of the appeal, reasonable attorney's fees, and expert witness fees.

(15) NONDISCIPLINE REMEDIES.—

(a) Any person alleging a violation of the provisions of this section, that is not remediable by the commission or an arbitrator pursuant to subsection (14), must institute a civil action for injunctive

relief or damages, or both, in a court of competent jurisdiction within 180 days of the alleged violation, or be barred from obtaining the following relief. Relief is limited to:

1. An order restraining the continued violation of this section.
2. An award of the costs of litigation, expert witness fees, reasonable attorney's fees, and noneconomic damages provided that damages shall be limited to the recovery of damages directly resulting from injury or loss caused by each violation of this section.

(b) Any employer who complies with the provisions of this section shall be without liability from all civil actions arising from any drug testing program or procedure performed in compliance with this section.

(c) Pursuant to any claim alleging a violation of this section, including a claim under this section where it is alleged that an employer's action with respect to a person was based on an incorrect test result, there shall be a rebuttable presumption that the test was valid if the employer complied with the provisions of this section.

(d) No cause of action shall arise in favor of any person based upon the failure of an employer to establish a program or policy for drug testing.

(16) **FEDERAL COMPLIANCE.**—The drug-testing procedures provided in this section do not apply where the specific work performed requires employees or job applicants to be subject to drug testing pursuant to:

(a) Federal regulations that specifically preempt state and local regulation of drug testing with respect to such employees and job applicants;

(b) Federal regulations or requirements enacted or implemented in connection with the operation of federally regulated facilities;

(c) Federal contracts where the drug testing is conducted for safety, or protection of sensitive or proprietary data or national security; or

(d) State agency rules that adopt federal regulations applicable to the interstate component of a federally regulated activity.

(17) **LICENSE FEE.**—Fees from licensure of drug-testing laboratories shall be sufficient to carry out the responsibilities of the Agency for Health Care Administration for the regulation of drug-testing laboratories. In accordance with s. 408.805, applicants and licensees shall pay a fee for each license application submitted under this part, part II of chapter 408, and applicable rules. The fee shall be not less than \$16,000 or more than \$20,000 per biennium and shall be established by rule.

112.046 Political party committee membership allowed.—Notwithstanding any other provision of law, an officer or employee of the state or any political subdivision may also serve as a member of the state executive committee or county executive committee of a political party. No person shall be required to resign from public office or employment, nor shall any person be fired or removed from such public office or employment, because of membership on such a committee prior to June 25, 1980.

History.—s. 3, ch. 80-207; s. 681, ch. 95-147.

112.048 Voluntary retirement with half pay authorized for elective officers of cities or towns; appropriation.—

(1) The intent of the Legislature is to authorize and direct each city and town to provide a system of retirement for elected officials, but it is further the intent that each city or town may determine whether the system will be contributory or noncontributory.

(2)(a) From and after June 3, 1939, whenever any elective officer of any city or town of this state has held any elective office of such city or town for a period of 20 years or more consecutively, or for a period of 20 years or more consecutively, except for one period not exceeding 6 months, such elective officer may voluntarily resign or retire from such elective office with the right to be paid on the officer's own requisition by such city or town during the remainder of his or her natural life a sum equal to one-half of the full amount of the annual or monthly salary that such city or town was authorized by law to pay said elective officer at the time of resignation or retirement; and such city and town shall appropriate and provide in its annual budget sufficient moneys to meet the requirements of this section when no other plan is available for elected local officials. In cases in which

an elective officer during any term of office entered or enters and served or serves in the Armed Forces of the United States during any period during which the United States was or shall be engaged in war and thereafter was or shall be appointed or again elected to the same elective office prior to discharge from such service in the Armed Forces, such time of service in the Armed Forces shall not be construed to be a break in consecutive service and shall be counted in determining the years of consecutive service of such elective officer.

(b) The provisions of this subsection shall not operate to preclude any elected officer from retiring under, and receiving benefits pursuant to, the provisions of this section as it existed prior to October 1, 1973, if such officer had, prior to that date, completed the required 20 years of service or been elected to a term upon the expiration of which he or she completes the required 20 years of service. However, if on October 1, 1973, an elected officer had completed at least 10 of the required 20 years of service, the city or town may elect to provide an annual or monthly retirement salary as provided in this subsection.

(3) Each city or town may by ordinance establish a contributory retirement system for those officials defined in subsection (2). The rules for participation, the amount of the official's contributions, and the method of appropriation and payment may be determined by ordinance of the city or town.

112.05 Retirement; cost-of-living adjustment; employment after retirement.—

(1)(a) Whenever any state official or state employee has attained the age of 70 years or more and has served the state as either an official or employee, or both, for as much as 20 consecutive years or more or for an aggregate time of 30 years or more, or whenever any state official or employee, irrespective of age, has served the state as either an official or employee, or both, for 30 consecutive years or more, or for as much as an aggregate of 35 years or more, such official or employee may retire from office as such official or employee with the right to be paid, and shall be paid monthly on his or her own requisition during the remainder of his or her natural life one-half the amount of the average monthly salary received during the last 10 years of such service; and sufficient money to meet the requirements of this section is hereby appropriated out of any moneys in the State Treasury not otherwise appropriated. Provided, that military service in the Armed Forces of the United States shall be computed as a part of the time specified hereinabove as entitling a state official or employee to the benefits of this section. This section shall apply only to persons retired or persons who are on a state payroll June 30, 1953, and remain continuously on a state payroll until eligible to retire. This section shall not affect any state official or employee who has already retired under any retirement act, except that no Cabinet officer qualifying shall receive less than \$4,500 per year.

(b)1. Any state official or state employee who, as of January 1, 1976, has served the state as either an official or employee, or both, for 29 consecutive years, irrespective of age, and who has a terminal or critical illness, which illness is certified by two physicians licensed in this state as terminal or critical, shall be eligible for early retirement. The benefits accruing to any such person under this section shall be reduced by five-twelfths of 1 percent for each complete month by which such retirement precedes the 30 years of service required under paragraph (a).

2. Any state official or employee eligible to retire pursuant to the provisions of this paragraph may retire from office as such official or employee with the right to be paid, and shall be paid monthly on his or her own requisition, during the remainder of his or her natural life, one-half the amount of the average monthly salary received during the last 10 years of service, less the actuarial reduction provided for in subparagraph 1.

(c) Upon the death of a retired state officer or employee receiving monthly benefits under this section, the monthly benefits shall be paid through the last day of the month of death and shall terminate on that date.

(2) An annual cost-of-living adjustment shall be made to the monthly benefit payable to retirees who are retired under this section pursuant to the provisions of s. 121.101.

(3) Any person who is retired under this section may be employed by an employer who does not participate in a state-administered retirement system and may receive compensation from such employment without limiting or restricting in any way the retirement benefits payable to such person.

(4)(a) Any person who is retired under this section may be reemployed by any private or public employer after retirement and receive retirement benefits and compensation from his or her employer without limitation, except that no person may receive both a salary from reemployment with any agency participating in the Florida Retirement System and retirement benefits under this chapter for a period of 12 months immediately subsequent to the date of retirement.

(b) Any person to whom the limitation in paragraph (a) applies who violates such reemployment limitation and is reemployed with any agency participating in the Florida Retirement System prior to completion of the 12-month limitation period shall give timely notice of this fact in writing to the employer and to the division; and the person's retirement benefits shall be suspended for the balance of the 12-month limitation period. Any person employed in violation of this subsection and any employing agency which knowingly employs or appoints such person without notifying the Department of Management Services to suspend retirement benefits shall be jointly and severally liable for reimbursement to the retirement trust fund of any benefits paid during the reemployment limitation period. To avoid liability, such employing agency shall have a written statement from the retiree that he or she is not retired from a state-administered retirement system. Any retirement benefits received by such person while reemployed during this limitation period shall be repaid to the retirement trust fund, and the retirement benefits shall remain suspended until such repayment has been made. Any benefits suspended beyond the reemployment limitation period shall apply toward the repayment of benefits received in violation of the reemployment limitation.

(c) An employer, upon employment of any person who has been retired under a state-administered retirement program, shall pay retirement contributions in an amount equal to the unfunded actuarial accrued liability portion of the employer contribution which would be required for a regular member of the Florida Retirement System.

(d) The limitations of this subsection apply to reemployment in any capacity with an employer as defined in s. 121.021(10), irrespective of the category of funds from which the person is compensated.

112.061 Per diem and travel expenses of public officers, employees, and authorized persons; statewide travel management system.—

(1) **LEGISLATIVE INTENT.**—To prevent inequities, conflicts, inconsistencies, and lapses in the numerous laws regulating or attempting to regulate travel expenses of public officers, employees, and authorized persons in the state, it is the intent of the Legislature:

(a) To establish standard travel reimbursement rates, procedures, and limitations, with certain justifiable exceptions and exemptions, applicable to all public officers, employees, and authorized persons whose travel is authorized and paid by a public agency.

(b) To preserve the standardization established by this law:

1. The provisions of this section shall prevail over any conflicting provisions in a general law, present or future, to the extent of the conflict; but if any such general law contains a specific exemption from this section, including a specific reference to this section, such general law shall prevail, but only to the extent of the exemption.

2. The provisions of any special or local law, present or future, shall prevail over any conflicting provisions in this section, but only to the extent of the conflict.

(3) AUTHORITY TO INCUR TRAVEL EXPENSES.—

(a) All travel must be authorized and approved by the head of the agency, or his or her designated representative, from whose funds the traveler is paid. The head of the agency shall not authorize or approve such a request unless it is accompanied by a signed statement by the traveler’s supervisor stating that such travel is on the official business of the state and also stating the purpose of such travel.

(b) Travel expenses of travelers shall be limited to those expenses necessarily incurred by them in the performance of a public purpose authorized by law to be performed by the agency and must be within the limitations prescribed by this section.

(c) Travel by public officers or employees serving temporarily in behalf of another agency or partly in behalf of more than one agency at the same time, or authorized persons who are called upon to contribute time and services as consultants or advisers, may be authorized by the agency head. Complete explanation and justification must be shown on the travel expense voucher or attached thereto.

(d) Travel expenses of public employees for the sole purpose of taking merit system or other job placement examinations, written or oral, shall not be allowed under any circumstances, except that upon prior written approval of the agency head or his or her designee, candidates for executive or professional positions may be allowed travel expenses pursuant to this section.

(e) Travel expenses of public officers or employees for the purpose of implementing, organizing, directing, coordinating, or administering, or supporting the implementation, organization, direction, coordination, or administration of, activities related to or involving travel to a terrorist state shall not be allowed under any circumstances. (f) The agency head, or a designated representative, may pay by advancement or reimbursement, or a combination thereof, the costs of per diem of travelers for foreign travel at the current rates as specified in the federal publication "Standardized Regulations (Government Civilians, Foreign Areas)" and incidental expenses as provided in this section.

(g) A traveler who becomes sick or injured while away from his or her official headquarters and is therefore unable to perform the official business of the agency may continue to receive subsistence as provided in subsection (6) during this period of illness or injury until such time as he or she is able to perform the official business of the agency or returns to his or her official headquarters, whichever is earlier. Such subsistence may be paid when approved by the agency head or his or her designee.

(h) The State Surgeon General or a designee may authorize travel expenses incidental to the rendering of medical services for and on behalf of clients of the Department of Health. The Department of Health may establish rates lower than the rate provided in this section for these travel expenses.

(i) The head of a law enforcement agency may authorize travel expenses for an employee of the agency whose duties are those of a law enforcement officer, as defined in s. 943.10(1), to attend a funeral service within the state of a law enforcement officer who was killed in the line of duty.

(4) OFFICIAL HEADQUARTERS.—The official headquarters of an officer or employee assigned to an office shall be the city or town in which the office is located except that:

(a) The official headquarters of a person located in the field shall be the city or town nearest to the area where the majority of the person's work is performed, or such other city, town, or area as may be designated by the agency head provided that in all cases such designation must be in the best interests of the agency and not for the convenience of the person.

(b) When any state employee is stationed in any city or town for a period of over 30 continuous workdays, such city or town shall be deemed to be the employee's official headquarters, and he or she shall not be allowed per diem or subsistence, as provided in this section, after the said period of 30 continuous workdays has elapsed, unless this period of time is extended by the express approval of the agency head or his or her designee.

(c) A traveler may leave his or her assigned post to return home overnight, over a weekend, or during a holiday, but any time lost from regular duties shall be taken as annual leave and authorized in the usual manner. The traveler shall not be reimbursed for travel expenses in excess of the established rate for per diem allowable had he or she remained at his or her assigned post. However, when a traveler has been temporarily assigned away from his or her official headquarters for an approved period extending beyond 30 days, he or she shall be entitled to reimbursement for travel expenses at the established rate of one round trip for each 30-day period actually taken to his or her home in addition to pay and allowances otherwise provided.

¹(d) A Lieutenant Governor who permanently resides outside of Leon County, may, if he or she so requests, have an appropriate facility in his or her county designated as his or her official headquarters for purposes of this section. This official headquarters may only serve as the Lieutenant Governor's personal office. The Lieutenant Governor may not use state funds to lease space in any facility for his or her official headquarters.

1. A Lieutenant Governor for whom an official headquarters is established in his or her county of residence pursuant to this paragraph is eligible for subsistence at a rate to be established by the Governor for each day or partial day that the Lieutenant Governor is at the State Capitol to conduct official state business. In addition to the subsistence allowance, a Lieutenant Governor is eligible for reimbursement for transportation expenses as provided in subsection (7) for travel between the Lieutenant Governor's official headquarters and the State Capitol to conduct state business.

2. Payment of subsistence and reimbursement for transportation between a Lieutenant Governor's official headquarters and the State Capitol shall be made to the extent appropriated funds are available, as determined by the Governor.

3. This paragraph expires July 1, 2024.

(5) COMPUTATION OF TRAVEL TIME FOR REIMBURSEMENT.—For purposes of reimbursement and methods of calculating fractional days of travel, the following principles are prescribed:

(a) The travel day for Class A travel shall be a calendar day (midnight to midnight). The travel day for Class B travel shall begin at the same time as the travel period. For Class A and Class B travel, the traveler shall be reimbursed one-fourth of the authorized rate of per diem for each quarter, or fraction thereof, of the travel day included within the travel period. Class A and Class B travel shall include any assignment on official business outside of regular office hours and away from regular places of employment when it is considered reasonable and necessary to stay overnight and for which travel expenses are approved.

(b) A traveler shall not be reimbursed on a per diem basis for Class C travel, but shall receive subsistence as provided in this section, which allowance for meals shall be based on the following schedule:

1. Breakfast—When travel begins before 6 a.m. and extends beyond 8 a.m.
2. Lunch—When travel begins before 12 noon and extends beyond 2 p.m.
3. Dinner—When travel begins before 6 p.m. and extends beyond 8 p.m., or when travel occurs during nighttime hours due to special assignment.

No allowance shall be made for meals when travel is confined to the city or town of the official headquarters or immediate vicinity; except assignments of official business outside the traveler's regular place of employment if travel expenses are approved. The Chief Financial Officer shall establish a schedule for processing Class C travel subsistence payments at least on a monthly basis.

(6) RATES OF PER DIEM AND SUBSISTENCE ALLOWANCE.—For purposes of reimbursement rates and methods of calculation, per diem and subsistence allowances are provided as follows:

(a) All travelers shall be allowed for subsistence when traveling to a convention or conference or when traveling within or outside the state in order to conduct bona fide state business, which convention, conference, or business serves a direct and lawful public purpose with relation to the public agency served by the person attending such meeting or conducting such business, either of the following for each day of such travel at the option of the traveler:

1. Eighty dollars per diem; or
2. If actual expenses exceed \$80, the amounts permitted in paragraph (b) for subsistence, plus actual expenses for lodging at a single-occupancy rate to be substantiated by paid bills therefor.

When lodging or meals are provided at a state institution, the traveler shall be reimbursed only for the actual expenses of such lodging or meals, not to exceed the maximum provided for in this subsection.

(b) All travelers shall be allowed the following amounts for subsistence while on Class C travel on official business as provided in paragraph (5)(b):

1. Breakfast. \$6
2. Lunch. \$11
3. Dinner. \$19

(c) No one, whether traveling out of state or in state, shall be reimbursed for any meal or lodging included in a convention or conference registration fee paid by the state.

(7) TRANSPORTATION.—

(a) All travel must be by a usually traveled route. In case a person travels by an indirect route for his or her own convenience, any extra costs shall be borne by the traveler; and reimbursement for expenses shall be based only on such charges as would have been incurred by a usually traveled route. The agency head or his or her designee shall designate the most economical method of travel for each trip, keeping in mind the following conditions:

1. The nature of the business.
2. The most efficient and economical means of travel (considering time of the traveler, impact on the productivity of the traveler, cost of transportation, and per diem or subsistence required). When it is more efficient and economical to either the traveler or the agency head, jet service offered by any airline, whether on state contract or not, may be used when the cost is within an approved threshold determined by the agency head or his or her designee.
3. The number of persons making the trip and the amount of equipment or material to be transported.
 - (b) The Department of Financial Services may provide any form it deems necessary to cover travel requests for traveling on official business and when paid by the state.
 - (c) Transportation by common carrier when traveling on official business and paid for personally by the traveler, shall be substantiated by a receipt therefor. Federal tax shall not be reimbursable to the traveler unless the state and other public agencies are also required by federal law to pay such tax. In the event transportation other than the most economical class as approved by the agency head is provided by a common carrier on a flight check or credit card, the charges in excess of the most economical class shall be refunded by the traveler to the agency charged with the transportation provided in this manner.
 - (d)1. The use of privately owned vehicles for official travel in lieu of publicly owned vehicles or common carriers may be authorized by the agency head or his or her designee. Whenever travel is by privately owned vehicle:
 - a. A traveler shall be entitled to a mileage allowance at a rate of 44.5 cents per mile; or
 - b. A traveler shall be entitled to the common carrier fare for such travel if determined by the agency head to be more economical.
 2. Reimbursement for expenditures related to the operation, maintenance, and ownership of a vehicle shall not be allowed when privately owned vehicles are used on public business and reimbursement is made pursuant to this paragraph, except as provided in subsection (8).
 3. All mileage shall be shown from point of origin to point of destination and, when possible, shall be computed on the basis of the current map of the Department of Transportation. Vicinity mileage necessary for the conduct of official business is allowable but must be shown as a separate item on the expense voucher.
 - (e) Transportation by chartered vehicles when traveling on official business may be authorized by the agency head when necessary or where it is to the advantage of the agency, provided the cost of such transportation does not exceed the cost of transportation by privately owned vehicle pursuant to paragraph (d).
 - (f) The agency head or his or her designee may grant monthly allowances in fixed amounts for use of privately owned automobiles on official business in lieu of the mileage rate provided in paragraph (d). Allowances granted pursuant to this paragraph shall be reasonable, taking into account the customary use of the automobile, the roads customarily traveled, and whether any of the expenses incident to the operation, maintenance, and ownership of the automobile are paid from funds of the agency or other public funds. Such allowance may be changed at any time, and shall be made on the basis of a signed statement of the traveler, filed before the allowance is granted or changed, and at least annually thereafter. The statement shall show the places and distances for an average typical month's travel on official business, and the amount that would be allowed under the approved rate per mile for the travel shown in the statement, if payment had been made pursuant to paragraph (d).
 - (g) No contract may be entered into between a public officer or employee, or any other person, and a public agency, in which a depreciation allowance is used in computing the amount due by the agency to the individual for the use of a privately owned vehicle on official business; provided, any such existing contract shall not be impaired.
 - (h) No traveler shall be allowed either mileage or transportation expense when gratuitously transported by another person or when transported by another traveler who is entitled to mileage or transportation expense. However, a traveler on a private aircraft shall be reimbursed the actual amount charged and paid for the fare for such transportation up to the cost of a commercial airline ticket for the same flight, even though the owner or pilot of such aircraft is also entitled to transportation expense for the same flight under this subsection.

(8) OTHER EXPENSES.—

(a) The following incidental travel expenses of the traveler may be reimbursed:

1. Taxi fare.
2. Ferry fares; and bridge, road, and tunnel tolls.
3. Storage or parking fees.
4. Communication expense.

5. Convention registration fee while attending a convention or conference which will serve a direct public purpose with relation to the public agency served by the person attending such meetings. A traveler may be reimbursed the actual and necessary fees for attending events which are not included in a basic registration fee that directly enhance the public purpose of the participation of the agency in the conference. Such expenses may include, but not be limited to, banquets and other meal functions. It shall be the responsibility of the traveler to substantiate that the charges were proper and necessary. However, any meals or lodging included in the registration fee will be deducted in accordance with the allowances provided in subsection (6).

(b) Other expenses which are not specifically authorized by this section may be approved by the Department of Financial Services pursuant to rules adopted by it. Expenses approved pursuant to this paragraph shall be reported by the Department of Financial Services to the Auditor General annually.

(9) RULES.—

(a) The Department of Financial Services shall adopt such rules, including, but not limited to, the general criteria to be used by a state agency to predetermine justification for attendance by state officers and employees and authorized persons at conventions and conferences, and prescribe such forms as are necessary to effectuate the purposes of this section. The department may also adopt rules prescribing the proper disposition and use of promotional items and rebates offered by common carriers and other entities in connection with travel at public expense; however, before adopting such rules, the department shall consult with the appropriation committees of the Legislature.

(b) Each state agency shall adopt such additional specific rules and specific criteria to be used by it to predetermine justification for attendance by state officers and employees and authorized persons at conventions and conferences, not in conflict with the rules of the Department of Financial Services or with the general criteria to be used by a state agency to predetermine justification for attendance by state officers and employees and authorized persons at conventions, as may be necessary to effectuate the purposes of this section.

(c) The Department of Management Services may adopt rules to administer the provisions of this section which relate to the statewide travel management system.

(10) FRAUDULENT CLAIMS.—Claims submitted pursuant to this section shall not be required to be sworn to before a notary public or other officer authorized to administer oaths, but any claim authorized or required to be made under any provision of this section shall contain a statement that the expenses were actually incurred by the traveler as necessary travel expenses in the performance of official duties and shall be verified by a written declaration that it is true and correct as to every material matter; and any person who willfully makes and subscribes any such claim which he or she does not believe to be true and correct as to every material matter, or who willfully aids or assists in, or procures, counsels, or advises the preparation or presentation under the provisions of this section of a claim which is fraudulent or is false as to any material matter, whether or not such falsity or fraud is with the knowledge or consent of the person authorized or required to present such claim, is guilty of a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083. Whoever shall receive an allowance or reimbursement by means of a false claim shall be civilly liable in the amount of the overpayment for the reimbursement of the public fund from which the claim was paid.

(11) TRAVEL AUTHORIZATION AND VOUCHER FORMS.—

(a) *Authorization forms.*—The Department of Financial Services shall furnish a uniform travel authorization request form which shall be used by all state officers, employees, and authorized persons when requesting approval for the performance of travel to a convention or conference. The form shall include, but not be limited to, provision for the name of each traveler, purpose of travel, period of travel, estimated cost to the state, and a statement of benefits accruing to the state by virtue of such travel. A copy of the program or agenda of the convention or conference, itemizing registration fees and any meals or lodging included in the registration fee, shall be attached to, and filed with, the copy of the travel authorization request form on file with the agency. The form shall be signed by the traveler and by the traveler's supervisor stating that the travel is to be incurred in connection with

official business of the state. The head of the agency or his or her designated representative shall not authorize or approve such request in the absence of the appropriate signatures. A copy of the travel authorization form shall be attached to, and become a part of, the support of the agency's copy of the travel voucher.

(b) *Voucher forms.*—

1. The Department of Financial Services shall furnish a uniform travel voucher form which shall be used by all state officers, employees, and authorized persons when submitting travel expense statements for approval and payment. No travel expense statement shall be approved for payment by the Chief Financial Officer unless made on the form prescribed and furnished by the department. The travel voucher form shall provide for, among other things, the purpose of the official travel and a certification or affirmation, to be signed by the traveler, indicating the truth and correctness of the claim in every material matter, that the travel expenses were actually incurred by the traveler as necessary in the performance of official duties, that per diem claimed has been appropriately reduced for any meals or lodging included in the convention or conference registration fees claimed by the traveler, and that the voucher conforms in every respect with the requirements of this section. The original copy of the executed uniform travel authorization request form shall be attached to the uniform travel voucher on file with the respective agency.

2. Statements for travel expenses incidental to the rendering of medical services for and on behalf of clients of the Department of Health shall be on forms approved by the Department of Financial Services.

(12) **ADVANCEMENTS.**—Notwithstanding any of the foregoing restrictions and limitations, an agency head or his or her designee may make, or authorize the making of, advances to cover anticipated costs of travel to travelers. Such advancements may include the costs of subsistence and travel of any person transported in the care or custody of the traveler in the performance of his or her duties.

(13) **DIRECT PAYMENT OF EXPENSES BY AGENCY.**—Whenever an agency requires an employee to incur either Class A or Class B travel on emergency notice to the traveler, such traveler may request the agency to pay his or her expenses for meals and lodging directly to the vendor, and the agency may pay the vendor the actual expenses for meals and lodging during the travel period, limited to an amount not to exceed that authorized pursuant to this section. In emergency situations, the agency head or his or her designee may authorize an increase in the amount paid for a specific meal, provided that the total daily cost of meals does not exceed the total amount authorized for meals each day. The agency head or his or her designee may also grant prior approval for a state agency to make direct payments of travel expenses in other situations that result in cost savings to the state, and such cost savings shall be documented in the voucher submitted to the Chief Financial Officer for the direct payment of travel expenses. The provisions of this subsection shall not be deemed to apply to any legislator or to any employee of the Legislature.

(14) **APPLICABILITY TO COUNTIES, COUNTY OFFICERS, DISTRICT SCHOOL BOARDS, SPECIAL DISTRICTS, AND METROPOLITAN PLANNING ORGANIZATIONS.**—

(a) The following entities may establish rates that vary from the per diem rate provided in paragraph (6)(a), the subsistence rates provided in paragraph (6)(b), or the mileage rate provided in paragraph (7)(d) if those rates are not less than the statutorily established rates that are in effect for the 2005-2006 fiscal year:

1. The governing body of a county by the enactment of an ordinance or resolution;
2. A county constitutional officer, pursuant to s. 1(d), Art. VIII of the State Constitution, by the establishment of written policy;
3. The governing body of a district school board by the adoption of rules;
4. The governing body of a special district, as defined in s. 189.012, except those special districts that are subject to s. 166.021(9), by the enactment of a resolution; or
5. Any metropolitan planning organization created pursuant to s. 339.175 or any other separate legal or administrative entity created pursuant to s. 339.175 of which a metropolitan planning organization is a member, by the enactment of a resolution.

(b) Rates established pursuant to paragraph (a) must apply uniformly to all travel by the county, county constitutional officer and entity governed by that officer, district school board, special district, or metropolitan planning organization.

(c) Except as otherwise provided in this subsection, counties, county constitutional officers and entities governed by those officers, district school boards, special districts, and metropolitan planning organizations, other than those subject to s. 166.021(9), remain subject to the requirements of this section.

(15) **CLASS C TRAVEL.**—Moneys appropriated from the State Treasury may not be used to pay per diem or subsistence related to Class C travel.

(16) **STATEWIDE TRAVEL MANAGEMENT SYSTEM.**—

(a) For purposes of this subsection, “statewide travel management system” means the system developed by the Department of Management Services to:

1. Collect and store information relating to public officer or employee travel information;
2. Standardize and automate agency travel management;
3. Allow for travel planning and approval, expense reporting, and reimbursement; and
4. Allow travel information queries.

(b) Each executive branch state government agency and the judicial branch must report on the statewide travel management system all public officer and employee travel information, including, but not limited to, name and position title; purpose of travel; dates and location of travel; mode of travel; confirmation from the head of the agency or designee authorization, if required; and total travel cost. Each executive branch state government agency and the judicial branch must use the statewide travel management system for purposes of travel authorization and reimbursement.

(c) Travel reports made available on the statewide travel management system may not reveal information made confidential or exempt by law.

112.08 Group insurance for public officers, employees, and certain volunteers; physical examinations.—

(1) As used in this section, the term “local governmental unit” means any county, municipality, community college district, school board, or special district or any county officer listed in s. 1(d), Art. VIII of the State Constitution.

(2)(a) Notwithstanding any general law or special act to the contrary, every local governmental unit is authorized to provide and pay out of its available funds for all or part of the premium for life, health, accident, hospitalization, legal expense, or annuity insurance, or all or any kinds of such insurance, for the officers and employees of the local governmental unit and for health, accident, hospitalization, and legal expense insurance for the dependents of such officers and employees upon a group insurance plan and, to that end, to enter into contracts with insurance companies or professional administrators to provide such insurance or with a corporation not for profit whose membership consists entirely of local governmental units authorized to enter into risk management consortiums under this subsection. Before entering any contract for insurance, the local governmental unit shall advertise for competitive bids; and such contract shall be let upon the basis of such bids. If a contracting health insurance provider becomes financially impaired as determined by the Office of Insurance Regulation of the Financial Services Commission or otherwise fails or refuses to provide the contracted-for coverage or coverages, the local government may purchase insurance, enter into risk management programs, or contract with third-party administrators and may make such acquisitions by advertising for competitive bids or by direct negotiations and contract. The local governmental unit may undertake simultaneous negotiations with those companies which have submitted reasonable and timely bids and are found by the local governmental unit to be fully qualified and capable of meeting all servicing requirements. Each local governmental unit may self-insure any plan for health, accident, and hospitalization coverage or enter into a risk management consortium to provide such coverage, subject to approval based on actuarial soundness by the Office of Insurance Regulation; and each shall contract with an insurance company or professional administrator qualified and approved by the office or with a corporation not for profit whose membership consists entirely of local governmental units authorized to enter into a risk management consortium under this subsection to administer such a plan.

(b) In order to obtain approval from the Office of Insurance Regulation of any self-insured plan for health, accident, and hospitalization coverage, each local governmental unit or consortium shall submit its plan along with a certification as to the actuarial soundness of the plan, which certification is prepared by an actuary who is a member of the Society of Actuaries or the American Academy of Actuaries. The Office of Insurance Regulation shall not approve the plan unless it determines that the plan is designed to provide sufficient revenues to pay current and future liabilities, as determined according to generally accepted actuarial principles. After implementation of an approved plan, each local governmental unit or consortium shall annually submit to the Office of Insurance Regulation a report which includes a statement prepared by an actuary who is a member of the Society of Actuaries or the American Academy of Actuaries as to the actuarial soundness of the plan. The report is due 90 days after the close of the fiscal year of the plan. The report shall consist of, but is not limited to:

1. The adequacy of contribution rates in meeting the level of benefits provided and the changes, if any, needed in the contribution rates to achieve or preserve a level of funding deemed adequate to enable payment of the benefit amounts provided under the plan and a valuation of present assets, based on statement value, and prospective assets and liabilities of the plan and the extent of any unfunded accrued liabilities.
2. A plan to amortize any unfunded liabilities and a description of actions taken to reduce unfunded liabilities.
3. A description and explanation of actuarial assumptions.
4. A schedule illustrating the amortization of any unfunded liabilities.
5. A comparative review illustrating the level of funds available to the plan from rates, investment income, and other sources realized over the period covered by the report with the assumptions used.

6. A statement by the actuary that the report is complete and accurate and that in the actuary's opinion the techniques and assumptions used are reasonable and meet the requirements and intent of this subsection.

7. Other factors or statements as required by the office in order to determine the actuarial soundness of the plan.

All assumptions used in the report shall be based on recognized actuarial principles acceptable to the Office of Insurance Regulation. The office shall review the report and shall notify the administrator of the plan and each entity participating in the plan, as identified by the administrator, of any actuarial deficiencies. Each local governmental unit is responsible for payment of valid claims of its employees that are not paid within 60 days after receipt by the plan administrator or consortium.

(c) Every local governmental unit is authorized to expend funds for preemployment physical examinations and postemployment physical examinations.

(3) Each local governmental unit is authorized to commingle in a common fund, plan, or program all payments for life, health, accident, hospitalization, or annuity insurance or all or any kinds of such insurance whether paid by the local governmental unit, officer or employee, or otherwise. The local governmental unit may determine the portion of the cost, if any, of such fund, plan, or program to be paid by officers or employees of the local governmental unit and fix the amounts to be paid by each such officer or employee as will best serve the public interest.

(4)(a) A local governmental unit may, at its discretion, provide group insurance consistent with the provisions of this section for volunteer or auxiliary firefighters, volunteer or auxiliary law enforcement agents, or volunteer or auxiliary ambulance or emergency service personnel within its jurisdiction. No insurance provided to volunteer personnel shall be used in the computation of workers' compensation benefits or in the determination of employee status for the purposes of collective bargaining.

(b) Benefits provided under group insurance policies pursuant to paragraph (a) shall not exceed benefits provided to employees under subsection (2) and ss. 112.19 and 112.191.

(5) The Department of Management Services shall initiate and supervise a group insurance program providing death and disability benefits for active members of the Florida Highway Patrol Auxiliary, with coverage beginning July 1, 1978, and purchased from state funds appropriated for that purpose. The Department of Management Services, in cooperation with the Office of Insurance Regulation, shall prepare specifications necessary to implement the program, and the Department of Management Services shall receive bids and award the contract in accordance with general law.

(6) The Financial Services Commission is authorized to adopt rules to carry out the provisions of this section as they pertain to its duties.

(7) All medical records and medical claims records in the custody of a unit of county or municipal government relating to county or municipal employees, former county or municipal employees, or eligible dependents of such employees enrolled in a county or municipal group insurance plan or self-insurance plan shall be kept confidential and are exempt from the provisions of s. 119.07(1). Such records shall not be furnished to any person other than the employee or the employee's legal representative, except upon written authorization of the employee, but may be furnished in any civil or criminal action, unless otherwise prohibited by law, upon the issuance of a subpoena from a court of competent jurisdiction and proper notice to the employee or the employee's legal representative by the party seeking such records.

(8) Patient medical records and medical claims records of water management district employees, former employees, and eligible dependents in the custody or control of the water management district under its group insurance plan established pursuant to s. 373.605 are confidential and exempt from s. 119.07(1). Such records shall not be furnished to any person other than the employee or the employee's legal representative, except upon written authorization of the employee, but may be furnished in any civil or criminal action, unless otherwise prohibited by law, upon the issuance of a subpoena from a court of competent jurisdiction and proper notice to the employee or the employee's legal representative by the party seeking such records.

112.0801 Group insurance; participation by retired employees.—

(1) Any state agency, county, municipality, special district, community college, or district school board that provides life, health, accident, hospitalization, or annuity insurance, or all of any kinds of such insurance, for its officers and employees and their dependents upon a group insurance plan or self-insurance plan shall allow all former personnel who retired before October 1, 1987, as well as those who retire on or after such date, and their eligible dependents, the option of continuing to participate in the group insurance plan or self-insurance plan. Retirees and their eligible dependents shall be offered the same health and hospitalization insurance coverage as is offered to active employees at a premium cost of no more than the premium cost applicable to active employees. For retired employees and their eligible dependents, the cost of continued participation may be paid by the employer or by the retired employees. To determine health and hospitalization plan costs, the employer shall commingle the claims experience of the retiree group with the claims experience of the active employees; and, for other types of coverage, the employer may commingle the claims experience of the retiree group with the claims experience of active employees. Retirees covered under Medicare may be experience-rated separately from the retirees not covered by Medicare and from active employees if the total premium does not exceed that of the active group and coverage is basically the same as for the active group.

(2) For purposes of this section, “retiree” means any officer or employee who retires under a state retirement system or a state optional annuity or retirement program or is placed on disability retirement and who begins receiving retirement benefits immediately after retirement from employment. In addition to these requirements, any officer or employee who retires under the Florida Retirement System Investment Plan established under part II of chapter 121 is considered a “retired officer or employee” or “retiree” as used in this section if he or she:

For the purpose of this subsection, “eligible retiree” means any public employee who retired from a state or local public employer who is covered by Medicare, Parts A and B. The Department of Management Services shall authorize one company to offer the Medicare supplement coverage to all eligible retirees. All premiums shall be paid by the retiree.

(2) The Department of Management Services shall solicit competitive bids from state-licensed insurance companies to provide and administer fully insured health insurance coverage for all public employees who retired from a state or local public employer who are not covered by Medicare, Parts A and B. The Department of Management Services may authorize one company to offer such coverage if the proposed benefits and premiums are reasonable. If such coverage is authorized, all premiums shall be paid for by the retiree.

Any person who has changed positions or been reclassified heretofore may come back under and participate in the retirement system to which he or she belonged before such change or reclassification upon payment of all back contributions, plus 3 percent interest per annum, that would have been required by law had he or she continued to participate and come under such system continuously, such election to be made and payment to be made on or before the time of retirement.

112.18 Firefighters and law enforcement or correctional officers; special provisions relative to disability.—

(1)(a) Any condition or impairment of health of any Florida state, municipal, county, port authority, special tax district, or fire control district firefighter or any law enforcement officer, correctional officer, or correctional probation officer as defined in s. 943.10(1), (2), or (3) caused by tuberculosis, heart disease, or hypertension resulting in total or partial disability or death shall be presumed to have been accidental and to have been suffered in the line of duty unless the contrary be shown by competent evidence. However, any such firefighter, law enforcement officer, correctional officer, or correctional probation officer must have successfully passed a physical examination upon entering into any such service as a firefighter, law enforcement officer, correctional officer, or correctional probation officer, which examination failed to reveal any evidence of any such condition. Such presumption does not apply to benefits payable under or granted in a policy of life insurance or

disability insurance, unless the insurer and insured have negotiated for such additional benefits to be included in the policy contract.

(b)1. If a firefighter did not undergo a preemployment physical examination, the medical examination required by s. 633.412(5) shall be deemed to satisfy the physical examination requirement under paragraph (a), if the medical examination completed pursuant to s. 633.412(5) failed to reveal any evidence of tuberculosis, heart disease, or hypertension.

2. If a firefighter underwent a preemployment physical examination, the employing fire service provider, as defined in s. 633.102, must maintain records of the physical examination for at least 5 years after the employee's separation from the employing fire service provider. If the employing fire service provider fails to maintain the records of the physical examination for the 5-year period after the employee's separation, it is presumed that the employee has met the requirements of paragraph (a).

(c)1. For any workers' compensation claim filed under this section and chapter 440 occurring on or after July 1, 2010, a law enforcement officer, correctional officer, or correctional probation officer as defined in s. 943.10(1), (2), or (3) suffering from tuberculosis, heart disease, or hypertension is presumed not to have incurred such disease in the line of duty as provided in this section if the law enforcement officer, correctional officer, or correctional probation officer:

a. Departed in a material fashion from the prescribed course of treatment of his or her personal physician and the departure is demonstrated to have resulted in a significant aggravation of the tuberculosis, heart disease, or hypertension resulting in disability or increasing the disability or need for medical treatment; or

b. Was previously compensated pursuant to this section and chapter 440 for tuberculosis, heart disease, or hypertension and thereafter sustains and reports a new compensable workers' compensation claim under this section and chapter 440, and the law enforcement officer, correctional officer, or correctional probation officer has departed in a material fashion from the prescribed course of treatment of an authorized physician for the preexisting workers' compensation claim and the departure is demonstrated to have resulted in a significant aggravation of the tuberculosis, heart disease, or hypertension resulting in disability or increasing the disability or need for medical treatment.

2. As used in this paragraph, "prescribed course of treatment" means prescribed medical courses of action and prescribed medicines for the specific disease or diseases claimed and as documented in the prescribing physician's medical records.

3. If there is a dispute as to the appropriateness of the course of treatment prescribed by a physician under sub-subparagraph 1.a. or sub-subparagraph 1.b. or whether a departure in a material fashion from the prescribed course of treatment is demonstrated to have resulted in a significant aggravation of the tuberculosis, heart disease, or hypertension resulting in disability or increasing the disability or need for medical treatment, the law enforcement officer, correctional officer, or correctional probation officer is entitled to seek an independent medical examination pursuant to s. 440.13(5).

4. A law enforcement officer, correctional officer, or correctional probation officer is not entitled to the presumption provided in this section unless a claim for benefits is made prior to or within 180 days after leaving the employment of the employing agency.

(2) This section authorizes each governmental entity specified in subsection (1) to negotiate policy contracts for life and disability insurance to include accidental death benefits or double indemnity coverage which shall include the presumption that any condition or impairment of health of any firefighter, law enforcement officer, or correctional officer caused by tuberculosis, heart disease, or hypertension resulting in total or partial disability or death was accidental and suffered in the line of duty, unless the contrary be shown by competent evidence.

112.181 Firefighters, paramedics, emergency medical technicians, law enforcement officers, correctional officers; special provisions relative to certain communicable diseases.—

(1) **DEFINITIONS.**—As used in this section, the term:

(a) "Body fluids" means blood and body fluids containing visible blood and other body fluids to which universal precautions for prevention of occupational transmission of blood-borne pathogens, as established by the Centers for Disease Control and Prevention, apply. For purposes of potential

transmission of meningococcal meningitis or tuberculosis, the term “body fluids” includes respiratory, salivary, and sinus fluids, including droplets, sputum, and saliva, mucous, and other fluids through which infectious airborne organisms can be transmitted between persons.

(b) “Emergency rescue or public safety worker” means any person employed full time by the state or any political subdivision of the state as a firefighter, paramedic, emergency medical technician, law enforcement officer, or correctional officer who, in the course of employment, runs a high risk of occupational exposure to hepatitis, meningococcal meningitis, or tuberculosis and who is not employed elsewhere in a similar capacity. However, the term “emergency rescue or public safety worker” does not include any person employed by a public hospital licensed under chapter 395 or any person employed by a subsidiary thereof.

(c) “Hepatitis” means hepatitis A, hepatitis B, hepatitis non-A, hepatitis non-B, hepatitis C, or any other strain of hepatitis generally recognized by the medical community.

(d) “High risk of occupational exposure” means that risk that is incurred because a person subject to the provisions of this section, in performing the basic duties associated with his or her employment:

1. Provides emergency medical treatment in a non-health-care setting where there is a potential for transfer of body fluids between persons;
2. At the site of an accident, fire, or other rescue or public safety operation, or in an emergency rescue or public safety vehicle, handles body fluids in or out of containers or works with or otherwise handles needles or other sharp instruments exposed to body fluids;
3. Engages in the pursuit, apprehension, and arrest of law violators or suspected law violators and, in performing such duties, may be exposed to body fluids; or
4. Is responsible for the custody, and physical restraint when necessary, of prisoners or inmates within a prison, jail, or other criminal detention facility, while on work detail outside the facility, or while being transported and, in performing such duties, may be exposed to body fluids.

(e) “Occupational exposure,” in the case of hepatitis, meningococcal meningitis, or tuberculosis, means an exposure that occurs during the performance of job duties that may place a worker at risk of infection.

(2) PRESUMPTION; ELIGIBILITY CONDITIONS.—Any emergency rescue or public safety worker who suffers a condition or impairment of health that is caused by hepatitis, meningococcal meningitis, or tuberculosis, that requires medical treatment, and that results in total or partial disability or death shall be presumed to have a disability suffered in the line of duty, unless the contrary is shown by competent evidence; however, in order to be entitled to the presumption, the emergency rescue or public safety worker must, by written affidavit as provided in s. 92.50, verify by written declaration that, to the best of his or her knowledge and belief:

- (a) In the case of a medical condition caused by or derived from hepatitis, he or she has not:
 1. Been exposed, through transfer of bodily fluids, to any person known to have sickness or medical conditions derived from hepatitis, outside the scope of his or her employment;
 2. Had a transfusion of blood or blood components, other than a transfusion arising out of an accident or injury happening in connection with his or her present employment, or received any blood products for the treatment of a coagulation disorder since last undergoing medical tests for hepatitis, which tests failed to indicate the presence of hepatitis;
 3. Engaged in unsafe sexual practices or other high-risk behavior, as identified by the Centers for Disease Control and Prevention or the Surgeon General of the United States, or had sexual relations with a person known to him or her to have engaged in such unsafe sexual practices or other high-risk behavior; or
 4. Used intravenous drugs not prescribed by a physician.
- (b) In the case of meningococcal meningitis, in the 10 days immediately preceding diagnosis he or she was not exposed, outside the scope of his or her employment, to any person known to have meningococcal meningitis or known to be an asymptomatic carrier of the disease.
- (c) In the case of tuberculosis, in the period of time since the worker’s last negative tuberculosis skin test, he or she has not been exposed, outside the scope of his or her employment, to any person known by him or her to have tuberculosis.

(3) IMMUNIZATION.—Whenever any standard, medically recognized vaccine or other form of immunization or prophylaxis exists for the prevention of a communicable disease for which a presumption is granted under this section, if medically indicated in the given circumstances pursuant

to immunization policies established by the Advisory Committee on Immunization Practices of the United States Public Health Service, an emergency rescue or public safety worker may be required by his or her employer to undergo the immunization or prophylaxis unless the worker's physician determines in writing that the immunization or other prophylaxis would pose a significant risk to the worker's health. Absent such written declaration, failure or refusal by an emergency rescue or public safety worker to undergo such immunization or prophylaxis disqualifies the worker from the benefits of the presumption.

(4) **LIFE AND DISABILITY INSURANCE COVERAGE.**—This section does not apply to benefits payable under or granted in a noncompulsory policy of life insurance or disability insurance, unless the insurer and insured have negotiated for such additional benefits to be included in the policy contract. However, the state or any political subdivision of the state may negotiate a policy contract for life and disability insurance which includes accidental death benefits or double indemnity coverage for any condition or impairment of health suffered by an emergency rescue or public safety worker, which condition or impairment is caused by a disease described in this section and results in total or partial disability or death.

(5) **RECORD OF EXPOSURES.**—The employing agency shall maintain a record of any known or reasonably suspected exposure of an emergency rescue or public safety worker in its employ to the diseases described in this section and shall immediately notify the employee of such exposure. An emergency rescue or public safety worker shall file an incident or accident report with his or her employer of each instance of known or suspected occupational exposure to hepatitis infection, meningococcal meningitis, or tuberculosis.

(6) **REQUIRED MEDICAL TESTS; PREEMPLOYMENT PHYSICAL.**—In order to be entitled to the presumption provided by this section:

(a) An emergency rescue or public safety worker must, prior to diagnosis, have undergone standard, medically acceptable tests for evidence of the communicable disease for which the presumption is sought, or evidence of medical conditions derived therefrom, which tests fail to indicate the presence of infection. This paragraph does not apply in the case of meningococcal meningitis.

(b) On or after June 15, 1995, an emergency rescue or public safety worker may be required to undergo a preemployment physical examination that tests for and fails to reveal any evidence of hepatitis or tuberculosis.

(7) **DISABILITY RETIREMENT.**—This section does not change the basic requirements for determining eligibility for disability retirement benefits under the Florida Retirement System or any pension plan administered by this state or any political subdivision thereof, except to the extent of affecting the determination as to whether a member was disabled in the line of duty or was otherwise disabled.

History.—s. 2, ch. 95-285; s. 2, ch. 96-198; s. 25, ch. 97-95; s. 26, ch. 97-96.

112.1815 Firefighters, paramedics, emergency medical technicians, and law enforcement officers; special provisions for employment-related accidents and injuries.—

(1) The term “first responder” as used in this section means a law enforcement officer as defined in s. 943.10, a firefighter as defined in s. 633.102, or an emergency medical technician or paramedic as defined in s. 401.23 employed by state or local government. A volunteer law enforcement officer, firefighter, or emergency medical technician or paramedic engaged by the state or a local government is also considered a first responder of the state or local government for purposes of this section.

(2)(a) For the purpose of determining benefits under this section relating to employment-related accidents and injuries of first responders, the following shall apply:

1. An injury or disease caused by the exposure to a toxic substance is not an injury by accident arising out of employment unless there is a preponderance of the evidence establishing that exposure to the specific substance involved, at the levels to which the first responder was exposed, can cause the injury or disease sustained by the employee.

2. Any adverse result or complication caused by a smallpox vaccination of a first responder is deemed to be an injury by accident arising out of work performed in the course and scope of employment.

3. A mental or nervous injury involving a first responder and occurring as a manifestation of a compensable injury must be demonstrated by clear and convincing evidence. For a mental or nervous injury arising out of the employment unaccompanied by a physical injury involving a first responder,

only medical benefits under s. 440.13 shall be payable for the mental or nervous injury. However, payment of indemnity as provided in s. 440.15 may not be made unless a physical injury arising out of injury as a first responder accompanies the mental or nervous injury. Benefits for a first responder are not subject to any limitation on temporary benefits under s. 440.093 or the 1-percent limitation on permanent psychiatric impairment benefits under s. 440.15(3)(c).

(b) In cases involving occupational disease, both causation and sufficient exposure to a specific harmful substance shown to be present in the workplace to support causation shall be proven by a preponderance of the evidence.

(3) Permanent total supplemental benefits received by a first responder whose employer does not participate in the social security program shall not terminate after the first responder attains the age of 62.

(4) For the purposes of this section, the term “occupational disease” means only a disease that arises out of employment as a first responder and is due to causes and conditions that are characteristic of and peculiar to a particular trade, occupation, process, or employment and excludes all ordinary diseases of life to which the general public is exposed, unless the incidence of the disease is substantially higher in the particular trade, occupation, process, or employment than for the general public.

(5)(a) For the purposes of this section and chapter 440, and notwithstanding sub-subparagraph (2)(a)3. and ss. 440.093 and 440.151(2), posttraumatic stress disorder, as described in the Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition, published by the American Psychiatric Association, suffered by a first responder is a compensable occupational disease within the meaning of subsection (4) and s. 440.151 if:

1. The posttraumatic stress disorder resulted from the first responder acting within the course of his or her employment as provided in s. 440.091; and

2. The first responder is examined and subsequently diagnosed with such disorder by a licensed psychiatrist, in person or through telehealth as that term is defined in s. 456.47, who is an authorized treating physician as provided in chapter 440 due to one of the following events:

- a. Seeing for oneself a deceased minor;
- b. Directly witnessing the death of a minor;
- c. Directly witnessing an injury to a minor who subsequently died before or upon arrival at a hospital emergency department;
- d. Participating in the physical treatment of an injured minor who subsequently died before or upon arrival at a hospital emergency department;
- e. Manually transporting an injured minor who subsequently died before or upon arrival at a hospital emergency department;
- f. Seeing for oneself a decedent whose death involved grievous bodily harm of a nature that shocks the conscience;
- g. Directly witnessing a death, including suicide, that involved grievous bodily harm of a nature that shocks the conscience;
- h. Directly witnessing a homicide regardless of whether the homicide was criminal or excusable, including murder, mass killing as defined in 28 U.S.C. s. 530C, manslaughter, self-defense, misadventure, and negligence;
- i. Directly witnessing an injury, including an attempted suicide, to a person who subsequently died before or upon arrival at a hospital emergency department if the person was injured by grievous bodily harm of a nature that shocks the conscience;
- j. Participating in the physical treatment of an injury, including an attempted suicide, to a person who subsequently died before or upon arrival at a hospital emergency department if the person was injured by grievous bodily harm of a nature that shocks the conscience; or
- k. Manually transporting a person who was injured, including by attempted suicide, and subsequently died before or upon arrival at a hospital emergency department if the person was injured by grievous bodily harm of a nature that shocks the conscience.

(b) Such disorder must be demonstrated by clear and convincing medical evidence.

(c) Benefits for a first responder under this subsection:

1. Do not require a physical injury to the first responder; and
2. Are not subject to:

- a. Apportionment due to a preexisting posttraumatic stress disorder;
- b. Any limitation on temporary benefits under s. 440.093; or
- c. The 1-percent limitation on permanent psychiatric impairment benefits under s. 440.15(3).

(d) The time for notice of injury or death in cases of compensable posttraumatic stress disorder under this subsection is the same as in s. 440.151(6) and is measured from one of the qualifying events listed in subparagraph (a)2. or the diagnosis of the disorder, whichever is later. A claim under this subsection must be properly noticed within 52 weeks after the qualifying event or the diagnosis of the disorder, whichever is later.

(e) As used in this subsection, the term:

- 1. “Directly witnessing” means to see or hear for oneself.
- 2. “Manually transporting” means to perform physical labor to move the body of a wounded person for his or her safety or medical treatment.

- 3. “Minor” has the same meaning as in s. 1.01(13).

(f) The Department of Financial Services shall adopt rules specifying injuries qualifying as grievous bodily harm of a nature that shocks the conscience for the purposes of this subsection.

(6) An employing agency of a first responder, including volunteer first responders, must provide educational training related to mental health awareness, prevention, mitigation, and treatment.

- (a) The posttraumatic stress disorder resulted from the correctional officer acting within the course of his or her employment as provided in s. 440.091.

- (b) The correctional officer is examined and subsequently diagnosed with such disorder by a licensed psychiatrist who is an authorized treating physician as provided in chapter 440 due to one of the following events:

- 1. Being taken hostage by an inmate or trapped in a life-threatening situation as a result of an inmate’s act;
- 2. Directly witnessing a death, including a death due to suicide, of a person who suffered grievous bodily harm of a nature that shocks the conscience;
- 3. Directly witnessing an injury, including an attempted suicide, to a person who subsequently dies before or upon arrival at a hospital emergency department if the person was injured by grievous bodily harm of a nature that shocks the conscience;
- 4. Participating in the physical treatment of an injury, or manually transporting a person who was injured, including by attempted suicide, who subsequently dies before or upon arrival at a hospital emergency department if the person was injured by grievous bodily harm of a nature that shocks the conscience;
- 5. Directly witnessing a homicide regardless of whether the homicide was criminal or excusable, including murder, mass killing, manslaughter, self-defense, misadventure, and negligence; or
- 6. Seeing for oneself a decedent whose death involved grievous bodily harm of a nature that shocks the conscience.

(3) The posttraumatic stress disorder must be demonstrated by clear and convincing medical evidence.

3. The 1-percent limitation on permanent psychiatric impairment benefits under s. 440.15(3).

(5) The time for notice of injury or death in cases of compensable posttraumatic stress disorder under this section is the same as in s. 440.151(6) and is measured from one of the qualifying events listed in paragraph (2)(b) or the diagnosis of the disorder, whichever is later. A claim under this section must be properly noticed within 52 weeks after the qualifying event or the diagnosis of the disorder, whichever is later.

(6) An employing agency of a correctional officer must provide educational training related to mental health awareness, prevention, mitigation, and treatment.

(7) The Department of Financial Services shall adopt rules specifying injuries qualifying as grievous bodily harm of a nature that shocks the conscience for the purposes of this section.

19. Stomach cancer.
20. Testicular cancer.
21. Thyroid cancer.

(b) “Employer” has the same meaning as in s. 112.191.

(c) “Firefighter” means an individual employed as a full-time firefighter or full-time, Florida-certified fire investigator within the fire department or public safety department of an employer whose primary responsibilities are the prevention and extinguishing of fires; the protection of life and property; and the enforcement of municipal, county, and state fire prevention codes and laws pertaining to the prevention and control of fires; or the investigation of fires and explosives.

(2) Upon a diagnosis of cancer, a firefighter is entitled to the following benefits, as an alternative to pursuing workers’ compensation benefits under chapter 440, if the firefighter has been employed by his or her employer for at least 5 continuous years, has not used tobacco products for at least the preceding 5 years, and has not been employed in any other position in the preceding 5 years which is proven to create a higher risk for any cancer:

(a) Cancer treatment covered within an employer-sponsored health plan or through a group health insurance trust fund. The employer must timely reimburse the firefighter for any out-of-pocket deductible, copayment, or coinsurance costs incurred due to the treatment of cancer.

(b) A one-time cash payout of \$25,000, upon the firefighter’s initial diagnosis of cancer. If the firefighter elects to continue coverage in the employer-sponsored health plan or group health insurance trust fund after he or she terminates employment, the benefits specified in paragraphs (a) and (b) must be made available by the former employer of a firefighter for 10 years following the date on which the firefighter terminates employment so long as the firefighter otherwise met the criteria specified in this subsection when he or she terminated employment and was not subsequently employed

as a firefighter following that date. For purposes of determining leave time and employee retention policies, the employer must consider a firefighter's cancer diagnosis as an injury or illness incurred in the line of duty.

(3)(a) If the firefighter participates in an employer-sponsored retirement plan, the retirement plan must consider the firefighter totally and permanently disabled in the line of duty if he or she meets the retirement plan's definition of totally and permanently disabled due to the diagnosis of cancer or circumstances that arise out of the treatment of cancer.

(b) If the firefighter does not participate in an employer-sponsored retirement plan, the employer must provide a disability retirement plan that provides the firefighter with at least 42 percent of his or her annual salary, at no cost to the firefighter, until the firefighter's death, as coverage for total and permanent disabilities attributable to the diagnosis of cancer which arise out of the treatment of cancer.

(4)(a) If the firefighter participated in an employer-sponsored retirement plan, the retirement plan must consider the firefighter to have died in the line of duty if he or she dies as a result of cancer or circumstances that arise out of the treatment of cancer.

(b) If the firefighter did not participate in an employer-sponsored retirement plan, the employer must provide a death benefit to the firefighter's beneficiary, at no cost to the firefighter or his or her beneficiary, totaling at least 42 percent of the firefighter's most recent annual salary for at least 10 years following the firefighter's death as a result of cancer or circumstances that arise out of the treatment of cancer.

(c) Firefighters who die as a result of cancer or circumstances that arise out of the treatment of cancer are considered to have died in the manner as described in s. 112.191(2)(a), and all of the benefits arising out of such death are available to the deceased firefighter's beneficiary.

(5)(a) The costs to provide the reimbursements and lump sum payments under subsection (2) and the costs to provide disability retirement benefits under paragraph (3)(b) and the line-of-duty death benefits under paragraph (4)(b) must be borne solely by the employer.

(b) The employer or employers participating in a retirement plan or system are solely responsible for the payment of the contributions necessary to fund the increased actuarial costs associated with the implementation of the presumptions under paragraphs (3)(a) and (4)(a), respectively, that cancer has, or the circumstances that arise out of the treatment of cancer have, either rendered the firefighter totally and permanently disabled or resulted in the death of the firefighter in the line of duty.

(c) An employer may not increase employee contributions required to participate in a retirement plan or system to fund the costs associated with enhanced benefits provided in subsections (3) and (4).

(6) The Division of State Fire Marshal within the Department of Financial Services shall adopt rules to establish employer cancer prevention best practices as it relates to personal protective equipment, decontamination, fire suppression apparatus, and fire stations.

History.—s. 1, ch. 2019-21; s. 1, ch. 2022-131.

112.182 “Firefighter rule” abolished.—

(1) A firefighter or properly identified law enforcement officer who lawfully enters upon the premises of another in the discharge of his or her duty occupies the status of an invitee. The common-law rule that such a firefighter or law enforcement officer occupies the status of a licensee is hereby abolished.

(2) It is not the intent of this section to increase or diminish the duty of care owed by property owners to invitees. Property owners shall be liable to invitees pursuant to this section only when the property owner negligently fails to maintain the premises in a reasonably safe condition or negligently fails to correct a dangerous condition of which the property owner either knew or should have known by the use of reasonable care or negligently fails to warn the invitee of a dangerous condition about which the property owner had, or should have had, knowledge greater than that of the invitee.

History.—s. 1, ch. 90-308; s. 693, ch. 95-147.

112.19 Law enforcement, correctional, and correctional probation officers; death benefits.—

(1) As used in this section, the term:

(a) “Employer” means a state board, commission, department, division, bureau, or agency, or a county, municipality, or other political subdivision of the state, which employs, appoints, or otherwise engages the services of law enforcement, correctional, or correctional probation officers.

(b) “Fresh pursuit” means the pursuit of a person who has committed or is reasonably suspected of having committed a felony, misdemeanor, traffic infraction, or violation of a county or municipal ordinance. The term does not imply instant pursuit, but pursuit without unreasonable delay.

(c) “Insurance” means insurance procured from a stock company or mutual company or association or exchange authorized to do business as an insurer in this state.

(d) “Law enforcement, correctional, or correctional probation officer” means any officer as defined in s. 943.10(14) or employee of the state or any political subdivision of the state, including any law enforcement officer, correctional officer, correctional probation officer, state attorney investigator, public defender investigator, or criminal conflict and civil regional counsel investigator, whose duties require such officer or employee to investigate, pursue, apprehend, arrest, transport, or maintain custody of persons who are charged with, suspected of committing, or convicted of a crime; and the term includes any member of a bomb disposal unit whose primary responsibility is the location, handling, and disposal of explosive devices. The term also includes any full-time officer or employee of the state or any political subdivision of the state, certified pursuant to chapter 943, whose duties require such officer to serve process or to attend a session of a circuit or county court as bailiff.

(2)(a) The sum of \$75,000 must be paid as provided in this section when a law enforcement, correctional, or correctional probation officer, while engaged in the performance of the officer’s law enforcement duties, is accidentally killed or receives accidental bodily injury which results in the loss of the officer’s life, provided that such killing is not the result of suicide and that such bodily injury is not intentionally self-inflicted.

(b) The sum of \$75,000 must be paid as provided in this section if a law enforcement, correctional, or correctional probation officer is accidentally killed as specified in paragraph (a) and the accidental death occurs:

1. As a result of the officer’s response to fresh pursuit;
2. As a result of the officer’s response to what is reasonably believed to be an emergency;
3. At the scene of a traffic accident to which the officer has responded; or
4. While the officer is enforcing what is reasonably believed to be a traffic law or ordinance.

This sum is in addition to any sum provided for in paragraph (a).

(c) If a law enforcement, correctional, or correctional probation officer, while engaged in the performance of the officer’s law enforcement duties, is unlawfully and intentionally killed or dies as a result of such unlawful and intentional act, the sum of \$225,000 must be paid as provided in this section.

(d) Such payments, pursuant to paragraphs (a), (b), and (c), whether secured by insurance or not, must be made to the beneficiary designated by such law enforcement, correctional, or correctional probation officer in writing, signed by the officer and delivered to the employer during the officer’s lifetime. If no such designation is made, then the payments must be paid to the officer’s surviving child or children and to the officer’s surviving spouse in equal portions, and if there is no surviving child or spouse, then to the officer’s parent or parents. If a beneficiary is not designated and there is no surviving child, spouse, or parent, then the sum must be paid to the officer’s estate.

(e) Such payments, pursuant to paragraphs (a), (b), and (c), are in addition to any workers’ compensation or retirement plan benefits and are exempt from the claims and demands of creditors of such law enforcement, correctional, or correctional probation officer.

(f) If a full-time law enforcement, correctional, or correctional probation officer who is certified pursuant to chapter 943 and employed by a state agency is killed in the line of duty while the officer is engaged in the performance of law enforcement duties or as a result of an assault against the officer under riot conditions:

1. The sum of \$10,000 must be paid, as provided for in paragraph (d), toward the funeral and burial expenses of such officer. Such benefits are in addition to any other benefits to which employee beneficiaries and dependents are entitled under the Workers’ Compensation Law or any other state or federal statutes; and
2. The officer’s employing agency may pay up to \$5,000 directly toward the venue expenses associated with the funeral and burial services of such officer.

(g) Any political subdivision of the state that employs a full-time law enforcement officer as defined in s. 943.10(1) or a full-time correctional officer as defined in s. 943.10(2) who is killed in the line of duty on or after July 1, 1993, as a result of an act of violence inflicted by another person while

the officer is engaged in the performance of law enforcement duties or as a result of an assault against the officer under riot conditions shall pay the entire premium of the political subdivision's health insurance plan for the employee's surviving spouse until remarried, and for each dependent child of the employee until the child reaches the age of majority or until the end of the calendar year in which the child reaches the age of 25 if:

1. At the time of the employee's death, the child is dependent upon the employee for support; and
2. The surviving child continues to be dependent for support, or the surviving child is a full-time or part-time student and is dependent for support.

(h)1. Any employer who employs a full-time law enforcement, correctional, or correctional probation officer who, on or after January 1, 1995, suffers a catastrophic injury, as defined in s. 440.02, Florida Statutes 2002, in the line of duty shall pay the entire premium of the employer's health insurance plan for the injured employee, the injured employee's spouse, and for each dependent child of the injured employee until the child reaches the age of majority or until the end of the calendar year in which the child reaches the age of 25 if the child continues to be dependent for support, or the child is a full-time or part-time student and is dependent for support. The term "health insurance plan" does not include supplemental benefits that are not part of the basic group health insurance plan. If the injured employee subsequently dies, the employer shall continue to pay the entire health insurance premium for the surviving spouse until remarried, and for the dependent children, under the conditions outlined in this paragraph. However:

- a. Health insurance benefits payable from any other source shall reduce benefits payable under this section.
- b. It is unlawful for a person to willfully and knowingly make, or cause to be made, or to assist, conspire with, or urge another to make, or cause to be made, any false, fraudulent, or misleading oral or written statement to obtain health insurance coverage as provided under this paragraph. A person who violates this sub-subparagraph commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.
- c. In addition to any applicable criminal penalty, upon conviction for a violation as described in sub-subparagraph b., a law enforcement, correctional, or correctional probation officer or other beneficiary who receives or seeks to receive health insurance benefits under this paragraph shall forfeit the right to receive such health insurance benefits, and shall reimburse the employer for all benefits paid due to the fraud or other prohibited activity. For purposes of this sub-subparagraph, the term "conviction" means a determination of guilt that is the result of a plea or trial, regardless of whether adjudication is withheld.

2. In order for the officer, spouse, and dependent children to be eligible for such insurance coverage, the injury must have occurred as the result of the officer's response to fresh pursuit, the officer's response to what is reasonably believed to be an emergency, or an unlawful act perpetrated by another. Except as otherwise provided herein, this paragraph may not be construed to limit health insurance coverage for which the officer, spouse, or dependent children may otherwise be eligible, except that a person who qualifies under this section is not eligible for the health insurance subsidy provided under chapter 121, chapter 175, or chapter 185.

(1) As used in this section, the term:

(a) “Employer” means a state board, commission, department, division, bureau, or agency, or a county, municipality, or other political subdivision of the state.

(b) “Firefighter” means any duly employed uniformed firefighter employed by an employer, whose primary duty is the prevention and extinguishing of fires, the protection of life and property therefrom, the enforcement of municipal, county, and state fire prevention codes, as well as the enforcement of any law pertaining to the prevention and control of fires, who is certified pursuant to s. 633.408 and who is a member of a duly constituted fire department of such employer or who is a volunteer firefighter.

(c) “Insurance” means insurance procured from a stock company or mutual company or association or exchange authorized to do business as an insurer in this state.

(2)(a) The sum of \$75,000 must be paid as provided in this section when a firefighter, while engaged in the performance of his or her firefighter duties, is accidentally killed or receives accidental bodily injury which subsequently results in the loss of the firefighter's life, provided that such killing is not the result of suicide and that such bodily injury is not intentionally self-inflicted.

(b) The sum of \$75,000 must be paid as provided in this section if a firefighter is accidentally killed as specified in paragraph (a) and the accidental death occurs as a result of the firefighter's response to what is reasonably believed to be an emergency involving the protection of life or property or the firefighter's participation in a training exercise. This sum is in addition to any sum provided in paragraph (a).

(c) If a firefighter, while engaged in the performance of his or her firefighter duties, is unlawfully and intentionally killed, is injured by an unlawful and intentional act of another person and dies as a result of such injury, dies as a result of a fire which has been determined to have been caused by an

act of arson, or subsequently dies as a result of injuries sustained therefrom, the sum of \$225,000 must be paid as provided in this section.

(d) Such payments, pursuant to paragraphs (a), (b), and (c), whether secured by insurance or not, must be made to the beneficiary designated by such firefighter in writing, signed by the firefighter and delivered to the employer during the firefighter's lifetime. If no such designation is made, then the payment must be paid to the firefighter's surviving child or children and to the firefighter's surviving spouse in equal portions, and if there be no surviving child or spouse, then to the firefighter's parent or parents. If a beneficiary designation is not made and there is no surviving child, spouse, or parent, then the sum must be paid to the firefighter's estate.

(e) Such payments, pursuant to paragraphs (a), (b), and (c), are in addition to any workers' compensation or retirement plan benefits and are exempt from the claims and demands of creditors of such firefighter.

(f) Any political subdivision of the state that employs a full-time firefighter who is killed in the line of duty on or after July 1, 1993, as a result of an act of violence inflicted by another person while the firefighter is engaged in the performance of firefighter duties, as a result of a fire which has been determined to have been caused by an act of arson, or as a result of an assault against the firefighter under riot conditions shall pay the entire premium of the political subdivision's health insurance plan for the employee's surviving spouse until remarried, and for each dependent child of the employee until the child reaches the age of majority or until the end of the calendar year in which the child reaches the age of 25 if:

1. At the time of the employee's death, the child is dependent upon the employee for support; and
2. The surviving child continues to be dependent for support, or the surviving child is a full-time or part-time student and is dependent for support.

(g)1. Any employer who employs a full-time firefighter who, on or after January 1, 1995, suffers a catastrophic injury, as defined in s. 440.02, Florida Statutes 2002, in the line of duty shall pay the entire premium of the employer's health insurance plan for the injured employee, the injured employee's spouse, and for each dependent child of the injured employee until the child reaches the age of majority or until the end of the calendar year in which the child reaches the age of 25 if the child continues to be dependent for support, or the child is a full-time or part-time student and is dependent for support. The term "health insurance plan" does not include supplemental benefits that are not part of the basic group health insurance plan. If the injured employee subsequently dies, the employer shall continue to pay the entire health insurance premium for the surviving spouse until remarried, and for the dependent children, under the conditions outlined in this paragraph. However:

- a. Health insurance benefits payable from any other source shall reduce benefits payable under this section.

It is unlawful for a person to willfully and knowingly make, or cause to be made, or to assist, conspire with, or urge another to make, or cause to be made, any false, fraudulent, or misleading oral or written statement to obtain health insurance coverage as provided under this paragraph. A person who violates this sub-subparagraph commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

c. In addition to any applicable criminal penalty, upon conviction for a violation as described in sub-subparagraph b., a firefighter or other beneficiary who receives or seeks to receive health insurance benefits under this paragraph shall forfeit the right to receive such health insurance benefits, and shall reimburse the employer for all benefits paid due to the fraud or other prohibited activity. For purposes of this sub-subparagraph, the term "conviction" means a determination of guilt that is the result of a plea or trial, regardless of whether adjudication is withheld.

2. In order for the firefighter, spouse, and dependent children to be eligible for such insurance coverage, the injury must have occurred as the result of the firefighter's response to what is reasonably believed to be an emergency involving the protection of life or property, or an unlawful act perpetrated by another. Except as otherwise provided herein, this paragraph may not be construed to limit health insurance coverage for which the firefighter, spouse, or dependent children may otherwise be eligible, except that a person who qualifies for benefits under this section is not eligible for the health insurance subsidy provided under chapter 121, chapter 175, or chapter 185.

Notwithstanding any provision of this section to the contrary, the death benefits provided in paragraphs (b), (c), and (f) shall also be applicable and paid in cases where a firefighter received bodily injury prior to July 1, 1993, and subsequently died on or after July 1, 1993, as a result of such in-line-of-duty injury.

The amount waived by the state must be in an amount equal to the cost of tuition and matriculation and registration fees for a total of 120 credit hours. The child or spouse may attend a state career center, a Florida College System institution, or a state university on either a full-time or part-time basis. The benefits provided to a child under this subsection shall continue until the child's 25th birthday. The benefits provided to a spouse under this subsection must commence within 5 years after the death occurs, and entitlement thereto shall continue until the 10th anniversary of that death.

(a) Upon failure of any child or spouse who receives a waiver in accordance with this subsection to comply with the ordinary and minimum requirements regarding discipline and scholarship of the institution attended, such benefits must be withdrawn as to the child or spouse and no further moneys expended for the child's or spouse's benefits so long as such failure or delinquency continues.

(b) Only students in good standing in their respective institutions may receive the benefits provided in this subsection.

(c) A child or spouse receiving benefits under this subsection must be enrolled according to the customary rules and requirements of the institution attended.

(4)(a) The employer of such firefighter is liable for the payment of the sums specified in this section and is deemed self-insured, unless it procures and maintains, or has already procured and maintained, insurance to secure such payments. Any such insurance may cover only the risks indicated in this section, in the amounts indicated in this section, or it may cover those risks and additional risks and may be in larger amounts. Any such insurance must be placed by such employer only after public bid of such insurance coverage which must be awarded to the carrier making the lowest best bid.

(1) Any such annuity contract or custodial account shall be in such form, and be based upon such terms, as will qualify the payments thereon for tax deferment under the United States Internal Revenue Code. (1) This section shall be known and may be cited as the "Government Employees' Deferred Compensation Plan Act."

(2) For the purposes of this section, the term "government employee" means any person employed, whether appointed, elected, or under contract, by the state or any governmental unit of the state, including, but not limited to, any state agency; any county, municipality, or other political subdivision of the state; any special district or water management district, as the terms are defined in s. 189.012; any state university or Florida College System institution, as the terms are defined in ¹s. 1000.21(8) and (5), respectively; or any constitutional county officer under s. 1(d), Art. VIII of the State Constitution for which compensation or statutory fees are paid.

(3) In accordance with a plan of deferred compensation which has been approved as herein provided, the state or any state agency, county, municipality, other political subdivision, or constitutional county officer may, by contract or a collective bargaining agreement, agree with any employee to defer all or any portion of that employee's otherwise payable compensation and, pursuant to the terms of such approved plan and in such proportions as may be designated or directed under that plan, place such deferred compensation in savings accounts or use the same to purchase fixed or variable life insurance or annuity contracts, securities, evidence of indebtedness, or such other investment products as may have been approved for the purposes of carrying out the objectives of such plan. Such insurance, annuity, savings, or investment products shall be underwritten and offered in compliance with the applicable federal and state laws and regulations by persons who are duly authorized by applicable state and federal authorities.

(4)(a) The Chief Financial Officer, with the approval of the State Board of Administration, shall establish a state plan or plans of deferred compensation for government employees, including all such investment vehicles or products incident thereto, as may be available through, or offered by, qualified companies or persons, and may approve one or more such plans for implementation.

(b) If the Chief Financial Officer deems it advisable, he or she shall have the power, with the approval of the State Board of Administration, to create a trust or other special funds for the segregation of funds or assets resulting from compensation deferred at the request of government employees participating in the state plan for the administration of such program.

(c) The Chief Financial Officer, with the approval of the State Board of Administration, may delegate responsibility for administration of the state plan to a person the Chief Financial Officer determines to be qualified, compensate such person, and, directly or through such person or pursuant to a collective bargaining agreement, contract with a private corporation or institution to provide such services as may be part of any such plan or as may be deemed necessary or proper by the Chief Financial Officer or such person, including, but not limited to, providing consolidated billing, individual and collective recordkeeping and accountings, asset purchase, control, and safekeeping, and direct disbursement of funds to employees or other beneficiaries. The Chief Financial Officer may authorize a person, private corporation, or institution to make direct disbursement of funds under the state plan to an employee or other beneficiary.

(d) In accordance with such approved state plan, and upon contract or agreement with an eligible government employee, deferrals of compensation may be accomplished by payroll deductions made by the appropriate officer or officers of the state, with such funds being thereafter held and administered in accordance with the plan.

(e) The administrative costs of the deferred compensation plan must be wholly or partially self-funded. Fees for such self-funding of the state plan shall be paid by investment providers and may be recouped from their respective plan participants. Such fees shall be deposited in the Deferred Compensation Trust Fund.

(5) Any county, municipality, or other political subdivision of the state may by ordinance, and any constitutional county officer under s. 1(d), Art. VIII of the State Constitution may by contract agreement or other documentation constituting approval, adopt and establish for itself and its employees a deferred compensation program. The ordinance shall designate an appropriate official of the county, municipality, or political subdivision to approve and administer a deferred compensation plan or otherwise provide for such approval and administration. The ordinance shall also designate a public official or body to make the determinations provided for in paragraph (6)(b). If a constitutional county officer elects to adopt and establish for that office and its employees a deferred compensation program, the constitutional county officer shall be the appropriate official to make the determinations provided for in this subsection and in paragraph (6)(b).

(6)(a) No deferred compensation plan of the state shall become effective until approved by the State Board of Administration and the Chief Financial Officer is satisfied by opinion from such federal agency or agencies as may be deemed necessary that the compensation deferred thereunder and/or the investment products purchased pursuant to the plan will not be included in the employee's taxable income under federal or state law until it is actually received by such employee under the terms of the plan, and that such compensation will nonetheless be deemed compensation at the time of deferral for the purposes of social security coverage, for the purposes of the state retirement system, and for any other retirement, pension, or benefit program established by law.

(b) No deferred compensation plan of a county, municipality, other political subdivision, or constitutional county officer shall become effective until the appropriate official or body designated under subsection (5) is satisfied by opinion from such federal agency or agencies as may be deemed necessary that the compensation deferred thereunder and/or the investment products purchased pursuant to the plan will not be included in the employee's taxable income under federal or state law until it is actually received by such employee under the terms of the plan, and that such compensation will nonetheless be deemed compensation at the time of deferral for the purposes of social security coverage, for the purposes of the retirement system of the appropriate county, municipality, political subdivision, or constitutional county officer, and for any other retirement, pension, or benefit program established by law.

(7) The deferred compensation programs authorized by this section, and any plan approved and adopted as herein provided, shall exist and serve in addition to any other retirement, pension, or benefit systems established by the state or its agencies, counties, municipalities, other political subdivisions, or constitutional county officers and shall not supersede, make inoperative, or reduce any benefits provided by the Florida Retirement System or by another retirement, pension, or benefit program established by law. The Chief Financial Officer shall provide the council, at least annually, a report on the status of the deferred compensation program, including, but not limited to, information on participant enrollment, amount of compensation deferred, total plan assets, product provider performance, and participant satisfaction with the program.

(9) The purchase of any insurance contract or annuity or the investment in another investment option under any plan of deferred compensation provided for in the United States Internal Revenue Code and not prohibited under the laws of this state for an employee shall impose no liability or responsibility whatsoever on the state, county, municipality, other political subdivision, or constitutional county officer, except to show that the payments have been remitted for the purposes for which the compensation has been deferred.

(10)(a) The moneys, pensions, annuities, or other benefits accrued or accruing to any person under the provisions of any plan providing for the deferral of compensation and the accumulated contributions and the cash and securities in the funds created thereunder are hereby exempt from any state, county, or municipal tax. (b) Said collateral shall be of the kind permitted by s. 280.13 and shall be pledged in the manner provided for by the applicable provisions of chapter 280.

(13) When permitted by federal law, the plan administrator may provide for a pretax trustee-to-trustee transfer of amounts in a participant's deferred compensation account for the purchase of prior service credit in a public sector retirement system.

**PART II
INTERCHANGE OF PERSONNEL
BETWEEN GOVERNMENTS**

112.24 Intergovernmental interchange of public employees.

112.25 Declaration of policy.

112.26 Definitions.

112.27 Authority to interchange employees.

112.28 Status of employees of this state.

112.29 Travel expenses of employees of this state.

112.30 Status of employees of other governments.

112.31 Travel expenses of employees of other governments.

112.24 Intergovernmental interchange of public employees.—To encourage economical and effective utilization of public employees in this state, the temporary assignment of employees among agencies of government, both state and local, and including school districts and public institutions of higher education is authorized under terms and conditions set forth in this section. State agencies, municipalities, and political subdivisions are authorized to enter into employee interchange agreements with other state agencies, the Federal Government, another state, a municipality, or a political subdivision including a school district, or with a public institution of higher education. State agencies are also authorized to enter into employee interchange agreements with private institutions of higher education and other nonprofit organizations under the terms and conditions provided in this section. In addition, the Governor or the Governor and Cabinet may enter into employee interchange agreements with a state agency, the Federal Government, another state, a municipality, or a political subdivision including a school district, or with a public institution of higher learning to fill, subject to the requirements of chapter 20, appointive offices which are within the executive branch of

government and which are filled by appointment by the Governor or the Governor and Cabinet. Under no circumstances shall employee interchange agreements be utilized for the purpose of assigning individuals to participate in political campaigns. Duties and responsibilities of interchange employees shall be limited to the mission and goals of the agencies of government.

(1) Details of an employee interchange program shall be the subject of an agreement, which may be extended or modified, between a sending party and a receiving party. State agencies shall report such agreements and any extensions or modifications thereto to the Department of Management Services.

(2) The period of an individual's assignment or detail under an employee interchange program shall not exceed 2 years. Upon agreement of the sending party and the receiving party and under the same or modified terms, an assignment or detail of 2 years may be extended by 3 months. However, agreements relating to faculty members of the State University System may be extended biennially upon approval by the Department of Management Services. If the appointing agency is the Governor or the Governor and Cabinet, the period of an individual's assignment or detail under an employee interchange program shall not exceed 2 years plus an extension of 3 months or the number of years left in the term of office of the Governor, whichever is less.

(3) Salary, leave, travel and transportation, and reimbursements for an employee of a sending party that is participating in an interchange program shall be handled as follows:

(a) An employee of a sending party who is participating in an interchange agreement may be considered as on detail to regular work assignments of the sending party or in a leave status from the sending party except that the receiving agency shall pay the salary and benefits of such employee during the time, in excess of 1 week, that the employee is working for the receiving agency. However, an employee of a sending party who is participating in an interchange agreement pursuant to s. 10, chapter 91-429, Laws of Florida, shall be considered as on detail to regular work assignments of the sending party, and the sending party shall reimburse the receiving agency for the salary and benefits and expenses of such employee and any other direct costs of conducting the inspections during the time the employee is working for the receiving agency.

1. If on detail, an employee shall receive the same salary and benefits as if he or she were not on detail and shall remain the employee of the sending party for all purposes except that supervision during the period of detail may be governed by the interchange agreement.

2. If on leave, an employee shall have the same rights, benefits, and obligations as other employees in a leave status subject to exceptions provided in rules for state employees issued by the department or the rules or other decisions of the governing body of the municipality or political subdivision.

(b) The assignment of an employee of a state agency on detail or on leave of absence may be made without reimbursement by the receiving party for the travel and transportation expenses to or from the place of the assignment or for the pay and benefits, or a part thereof, of the employee during the assignment.

(c) If the rate of pay for an employee of an agency of the state on temporary assignment or on leave of absence is less than the rate of pay he or she would have received had the employee continued in his or her regular position, such employee is entitled to receive supplemental pay from the sending party in an amount equal to such difference.

(d) Any employee who participates in an exchange under the terms of this section who suffers disability or death as a result of personal injury arising out of and in the course of an exchange, or sustained in performance of duties in connection therewith, shall be treated, for the purposes of the sending party's employee compensation program, as an employee who sustained injury in the performance of duty, but shall not receive benefits under such program for any period for which the employee is entitled to, and elects to receive, similar benefits under the receiving party's employee compensation program.

(e) A sending party in this state may, in accordance with the travel regulations of such party, pay the travel expenses of an employee who is assigned to a receiving party on either detail or leave basis, but shall not pay the travel expenses of such an employee incurred in connection with work assignments at the receiving party. If the assignment or detail will exceed 8 months, travel expenses may include expenses to transport immediate family, household goods, and personal effects to and

from the location of the receiving party. If the period of assignment is 3 months or less, the sending party may pay a per diem allowance to the employee on assignment or detail.

(4)(a) When any agency, municipality, or political subdivision of this state acts as a receiving party, an employee of the sending party who is assigned under authority of this section may be given appointments by the receiving party covering the periods of such assignments, with compensation to be paid from the receiving party's funds, or without compensation, or be considered to be on detail to the receiving party.

(b) Appointments of persons so assigned may be made without regard to the laws or regulations governing the selection of employees of the receiving party.

(c) During the period of an assignment, the employee who is detailed to the receiving party shall not by virtue of such detail be considered an employee of the receiving party, except as provided in paragraph (d), nor shall the employee be paid a wage or salary by the receiving party. The supervision of an employee during the period of the detail may be governed by agreement between the sending party and the receiving party. A detail of an employee to a state agency may be made with or without reimbursement to the sending party by the receiving party for the pay and benefits, or a part thereof, of the employee during the period of the detail.

(d) If the sending party of an employee assigned to an agency, municipality, or political subdivision of this state fails to continue making the employer's contribution to the retirement, life insurance, and health benefit plans for that employee, the receiving party of this state may make the employer's contribution covering the period of the assignment or any part thereof.

(e) Any employee of a sending party assigned in this state who suffers disability or death as a result of personal injury arising out of and in the course of such assignment, or sustained in the performance of duties in connection therewith, shall be treated for the purpose of the receiving party's employee compensation program, as an employee who has sustained injury in the performance of duty, but shall not receive benefits under such program for any period for which he or she elects to receive similar benefits as an employee under the sending party's employee compensation program.

112.311 Legislative intent and declaration of policy.—

(1) It is essential to the proper conduct and operation of government that public officials be independent and impartial and that public office not be used for private gain other than the remuneration provided by law. The public interest, therefore, requires that the law protect against any conflict of interest and establish standards for the conduct of elected officials and government employees in situations where conflicts may exist.

(2) It is also essential that government attract those citizens best qualified to serve. Thus, the law against conflict of interest must be so designed as not to impede unreasonably or unnecessarily the recruitment and retention by government of those best qualified to serve. Public officials should not be denied the opportunity, available to all other citizens, to acquire and retain private economic interests except when conflicts with the responsibility of such officials to the public cannot be avoided.

(3) It is likewise essential that the people be free to seek redress of their grievances and express their opinions to all government officials on current issues and past or pending legislative and executive actions at every level of government. In order to preserve and maintain the integrity of the governmental process, it is necessary that the identity, expenditures, and activities of those persons who regularly engage in efforts to persuade public officials to take specific actions, either by direct communication with such officials or by solicitation of others to engage in such efforts, be regularly disclosed to the people.

(4) It is the intent of this act to implement these objectives of protecting the integrity of government and of facilitating the recruitment and retention of qualified personnel by prescribing restrictions against conflicts of interest without creating unnecessary barriers to public service.

(5) It is hereby declared to be the policy of the state that no officer or employee of a state agency or of a county, city, or other political subdivision of the state, and no member of the Legislature or legislative employee, shall have any interest, financial or otherwise, direct or indirect; engage in any business transaction or professional activity; or incur any obligation of any nature which is in substantial conflict with the proper discharge of his or her duties in the public interest. To implement this policy and strengthen the faith and confidence of the people of the state in their government, there is enacted a code of ethics setting forth standards of conduct required of state, county, and city officers and employees, and of officers and employees of other political subdivisions of the state, in the performance of their official duties. It is the intent of the Legislature that this code shall serve not only as a guide for the official conduct of public servants in this state, but also as a basis for discipline of those who violate the provisions of this part.

(6) It is declared to be the policy of the state that public officers and employees, state and local, are agents of the people and hold their positions for the benefit of the public. They are bound to uphold the Constitution of the United States and the State Constitution and to perform efficiently and faithfully their duties under the laws of the federal, state, and local governments. Such officers and employees are bound to observe, in their official acts, the highest standards of ethics consistent with this code and the advisory opinions rendered with respect hereto regardless of personal considerations, recognizing that promoting the public interest and maintaining the respect of the people in their government must be of foremost concern.

This requirement may be satisfied by completion of a continuing legal education class or other continuing professional education class, seminar, or presentation if the required subjects are covered.

(c) Beginning January 1, 2020, each commissioner of a community redevelopment agency created under part III of chapter 163 must complete 4 hours of ethics training each calendar year which addresses, at a minimum, s. 8, Art. II of the State Constitution, the Code of Ethics for Public Officers and Employees, and the public records and public meetings laws of this state. This requirement may be satisfied by completion of a continuing legal education class or other continuing professional education class, seminar, or presentation, if the required subject material is covered by the class.

(e) The commission shall adopt rules establishing minimum course content for the portion of an ethics training class which addresses s. 8, Art. II of the State Constitution and the Code of Ethics for Public Officers and Employees.

(f) The Legislature intends that a constitutional officer, a commissioner of a community redevelopment agency, an elected municipal officer, or an elected local officer of an independent special district who is required to complete ethics training pursuant to this section receive the required training as close as possible to the date that he or she assumes office. 112.3143 Voting conflicts.—

(1) As used in this section:

(a) “Principal by whom retained” means an individual or entity, other than an agency as defined in s. 112.312(2), that for compensation, salary, pay, consideration, or similar thing of value, has permitted or directed another to act for the individual or entity, and includes, but is not limited to, one’s client, employer, or the parent, subsidiary, or sibling organization of one’s client or employer.

(b) “Public officer” includes any person elected or appointed to hold office in any agency, including any person serving on an advisory body.

(c) “Relative” means any father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, or daughter-in-law.

(d) “Special private gain or loss” means an economic benefit or harm that would inure to the officer, his or her relative, business associate, or principal, unless the measure affects a class that includes the officer, his or her relative, business associate, or principal, in which case, at least the following factors must be considered when determining whether a special private gain or loss exists:

1. The size of the class affected by the vote.

2. The nature of the interests involved.

3. The degree to which the interests of all members of the class are affected by the vote.

4. The degree to which the officer, his or her relative, business associate, or principal receives a greater benefit or harm when compared to other members of the class.

The degree to which there is uncertainty at the time of the vote as to whether there would be any economic benefit or harm to the public officer, his or her relative, business associate, or principal and, if so, the nature or degree of the economic benefit or harm must also be considered.

(2)(a) A state public officer may not vote on any matter that the officer knows would inure to his or her special private gain or loss. Any state public officer who abstains from voting in an official capacity upon any measure that the officer knows would inure to the officer’s special private gain or loss, or who votes in an official capacity on a measure that he or she knows would inure to the special private gain or loss of any principal by whom the officer is retained or to the parent organization or subsidiary of a corporate principal by which the officer is retained other than an agency as defined in s. 112.312(2); or which the officer knows would inure to the special private gain or loss of a relative or business associate of the public officer, shall make every reasonable effort to disclose the nature of his or her interest as a public record in a memorandum filed with the person responsible for recording the minutes of the meeting, who shall incorporate the memorandum in the minutes. If it is not possible for the state public officer to file a memorandum before the vote, the memorandum must be filed with the person responsible for recording the minutes of the meeting no later than 15 days after the vote.

(b) A member of the Legislature may satisfy the disclosure requirements of this section by filing a disclosure form created pursuant to the rules of the member’s respective house if the member discloses the information required by this subsection.

(3)(a) No county, municipal, or other local public officer shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss; which he or she knows would inure to the special private gain or loss of any principal by whom he or she is retained or to the parent organization or subsidiary of a corporate principal by which he or she is retained, other than an agency as defined in s. 112.312(2); or which he or she knows would inure to the special private gain or loss of a relative or business associate of the public officer. Such public officer shall, prior to the vote being taken, publicly state to the assembly the nature of the officer’s interest in the matter from which he or she is abstaining from voting and, within 15 days after the vote occurs, disclose the nature of his or her interest as a public record in a memorandum filed with the person responsible for recording the minutes of the meeting, who shall incorporate the memorandum in the minutes.

(b) However, a commissioner of a community redevelopment agency created or designated pursuant to s. 163.356 or s. 163.357, or an officer of an independent special tax district elected on a one-acre, one-vote basis, is not prohibited from voting, when voting in said capacity.

(4) No appointed public officer shall participate in any matter which would inure to the officer's special private gain or loss; which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained or to the parent organization or subsidiary of a corporate principal by which he or she is retained; or which he or she knows would inure to the special private gain or loss of a relative or business associate of the public officer, without first disclosing the nature of his or her interest in the matter.

(a) Such disclosure, indicating the nature of the conflict, shall be made in a written memorandum filed with the person responsible for recording the minutes of the meeting, prior to the meeting in which consideration of the matter will take place, and shall be incorporated into the minutes. Any such memorandum shall become a public record upon filing, shall immediately be provided to the other members of the agency, and shall be read publicly at the next meeting held subsequent to the filing of this written memorandum.

(b) In the event that disclosure has not been made prior to the meeting or that any conflict is unknown prior to the meeting, the disclosure shall be made orally at the meeting when it becomes known that a conflict exists. A written memorandum disclosing the nature of the conflict shall then be filed within 15 days after the oral disclosure with the person responsible for recording the minutes of the meeting and shall be incorporated into the minutes of the meeting at which the oral disclosure was made. Any such memorandum shall become a public record upon filing, shall immediately be provided to the other members of the agency, and shall be read publicly at the next meeting held subsequent to the filing of this written memorandum.

(c) For purposes of this subsection, the term "participate" means any attempt to influence the decision by oral or written communication, whether made by the officer or at the officer's direction.

(5) If disclosure of specific information would violate confidentiality or privilege pursuant to law or rules governing attorneys, a public officer, who is also an attorney, may comply with the disclosure requirements of this section by disclosing the nature of the interest in such a way as to provide the public with notice of the conflict.

(6) Whenever a public officer or former public officer is being considered for appointment or reappointment to public office, the appointing body shall consider the number and nature of the memoranda of conflict previously filed under this section by said officer.

112.3144 Full and public disclosure of financial interests.—

(1)(a) An officer who is required by s. 8, Art. II of the State Constitution to file a full and public disclosure of his or her financial interests for any calendar or fiscal year, or any other person required by law to file a disclosure under this section, shall file that disclosure with the Florida Commission on Ethics. Additionally, an officer who is required to complete annual ethics training pursuant to s. 112.3142 must certify on his or her full and public disclosure of financial interests that he or she has completed the required training.

(b) A member of an expressway authority, transportation authority, bridge authority, toll authority, or expressway agency created pursuant to chapter 343, chapter 348, or any other general law shall comply with the applicable financial disclosure requirements of s. 8, Art. II of the State Constitution.

(c) Each member of the governing body of a large-hub commercial service airport, except for members required to comply with the financial disclosure requirements of s. 8, Art. II of the State Constitution, shall comply with the financial disclosure requirements of s. 112.3145(3). For purposes of this paragraph, the term "large-hub commercial service airport" means a publicly owned airport that has at least 1 percent of the annual passenger boardings in the United States as reported by the Federal Aviation Administration.

(d) Beginning January 1, 2024, the following local officers must comply with the financial disclosure requirements of s. 8, Art. II of the State Constitution and this section:

1. Mayors.
2. Elected members of the governing body of a municipality.

(e) Beginning January 1, 2024, each member of the Commission on Ethics must comply with the financial disclosure requirements of s. 8, Art. II of the State Constitution and this section.

(2) Beginning January 1, 2022, all disclosures filed with the commission must be filed electronically through an electronic filing system that is created and maintained by the commission as provided in s. 112.31446.

(3) A person who is required, pursuant to s. 8, Art. II of the State Constitution, to file a full and public disclosure of financial interests and who has filed a full and public disclosure of financial interests for any calendar or fiscal year is not required to file a statement of financial interests pursuant to s. 112.3145(2) and (3) for the same year or for any part thereof notwithstanding any requirement of this part. Until the electronic filing system required by subsection (2) is implemented, if an incumbent in an elective office has filed the full and public disclosure of financial interests to qualify for election to the same office or if a candidate for office holds another office subject to the annual filing requirement, the qualifying officer shall forward an electronic copy of the full and public disclosure of financial interests to the commission no later than July 1. The electronic copy of the full and public disclosure of financial interests satisfies the annual disclosure requirement of this section. A candidate who does not qualify until after the annual full and public disclosure of financial interests has been filed pursuant to this section shall file a copy of his or her disclosure with the officer before whom he or she qualifies.

(4) Beginning January 1, 2022, an incumbent in an elective office or a candidate holding another position subject to an annual filing requirement may submit a copy of the full and public disclosure of financial interests filed with the commission, or a verification or receipt of the filing, with the officer before whom he or she qualifies. A candidate not subject to an annual filing requirement does not file with the commission, but may complete and print a full and public disclosure of financial interests to file with the officer before whom he or she qualifies.

(5) For purposes of full and public disclosure under s. 8(a), Art. II of the State Constitution, the following items, if not held for investment purposes and if valued at over \$1,000 in the aggregate, may be reported in a lump sum and identified as “household goods and personal effects”:

- (a) Jewelry;
- (b) Collections of stamps, guns, and numismatic properties;
- (c) Art objects;
- (d) Household equipment and furnishings;
- (e) Clothing;
- (f) Other household items; and
- (g) Vehicles for personal use.

(6)(a) With respect to reporting, assets valued in excess of \$1,000 which the reporting individual holds jointly with another person, the amount reported shall be based on the reporting individual’s legal percentage of ownership in the property. However, assets that are held jointly, with right of survivorship, must be reported at 100 percent of the value of the asset. For purposes of this subsection, a reporting individual is deemed to own a percentage of a partnership which is equal to the reporting individual’s interest in the capital or equity of the partnership.

(b)1. With respect to reporting liabilities valued in excess of \$1,000 for which the reporting individual is jointly and severally liable, the amount reported shall be based on the reporting individual’s percentage of liability rather than the total amount of the liability. However, liability for a debt that is secured by property owned by the reporting individual but that is held jointly, with right of survivorship, must be reported at 100 percent of the total amount owed.

2. A separate section of the form shall be created to provide for the reporting of the amounts of joint and several liability of the reporting individual not otherwise reported in subparagraph 1.

(c) Each separate source and amount of income which exceeds \$1,000 must be identified. For the purpose of a filer reporting income, the commission shall accept federal income tax returns. If a filer submits a federal income tax return for the purpose of reporting income, he or she must also include all attachments and schedules associated with such federal income tax return.

(7)(a) Beginning January 1, 2023, a filer may not include in a filing to the commission a social security number; a bank, mortgage, or brokerage account number; a debit, charge, or credit card number; a personal identification number; or a taxpayer identification number. If a filer includes such information in his or her filing, the information may be made available as part of the official records of the commission available for public inspection and copying unless redaction is requested by the filer. The commission is not liable for the release of social security numbers or bank account, debit, charge,

or credit card numbers included in a filing to the commission if the filer has not requested redaction of such information.

(b) The commission shall redact a filer's social security number; bank account number; debit, charge, or credit card number; or any other personal or account information that is legally protected from disclosure under state or federal law upon written notification from the filer of its inadvertent inclusion. Such notice must specify the information inadvertently included and the specific section or sections of the disclosure in which it was included.

(c) The commission must conspicuously post a notice, in substantially the following form, in the instructions for the electronic filing system specifying that:

1. Any filer submitting information through the electronic filing system may not include a social security number; a bank, mortgage, or brokerage account number; a debit, charge, or credit card number; a personal identification number; or a taxpayer identification number in any filing unless required by law.

2. Information submitted through the electronic filing system may be open to public inspection and copying.

3. Any filer has a right to request that the commission redact from his or her filing any social security number; bank account number; or debit, charge, or credit card number contained in the filing. Such request must be made in writing and delivered to the commission. The request must specify the information to be redacted and the specific section or sections of the disclosure in which it was included.

(8) Forms or fields of information for compliance with the full and public disclosure requirements of s. 8, Art. II of the State Constitution must be prescribed by the commission. The commission shall allow a filer to include attachments or other supporting documentation when filing a disclosure. The commission shall give notice of disclosure deadlines and delinquencies and distribute forms in the following manner:

(a) Not later than May 1 of each year, the commission shall prepare a current list of the names, e-mail addresses, and physical addresses of and the offices held by every person required to file full and public disclosure annually by s. 8, Art. II of the State Constitution, or other state law. Each unit of government shall assist the commission in compiling the list by providing to the commission not later than February 1 of each year the name, e-mail address, physical address, and name of the office held by such person within the respective unit of government as of December 31 of the preceding year.

(b) Not later than June 1 of each year, the commission shall notify by e-mail all persons required to file a full and public disclosure of financial interests of all of the following:

1. All applicable filing deadlines for completing and filing the full and public disclosure of financial interests prescribed under subsection (3) on the electronic filing system.

2. Instructions on how to complete and file the full and public disclosure of financial interests as prescribed by subsection (3) on the electronic filing system, or where to access such instructions. Beginning January 1, 2023, paper forms may not be provided and persons required to file a full and public disclosure of financial interests must complete and file their disclosures on the electronic filing system pursuant to subsection (2).

(c) Not later than August 1 of each year, the commission shall determine which persons on the list have failed to file full and public disclosure and shall send delinquency notices to such persons. Each notice must state that a grace period is in effect until September 1 of the current year. The notice required under this paragraph must be delivered by e-mail and must be redelivered on a weekly basis by e-mail as long as a person remains delinquent.

(d) Disclosures must be received by the commission not later than 11:59 p.m. of the due date. Beginning January 1, 2023, upon request of the filer, the commission must provide verification to the filer that the commission has received the filed disclosure.

(e) Beginning January 1, 2023, a written declaration, as provided for under s. 92.525(2), accompanied by an electronic signature satisfies the requirement that the disclosure be sworn.

(f) Any person who is required to file full and public disclosure of financial interests and whose name is on the commission's list, and to whom notice has been sent, but who fails to timely file is assessed a fine of \$25 per day for each day late up to a maximum of \$1,500; however this \$1,500 limitation on automatic fines does not limit the civil penalty that may be imposed if the statement is filed more than 60 days after the deadline and a complaint is filed, as provided in s. 112.324. The

commission must provide by rule the grounds for waiving the fine and the procedures by which each person whose name is on the list and who is determined to have not filed in a timely manner will be notified of assessed fines and may appeal. The rule must provide for and make specific that the amount of the fine due is based upon when the disclosure is filed on the electronic filing system created and maintained by the commission as provided in s. 112.31446.

1. Upon receipt of the disclosure statement or upon accrual of the maximum penalty, whichever occurs first, the commission shall determine the amount of the fine which is due and shall notify the delinquent person. The notice must include an explanation of the appeal procedure under subparagraph 2. Such fine must be paid within 30 days after the notice of payment due is transmitted, unless appeal is made to the commission pursuant to subparagraph 2. The moneys shall be deposited into the General Revenue Fund.

2. Any reporting person may appeal or dispute a fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and is entitled to a hearing before the commission, which may waive the fine in whole or in part for good cause shown. Any such request must be in writing and received by the commission within 30 days after the notice of payment due is transmitted. In such a case, the reporting person must, within the 30-day period, notify the person designated to review the timeliness of reports in writing of his or her intention to bring the matter before the commission. For purposes of this subparagraph, "unusual circumstances" does not include the failure to monitor an e-mail account or failure to receive notice if the person has not notified the commission of a change in his or her e-mail address.

(g) Any person subject to the annual filing of full and public disclosure under s. 8, Art. II of the State Constitution, or other state law, whose name is not on the commission's list of persons required to file full and public disclosure is not subject to the fines or penalties provided in this part for failure to file full and public disclosure in any year in which the omission occurred, but nevertheless is required to file the disclosure statement.

(h) The notification requirements and fines of this subsection do not apply to candidates or to the first filing required of any person appointed to elective constitutional office or other position required to file full and public disclosure, unless the person's name is on the commission's notification list and the person received notification from the commission. The appointing official shall notify such newly appointed person of the obligation to file full and public disclosure by July 1. The notification requirements and fines of this subsection do not apply to the final filing provided for in subsection (10).

(i) Notwithstanding any provision of chapter 120, any fine imposed under this subsection which is not waived by final order of the commission and which remains unpaid more than 60 days after the notice of payment due or more than 60 days after the commission renders a final order on the appeal must be submitted to the Department of Financial Services as a claim, debt, or other obligation owed to the state, and the department shall assign the collection of such fine to a collection agent as provided in s. 17.20.

(9) If a person holding public office or public employment fails or refuses to file a full and public disclosure of financial interests for any year in which the person received notice from the commission regarding the failure to file and has accrued the maximum automatic fine authorized under this section, regardless of whether the fine imposed was paid or collected, the commission shall initiate an investigation and conduct a public hearing without receipt of a complaint to determine whether the person's failure to file is willful. Such investigation and hearing must be conducted in accordance with s. 112.324. Except as provided in s. 112.324(4), if the commission determines that the person willfully failed to file a full and public disclosure of financial interests, the commission shall enter an order recommending that the officer or employee be removed from his or her public office or public employment. The commission shall forward its recommendations as provided in s. 112.324.

(10) Each person required to file full and public disclosure of financial interests shall file a final disclosure statement within 60 days after leaving his or her public position for the period between January 1 of the year in which the person leaves and the last day of office or employment, unless within the 60-day period the person takes another public position requiring financial disclosure under s. 8, Art. II of the State Constitution, or is otherwise required to file full and public disclosure for the final disclosure period. The head of the agency of each person required to file full and public disclosure for the final disclosure period shall notify such persons of their obligation to file the final disclosure and may designate a person to be responsible for the notification requirements of this subsection.

When an elected local officer specified in paragraph (1)(d) leaves office before the expiration of his or her term, any individual appointed to replace such officer for the remainder of that term must file a full and public disclosure of financial interests annually thereafter for the remainder of his or her term in office.

(11)(a) The commission shall treat an amendment to a full and public disclosure of financial interests which is filed before September 1 of the year in which the disclosure is due as part of the original filing, regardless of whether a complaint has been filed. If a complaint alleges only an immaterial, inconsequential, or de minimis error or omission, the commission may not take any action on the complaint other than notifying the filer of the complaint. The filer must be given 30 days to file an amendment to the full and public disclosure of financial interests correcting any errors. If the filer does not file an amendment to the full and public disclosure of financial interests within 30 days after the commission sends notice of the complaint, the commission may continue with proceedings pursuant to s. 112.324.

(b) For purposes of the final full and public disclosure of financial interests, the commission shall treat an amendment to a new final full and public disclosure of financial interests as part of the original filing if filed within 60 days after the original filing, regardless of whether a complaint has been filed. If, more than 60 days after a final full and public disclosure of financial interests is filed, a complaint is filed alleging a complete omission of any information required to be disclosed by this section, the commission may immediately follow the complaint procedures in s. 112.324. However, if the complaint alleges an immaterial, inconsequential, or de minimis error or omission, the commission may not take any action on the complaint, other than notifying the filer of the complaint. The filer must be given 30 days to file an amendment to the new final full and public disclosure of financial interests correcting any errors. If the filer does not file an amendment to the new final full and public disclosure of financial interests within 30 days after the commission sends notice of the complaint, the commission may continue with proceedings pursuant to s. 112.324.

(c) For purposes of this section, an error or omission is immaterial, inconsequential, or de minimis if the original filing provided sufficient information for the public to identify potential conflicts of interest. However, failure to certify completion of annual ethics training required under s. 112.3142 does not constitute an immaterial, inconsequential, or de minimis error or omission.

(12)(a) An individual required to file a disclosure pursuant to this section may have the disclosure prepared by an attorney in good standing with The Florida Bar or by a certified public accountant licensed under chapter 473. After preparing a disclosure form, the attorney or certified public accountant must sign the form indicating that he or she prepared the form in accordance with this section and the instructions for completing and filing the disclosure forms and that, upon his or her reasonable knowledge and belief, the disclosure is true and correct. If a complaint is filed alleging a failure to disclose information required by this section, the commission shall determine whether the information was disclosed to the attorney or certified public accountant. The failure of the attorney or certified public accountant to accurately transcribe information provided by the individual required to file is not a violation of this section.

(b) An elected officer or candidate who chooses to use an attorney or a certified public accountant to prepare his or her disclosure may pay for the services of the attorney or certified public accountant from funds in an office account created pursuant to s. 106.141 or, during a year that the individual qualifies for election to public office, the candidate's campaign depository pursuant to s. 106.021.

(13) The commission shall adopt rules and forms specifying how a person who is required to file full and public disclosure of financial interests may amend his or her disclosure statement to report information that was not included on the form as originally filed. If the amendment is the subject of a complaint filed under this part, the commission and the proper disciplinary official or body shall consider as a mitigating factor when considering appropriate disciplinary action the fact that the amendment was filed before any complaint or other inquiry or proceeding, while recognizing that the public was deprived of access to information to which it was entitled.

(14) The provisions of this section constitute a revision to the schedule included in s. 8(i), Art. II of the State Constitution.

(c) “Statement of financial interests” or “statement” includes a statement of financial interests and a final statement of financial interests, and any amendments thereto.

(2) By January 1, 2022, the commission shall procure and test an electronic filing system. At a minimum, the electronic filing system must:

- (c) Issue a verification or receipt that the commission has received the submitted disclosure or statement.
- (d) Provide security that prevents unauthorized access to the electronic filing system’s functions or data.

(e) Provide a method for an attorney or a certified public accountant licensed in this state to complete the disclosure or statement and certify that he or she prepared the disclosure or statement in accordance with s. 112.3144 or s. 112.3145 and the instructions for completing the disclosure or statement, and that, upon his or her reasonable knowledge and belief, the information on the disclosure or statement is true and correct.

(f) Allow a filer to include attachments or other supporting documentation when submitting a disclosure or a statement through the system.

(3) Each unit of government shall provide an e-mail address to any of its officers, members, or employees who must file a disclosure of financial interests or a statement of financial interests, and provide such e-mail addresses to the commission by February 1 of each year. A person required to file a disclosure of financial interests or statement of financial interests must inform the commission immediately of any change in his or her e-mail address.

(4) The commission shall provide each person required to file a disclosure of financial interests or statement of financial interests a secure log-in to the electronic filing system. Such person is responsible for protecting his or her secure log-in credentials from disclosure and is responsible for all filings submitted to the commission with such credentials, unless the person has notified the commission that his or her credentials have been compromised.

(5) If the electronic filing system is inoperable which prevents timely submission of disclosures of financial interests or statements of financial interests, as determined by the commission chair, or if the Governor has declared a state of emergency and a person required to submit a disclosure or statement resides in an area included in the state of emergency which prevents the submission of the disclosure or statement electronically, the commission chair must extend the filing deadline for submission of the disclosures or statements by the same period of time for which the system was inoperable or by 90 days for persons who reside in an area included in a state of emergency, whichever is applicable.

(6)(a) All secure login credentials held by the commission for the purpose of allowing access to the electronic filing system are exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

(b) Information entered in the electronic filing system for purposes of financial disclosure is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. (c) This subsection is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2024, unless reviewed and saved from repeal through reenactment by the Legislature.

(a)1. All sources of income in excess of 5 percent of the gross income received during the disclosure period by the person in his or her own name or by any other person for his or her use or benefit, excluding public salary. The person reporting shall list such sources in descending order of value with the largest source first;

2. All sources of income to a business entity in excess of 10 percent of the gross income of a business entity in which the reporting person held a material interest and from which he or she received an amount which was in excess of 10 percent of his or her gross income during the disclosure period and which exceeds \$1,500. (b)1. All sources of gross income in excess of \$2,500 received during the disclosure period by the person in his or her own name or by any other person for his or her use or benefit, excluding public salary. However, this shall not be construed to require disclosure of a business partner's sources of income. The person reporting shall list such sources in descending order of value with the largest source first;

2. All sources of income to a business entity in excess of 10 percent of the gross income of a business entity in which the reporting person held a material interest and from which he or she received gross income exceeding \$5,000 during the disclosure period. The period for computing the gross income of the business entity is the fiscal year of the business entity which ended on, or immediately prior to, the end of the disclosure period of the person reporting;

3. The location or description of real property in this state, except for residence and vacation homes, owned directly or indirectly by the person reporting, when such person owns in excess of 5 percent of the value of such real property, and a general description of any intangible personal property worth in excess of \$10,000. For the purpose of this paragraph, indirect ownership does not include ownership by a spouse or minor child; and

4. Every liability in excess of \$10,000.

(4)(a) A filer may not include in a filing to the commission a social security number; a bank, mortgage, or brokerage account number; a debit, charge, or credit card number; a personal identification number; or a taxpayer identification number. If a filer includes such information in his or her filing, the information may be made available as part of the official records of the commission available for public inspection and copying unless redaction is requested by the filer. The commission is not liable for the release of social security numbers; bank account numbers; or debit, charge, or credit card numbers included in a filing to the commission if the filer has not requested redaction of the information.

(b) The commission shall redact a filer's social security number; bank account number; debit, charge, or credit card number; or any other personal or account information that is legally protected from disclosure under state or federal law upon written notification from the filer of its inadvertent inclusion. Such notice must specify the information inadvertently included and the specific section or sections of the statement in which it was included.

(c) The commission must conspicuously post a notice, in substantially the following form, in the instructions for the electronic filing system specifying that:

1. Any filer submitting information through the electronic filing system may not include a social security number; a bank, mortgage, or brokerage account number; a debit, charge, or credit card number; a personal identification number; or a taxpayer identification number in any filing unless required by law.

2. Information submitted through the electronic filing system may be open to public inspection and copying.

3. Any filer has a right to request that the commission redact from his or her filing any social security number; bank account number; or debit, charge, or credit card number contained in the filing. Such request must be made in writing and delivered to the commission. The request must specify the information to be redacted and the specific section or sections of the disclosure in which it was included.

(5) An officer who is required to complete annual ethics training pursuant to s. 112.3142 must certify on his or her statement of financial interests that he or she has completed the required training.

(6) Each elected constitutional officer, state officer, local officer, and specified state employee shall file a quarterly report of the names of clients represented for a fee or commission, except for appearances in ministerial matters, before agencies at his or her level of government. For the purposes of this part, agencies of government shall be classified as state-level agencies or agencies below state level. Each state officer, elected constitutional officer, and specified state employee shall file such report with the commission. Beginning January 1, 2024, each local officer shall file such report with the commission. The report must be filed only when a reportable representation is made during the calendar quarter and must be filed no later than the last day of each calendar quarter, for the previous calendar quarter. Representation before any agency shall be deemed to include representation by such

officer or specified state employee or by any partner or associate of the professional firm of which he or she is a member and of which he or she has actual knowledge. For the purposes of this subsection, the term “representation before any agency” does not include appearances before any court or the Deputy Chief Judge of Compensation Claims or judges of compensation claims or representations on behalf of one’s agency in one’s official capacity. Such term does not include the preparation and filing of forms and applications merely for the purpose of obtaining or transferring a license based on a quota or a franchise of such agency or a license or operation permit to engage in a profession, business, or occupation, so long as the issuance or granting of such license, permit, or transfer does not require substantial discretion, a variance, a special consideration, or a certificate of public convenience and necessity.

(7) Each elected constitutional officer and each candidate for such office, any other public officer required pursuant to s. 8, Art. II of the State Constitution to file a full and public disclosure of his or her financial interests, and each state officer, local officer, specified state employee, and candidate for elective public office who is or was during the disclosure period an officer, director, partner, proprietor, or agent, other than a resident agent solely for service of process, of, or owns or owned during the disclosure period a material interest in, any business entity which is granted a privilege to operate in this state shall disclose such facts as a part of the disclosure form filed pursuant to s. 8, Art. II of the State Constitution or this section, as applicable. The statement shall give the name, address, and principal business activity of the business entity and shall state the position held with such business entity or the fact that a material interest is owned and the nature of that interest.

(8) Beginning January 1, 2024, forms for compliance with the disclosure requirements of this section and a current list of persons subject to disclosure must be created by the commission. The commission shall allow a filer to include attachments or other supporting documentation when filing a disclosure. Beginning January 1, 2024, the commission shall give notice of disclosure deadlines, delinquencies, and instructions in the following manner:

(a) Not later than May 1 of each year, the commission shall prepare a current list of the names, e-mail addresses, and physical addresses of, and the offices or positions held by, every state officer, local officer, and specified employee. Each unit of government shall assist the commission in compiling the list by providing to the commission not later than February 1 of each year the name, e-mail address, physical address, and name of agency of, and the office or position held by, each state officer, local officer, or specified state employee within the respective unit of government as of December 31 of the preceding year.

(b) The commission shall notify by e-mail, not later than June 1 of each year, all persons required to file a statement of financial interests under subsection (3) of all of the following:

1. All applicable filing deadlines for completing and filing the statement on the electronic filing system.
2. Instructions on how to complete and file the statement on the electronic filing system, or where to access such instructions.

Beginning January 1, 2024, paper forms may not be provided and persons required to file a statement of financial interests must complete and file such statements on the electronic filing system pursuant to paragraph (2)(e).

(c) Not later than August 1 of each year, the commission shall determine which persons required to file a statement of financial interests have failed to do so and shall send delinquency notices to these persons. Through December 31, 2023, delinquency notices must be sent by certified mail, return receipt requested. Each notice must state that a grace period is in effect until September 1 of the current year; that no investigative or disciplinary action based upon the delinquency will be taken by the agency head or commission if the statement is filed by September 1 of the current year; that, if the statement is not filed by September 1 of the current year, a fine of \$25 for each day late will be imposed, up to a maximum penalty of \$1,500; and that, if upon the filing of a sworn complaint the commission finds that the person has failed to timely file the statement within 60 days after September 1 of the current year, such person will also be subject to the penalties provided in s. 112.317. Beginning January 1, 2024, notice required under this paragraph must be delivered by e-mail and must be redelivered on a weekly basis by e-mail as long as the person remains delinquent.

(d) Beginning January 1, 2024, disclosure statements required to be filed with the commission must be filed by 11:59 p.m. on the due date using the commission's electronic filing system pursuant to s. 112.31446.

(e) Beginning January 1, 2023, the statement must be accompanied by a declaration as provided in s. 92.525(2) and an electronic acknowledgment thereof.

(f) Any person required to file a statement of financial interests whose name is on the commission's list, and to whom notice has been sent, but who fails to timely file is assessed a fine of \$25 per day for each day late up to a maximum of \$1,500; however, this \$1,500 limitation on automatic fines does not limit the civil penalty that may be imposed if the statement is filed more than 60 days after the deadline and a complaint is filed, as provided in s. 112.324. The commission must provide by rule the grounds for waiving the fine and procedures by which each person whose name is on the list and who is determined to have not filed in a timely manner will be notified of assessed fines and may appeal. The rule must provide for and make specific that the amount of the fine is based upon the date and time that the disclosure is filed on the electronic filing system as provided in s. 112.31446.

1. Beginning January 1, 2024, for a specified state employee, state officer, or local officer, upon receipt of the disclosure statement by the commission or upon accrual of the maximum penalty, whichever occurs first, the commission shall determine the amount of the fine which is due and shall notify the delinquent person. The notice must include an explanation of the appeal procedure under subparagraph 2. The fine must be paid within 30 days after the notice of payment due is transmitted, unless appeal is made to the commission pursuant to subparagraph 2. The moneys are to be deposited into the General Revenue Fund.

2. Any reporting person may appeal or dispute a fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and is entitled to a hearing before the commission, which may waive the fine in whole or in part for good cause shown. Any such request must be in writing and received by the commission within 30 days after the notice of payment due is transmitted. In such a case, the reporting person must, within the 30-day period, notify the person designated to review the timeliness of reports in writing of his or her intention to bring the matter before the commission. For purposes of this subparagraph, the term "unusual circumstances" does not include the failure to monitor an e-mail account or failure to receive notice if the person has not notified the commission of a change in his or her e-mail address.

(g) Any state officer, local officer, or specified employee whose name is not on the list of persons required to file an annual statement of financial interests is not subject to the penalties provided in s. 112.317 or the fine provided in this section for failure to timely file a statement of financial interests in any year in which the omission occurred, but nevertheless is required to file the disclosure statement.

(h) The notification requirements and fines of this subsection do not apply to candidates or to the first or final filing required of any state officer, specified employee, or local officer as provided in paragraph (2)(b).

(i) Notwithstanding any provision of chapter 120, any fine imposed under this subsection which is not waived by final order of the commission and which remains unpaid more than 60 days after the notice of payment due or more than 60 days after the commission renders a final order on the appeal must be submitted to the Department of Financial Services as a claim, debt, or other obligation owed to the state, and the department shall assign the collection of such a fine to a collection agent as provided in s. 17.20.

(9)(a) The appointing official or body shall notify each newly appointed local officer, state officer, or specified state employee, not later than the date of appointment, of the officer's or employee's duty to comply with the disclosure requirements of this section. The agency head of each employing agency shall notify each newly employed local officer or specified state employee, not later than the day of employment, of the officer's or employee's duty to comply with the disclosure requirements of this section. The appointing official or body or employing agency head may designate a person to be responsible for the notification requirements of this paragraph.

(b) The agency head of the agency of each local officer, state officer, or specified state employee who is required to file a statement of financial interests for the final disclosure period shall notify such persons of their obligation to file the final disclosure and may designate a person to be responsible for the notification requirements of this paragraph.

(c) If a person holding public office or public employment fails or refuses to file an annual statement of financial interests for any year in which the person received notice from the commission regarding the failure to file and has accrued the maximum automatic fine authorized under this section, regardless of whether the fine imposed was paid or collected, the commission shall initiate an investigation and conduct a public hearing without receipt of a complaint to determine whether the person's failure to file is willful. Such investigation and hearing must be conducted in accordance with s. 112.324. Except as provided in s. 112.324(4), if the commission determines that the person willfully failed to file a statement of financial interests, the commission shall enter an order recommending that the officer or employee be removed from his or her public office or public employment. The commission shall forward its recommendation as provided in s. 112.324.

(10) A public officer who has filed a disclosure for any calendar or fiscal year shall not be required to file a second disclosure for the same year or any part thereof, notwithstanding any requirement of this act, except that any public officer who qualifies as a candidate for public office shall file a copy of the disclosure with the officer before whom he or she qualifies as a candidate at the time of qualification.

(11)(a) The commission shall treat an amendment to an annual statement of financial interests which is filed before September 1 of the year in which the statement is due as part of the original filing, regardless of whether a complaint has been filed. If a complaint alleges only an immaterial, inconsequential, or de minimis error or omission, the commission may not take any action on the complaint other than notifying the filer of the complaint. The filer must be given 30 days to file an amendment to the statement of financial interests correcting any errors. If the filer does not file an amendment to the statement of financial interests within 30 days after the commission sends notice of the complaint, the commission may continue with proceedings pursuant to s. 112.324.

(b) For purposes of the final statement of financial interests, the commission shall treat an amendment to a final statement of financial interests as part of the original filing, if filed within 60 days of the original filing regardless of whether a complaint has been filed. If, more than 60 days after a final statement of financial interests is filed, a complaint is filed alleging a complete omission of any information required to be disclosed by this section, the commission may immediately follow the complaint procedures in s. 112.324. However, if the complaint alleges an immaterial, inconsequential, or de minimis error or omission, the commission may not take any action on the complaint other than notifying the filer of the complaint. The filer must be given 30 days to file an amendment to the final statement of financial interests correcting any errors. If the filer does not file an amendment to the final statement of financial interests within 30 days after the commission sends notice of the complaint, the commission may continue with proceedings pursuant to s. 112.324.

(c) For purposes of this section, an error or omission is immaterial, inconsequential, or de minimis if the original filing provided sufficient information for the public to identify potential conflicts of interest. However, failure to certify completion of annual ethics training required under s. 112.3142 does not constitute an immaterial, inconsequential, or de minimis error or omission.

(12)(a) An individual required to file a statement pursuant to this section may have the statement prepared by an attorney in good standing with The Florida Bar or by a certified public accountant licensed under chapter 473. After preparing a statement form, the attorney or certified public accountant must sign the form indicating that he or she prepared the form in accordance with this section and the instructions for completing and filing the disclosure forms and that, upon his or her reasonable knowledge and belief, the disclosure is true and correct. If a complaint is filed alleging a failure to disclose information required by this section, the commission shall determine whether the information was disclosed to the attorney or certified public accountant. The failure of the attorney or certified public accountant to accurately transcribe information provided by the individual who is required to file the statement does not constitute a violation of this section.

(b) An elected officer or candidate who chooses to use an attorney or a certified public accountant to prepare his or her statement may pay for the services of the attorney or certified public accountant from funds in an office account created pursuant to s. 106.141 or, during a year that the individual qualifies for election to public office, the candidate's campaign depository pursuant to s. 106.021.

(13) The commission shall adopt rules and forms specifying how a state officer, local officer, or specified state employee may amend his or her statement of financial interests to report information that was not included on the form as originally filed. If the amendment is the subject of a complaint

filed under this part, the commission and the proper disciplinary official or body shall consider as a mitigating factor when considering appropriate disciplinary action the fact that the amendment was filed before any complaint or other inquiry or proceeding, while recognizing that the public was deprived of access to information to which it was entitled.

112.31455 Collection methods for unpaid automatic fines for failure to timely file disclosure of financial interests.—

(1) Before referring any unpaid fine accrued pursuant to s. 112.3144(8) or s. 112.3145(8) to the Department of Financial Services, the commission shall attempt to determine whether the individual owing such a fine is a current public officer or current public employee. If so, the commission may notify the Chief Financial Officer or the governing body of the appropriate county, municipality, district school board, or special district of the total amount of any fine owed to the commission by such individual.

(a) After receipt and verification of the notice from the commission, the Chief Financial Officer or the governing body of the county, municipality, district school board, or special district shall begin withholding the lesser of 10 percent or the maximum amount allowed under federal law from any salary-related payment. The withheld payments shall be remitted to the commission until the fine is satisfied.

(b) The Chief Financial Officer or the governing body of the county, municipality, district school board, or special district may retain an amount of each withheld payment, as provided in s. 77.0305, to cover the administrative costs incurred under this section.

(2) If the commission determines that the individual who is the subject of an unpaid fine accrued pursuant to s. 112.3144(8) or s. 112.3145(8) is no longer a public officer or public employee or if the commission is unable to determine whether the individual is a current public officer or public employee, the commission may, 6 months after the order becomes final, seek garnishment of any wages to satisfy the amount of the fine, or any unpaid portion thereof, pursuant to chapter 77. Upon recording the order imposing the fine with the clerk of the circuit court, the order shall be deemed a judgment for purposes of garnishment pursuant to chapter 77.

(3) The commission may refer unpaid fines to the appropriate collection agency, as directed by the Chief Financial Officer, to utilize any collection methods provided by law. Except as expressly limited by this section, any other collection methods authorized by law are allowed.

(4) Action may be taken to collect any unpaid fine imposed by ss. 112.3144 and 112.3145 within 20 years after the date the final order is rendered.

112.3148 Reporting and prohibited receipt of gifts by individuals filing full or limited public disclosure of financial interests and by procurement employees.—

(1) The provisions of this section do not apply to gifts solicited or accepted by a reporting individual or procurement employee from a relative.

(2) As used in this section:

(a) “Immediate family” means any parent, spouse, child, or sibling.

(b)1. “Lobbyist” means any natural person who, for compensation, seeks, or sought during the preceding 12 months, to influence the governmental decisionmaking of a reporting individual or procurement employee or his or her agency or seeks, or sought during the preceding 12 months, to

encourage the passage, defeat, or modification of any proposal or recommendation by the reporting individual or procurement employee or his or her agency.

2. With respect to an agency that has established by rule, ordinance, or law a registration process for persons seeking to influence decisionmaking or to encourage the passage, defeat, or modification of any proposal or recommendation by such agency or an employee or official of the agency, the term “lobbyist” includes only a person who is required to be registered as a lobbyist in accordance with such rule, ordinance, or law or who was during the preceding 12 months required to be registered as a lobbyist in accordance with such rule, ordinance, or law. At a minimum, such a registration system must require the registration of, or must designate, persons as “lobbyists” who engage in the same activities as require registration to lobby the Legislature pursuant to s. 11.045.

(c) “Person” includes individuals, firms, associations, joint ventures, partnerships, estates, trusts, business trusts, syndicates, fiduciaries, corporations, and all other groups or combinations.

(d) “Reporting individual” means any individual, including a candidate upon qualifying, who is required by law, pursuant to s. 8, Art. II of the State Constitution or s. 112.3145, to file full or limited public disclosure of his or her financial interests or any individual who has been elected to, but has yet to officially assume the responsibilities of, public office. For purposes of implementing this section, the “agency” of a reporting individual who is not an officer or employee in public service is the agency to which the candidate seeks election, or in the case of an individual elected to but yet to formally take office, the agency in which the individual has been elected to serve.

(e) “Procurement employee” means any employee of an officer, department, board, commission, council, or agency of the executive branch or judicial branch of state government who has participated in the preceding 12 months through decision, approval, disapproval, recommendation, preparation of any part of a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, or auditing or in any other advisory capacity in the procurement of contractual services or commodities as defined in s. 287.012, if the cost of such services or commodities exceeds or is expected to exceed \$10,000 in any fiscal year.

(f) “Vendor” means a business entity doing business directly with an agency, such as renting, leasing, or selling any realty, goods, or services.

(3) A reporting individual or procurement employee is prohibited from soliciting any gift from a vendor doing business with the reporting individual’s or procurement employee’s agency, a political committee as defined in s. 106.011, or a lobbyist who lobbies the reporting individual’s or procurement employee’s agency, or the partner, firm, employer, or principal of such lobbyist, where such gift is for the personal benefit of the reporting individual or procurement employee, another reporting individual or procurement employee, or any member of the immediate family of a reporting individual or procurement employee.

(4) A reporting individual or procurement employee or any other person on his or her behalf is prohibited from knowingly accepting, directly or indirectly, a gift from a vendor doing business with the reporting individual’s or procurement employee’s agency, a political committee as defined in s. 106.011, or a lobbyist who lobbies the reporting individual’s or procurement employee’s agency, or directly or indirectly on behalf of the partner, firm, employer, or principal of a lobbyist, if he or she knows or reasonably believes that the gift has a value in excess of \$100; however, such a gift may be accepted by such person on behalf of a governmental entity or a charitable organization. If the gift is accepted on behalf of a governmental entity or charitable organization, the person receiving the gift shall not maintain custody of the gift for any period of time beyond that reasonably necessary to arrange for the transfer of custody and ownership of the gift.

(5)(a) A vendor doing business with the reporting individual’s or procurement employee’s agency; a political committee as defined in s. 106.011; a lobbyist who lobbies a reporting individual’s or procurement employee’s agency; the partner, firm, employer, or principal of a lobbyist; or another on behalf of the lobbyist or partner, firm, principal, or employer of the lobbyist is prohibited from giving, either directly or indirectly, a gift that has a value in excess of \$100 to the reporting individual or procurement employee or any other person on his or her behalf; however, such person may give a gift having a value in excess of \$100 to a reporting individual or procurement employee if the gift is intended to be transferred to a governmental entity or a charitable organization.

(b) However, a person who is regulated by this subsection, who is not regulated by subsection (6), and who makes, or directs another to make, an individual gift having a value in excess of \$25, but not

in excess of \$100, other than a gift that the donor knows will be accepted on behalf of a governmental entity or charitable organization, must file a report on the last day of each calendar quarter for the previous calendar quarter in which a reportable gift is made. The report shall be filed with the Commission on Ethics, except with respect to gifts to reporting individuals of the legislative branch, in which case the report shall be filed with the Office of Legislative Services. The report must contain a description of each gift, the monetary value thereof, the name and address of the person making such gift, the name and address of the recipient of the gift, and the date such gift is given. In addition, if a gift is made which requires the filing of a report under this subsection, the donor must notify the intended recipient at the time the gift is made that the donor, or another on his or her behalf, will report the gift under this subsection. Under this paragraph, a gift need not be reported by more than one person or entity.

(6)(a) Notwithstanding the provisions of subsection (5), an entity of the legislative or judicial branch, a department or commission of the executive branch, a water management district created pursuant to s. 373.069, South Florida Regional Transportation Authority, a county, a municipality, an airport authority, or a school board may give, either directly or indirectly, a gift having a value in excess of \$100 to any reporting individual or procurement employee if a public purpose can be shown for the gift; and a direct-support organization specifically authorized by law to support a governmental entity may give such a gift to a reporting individual or procurement employee who is an officer or employee of such governmental entity.

(b) Notwithstanding the provisions of subsection (4), a reporting individual or procurement employee may accept a gift having a value in excess of \$100 from an entity of the legislative or judicial branch, a department or commission of the executive branch, a water management district created pursuant to s. 373.069, South Florida Regional Transportation Authority, a county, a municipality, an airport authority, or a school board if a public purpose can be shown for the gift; and a reporting individual or procurement employee who is an officer or employee of a governmental entity supported by a direct-support organization specifically authorized by law to support such governmental entity may accept such a gift from such direct-support organization.

(c) No later than March 1 of each year, each governmental entity or direct-support organization specifically authorized by law to support a governmental entity which has given a gift to a reporting individual or procurement employee under paragraph (a) shall provide the reporting individual or procurement employee with a statement of each gift having a value in excess of \$100 given to such reporting individual or procurement employee by the governmental entity or direct-support organization during the preceding calendar year. Such report shall contain a description of each gift, the date on which the gift was given, and the value of the total gifts given by the governmental entity or direct-support organization to the reporting individual or procurement employee during the calendar year for which the report is made. A governmental entity may provide a single report to the reporting individual or procurement employee of gifts provided by the governmental entity and any direct-support organization specifically authorized by law to support such governmental entity.

(d) No later than July 1 of each year, each reporting individual or procurement employee shall file a statement listing each gift having a value in excess of \$100 received by the reporting individual or procurement employee, either directly or indirectly, from a governmental entity or a direct-support organization specifically authorized by law to support a governmental entity. The statement shall list the name of the person providing the gift, a description of the gift, the date or dates on which the gift was given, and the value of the total gifts given during the calendar year for which the report is made. The reporting individual or procurement employee shall attach to the statement any report received by him or her in accordance with paragraph (c), which report shall become a public record when filed with the statement of the reporting individual or procurement employee. The reporting individual or procurement employee may explain any differences between the report of the reporting individual or procurement employee and the attached reports. The annual report filed by a reporting individual shall be filed with the financial disclosure statement required by either s. 8, Art. II of the State Constitution or s. 112.3145, as applicable to the reporting individual. The annual report filed by a procurement employee shall be filed with the Commission on Ethics. The report filed by a reporting individual or procurement employee who left office or employment during the calendar year covered by the report shall be filed by July 1 of the year after leaving office or employment at the same location as his or her

final financial disclosure statement or, in the case of a former procurement employee, with the Commission on Ethics.

(7)(a) The value of a gift provided to a reporting individual or procurement employee shall be determined using actual cost to the donor, less taxes and gratuities, except as otherwise provided in this subsection, and, with respect to personal services provided by the donor, the reasonable and customary charge regularly charged for such service in the community in which the service is provided shall be used. If additional expenses are required as a condition precedent to eligibility of the donor to purchase or provide a gift and such expenses are primarily for the benefit of the donor or are of a charitable nature, such expenses shall not be included in determining the value of the gift.

(b) Compensation provided by the donee to the donor, if provided within 90 days after receipt of the gift, shall be deducted from the value of the gift in determining the value of the gift.

(c) If the actual gift value attributable to individual participants at an event cannot be determined, the total costs shall be prorated among all invited persons, whether or not they are reporting individuals or procurement employees.

(d) Transportation shall be valued on a round-trip basis unless only one-way transportation is provided. Round-trip transportation expenses shall be considered a single gift. Transportation provided in a private conveyance shall be given the same value as transportation provided in a comparable commercial conveyance.

(e) Lodging provided on consecutive days shall be considered a single gift. Lodging in a private residence shall be valued at the per diem rate provided in s. 112.061(6)(a)1. less the meal allowance rate provided in s. 112.061(6)(b).

(f) Food and beverages which are not consumed at a single sitting or meal and which are provided on the same calendar day shall be considered a single gift, and the total value of all food and beverages provided on that date shall be considered the value of the gift. Food and beverage consumed at a single sitting or meal shall be considered a single gift, and the value of the food and beverage provided at that sitting or meal shall be considered the value of the gift.

(g) Membership dues paid to the same organization during any 12-month period shall be considered a single gift.

(h) Entrance fees, admission fees, or tickets shall be valued on the face value of the ticket or fee, or on a daily or per event basis, whichever is greater.

(i) Except as otherwise specified in this section, a gift shall be valued on a per occurrence basis.

(j) The value of a gift provided to several individuals may be attributed on a pro rata basis among all of the individuals. If the gift is food, beverage, entertainment, or similar items, provided at a function for more than 10 people, the value of the gift to each individual shall be the total value of the items provided divided by the number of persons invited to the function, unless the items are purchased on a per person basis, in which case the value of the gift to each person is the per person cost.

(k) The value of a gift of an admission ticket shall not include that portion of the cost which represents a charitable contribution, if the gift is provided by the charitable organization.

(8)(a) Each reporting individual or procurement employee shall file a statement with the Commission on Ethics not later than the last day of each calendar quarter, for the previous calendar quarter, containing a list of gifts which he or she believes to be in excess of \$100 in value, if any, accepted by him or her, for which compensation was not provided by the donee to the donor within 90 days of receipt of the gift to reduce the value to \$100 or less, except the following:

1. Gifts from relatives.
2. Gifts prohibited by subsection (4) or s. 112.313(4).
3. Gifts otherwise required to be disclosed by this section.

(b) The statement shall include:

1. A description of the gift, the monetary value of the gift, the name and address of the person making the gift, and the dates thereof. If any of these facts, other than the gift description, are unknown or not applicable, the report shall so state.

2. A copy of any receipt for such gift provided to the reporting individual or procurement employee by the donor.

(c) The statement may include an explanation of any differences between the reporting individual's or procurement employee's statement and the receipt provided by the donor.

(d) The reporting individual's or procurement employee's statement shall be sworn to by such person as being a true, accurate, and total listing of all such gifts.

(e) Statements must be filed not later than 5 p.m. of the due date. However, any statement that is postmarked by the United States Postal Service by midnight of the due date is deemed to have been filed in a timely manner, and a certificate of mailing obtained from and dated by the United States Postal Service at the time of the mailing, or a receipt from an established courier company, which bears a date on or before the due date constitutes proof of mailing in a timely manner.

(f) If a reporting individual or procurement employee has not received any gifts described in paragraph (a) during a calendar quarter, he or she is not required to file a statement under this subsection for that calendar quarter.

(9) A person, other than a lobbyist regulated under s. 11.045, who violates the provisions of subsection (5) commits a noncriminal infraction, punishable by a fine of not more than \$5,000 and by a prohibition on lobbying, or employing a lobbyist to lobby, before the agency of the reporting individual or procurement employee to which the gift was given in violation of subsection (5), for a period of not more than 24 months. The state attorney, or an agency, if otherwise authorized, may initiate an action to impose or recover a fine authorized under this section or to impose or enforce a limitation on lobbying provided in this section.

(10) A member of the Legislature may request an advisory opinion from the general counsel of the house of which he or she is a member as to the application of this section to a specific situation. The general counsel shall issue the opinion within 10 days after receiving the request. The member of the Legislature may reasonably rely on such opinion.

When the agency employee’s position is eliminated and his or her duties are performed by the business entity, this subsection does not prohibit him or her from employment or contractual relationship with the business entity if the employee’s participation in the contract was limited to recommendation, rendering of advice, or investigation and if the agency head determines that the best interests of the state will be served thereby and provides prior written approval for the particular employee.

(6) An agency employee acting in an official capacity may not directly or indirectly procure contractual services for his or her own agency from any business entity of which a relative is an officer, partner, director, or proprietor or in which the officer or employee or his or her spouse or child, or any combination of them, has a material interest.

Within 180 days after entry of a final decision by the local governmental authority, the public employee who filed the complaint may bring a civil action in any court of competent jurisdiction. This paragraph does not apply to an employee of a municipality.

(10) DEFENSES.—It shall be an affirmative defense to any action brought pursuant to this section that the adverse action was predicated upon grounds other than, and would have been taken absent, the employee’s or person’s exercise of rights protected by this section.

(11) EXISTING RIGHTS.—Sections 112.3187-112.31895 do not diminish the rights, privileges, or remedies of an employee under any other law or rule or under any collective bargaining agreement or employment contract; however, the election of remedies in s. 447.401 also applies to whistle-blower actions.

112.3188 Confidentiality of information given to the Chief Inspector General and agency inspectors general.—

(1) The identity of any individual who discloses in good faith to the Chief Inspector General or an agency inspector general information that alleges that an employee or agent of an agency or independent contractor has violated or is suspected of having violated any federal, state, or local law, rule, or regulation, thereby creating and presenting a substantial and specific danger to the public’s health, safety, or welfare or has committed or is suspected of having committed an act of gross mismanagement, malfeasance, misfeasance, gross waste of public funds, or gross neglect of duty is exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution and shall not be disclosed to anyone other than a member of the Chief Inspector General’s or agency inspector general’s staff without the written consent of the individual, unless the Chief Inspector General or agency inspector general determines that:

(a) The disclosure of the individual’s identity is necessary to prevent a substantial and specific danger to the public’s health, safety, or welfare or to prevent the imminent commission of a crime, provided that such information is disclosed only to persons who are in a position to prevent the danger to the public’s health, safety, or welfare or to prevent the imminent commission of a crime;

(b) The disclosure of the individual’s identity is unavoidable and absolutely necessary during the course of the inquiry or investigation; or

(c) The disclosure of the individual’s identity is authorized as a result of the individual consenting in writing to attach general comments signed by such individual to the final report required pursuant to s. 112.3189(6)(b).

(2)(a) Except as specifically authorized by s. 112.3189 and except as provided in subsection (1), all information received by the Chief Inspector General or an agency inspector general or information produced or derived from fact-finding or other investigations conducted by the Department of Legal Affairs, the Office of the Public Counsel, or the Department of Law Enforcement is confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution for an initial period of not more than 30 days during which time a determination is made whether an investigation is required pursuant to s. 112.3189(5)(a) and, if an investigation is determined to be required, until the investigation is closed or ceases to be active. For the purposes of this subsection, an investigation is active while such investigation is being conducted with a reasonable good faith belief that it may lead to the filing of administrative, civil, or criminal charges. An investigation does not cease to be active so long as the Chief Inspector General or the agency inspector general is proceeding with reasonable dispatch and there is a good faith belief that action may be initiated by the Chief Inspector General or agency inspector general or other administrative or law enforcement agency. Except for active criminal intelligence or criminal investigative information as defined in s. 119.011, and except as otherwise provided in this section, all information obtained pursuant to this subsection shall become available to the public when the investigation is closed or ceases to be active. An investigation is closed or ceases to be active when the final report required pursuant to s. 112.3189(9) has been sent by the Chief Inspector General to the recipients specified in s. 112.3189(9)(c).

(b) Information deemed confidential under this subsection may be disclosed by the Chief Inspector General or agency inspector general receiving the information if the Chief Inspector General or agency inspector general determines that the disclosure of the information is absolutely necessary to prevent a substantial and specific danger to the public’s health, safety, or welfare or to prevent the imminent commission of a crime, and such information may be disclosed only to persons who are in a position to prevent the danger to the public’s health, safety, or welfare or to prevent the imminent commission of a crime based on the disclosed information.

(3) Information or records obtained under this section which are otherwise confidential under law or exempt from disclosure shall retain their confidentiality or exemption.

(4) Any person who willfully and knowingly discloses information or records made confidential under this section commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

112.3189 Investigative procedures upon receipt of whistle-blower information from certain state employees.—

(1) This section only applies to the disclosure of information as described in s. 112.3187(5) by an employee or former employee of, or an applicant for employment with, a state agency, as the term “state agency” is defined in s. 216.011, to the Office of the Chief Inspector General of the Executive Office of the Governor or to the agency inspector general. If an agency does not have an inspector general, the head of the state agency, as defined in s. 216.011, shall designate an employee to receive information described in s. 112.3187(5). For purposes of this section and s. 112.3188 only, the employee designated by the head of the state agency shall be deemed an agency inspector general.

(2) To facilitate the receipt of information described in subsection (1), the Chief Inspector General shall maintain an in-state toll-free whistle-blower’s hotline and shall circulate among the various state agencies an advisory for all employees which indicates the existence of the toll-free number and its purpose and provides an address to which written whistle-blower information may be forwarded.

(3) When a person alleges information described in s. 112.3187(5), the Chief Inspector General or agency inspector general actually receiving such information shall within 20 days of receiving such information determine:

(a) Whether the information disclosed is the type of information described in s. 112.3187(5).

(b) Whether the source of the information is a person who is an employee or former employee of, or an applicant for employment with, a state agency, as defined in s. 216.011.

(c) Whether the information actually disclosed demonstrates reasonable cause to suspect that an employee or agent of an agency or independent contractor has violated any federal, state, or local law, rule, or regulation, thereby creating and presenting a substantial and specific danger to the public's health, safety, or welfare, or has committed an act of gross mismanagement, malfeasance, misfeasance, gross waste of public funds, or gross neglect of duty.

(4) If the Chief Inspector General or agency inspector general under subsection (3) determines that the information disclosed is not the type of information described in s. 112.3187(5), or that the source of the information is not a person who is an employee or former employee of, or an applicant for employment with, a state agency, as defined in s. 216.011, or that the information disclosed does not demonstrate reasonable cause to suspect that an employee or agent of an agency or independent contractor has violated any federal, state, or local law, rule, or regulation, thereby creating and presenting a substantial and specific danger to the public's health, safety, or welfare, or has committed an act of gross mismanagement, malfeasance, misfeasance, gross waste of public funds, or gross neglect of duty, the Chief Inspector General or agency inspector general shall notify the complainant of such fact and copy and return, upon request of the complainant, any documents and other materials that were provided by the complainant.

(5)(a) If the Chief Inspector General or agency inspector general under subsection (3) determines that the information disclosed is the type of information described in s. 112.3187(5), that the source of the information is from a person who is an employee or former employee of, or an applicant for employment with, a state agency, as defined in s. 216.011, and that the information disclosed demonstrates reasonable cause to suspect that an employee or agent of an agency or independent contractor has violated any federal, state, or local law, rule, or regulation, thereby creating a substantial and specific danger to the public's health, safety, or welfare, or has committed an act of gross mismanagement, malfeasance, misfeasance, gross waste of public funds, or gross neglect of duty, the Chief Inspector General or agency inspector general making such determination shall then conduct an investigation, unless the Chief Inspector General or the agency inspector general determines, within 30 days after receiving the allegations from the complainant, that such investigation is unnecessary. For purposes of this subsection, the Chief Inspector General or the agency inspector general shall consider the following factors, but is not limited to only the following factors, when deciding whether the investigation is not necessary:

1. The gravity of the disclosed information compared to the time and expense of an investigation.

2. The potential for an investigation to yield recommendations that will make state government more efficient and effective.

3. The benefit to state government to have a final report on the disclosed information.

4. Whether the alleged whistle-blower information primarily concerns personnel practices that may be investigated under chapter 110.

5. Whether another agency may be conducting an investigation and whether any investigation under this section could be duplicative.

6. The time that has elapsed between the alleged event and the disclosure of the information.

(b) If the Chief Inspector General or agency inspector general determines under paragraph (a) that an investigation is not necessary, the Chief Inspector General or agency inspector general making such determination shall:

1. Copy and return, upon request of the complainant, any documents and other materials provided by the individual who made the disclosure.

2. Inform in writing the head of the state agency for the agency inspector general making the determination that the investigation is not necessary and the individual who made the disclosure of the specific reasons why an investigation is not necessary and why the disclosure will not be further acted on under this section.

(6) The agency inspector general may conduct an investigation pursuant to paragraph (5)(a) only if the person transmitting information to the agency inspector general is an employee or former employee of, or an applicant for employment with, the agency inspector general's agency. The agency inspector general shall:

(a) Conduct an investigation with respect to the information and any related matters.

(b) Submit to the complainant and the Chief Inspector General, within 60 days after the date on which a determination to conduct an investigation is made under paragraph (5)(a), a final written report that sets forth the agency inspector general's findings, conclusions, and recommendations, except as provided under subsection (11). The complainant shall be advised in writing by the agency head that the complainant may submit to the Chief Inspector General and agency inspector general comments on the final report within 20 days of the date of the report and that such comments will be attached to the final report.

(7) If the Chief Inspector General decides an investigation should be conducted pursuant to paragraph (5)(a), the Chief Inspector General shall either:

(a) Promptly transmit to the appropriate head of the state agency the information with respect to which the determination to conduct an investigation was made, and such agency head shall conduct an investigation and submit to the Chief Inspector General a final written report that sets forth the agency head's findings, conclusions, and recommendations; or

(b)1. Conduct an investigation with respect to the information and any related matters; and

2. Submit to the complainant within 60 days after the date on which a determination to conduct an investigation is made under paragraph (5)(a), a final written report that sets forth the Chief Inspector General's findings, conclusions, and recommendations, except as provided under subsection (11). The complainant shall be advised in writing by the Chief Inspector General that the complainant may submit to the Chief Inspector General comments on the final report within 20 days of the date of the report and that such comments will be attached to the final report.

(c) The Chief Inspector General may require an agency head to conduct an investigation under paragraph (a) only if the information was transmitted to the Chief Inspector General by:

1. An employee or former employee of, or an applicant for employment with, the agency that the information concerns; or

2. An employee who obtained the information in connection with the performance of the employee's duties and responsibilities.

(8) Final reports required under this section must be reviewed and signed by the person responsible for conducting the investigation (agency inspector general, agency head, or Chief Inspector General) and must include:

(a) A summary of the information with respect to which the investigation was initiated.

(b) A description of the conduct of the investigation.

(c) A summary of any evidence obtained from the investigation.

(d) A listing of any violation or apparent violation of any law, rule, or regulation.

(e) A description of any action taken or planned as a result of the investigation, such as:

1. A change in an agency rule, regulation, or practice.

2. The restoration of an aggrieved employee.

3. A disciplinary action against an employee.

4. The referral to the Department of Law Enforcement of any evidence of a criminal violation.

(9)(a) A report required of the agency head under paragraph (7)(a) shall be submitted to the Chief Inspector General and the complainant within 60 days after the agency head receives the complaint from the Chief Inspector General, except as provided under subsection (11). The complainant shall be advised in writing by the agency head that the complainant may submit to the Chief Inspector General comments on the report within 20 days of the date of the report and that such comments will be attached to the final report.

(b) Upon receiving a final report required under this section, the Chief Inspector General shall review the report and determine whether the report contains the information required by subsection (8). If the report does not contain the information required by subsection (8), the Chief Inspector General shall determine why and note the reasons on an addendum to the final report.

(c) The Chief Inspector General shall transmit any final report under this section, any comments provided by the complainant, and any appropriate comments or recommendations by the Chief

Inspector General to the Governor, the Legislative Auditing Committee, the investigating agency, and the Chief Financial Officer.

(d) If the Chief Inspector General does not receive the report of the agency head within the time prescribed in paragraph (a), the Chief Inspector General may conduct the investigation in accordance with paragraph (7)(b) or request that another agency inspector general conduct the investigation in accordance with subsection (6) and shall report the complaint to the Governor, to the Joint Legislative Auditing Committee, and to the investigating agency, together with a statement noting the failure of the agency head to file the required report.

(10) For any time period set forth in subsections (3), (6), (7), and (9), such time period may be extended in writing by the Chief Inspector General for good cause shown.

(11) If an investigation under this section produces evidence of a criminal violation, the report shall not be transmitted to the complainant, and the agency head or agency inspector general shall notify the Chief Inspector General and the Department of Law Enforcement.

112.31895 Investigative procedures in response to prohibited personnel actions.—

(1) COMPLAINT.—

(a) If a disclosure under s. 112.3187 includes or results in alleged retaliation by an employer, the employee or former employee of, or applicant for employment with, a state agency, as defined in s. 216.011, that is so affected may file a complaint alleging a prohibited personnel action, which complaint must be made by filing a written complaint with the Office of the Chief Inspector General in the Executive Office of the Governor or the Florida Commission on Human Relations, no later than 60 days after the prohibited personnel action.

(b) Within 5 working days after receiving a complaint under this section, the office or officer receiving the complaint shall acknowledge receipt of the complaint and provide copies of the complaint and any other preliminary information available concerning the disclosure of information under s. 112.3187 to each of the other parties named in paragraph (a), which parties shall each acknowledge receipt of such copies to the complainant.

(2) FACT FINDING.—The Florida Commission on Human Relations shall:

(a) Receive any allegation of a personnel action prohibited by s. 112.3187, including a proposed or potential action, and conduct informal fact finding regarding any allegation under this section, to the extent necessary to determine whether there are reasonable grounds to believe that a prohibited personnel action under s. 112.3187 has occurred, is occurring, or is to be taken.

(b) Within 180 days after receiving the complaint, provide the agency head and the complainant with a fact-finding report that may include recommendations to the parties or proposed resolution of the complaint. The fact-finding report shall be presumed admissible in any subsequent or related administrative or judicial review.

(3) CORRECTIVE ACTION AND TERMINATION OF INVESTIGATION.—

(a) The Florida Commission on Human Relations, in accordance with this act and for the sole purpose of this act, is empowered to:

1. Receive and investigate complaints from employees alleging retaliation by state agencies, as the term “state agency” is defined in s. 216.011.

2. Protect employees and applicants for employment with such agencies from prohibited personnel practices under s. 112.3187.

3. Petition for stays and petition for corrective actions, including, but not limited to, temporary reinstatement.

4. Recommend disciplinary proceedings pursuant to investigation and appropriate agency rules and procedures.

5. Coordinate with the Chief Inspector General in the Executive Office of the Governor and the Florida Commission on Human Relations to receive, review, and forward to appropriate agencies, legislative entities, or the Department of Law Enforcement disclosures of a violation of any law, rule, or regulation, or disclosures of gross mismanagement, malfeasance, misfeasance, nonfeasance, neglect of duty, or gross waste of public funds.

6. Review rules pertaining to personnel matters issued or proposed by the Department of Management Services, the Public Employees Relations Commission, and other agencies, and, if the Florida Commission on Human Relations finds that any rule or proposed rule, on its face or as

implemented, requires the commission of a prohibited personnel practice, provide a written comment to the appropriate agency.

7. Investigate, request assistance from other governmental entities, and, if appropriate, bring actions concerning, allegations of retaliation by state agencies under subparagraph 1.

8. Administer oaths, examine witnesses, take statements, issue subpoenas, order the taking of depositions, order responses to written interrogatories, and make appropriate motions to limit discovery, pursuant to investigations under subparagraph 1.

9. Intervene or otherwise participate, as a matter of right, in any appeal or other proceeding arising under this section before the Public Employees Relations Commission or any other appropriate agency, except that the Florida Commission on Human Relations must comply with the rules of the commission or other agency and may not seek corrective action or intervene in an appeal or other proceeding without the consent of the person protected under ss. 112.3187-112.31895.

10. Conduct an investigation, in the absence of an allegation, to determine whether reasonable grounds exist to believe that a prohibited action or a pattern of prohibited action has occurred, is occurring, or is to be taken.

(b) Within 15 days after receiving a complaint that a person has been discharged from employment allegedly for disclosing protected information under s. 112.3187, the Florida Commission on Human Relations shall review the information and determine whether temporary reinstatement is appropriate under s. 112.3187(9)(f). If the Florida Commission on Human Relations so determines, it shall apply for an expedited order from the appropriate agency or circuit court for the immediate reinstatement of the employee who has been discharged subsequent to the disclosure made under s. 112.3187, pending the issuance of the final order on the complaint.

(c) The Florida Commission on Human Relations shall notify a complainant of the status of the investigation and any action taken at such times as the commission considers appropriate.

(d) If the Florida Commission on Human Relations is unable to conciliate a complaint within 35 days after providing the agency head and complainant with the fact-finding report, the Florida Commission on Human Relations shall terminate the investigation. Upon termination of any investigation, the Florida Commission on Human Relations shall notify the complainant and the agency head of the termination of the investigation, providing a summary of relevant facts found during the investigation and the reasons for terminating the investigation. A written statement under this paragraph is presumed admissible as evidence in any judicial or administrative proceeding but is not admissible without the consent of the complainant.

(e)1. The Florida Commission on Human Relations may request an agency or circuit court to order a stay, on such terms as the court requires, of any personnel action for 45 days if the Florida Commission on Human Relations determines that reasonable grounds exist to believe that a prohibited personnel action has occurred, is occurring, or is to be taken. The Florida Commission on Human Relations may request that such stay be extended for appropriate periods of time.

2. If, in connection with any investigation, the Florida Commission on Human Relations determines that reasonable grounds exist to believe that a prohibited action has occurred, is occurring, or is to be taken which requires corrective action, the Florida Commission on Human Relations shall report the determination together with any findings or recommendations to the agency head and may report that determination and those findings and recommendations to the Governor and the Chief Financial Officer. The Florida Commission on Human Relations may include in the report recommendations for corrective action to be taken.

3. If, after 35 days, the agency does not implement the recommended action, the Florida Commission on Human Relations shall terminate the investigation and notify the complainant of the right to appeal under subsection (4), or may petition the agency for corrective action under this subsection.

4. If the Florida Commission on Human Relations finds, in consultation with the individual subject to the prohibited action, that the agency has implemented the corrective action, the commission shall file such finding with the agency head, together with any written comments that the individual provides, and terminate the investigation.

(f) If the Florida Commission on Human Relations finds that there are no reasonable grounds to believe that a prohibited personnel action has occurred, is occurring, or is to be taken, the commission shall terminate the investigation.

(g)1. If, in connection with any investigation under this section, it is determined that reasonable grounds exist to believe that a criminal violation has occurred which has not been previously reported, the Florida Commission on Human Relations shall report this determination to the Department of Law Enforcement and to the state attorney having jurisdiction over the matter.

2. If an alleged criminal violation has been reported, the Florida Commission on Human Relations shall confer with the Department of Law Enforcement and the state attorney before proceeding with the investigation of the prohibited personnel action and may defer the investigation pending completion of the criminal investigation and proceedings. The Florida Commission on Human Relations shall inform the complainant of the decision to defer the investigation and, if appropriate, of the confidentiality of the investigation.

(h) If, in connection with any investigation under this section, the Florida Commission on Human Relations determines that reasonable grounds exist to believe that a violation of a law, rule, or regulation has occurred, other than a criminal violation or a prohibited action under this section, the commission may report such violation to the head of the agency involved. Within 30 days after the agency receives the report, the agency head shall provide to the commission a certification that states that the head of the agency has personally reviewed the report and indicates what action has been or is to be taken and when the action will be completed.

(i) During any investigation under this section, disciplinary action may not be taken against any employee of a state agency, as the term "state agency" is defined in s. 216.011, for reporting an alleged prohibited personnel action that is under investigation, or for reporting any related activity, or against any employee for participating in an investigation without notifying the Florida Commission on Human Relations.

(j) The Florida Commission on Human Relations may also petition for an award of reasonable attorney's fees and expenses from a state agency, as the term "state agency" is defined in s. 216.011, pursuant to s. 112.3187(9).

(4) RIGHT TO APPEAL.—

(a) Not more than 21 days after receipt of a notice of termination of the investigation from the Florida Commission on Human Relations, the complainant may file, with the Public Employees Relations Commission, a complaint against the employer-agency regarding the alleged prohibited personnel action. The Public Employees Relations Commission shall have jurisdiction over such complaints under ss. 112.3187 and 447.503(4) and (5).

(b) Judicial review of any final order of the commission shall be as provided in s. 120.68.

(1) If certified pursuant to subsection (2), an investigatory record of the Chief Inspector General within the Executive Office of the Governor or of the employee designated by an agency head as the agency inspector general under s. 112.3189 is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution until the investigation ceases to be active, or a report detailing the investigation is provided to the Governor or the agency head, or 60 days from the inception of the investigation for which the record was made or received, whichever first occurs. Investigatory records are those records that are related to the investigation of an alleged, specific act or omission or other wrongdoing, with respect to an identifiable person or group of persons, based on information compiled by the Chief Inspector General or by an agency inspector general, as named under the provisions of s. 112.3189, in the course of an investigation. An investigation is active if it is continuing with a reasonable, good faith anticipation of resolution and with reasonable dispatch.

(2) The Governor, in the case of the Chief Inspector General, or agency head, in the case of an employee designated as the agency inspector general under s. 112.3189, may certify that such investigatory records require an exemption to protect the integrity of the investigation or avoid unwarranted damage to an individual's good name or reputation. The certification must specify the nature and purpose of the investigation and shall be kept with the exempt records and made public when the records are made public.

(3) This section does not apply to whistle-blower investigations conducted pursuant to ss. 112.3187, 112.3188, 112.3189, and 112.31895.

History.—s. 1, ch. 74-176.

112.320 Commission on Ethics; purpose.—There is created a Commission on Ethics, the purpose of which is to serve as guardian of the standards of conduct for the officers and employees of the state, and of a county, city, or other political subdivision of the state, as defined in this part, and to serve as the independent commission provided for in s. 8(f), Art. II of the State Constitution.

History.—s. 2, ch. 74-176; s. 11, ch. 91-85.

112.321 Membership, terms; travel expenses; staff.—

(1) The commission shall be composed of nine members. Five of these members shall be appointed by the Governor, no more than three of whom shall be from the same political party, subject to confirmation by the Senate. One member appointed by the Governor shall be a former city or county official and may be a former member of a local planning or zoning board which has only advisory duties. Two members shall be appointed by the Speaker of the House of Representatives, and two members shall be appointed by the President of the Senate. Neither the Speaker of the House of Representatives nor the President of the Senate shall appoint more than one member from the same political party. Of the nine members of the Commission, no more than five members shall be from the same political party at any one time. No member may hold any public employment. An individual who qualifies as a lobbyist pursuant to s. 11.045 or s. 112.3215 or pursuant to any local government charter or ordinance may not serve as a member of the commission, except that this prohibition does not apply to an individual who is a member of the commission on July 1, 2006, until the expiration of his or her current term. A member of the commission may not lobby any state or local governmental entity as provided in s. 11.045 or s. 112.3215 or as provided by any local government charter or ordinance, except that this prohibition does not apply to an individual who is a member of the commission on July 1, 2006, until the expiration of his or her current term. All members shall serve 2-year terms. A member may not serve more than two full terms in succession. Any member of the commission may be removed for cause by majority vote of the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Chief Justice of the Supreme Court.

112.3213 Legislative intent and purpose.—The Legislature finds that the operation of open and responsible government requires the fullest opportunity to be afforded to the people to petition their government for the redress of grievances and to express freely their opinions on executive branch action. Further, the Legislature finds that preservation of the integrity of the governmental decisionmaking process is essential to the continued functioning of an open government. Therefore, in order to preserve and maintain the integrity of the process and to better inform citizens of the efforts to influence executive branch action, the Legislature finds it necessary to require the public disclosure of the identity, expenditures, and activities of certain persons who attempt to influence actions of the executive branch in the areas of policy and procurement.

1. An attorney, or any person, who represents a client in a judicial proceeding or in a formal administrative proceeding conducted pursuant to chapter 120 or any other formal hearing before an agency, board, commission, or authority of this state.

2. An employee of an agency or of a legislative or judicial branch entity acting in the normal course of his or her duties.

3. A confidential informant who is providing, or wishes to provide, confidential information to be used for law enforcement purposes.

4. A person who lobbies to procure a contract pursuant to chapter 287 which contract is less than the threshold for CATEGORY ONE as provided in s. 287.017.

(i) “Principal” means the person, firm, corporation, or other entity which has employed or retained a lobbyist.

(2) The Executive Branch Lobby Registration Trust Fund is hereby created within the commission to be used for the purpose of funding any office established to administer the registration of lobbyists lobbying an agency, including the payment of salaries and other expenses. The trust fund is not subject to the service charge to General Revenue provisions of chapter 215. All annual registration fees collected pursuant to this section shall be deposited into such fund.

(3) A person may not lobby an agency until such person has registered as a lobbyist with the commission. Such registration shall be due upon initially being retained to lobby and is renewable on a calendar year basis thereafter. Upon registration the person shall provide a statement signed by the principal or principal’s representative that the registrant is authorized to represent the principal. The principal shall also identify and designate its main business on the statement authorizing that lobbyist pursuant to a classification system approved by the commission. The registration shall require each lobbyist to disclose, under oath, the following information:

(a) Name and business address;

(b) The name and business address of each principal represented;

- (c) His or her area of interest;
 - (d) The agencies before which he or she will appear; and
 - (e) The existence of any direct or indirect business association, partnership, or financial relationship with any employee of an agency with which he or she lobbies, or intends to lobby, as disclosed in the registration.
- (4) The annual lobbyist registration fee shall be set by the commission by rule, not to exceed \$40 for each principal represented.
- (5)(a)1. Each lobbying firm shall file a compensation report with the commission for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. The report shall include the:
- a. Full name, business address, and telephone number of the lobbying firm;
 - b. Name of each of the firm's lobbyists; and
 - c. Total compensation provided or owed to the lobbying firm from all principals for the reporting period, reported in one of the following categories: \$0; \$1 to \$49,999; \$50,000 to \$99,999; \$100,000 to \$249,999; \$250,000 to \$499,999; \$500,000 to \$999,999; \$1 million or more.
2. For each principal represented by one or more of the firm's lobbyists, the lobbying firm's compensation report shall also include the:
- a. Full name, business address, and telephone number of the principal; and
 - b. Total compensation provided or owed to the lobbying firm for the reporting period, reported in one of the following categories: \$0; \$1 to \$9,999; \$10,000 to \$19,999; \$20,000 to \$29,999; \$30,000 to \$39,999; \$40,000 to \$49,999; or \$50,000 or more. If the category "\$50,000 or more" is selected, the specific dollar amount of compensation must be reported, rounded up or down to the nearest \$1,000.
3. If the lobbying firm subcontracts work from another lobbying firm and not from the original principal:
- a. The lobbying firm providing the work to be subcontracted shall be treated as the reporting lobbying firm's principal for reporting purposes under this paragraph; and
 - b. The reporting lobbying firm shall, for each lobbying firm identified under subparagraph 2., identify the name and address of the principal originating the lobbying work.
4. The senior partner, officer, or owner of the lobbying firm shall certify to the veracity and completeness of the information submitted pursuant to this paragraph.
- (b) For each principal represented by more than one lobbying firm, the commission shall aggregate the reporting-period and calendar-year compensation reported as provided or owed by the principal.
- (c) The reporting statements shall be filed no later than 45 days after the end of each reporting period. The four reporting periods are from January 1 through March 31, April 1 through June 30, July 1 through September 30, and October 1 through December 31, respectively. Reporting statements must be filed by electronic means as provided in s. 112.32155.
- (d) The commission shall provide by rule the grounds for waiving a fine, the procedures by which a lobbying firm that fails to timely file a report shall be notified and assessed fines, and the procedure for appealing the fines. The rule shall provide for the following:
- 1. Upon determining that the report is late, the person designated to review the timeliness of reports shall immediately notify the lobbying firm as to the failure to timely file the report and that a fine is being assessed for each late day. The fine shall be \$50 per day per report for each late day up to a maximum of \$5,000 per late report.
 - 2. Upon receipt of the report, the person designated to review the timeliness of reports shall determine the amount of the fine due based upon the earliest of the following:
 - a. When a report is actually received by the lobbyist registration and reporting office.
 - b. When the electronic receipt issued pursuant to s. 112.32155 is dated.
 - 3. Such fine shall be paid within 30 days after the notice of payment due is transmitted by the Lobbyist Registration Office, unless appeal is made to the commission. The moneys shall be deposited into the Executive Branch Lobby Registration Trust Fund.
 - 4. A fine shall not be assessed against a lobbying firm the first time any reports for which the lobbying firm is responsible are not timely filed. However, to receive the one-time fine waiver, all reports for which the lobbying firm is responsible must be filed within 30 days after the notice that any reports have not been timely filed is transmitted by the Lobbyist Registration Office. A fine shall be assessed for any subsequent late-filed reports.

5. Any lobbying firm may appeal or dispute a fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the commission, which shall have the authority to waive the fine in whole or in part for good cause shown. Any such request shall be made within 30 days after the notice of payment due is transmitted by the Lobbyist Registration Office. In such case, the lobbying firm shall, within the 30-day period, notify the person designated to review the timeliness of reports in writing of his or her intention to bring the matter before the commission.

6. The person designated to review the timeliness of reports shall notify the commission of the failure of a lobbying firm to file a report after notice or of the failure of a lobbying firm to pay the fine imposed. All lobbyist registrations for lobbyists who are partners, owners, officers, or employees of a lobbying firm that fails to timely pay a fine are automatically suspended until the fine is paid or waived, and the commission shall promptly notify all affected principals of each suspension and each reinstatement.

7. Notwithstanding any provision of chapter 120, any fine imposed under this subsection that is not waived by final order of the commission and that remains unpaid more than 60 days after the notice of payment due or more than 60 days after the commission renders a final order on the lobbying firm's appeal shall be collected by the Department of Financial Services as a claim, debt, or other obligation owed to the state, and the department may assign the collection of such fine to a collection agent as provided in s. 17.20.

(e) Each lobbying firm and each principal shall preserve for a period of 4 years all accounts, bills, receipts, computer records, books, papers, and other documents and records necessary to substantiate compensation. Any documents and records retained pursuant to this section may be subpoenaed for audit by the Legislative Auditing Committee pursuant to s. 11.40, and such subpoena may be enforced in circuit court.

(6)(a) Notwithstanding s. 112.3148, s. 112.3149, or any other provision of law to the contrary, no lobbyist or principal shall make, directly or indirectly, and no agency official, member, or employee shall knowingly accept, directly or indirectly, any expenditure.

(b) No person shall provide compensation for lobbying to any individual or business entity that is not a lobbying firm.

(7) A lobbyist shall promptly send a written statement to the commission canceling the registration for a principal upon termination of the lobbyist's representation of that principal. Notwithstanding this requirement, the commission may remove the name of a lobbyist from the list of registered lobbyists if the principal notifies the office that a person is no longer authorized to represent that principal.

(8)(a) The commission shall investigate every sworn complaint that is filed with it alleging that a person covered by this section has failed to register, has failed to submit a compensation report, has made a prohibited expenditure, or has knowingly submitted false information in any report or registration required in this section.

(b) All proceedings, the complaint, and other records relating to the investigation are confidential and exempt from the provisions of s. 119.07(1) and s. 24(a), Art. I of the State Constitution, and any meetings held pursuant to an investigation are exempt from the provisions of s. 286.011(1) and s. 24(b), Art. I of the State Constitution either until the alleged violator requests in writing that such investigation and associated records and meetings be made public or until the commission determines, based on the investigation, whether probable cause exists to believe that a violation has occurred.

(c) The commission shall investigate any lobbying firm, lobbyist, principal, agency, officer, or employee upon receipt of information from a sworn complaint or from a random audit of lobbying reports indicating that the entity or individual has intentionally failed to disclose any material fact or has knowingly submitted false information in any report required by this section or by rules adopted pursuant to this section.

(d) Notwithstanding paragraphs (a)-(c), the commission may dismiss any complaint or investigation resulting from a random audit of lobbying reports at any stage of disposition if it determines that the public interest is not served by proceeding further, in which case the commission must issue a public report stating with particularity its reasons for the dismissal.

(e)1. Records relating to an audit conducted pursuant to this section or an investigation conducted pursuant to this section or s. 112.32155 are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

2. Any portion of a meeting wherein such investigation or audit is discussed is exempt from s. 286.011 and s. 24(b), Art. I of the State Constitution.

3. The exemptions no longer apply if the lobbying firm requests in writing that such investigation and associated records and meetings be made public or the commission determines there is probable cause that the audit reflects a violation of the reporting laws.

(9) If the commission finds no probable cause to believe that a violation of this section occurred, it must dismiss the complaint, whereupon the complaint, together with a written statement of the findings of the investigation and a summary of the facts, becomes a matter of public record, and the commission must send a copy of the complaint, findings, and summary to the complainant and the alleged violator. If, after investigating information from a random audit of lobbying reports, the commission finds no probable cause to believe that a violation of this section occurred, a written statement of the findings of the investigation and a summary of the facts becomes a matter of public record, and the commission must send a copy of the findings and summary to the alleged violator. If the commission finds probable cause to believe that a violation occurred, it must report the results of its investigation to the Governor and Cabinet and send a copy of the report to the alleged violator by certified mail. Such notification and all documents made or received in the disposition of the complaint become public records. Upon a request submitted to the Governor and Cabinet in writing, any person whom the commission finds probable cause to believe has violated this section shall be entitled to a public hearing. Such person shall be deemed to have waived the right to a public hearing if the request is not received within 14 days following the mailing of the probable cause notification. However, the Governor and Cabinet may on its own motion require a public hearing and may conduct such further investigation as it deems necessary.

(10) If the Governor and Cabinet find that a violation occurred, the Governor and Cabinet may reprimand the violator, censure the violator, or prohibit the violator from lobbying all agencies for a period not to exceed 2 years. If the violator is a lobbying firm, lobbyist, or principal, the Governor and Cabinet may also assess a fine of not more than \$5,000 to be deposited in the Executive Branch Lobby Registration Trust Fund.

(11) Any person who is required to be registered or to provide information under this section or under rules adopted pursuant to this section and who knowingly fails to disclose any material fact that is required by this section or by rules adopted pursuant to this section, or who knowingly provides false information on any report required by this section or by rules adopted pursuant to this section, commits a noncriminal infraction, punishable by a fine not to exceed \$5,000. Such penalty is in addition to any other penalty assessed by the Governor and Cabinet pursuant to subsection (10).

(12) Any person, when in doubt about the applicability and interpretation of this section to himself or herself in a particular context, may submit in writing the facts of the situation to the commission with a request for an advisory opinion to establish the standard of duty. An advisory opinion shall be rendered by the commission and, until amended or revoked, shall be binding on the conduct of the person who sought the opinion, unless material facts were omitted or misstated in the request.

(13) Agencies shall be diligent to ascertain whether persons required to register pursuant to this section have complied. An agency may not knowingly permit a person who is not registered pursuant to this section to lobby the agency.

(14) Upon discovery of violations of this section an agency or any person may file a sworn complaint with the commission.

(15) The commission shall adopt rules to administer this section, which shall prescribe forms for registration and compensation reports, procedures for registration, and procedures that will prevent disclosure of information that is confidential as provided in this section.

112.32151 Requirements for reinstitution of lobbyist registration after felony conviction.—A person convicted of a felony after January 1, 2006, may not be registered as a lobbyist pursuant to s. 112.3215 until the person:

(1) Has been released from incarceration and any postconviction supervision, and has paid all court costs and court-ordered restitution; and

(2) Has had his or her civil rights restored.

History.—s. 9, ch. 2005-359; s. 8, ch. 2007-5.

112.32155 Electronic filing of compensation reports and other information.—

(1) As used in this section, the term “electronic filing system” means an Internet system for recording and reporting lobbying compensation and other required information by reporting period.

(2) Each lobbying firm who is required to file reports with the Commission on Ethics pursuant to s. 112.3215 must file such reports with the commission by means of the electronic filing system.

(3) A report filed pursuant to this section must be completed and filed through the electronic filing system not later than 11:59 p.m. of the day designated in s. 112.3215. A report not filed by 11:59 p.m. of the day designated is a late-filed report and is subject to the penalties under s. 112.3215(5).

(4) Each report filed pursuant to this section is considered to meet the certification requirements of s. 112.3215(5)(a)4. Persons given a secure sign-on to the electronic filing system are responsible for protecting it from disclosure and are responsible for all filings using such credentials, unless they have notified the commission that their credentials have been compromised.

(5) The electronic filing system must:

(a) Be based on access by means of the Internet.

(b) Be accessible by anyone with Internet access using standard web-browsing software.

(c) Provide for direct entry of compensation report information as well as upload of such information from software authorized by the commission.

(d) Provide a method that prevents unauthorized access to electronic filing system functions.

(6) The commission shall provide by rule procedures to implement and administer this section, including, but not limited to:

(a) Alternate filing procedures in case the electronic filing system is not operable.

(b) The issuance of an electronic receipt to the person submitting the report indicating and verifying the date and time that the report was filed.

(7) The commission shall make all the data filed available on the Internet in an easily understood and accessible format. The Internet website shall also include, but not be limited to, the names and business addresses of lobbyists, lobbying firms, and principals, the affiliations between lobbyists and principals, and the classification system designated and identified by each principal pursuant to s. 112.3215(3).

History.—s. 7, ch. 2005-359.

112.3217 Contingency fees; prohibitions; penalties.—

(1) “Contingency fee” means a fee, bonus, commission, or nonmonetary benefit as compensation which is dependent or in any way contingent on the enactment, defeat, modification, or other outcome of any specific executive branch action.

(2) No person may, in whole or in part, pay, give, or receive, or agree to pay, give, or receive, a contingency fee. However, this subsection does not apply to claims bills.

(3) Any person who violates this section commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. If such person is a lobbyist, the lobbyist shall forfeit any fee, bonus, commission, or profit received in violation of this section and is subject to the penalties set forth in s. 112.3215. When the fee, bonus, commission, or profit is nonmonetary, the fair market value of the benefit shall be used in determining the amount to be forfeited. All forfeited benefits shall be deposited into the Executive Branch Lobby Registration Trust Fund.

(4) Nothing in this section may be construed to prohibit any salesperson engaging in legitimate state business on behalf of a company from receiving compensation or commission as part of a bona fide contractual arrangement with that company.

History.—s. 7, ch. 93-121; s. 9, ch. 2000-336.

112.322 Duties and powers of commission.—

(1) It is the duty of the Commission on Ethics to receive and investigate sworn complaints of violation of the code of ethics as established in this part and of any other breach of the public trust, as provided in s. 8(f), Art. II of the State Constitution, including investigation of all facts and parties materially related to the complaint at issue.

(2)(a) Any public officer or employee may request a hearing before the Commission on Ethics to present oral or written testimony in response to allegations that such person violated the code of ethics established in this part or allegations of any other breach of the public trust, as provided in s. 8, Art. II of the State Constitution, provided a majority of the commission members present and voting

consider that the allegations are of such gravity as to affect the general welfare of the state and the ability of the subject public officer or employee effectively to discharge the duties of the office. If the allegations made against the subject public officer or employee are made under oath, then he or she shall also be required to testify under oath.

(b) Upon completion of any investigation initiated under this subsection, the commission shall make a finding and public report as to whether any provision of the code of ethics has been violated or any other breach of the public trust has been committed by the subject official or employee. In the event that a violation or breach is found to have been committed, the commission shall recommend appropriate action to the agency or official having power to impose any penalty provided by s. 112.317.

(c) All proceedings conducted pursuant to this subsection shall be public meetings within the meaning of chapter 286, and all documents made or received in connection with the commission's investigation thereof shall be public records within the meaning of chapter 119.

(d) Any response to a request of a public official or employee shall be addressed in the first instance to the official or employee making the request.

(3)(a) Every public officer, candidate for public office, or public employee, when in doubt about the applicability and interpretation of this part or s. 8, Art. II of the State Constitution to himself or herself in a particular context, may submit in writing the facts of the situation to the Commission on Ethics with a request for an advisory opinion to establish the standard of public duty. Any public officer or employee who has the power to hire or terminate employees may likewise seek an advisory opinion from the commission as to the application of the provisions of this part or s. 8, Art. II of the State Constitution to any such employee or applicant for employment. An advisory opinion shall be rendered by the commission, and each such opinion shall be numbered, dated, and published without naming the person making the request, unless such person consents to the use of his or her name.

(b) Such opinion, until amended or revoked, shall be binding on the conduct of the officer, employee, or candidate who sought the opinion or with reference to whom the opinion was sought, unless material facts were omitted or misstated in the request for the advisory opinion.

(4) The commission has the power to subpoena, audit, and investigate. The commission may subpoena witnesses and compel their attendance and testimony, administer oaths and affirmations, take evidence, and require by subpoena the production of any books, papers, records, or other items relevant to the performance of the duties of the commission or to the exercise of its powers. The commission may delegate to its investigators the authority to administer oaths and affirmations. The commission may delegate the authority to issue subpoenas to its chair, and may authorize its employees to serve any subpoena issued under this section. In the case of a refusal to obey a subpoena issued to any person, the commission may make application to any circuit court of this state which shall have jurisdiction to order the witness to appear before the commission and to produce evidence, if so ordered, or to give testimony touching on the matter in question. Failure to obey the order may be punished by the court as contempt. Witnesses shall be paid mileage and witnesses fees as authorized for witnesses in civil cases, except that a witness who is required to travel outside the county of his or her residence to testify is entitled to per diem and travel expenses at the same rate provided for state employees under s. 112.061, to be paid after the witness appears.

(5) The commission may recommend that the Governor initiate judicial proceedings in the name of the state against any executive or administrative state, county, or municipal officer to enforce compliance with any provision of this part or of s. 8, Art. II of the State Constitution or to restrain violations of this part or of s. 8, Art. II of the State Constitution, pursuant to s. 1(b), Art. IV of the State Constitution; and the Governor may without further action initiate such judicial proceedings.

(6) The commission is authorized to call upon appropriate agencies of state government for such professional assistance as may be needed in the discharge of its duties. The Department of Legal Affairs shall, upon request, provide legal and investigative assistance to the commission.

(7) The commission may prepare materials designed to assist persons in complying with the provisions of this part and with s. 8, Art. II of the State Constitution.

(8) It shall be the further duty of the commission to submit to the Legislature from time to time a report of its work and recommendations for legislation deemed necessary to improve the code of ethics and its enforcement.

(9) The commission is authorized to make such rules not inconsistent with law as are necessary to carry out the duties and authority conferred upon the commission by s. 8, Art. II of the State Constitution or by this part. Such rules shall be limited to:

(a) Rules providing for the practices and procedures of the commission.

(b) Rules interpreting the disclosures and prohibitions established by s. 8, Art. II of the State Constitution and by this part.

History.—s. 2, ch. 74-176; s. 4, ch. 75-199; s. 1, ch. 76-89; s. 1, ch. 77-174; s. 7, ch. 82-98; s. 33, ch. 89-169; s. 12, ch. 91-85; s. 13, ch. 94-277; s. 1416, ch. 95-147; s. 7, ch. 2000-243; s. 15, ch. 2006-275.

112.3231 Time limitations.—

(1) On or after October 1, 1993, all sworn complaints alleging a violation of this part, or of any other breach of the public trust within the jurisdiction of the Commission on Ethics under s. 8, Art. II of the State Constitution, shall be filed with the commission within 5 years of the alleged violation or other breach of the public trust.

(2) A violation of this part or any other breach of public trust is committed when every element has occurred or, if the violation or breach of public trust involves a continuing course of conduct, at the time when the course of conduct or the officer's, employee's, or candidate's complicity therein is terminated. Time starts to run on the day after the violation or breach of public trust is committed.

(3) The applicable period of limitation is tolled on the day a sworn complaint against the public officer, employee, or candidate is filed with the Commission on Ethics. If it can be concluded from the face of the complaint that the applicable period of limitation has run, the complaint shall be dismissed and the commission shall issue a public report.

History.—s. 13, ch. 91-85; s. 10, ch. 94-277.

112.3232 Compelled testimony.—If any person called to give evidence in a commission proceeding shall refuse to give evidence because of a claim of possible self-incrimination, the commission, with the written authorization of the appropriate state attorney, may apply to the chief judge of the appropriate judicial circuit for a judicial grant of immunity ordering the testimony or other evidence of such person notwithstanding his or her objection, but in such case no testimony or other information compelled under the order, or any information directly or indirectly derived from such testimony or other information, may be used against the witness in any criminal proceeding.

History.—s. 10, ch. 2000-243.

112.324 Procedures on complaints of violations and referrals; public records and meeting exemptions.—

(1) The commission shall investigate an alleged violation of this part or other alleged breach of the public trust within the jurisdiction of the commission as provided in s. 8(f), Art. II of the State Constitution:

(a) Upon a written complaint executed on a form prescribed by the commission and signed under oath or affirmation by any person; or

(b) Upon receipt of a written referral of a possible violation of this part or other possible breach of the public trust from the Governor, the Department of Law Enforcement, a state attorney, or a United States Attorney which at least six members of the commission determine is sufficient to indicate a violation of this part or any other breach of the public trust.

Within 5 days after receipt of a complaint by the commission or a determination by at least six members of the commission that the referral received is deemed sufficient, a copy shall be transmitted to the alleged violator.

(2)(a) The complaint and records relating to the complaint or to any preliminary investigation held by the commission or its agents, by a Commission on Ethics and Public Trust established by any county defined in s. 125.011(1) or by any municipality defined in s. 165.031, or by any county or municipality that has established a local investigatory process to enforce more stringent standards of conduct and disclosure requirements as provided in s. 112.326 are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

(b) Written referrals and records relating to such referrals held by the commission or its agents, the Governor, the Department of Law Enforcement, or a state attorney, and records relating to any preliminary investigation of such referrals held by the commission or its agents, are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution.

(c) Any portion of a proceeding conducted by the commission, a Commission on Ethics and Public Trust, or a county or municipality that has established such local investigatory process, pursuant to a

complaint or preliminary investigation, is exempt from s. 286.011, s. 24(b), Art. I of the State Constitution, and s. 120.525.

(d) Any portion of a proceeding of the commission in which a determination regarding a referral is discussed or acted upon is exempt from s. 286.011 and s. 24(b), Art. I of the State Constitution, and s. 120.525.

(e) The exemptions in paragraphs (a)-(d) apply until:

1. The complaint is dismissed as legally insufficient;
2. The alleged violator requests in writing that such records and proceedings be made public;
3. The commission determines that it will not investigate the referral; or
4. The commission, a Commission on Ethics and Public Trust, or a county or municipality that has established such local investigatory process determines, based on such investigation, whether probable cause exists to believe that a violation has occurred.

(f) A complaint or referral under this part against a candidate in any general, special, or primary election may not be filed nor may any intention of filing such a complaint or referral be disclosed on the day of any such election or within the 30 days immediately preceding the date of the election, unless the complaint or referral is based upon personal information or information other than hearsay.

(3) A preliminary investigation shall be undertaken by the commission of each legally sufficient complaint or referral over which the commission has jurisdiction to determine whether there is probable cause to believe that a violation has occurred. If, upon completion of the preliminary investigation, the commission finds no probable cause to believe that this part has been violated or that any other breach of the public trust has been committed, the commission shall dismiss the complaint or referral with the issuance of a public report to the complainant and the alleged violator, stating with particularity its reasons for dismissal. At that time, the complaint or referral and all materials relating to the complaint or referral shall become a matter of public record. If the commission finds from the preliminary investigation probable cause to believe that this part has been violated or that any other breach of the public trust has been committed, it shall so notify the complainant and the alleged violator in writing. Such notification and all documents made or received in the disposition of the complaint or referral shall then become public records. Upon request submitted to the commission in writing, any person who the commission finds probable cause to believe has violated any provision of this part or has committed any other breach of the public trust shall be entitled to a public hearing. Such person shall be deemed to have waived the right to a public hearing if the request is not received within 14 days following the mailing of the probable cause notification required by this subsection. However, the commission may on its own motion, require a public hearing, may conduct such further investigation as it deems necessary, and may enter into such stipulations and settlements as it finds to be just and in the best interest of the state. The commission is without jurisdiction to, and no respondent may voluntarily or involuntarily, enter into a stipulation or settlement which imposes any penalty, including, but not limited to, a sanction or admonition or any other penalty contained in s. 112.317. Penalties shall be imposed only by the appropriate disciplinary authority as designated in this section.

(4) If, in cases pertaining to members of the Legislature, upon completion of a full and final investigation by the commission, the commission finds that there has been a violation of this part or of any provision of s. 8, Art. (a) The President of the Senate and the Speaker of the House of Representatives, jointly, in any case concerning the Public Counsel, members of the Public Service Commission, members of the Public Service Commission Nominating Council, the Auditor General, or the director of the Office of Program Policy Analysis and Government Accountability.

(b) The Supreme Court, in any case concerning an employee of the judicial branch.

(c) The President of the Senate, in any case concerning an employee of the Senate; the Speaker of the House of Representatives, in any case concerning an employee of the House of Representatives; or the President and the Speaker, jointly, in any case concerning an employee of a committee of the Legislature whose members are appointed solely by the President and the Speaker or in any case concerning an employee of the Public Counsel, Public Service Commission, Auditor General, or Office of Program Policy Analysis and Government Accountability.

(d) Except as otherwise provided by this part, the Governor, in the case of any other public officer, public employee, former public officer or public employee, candidate or former candidate, or person who is not a public officer or employee, other than lobbyists and lobbying firms under s. 112.3215 for violations of s. 112.3215.

(9) In addition to reporting its findings to the proper disciplinary body or official, the commission shall report these findings to the state attorney or any other appropriate official or agency having authority to initiate prosecution when violation of criminal law is indicated.

(10) Notwithstanding the foregoing procedures of this section, a sworn complaint against any member or employee of the Commission on Ethics for violation of this part or of s. 8, Art. II of the State Constitution shall be filed with the President of the Senate and the Speaker of the House of Representatives. Each presiding officer shall, after determining that there are sufficient grounds for review, appoint three members of their respective bodies to a special joint committee who shall investigate the complaint. The members shall elect a chair from among their number. If the special joint committee finds insufficient evidence to establish probable cause to believe a violation of this part or of s. 8, Art. II of the State Constitution has occurred, it shall dismiss the complaint. If, upon completion of its preliminary investigation, the committee finds sufficient evidence to establish probable cause to believe a violation has occurred, the chair thereof shall transmit such findings to the Governor who shall convene a meeting of the Governor, the President of the Senate, the Speaker of the House of Representatives, and the Chief Justice of the Supreme Court to take such final action on the complaint as they shall deem appropriate, consistent with the penalty provisions of this part. Representatives, and the Chief Justice of the Supreme Court, the special joint committee shall submit a recommendation as to what penalty, if any, should be imposed.

(11)(a) Notwithstanding subsections (1)-(8), the commission may dismiss any complaint or referral at any stage of disposition if it determines that the violation that is alleged or has occurred is a de minimis violation attributable to inadvertent or unintentional error. In determining whether a violation was de minimis, the commission shall consider whether the interests of the public were protected despite the violation.

(b) For the purposes of this subsection, a de minimis violation is any violation that is unintentional and not material in nature.

(12) Notwithstanding the provisions of subsections (1)-(8), the commission may, at its discretion, dismiss any complaint or referral at any stage of disposition should it determine that the public interest would not be served by proceeding further, in which case the commission shall issue a public report stating with particularity its reasons for the dismissal.

(b) “Lobbies” means seeking, on behalf of another person, to influence a district with respect to a decision of the district in an area of policy or procurement or an attempt to obtain the goodwill of a district official or employee. (c) “Lobbyist” has the same meaning as provided in s. 112.3215.

(d) “Principal” has the same meaning as provided in s. 112.3215.

(2) A person may not lobby a district until such person has registered as a lobbyist with that district. Such registration shall be due upon initially being retained to lobby and is renewable on a calendar-year basis thereafter. Upon registration, the person shall provide a statement signed by the principal or principal's representative stating that the registrant is authorized to represent the principal. The principal shall also identify and designate its main business on the statement authorizing that lobbyist pursuant to a classification system approved by the district. Any changes to the information required by this section must be disclosed within 15 days by filing a new registration form. - (4) A lobbyist shall promptly send a written statement to the district canceling the registration for a principal upon termination of the lobbyist's representation of that principal. A district may remove the name of a lobbyist from the list of registered lobbyists if the principal notifies the district that a person is no longer authorized to represent that principal.
- (5) A district may establish an annual lobbyist registration fee, not to exceed \$40, for each principal represented. The district may use registration fees only to administer this section.
- (6) A district shall be diligent to ascertain whether persons required to register pursuant to this section have complied. A district may not knowingly authorize a person who is not registered pursuant to this section to lobby the district.

(c) A member of any state-supported retirement system who, during the period July 1, 1975, through June 30, 1976, was on the retired payroll with more than 15 years of creditable service, was over 65 years of age, and was not eligible for the \$10 minimum benefit provided by paragraph (b) shall receive the \$8 minimum benefit provided by paragraph (a) retroactive to the date such retired person

would first have been eligible for the \$8 minimum benefit under the provisions of this section, had said section not been amended by chapter 75-242, Laws of Florida. Such retroactive \$8 minimum benefit shall also be payable to the beneficiary or surviving spouse of a member who, if living, would have qualified for this retroactive minimum benefit.

(d) A member of any state-supported retirement system who retires on or after July 1, 1987, with at least 10 years of creditable service, having attained normal retirement date shall, upon reaching age 65 and making proper application to the administrator, be eligible to receive the applicable minimum monthly benefit provided by this subsection with the exception that only those years of creditable service accumulated by the member through June 30, 1987, shall be used in the calculation of the minimum monthly benefit amount and that no benefit shall exceed the average monthly compensation of the retiree due to the application of the minimum monthly benefit. All creditable service claimed for periods which occurred prior to July 1, 1987, shall be presumed to have been accumulated as of June 30, 1987, irrespective of the date on which such creditable service is claimed and credited. The minimum monthly benefit provided by this paragraph shall be reduced by the actuarial factor applied to the optional form of benefit under which the benefit is paid. The surviving spouse or beneficiary who is receiving a monthly benefit from a deceased retiree's account shall be eligible to receive the minimum monthly benefit provided herein at the time the retiree would have been eligible for it had he or she lived, subject to the limitations herein and the appropriate actuarial reductions.

(2)(a) A retired member of any state-supported retirement system who retires prior to July 1, 1987, and who possesses the creditable service requirements contained in paragraph (1)(a) or paragraph (1)(b), or the surviving spouse or beneficiary of said member if such spouse or beneficiary is receiving a retirement benefit, shall, at the time the retiree reaches 65 years of age or would have reached 65 years of age if deceased, and upon proper application to the administrator, have his or her monthly retirement benefit recomputed and may receive a retirement benefit as provided in either paragraph (1)(a) or paragraph (1)(b) and, if a retirement option has been elected by the member, multiplied by the actuarial reduction factor relating to such retirement option and, if the member is deceased, multiplied by the percentage of the benefit payable to the surviving spouse or beneficiary. No present retirement benefits shall be reduced under this computation.

(b) A member of any state-supported retirement system who retires after July 1, 1975, and before July 1, 1987, who is over 65 years of age at the time of his or her retirement may be entitled to the benefit recalculation options provided by either paragraph (1)(a) or paragraph (1)(b).

(3) A member of any state-supported retirement system who has already retired under a retirement plan or system which does not require its members to participate in social security pursuant to a modification of the federal-state social security agreement as authorized by the provisions of chapter 650, who is over 65 years of age, and who has not less than 10 years of creditable service, or the surviving spouse or beneficiary of said member who, if living, would be over 65 years of age, upon application to the administrator, may have his or her present monthly retirement benefits recomputed and receive a monthly retirement allowance equal to \$10 multiplied by the total number of years of creditable service. Effective July 1, 1978, this minimum monthly benefit shall be equal to \$10.50 multiplied by the total number of years of creditable service, and thereafter said minimum monthly benefit shall be recomputed as provided in paragraph (5)(a). This adjustment shall be made in accordance with subsection (2). No retirement benefits shall be reduced under this computation. Retirees receiving additional benefits under the provisions of this subsection shall also receive the cost-of-living adjustments provided by the appropriate state-supported retirement system for the fiscal year beginning July 1, 1977, and for each fiscal year thereafter. The minimum monthly benefit provided by this subsection shall not apply to any member or the beneficiary of any member who retires after June 30, 1978.

(4)(a) Effective July 1, 1980, any person who retired prior to July 1, 1987, under a state-supported retirement system with not less than 10 years of creditable service and who is not receiving or entitled to receive federal social security benefits shall, upon reaching 65 years of age and upon application to the Department of Management Services, be entitled to receive a minimum monthly benefit equal to \$16.50 multiplied by the member's total number of years of creditable service and adjusted by the actuarial factor applied to the original benefit for optional forms of retirement. Thereafter, the minimum monthly benefit shall be recomputed as provided in paragraph (5)(a). Application for this minimum monthly benefit shall include certification by the retired member that he or she is not

receiving and is not entitled to receive social security benefits and shall include written authorization for the Department of Management Services to have access to information from the Federal Social Security Administration concerning the member's entitlement to or eligibility for social security benefits. The minimum benefit provided by this paragraph shall not be paid unless and until the application requirements of this paragraph are satisfied.

(b) Effective July 1, 1978, the surviving spouse or beneficiary who is receiving or entitled to receive a monthly benefit commencing prior to July 1, 1987, from the account of any deceased retired member who had completed at least 10 years of creditable service shall, at the time such deceased retiree would have reached age 65, if living, and, upon application to the Department of Management Services, be entitled to receive the minimum monthly benefit described in paragraph (a), adjusted by the actuarial factor applied to the optional form of benefit payable to said surviving spouse or beneficiary, provided said person is not receiving or entitled to receive federal social security benefits. Application for this minimum monthly benefit shall include certification by the surviving spouse or beneficiary that he or she is not receiving and is not entitled to receive social security benefits and shall include written authorization for the Department of Management Services to have access to information from the Federal Social Security Administration concerning such person's entitlement to or eligibility for social security benefits. The minimum benefit provided by this paragraph shall not be paid unless and until the application requirements of this paragraph are satisfied.

(c) The minimum benefits authorized by this subsection shall be payable from the first day of the month following the month during which the retired member becomes or would have become age 65.

(d) A member of any state-supported retirement system who retires on or after July 1, 1987, with at least 10 years of creditable service, having attained normal retirement date shall, upon reaching age 65 and making proper application to the administrator, be eligible to receive the applicable minimum monthly benefit provided by this subsection with the exception that only those years of creditable service accumulated by the member through June 30, 1987, shall be used in the calculation of the minimum monthly benefit amount and that no benefit shall exceed the average monthly compensation of the retiree due to the application of the minimum monthly benefit. All creditable service claimed for periods which occurred prior to July 1, 1987, shall be presumed to have been accumulated as of June 30, 1987, irrespective of the date on which such creditable service is claimed and credited. The minimum monthly benefit provided by this paragraph shall be reduced by the actuarial factor applied to the optional form of benefit under which the benefit is paid. The surviving spouse or beneficiary who is receiving a monthly benefit from a deceased retiree's account shall be eligible to receive the minimum monthly benefit provided herein at the time the retiree would have been eligible for it had he or she lived, subject to the limitations herein and the appropriate actuarial reductions.

(5)(a) Effective July 1, 1981, the dollar factors used in determining the minimum benefits provided by this section shall be adjusted by an amount derived by multiplying said dollar factors by the percentage change in the average cost-of-living index since the previous July 1, not to exceed 3 percent. Each July 1 thereafter, the adjusted dollar factors used in determining the minimum benefits provided by this section shall continue to be adjusted by an amount derived by multiplying the current adjusted dollar factors by the percentage change in the average cost-of-living index since the previous July 1, not to exceed 3 percent for any annual adjustment.

(b) "Average cost-of-living index" as of any July 1 date means the average of the monthly Consumer Price Index figures for the 12-month period from April 1 through March 31 immediately prior to the adjustment date, relative to the United States as a whole, issued by the Bureau of Labor Statistics of the United States Department of Labor.

(c) Effective July 1, 1987, the adjusted dollar factors used in determining the minimum benefits provided by this section shall be adjusted by a constant 3 percent.

(6) The funds necessary to pay the minimum monthly benefits provided by this section are hereby annually appropriated from the fund from which the original benefits are paid.

(7) A member, or a joint annuitant or other beneficiary, who is receiving a monthly benefit may refuse the application of the minimum benefit adjustment to such benefit.

112.363 Retiree health insurance subsidy.—

(1) **PURPOSE OF SECTION.**—The purpose of this section is to provide a monthly subsidy payment to retired members of any state-administered retirement system in order to assist such retired members in paying the costs of health insurance.

(2) **ELIGIBILITY FOR RETIREE HEALTH INSURANCE SUBSIDY.**—

(a) A person who is retired under a state-administered retirement system, or a beneficiary who is a spouse or financial dependent entitled to receive benefits under a state-administered retirement system, is eligible for health insurance subsidy payments provided under this section; except that pension recipients under ss. 121.40, 238.07(18)(a), and 250.22, recipients of health insurance coverage under s. 110.1232, or any other special pension or relief act shall not be eligible for such payments.

(b) For purposes of this section, a person is deemed retired from a state-administered retirement system when he or she terminates employment with all employers participating in the Florida Retirement System as described in s. 121.021(39) and:

1. For a member of the investment plan established under part II of chapter 121, the participant meets the age or service requirements to qualify for normal retirement as set forth in s. 121.021(29) and meets the definition of retiree in s. 121.4501(2).

2. For a member of the Florida Retirement System Pension Plan, or any employee who maintains creditable service under the pension plan and the investment plan, the member begins drawing retirement benefits from the pension plan.

(c) Effective July 1, 2001, any person retiring on or after that date as a member of the Florida Retirement System, including a member of the investment plan administered pursuant to part II of chapter 121, must have satisfied the vesting requirements for his or her membership class under the pension plan as administered under part I of chapter 121. However, a person retiring due to disability must qualify for a regular or in-line-of-duty disability benefit as provided in s. 121.091(4) or qualify for a disability benefit under a disability plan established under part II of chapter 121, as appropriate.

(d) Payment of the retiree health insurance subsidy shall be made only after coverage for health insurance for the retiree or beneficiary has been certified in writing to the Department of Management Services. Participation in a former employer's group health insurance program is not a requirement for eligibility under this section. Coverage issued pursuant to s. 408.9091 is considered health insurance for the purposes of this section.

(e) Participants in the Senior Management Service Optional Annuity Program as provided in s. 121.055(6) and the State University System Optional Retirement Program as provided in s. 121.35 shall not receive the retiree health insurance subsidy provided in this section. The employer of such participant shall pay the contributions required in subsection (8) to the annuity program provided in s. 121.055(6)(d) or s. 121.35(4)(a), as applicable.

(3) **RETIREE HEALTH INSURANCE SUBSIDY AMOUNT.**—

(a) Beginning January 1, 1988, each eligible retiree or a beneficiary who is a spouse or financial dependent thereof shall receive a monthly retiree health insurance subsidy payment equal to the number of years of creditable service, as defined in s. 121.021(17), completed at the time of retirement multiplied by \$1; however, no retiree may receive a subsidy payment of more than \$30 or less than \$10.

(b) Beginning January 1, 1989, each eligible retiree or a beneficiary who is a spouse or financial dependent shall receive a monthly retiree health insurance subsidy payment equal to the number of years of creditable service, as defined in s. 121.021(17), completed at the time of retirement multiplied by \$2; however, no retiree may receive a subsidy payment of more than \$60 or less than \$20.

(c) Beginning January 1, 1991, each eligible retiree or a beneficiary who is a spouse or financial dependent shall receive a monthly retiree health insurance subsidy payment equal to the number of years of creditable service, as defined in s. 121.021(17), completed at the time of retirement multiplied by \$3; however, no retiree may receive a subsidy payment of more than \$90 or less than \$30.

(d) Beginning January 1, 1999, each eligible retiree or, if the retiree is deceased, his or her beneficiary who is receiving a monthly benefit from such retiree's account and who is a spouse, or a person who meets the definition of joint annuitant in s. 121.021(28), shall receive a monthly retiree health insurance subsidy payment equal to the number of years of creditable service, as defined in s. 121.021(17), completed at the time of retirement multiplied by \$5; however, no eligible retiree or

such beneficiary may receive a subsidy payment of more than \$150 or less than \$50. If there are multiple beneficiaries, the total payment must not be greater than the payment to which the retiree was entitled.

(e)1. Beginning July 1, 2001, each eligible retiree of the pension plan of the Florida Retirement System, or, if the retiree is deceased, his or her beneficiary who is receiving a monthly benefit from such retiree's account and who is a spouse, or a person who meets the definition of joint annuitant in s. 121.021, shall receive a monthly retiree health insurance subsidy payment equal to the number of years of creditable service, as defined in s. 121.021, completed at the time of retirement multiplied by \$5; however, no eligible retiree or beneficiary may receive a subsidy payment of more than \$150 or less than \$30. If there are multiple beneficiaries, the total payment may not be greater than the payment to which the retiree was entitled. The health insurance subsidy amount payable to any person receiving the retiree health insurance subsidy payment on July 1, 2001, may not be reduced solely by operation of this subparagraph.

2. Beginning July 1, 2002, each eligible member of the investment plan of the Florida Retirement System who has met the requirements of this section, or, if the member is deceased, his or her spouse who is the member's designated beneficiary, shall receive a monthly retiree health insurance subsidy payment equal to the number of years of creditable service, as provided in this subparagraph, completed at the time of retirement, multiplied by \$5; however, an eligible retiree or beneficiary may not receive a subsidy payment of more than \$150 or less than \$30. For purposes of determining a member's creditable service used to calculate the health insurance subsidy, a member's years of service credit or fraction thereof shall be based on the member's work year as defined in s. 121.021(54). Credit must be awarded for a full work year if health insurance subsidy contributions have been made for each month in the member's work year. In addition, all years of creditable service retained under the Florida Retirement System Pension Plan must be included as creditable service for purposes of this section. Notwithstanding any other provision in this section, the spouse at the time of death is the member's beneficiary unless such member has designated a different beneficiary subsequent to the member's most recent marriage.

(f)1. Beginning July 1, 2023, each eligible retiree of the pension plan of the Florida Retirement System, or, if the retiree is deceased, his or her beneficiary who is receiving a monthly benefit from such retiree's account and who is a spouse, or a person who meets the definition of joint annuitant in s. 121.021(28), shall receive a monthly retiree health insurance subsidy payment equal to the number of years of creditable service, as defined in s. 121.021(17), completed at the time of retirement multiplied by \$7.50; however, an eligible retiree or beneficiary may not receive a subsidy payment of more than \$225 or less than \$45. If there are multiple beneficiaries, the total payment may not be greater than the payment to which the retiree was entitled. The health insurance subsidy amount payable to any person receiving the retiree health insurance subsidy payment on July 1, 2023, may not be reduced solely by operation of this subparagraph.

2. Beginning July 1, 2023, each eligible member of the investment plan of the Florida Retirement System who has met the requirements of this section, or, if the member is deceased, his or her spouse who is the member's designated beneficiary, shall receive a monthly retiree health insurance subsidy payment equal to the number of years of creditable service, as provided in this subparagraph, completed at the time of retirement multiplied by \$7.50; however, an eligible retiree or beneficiary may not receive a subsidy payment of more than \$225 or less than \$45. For purposes of determining a member's creditable service used to calculate the health insurance subsidy, a member's years of service credit or fraction thereof must be based on the member's work year as defined in s. 121.021(54). Credit must be awarded for a full work year if health insurance subsidy contributions have been made for each month in the member's work year. In addition, all years of creditable service retained under the Florida Retirement System Pension Plan must be included as creditable service for purposes of this section. Notwithstanding this section, the spouse at the time of death is the member's beneficiary unless such member has designated a different beneficiary subsequent to the member's most recent marriage.

(4) PAYMENT OF RETIREE HEALTH INSURANCE SUBSIDY.—Beginning January 1, 1988, any monthly retiree health insurance subsidy amount due and payable under this section shall be paid to retired members by the Department of Management Services or under the direction and control of the department.

(5) **TRUST FUND ESTABLISHED.**—There is hereby established a trust fund in the state treasury to be entitled the Retiree Health Insurance Subsidy Trust Fund. Said trust fund shall be used to account for all moneys received and disbursed pursuant to this section. Should funding for the retiree health insurance subsidy program fail to provide full benefits for all participants, the benefits may be reduced or canceled at any time.

(6) **INVESTMENTS OF THE TRUST FUND.**—The State Board of Administration created by the authority of the State Constitution shall invest and reinvest the funds of the trust fund in accordance with ss. 215.44-215.53. Costs incurred by the Board of Administration incurring from the provisions of this section shall be deducted from the interest earnings accruing to the trust fund.

(7) **ADMINISTRATION OF SYSTEM.**—The Department of Management Services may adopt such rules and regulations as are necessary for the effective and efficient administration of this section. The cost of administration shall be appropriated from the trust fund.

(8) **CONTRIBUTIONS.**—For purposes of funding the insurance subsidy provided by this section:

(a) Beginning October 1, 1987, the employer of each member of a state-administered retirement plan shall contribute 0.24 percent of gross compensation each pay period.

(b) Beginning January 1, 1989, the employer of each member of a state-administered retirement plan shall contribute 0.48 percent of gross compensation each pay period.

(j) Beginning July 1, 2023, the employer of each member of a state-administered retirement plan shall contribute 2.00 percent of gross compensation each pay period.

Such contributions shall be submitted to the Department of Management Services and deposited in the Retiree Health Insurance Subsidy Trust Fund.

(9) **BENEFITS.**—Subsidy payments shall be payable under the retiree health insurance subsidy program only to participants in the program or their beneficiaries, beginning with the month the division receives certification of coverage for health insurance for the eligible retiree or beneficiary. If the division receives such certification at any time during the 6 months after retirement benefits commence, the retiree health insurance subsidy shall be paid retroactive to the effective retirement date. If, however, the division receives such certification 7 or more months after commencement of benefits, the retroactive retiree health insurance subsidy payment will cover a maximum of 6 months. (2) The Senate shall conduct a hearing in the manner prescribed by rules of the Senate adopted for this purpose.

(3) The Senate may provide for a select committee to be appointed by the Senate in accordance with its rules for the purpose of hearing the evidence and making its recommendation to the Senate as to the removal or reinstatement of the suspended officer.

112.43 Prosecution of suspension before Senate.—All suspensions heard by the Senate, a select committee, or special magistrate in accordance with rules of the Senate shall be prosecuted by the Governor, the Governor's legal staff, or an attorney designated by the Governor. Should the Senate, or the select committee appointed by the Senate to hear the evidence and to make recommendations, desire private counsel, either the Senate or the select committee shall be entitled to employ its own counsel for this purpose. Nothing herein shall prevent the Senate or its select committee from making its own investigation and presenting such evidence as its investigation may reveal. The Governor may request the advice of the Department of Legal Affairs relative to the suspension order prior to its issuance by the Governor. Following the issuance of the suspension order, either the Senate or the select committee may request the Department of Legal Affairs to provide counsel for the Senate to advise on questions of law or otherwise advise with the Senate or the select committee, but the Department of Legal Affairs shall not be required to prosecute before the Senate or the committee and shall, pursuant to the terms of this section, act as the legal adviser only.

The appropriation for such fees, costs, and salary and emoluments may be contained in the General Appropriations Act or any other appropriate general act. This part shall constitute sufficient authority for the payment of such attorney's fees and costs as the officer may reasonably have incurred in his or her own defense.

History.—s. 5, ch. 69-277; s. 2, ch. 80-333; s. 713, ch. 95-147.

(1) The Secretary of the Senate shall, as soon as reasonably possible following the action of the Senate, file with the Department of State a report of the action of the Senate, including an order signed by the President and the Secretary specifying the action taken by the Senate. The action of the Senate shall become effective immediately upon the filing of the order with the Department of State, and the Department of State shall forthwith deliver copies of such order to the Governor, the officer involved, and the governing body of the county, district, or state, as the case may be. It is the intent of this part to provide that the formal execution of a commission by the Governor and a delivery thereof to the officer is a ministerial duty not necessary either to the performance of the duties of that officer or to the susceptibility to suspension of that officer. However, nothing in this part shall prohibit or preclude any officer claiming title to any office from seeking a judicial determination of his or her right to such office, regardless of the issuance or nonissuance of a commission to such office.

History.—s. 7, ch. 69-277; s. 715, ch. 95-147.

112.47 Hearing before Senate select committee; notice.—The Senate shall afford each suspended official a hearing before a select committee or special magistrate, and shall notify such suspended official of the time and place of the hearing sufficiently in advance thereof to afford such official an opportunity fully and adequately to prepare such defenses as the official may be advised are necessary and proper, and all such defenses may be presented by the official or by the official's attorney. In the furtherance of this provision the Senate shall adopt sufficient procedural rules to afford due process both to the Governor in the presentation of his or her evidence and to the suspended official, but in the absence of such adoption, this section shall afford a full and complete hearing, public in nature, as required by the State Constitution. However, nothing in this part shall prevent either the select committee or the Senate from conducting portions of the hearing in executive session if the Senate rules so provide.

112.48 Suspension when Senate not in session.—The Governor may suspend any officer at any time, whether or not the Senate is in session. However, the Senate need not hear or determine the question of the suspension of the officer during any regular session.

History.—s. 9, ch. 69-277.

112.49 Persons exercising powers and duties of county officers subject to suspension by Governor.—In the administration of any city-county merger or city-county charter, or any such form of government which provides for the merging of the powers, duties, and functions of any municipal and county governments, any officer, official, or employee of such merged government who exercises the powers and duties of a county officer, whether he or she shall be elected or appointed, shall be deemed to be a county officer and therefore subject to the power of the Governor under the State Constitution to suspend officers. If the charter or other authority under which any city-county merger is accomplished shall provide means for the suspension or removal of such officers, then the power to suspend shall be concurrent in the city-county government and in the Governor.

History.—s. 2, ch. 71-333; s. 717, ch. 95-147.

112.50 Governor to retain power to suspend public officers.—Whenever any state, county, or municipal officer is made subject to suspension or removal by the terms of any statute or municipal charter, the power of the Governor to suspend officers shall not be affected by such statutory or

charter provisions, and the power to suspend shall reside concurrently in the Governor and in the statutory or charter authority.

History.—s. 3, ch. 71-333.

112.501 Municipal board members; suspension; removal.—

(1) For the purposes of this section, the term “municipal board member” is defined as any person who is appointed or confirmed by the governing body of a municipality to be a member of a board, commission, authority, or council which is created or authorized by general law, special act, or municipal charter.

(2) By resolution specifying facts sufficient to advise a municipal board member as to the basis for his or her suspension or removal and after reasonable notice to the municipal board member and an opportunity for the member to be heard, a governing body of the municipality may:

(a) Suspend or remove from office any municipal board member for malfeasance, misfeasance, neglect of duty, habitual drunkenness, incompetence, or permanent inability to perform his or her official duties.

(b) Suspend from office any municipal board member who is arrested for a felony or for a misdemeanor related to the duties of office or who is indicted or informed against for the commission of any federal felony or misdemeanor or state felony or misdemeanor.

(3) In addition to the authority granted under subsection (2), the governing body of a municipality may remove from office any municipal board member who is convicted of a federal felony or misdemeanor or state felony or misdemeanor. For the purposes of this subsection, any person who pleads guilty or nolo contendere or who is found guilty shall be deemed to have been convicted, notwithstanding a suspension of sentence or a withholding of adjudication.

(4) A suspended municipal board member may, at any time before his or her removal, be reinstated by the governing body of the municipality in its discretion.

(5) The suspension of a municipal board member by the governing body of a municipality creates a temporary vacancy in such office during the suspension. Any temporary vacancy in office created by the suspension of a municipal board member under the provisions of this section shall be filled by a temporary appointment to such office for the period of the suspension, not to extend beyond the term of the suspended municipal board member. Such temporary appointment shall be made in the same manner and by the same authority as provided by law for the filling of a permanent vacancy in such office. If no provision for filling a permanent vacancy in such office is provided by law, special act, or municipal charter, the temporary appointment shall be made by the governing body of the municipality.

(6) No municipal board member who has been suspended from office under this section may perform any official act, duty, or function during his or her suspension; receive any pay or allowance during his or her suspension; or be entitled to any of the emoluments or privileges of his or her office during suspension.

(7) If the municipal board member is acquitted or found not guilty or is otherwise cleared of the charges which were the basis of the arrest, indictment, or information by reason of which he or she was suspended under the provisions of this section, the governing body of the municipality shall forthwith revoke the suspension and restore such municipal board member to office; and the member shall be entitled to and be paid full back pay and other emoluments or allowances to which he or she would have been entitled for the full period of time of the suspension. If, during the suspension, the term of office of the municipal board member expires and a successor is either appointed or confirmed, such back pay, emoluments, or allowances shall only be paid for the duration of the term of office during which the municipal board member was suspended under the provisions of this section, and he or she shall not be reinstated.

(8) This section applies in the absence of a charter provision.

History.—s. 1, ch. 84-245; s. 718, ch. 95-147.

112.51 Municipal officers; suspension; removal from office.—

(1) By executive order stating the grounds for the suspension and filed with the Secretary of State, the Governor may suspend from office any elected or appointed municipal official for malfeasance, misfeasance, neglect of duty, habitual drunkenness, incompetence, or permanent inability to perform official duties.

(2) Whenever any elected or appointed municipal official is arrested for a felony or for a misdemeanor related to the duties of office or is indicted or informed against for the commission of a

federal felony or misdemeanor or state felony or misdemeanor, the Governor has the power to suspend such municipal official from office.

(3) The suspension of such official by the Governor creates a temporary vacancy in such office during the suspension. Any temporary vacancy in office created by suspension of an official under the provisions of this section shall be filled by a temporary appointment to such office for the period of the suspension. Such temporary appointment shall be made in the same manner and by the same authority by which a permanent vacancy in such office is filled as provided by law. If no provision for filling a permanent vacancy in such office is provided by law, the temporary appointment shall be made by the Governor.

(4) No municipal official who has been suspended from office under this section may perform any official act, duty, or function during his or her suspension; receive any pay or allowance during his or her suspension; or be entitled to any of the emoluments or privileges of his or her office during suspension.

(5) If the municipal official is convicted of any of the charges contained in the indictment or information by reason of which he or she was suspended under the provisions of this section, the Governor shall remove such municipal official from office. If a person was selected to fill the temporary vacancy pursuant to subsection (3), that person shall serve the remaining balance, if any, of the removed official's term of office. Otherwise, any vacancy created by the removal shall be filled as provided by law. For the purposes of this section, any person who pleads guilty or nolo contendere or who is found guilty shall be deemed to have been convicted, notwithstanding a suspension of sentence or a withholding of adjudication.

(6) If the municipal official is acquitted or found not guilty or is otherwise cleared of the charges which were the basis of the arrest, indictment, or information by reason of which he or she was suspended under the provisions of this section, then the Governor shall forthwith revoke the suspension and restore such municipal official to office; and the official shall be entitled to and be paid full back pay and such other emoluments or allowances to which he or she would have been entitled for the full period of time of the suspension. If, during the suspension, the term of office of the municipal official expires and a successor is either appointed or elected, such back pay, emoluments, or allowances shall only be paid for the duration of the term of office during which the municipal official was suspended under the provisions of this section, and he or she shall not be reinstated.

112.511 Members of special district governing bodies; suspension; removal from office.—

(1) A member of the governing body of a special district, as defined in s. 189.012, who exercises the powers and duties of a state or a county officer, is subject to the Governor's power under s. 7(a), Art. IV of the State Constitution to suspend such officers.

(2) A member of the governing body of a special district, as defined in s. 189.012, who exercises powers and duties other than that of a state or county officer, is subject to the suspension and removal procedures under s. 112.51.

History.—s. 4, ch. 2014-22.

112.52 Removal of a public official when a method is not otherwise provided.—

(1) When a method for removal from office is not otherwise provided by the State Constitution or by law, the Governor may by executive order suspend from office an elected or appointed public official, by whatever title known, who is indicted or informed against for commission of any felony, or for any misdemeanor arising directly out of his or her official conduct or duties, and may fill the office by appointment for the period of suspension, not to extend beyond the term.

(2) During the period of the suspension, the public official shall not perform any official act, duty, or function or receive any pay, allowance, emolument, or privilege of office.

(3) If convicted, the public official may be removed from office by executive order of the Governor. For the purpose of this section, any person who pleads guilty or nolo contendere or who is found guilty shall be deemed to have been convicted, notwithstanding the suspension of sentence or the withholding of adjudication.

(4) If the public official is acquitted or found not guilty, or the charges are otherwise dismissed, the Governor shall by executive order revoke the suspension; and the public official shall be entitled to

full back pay and such other emoluments or allowances to which he or she would have been entitled had he or she not been suspended.

PART VI LAW ENFORCEMENT AND CORRECTIONAL OFFICERS

112.531 Definitions.

112.532 Law enforcement officers' and correctional officers' rights.

112.533 Receipt and processing of complaints.

112.534 Failure to comply; official misconduct.

112.535 Construction.

112.536 Requirements for maintaining a Brady identification system.

112.531 Definitions.—As used in this part, the term:

(1) "Brady identification system" means a list or identification, in whatever form, of the name or names of law enforcement officers or correctional officers about whom a prosecuting agency is in possession of impeachment evidence as defined by court decision, statute, or rule.

(2) "Correctional officer" means any person, other than a warden, who is appointed or employed full time or part time by the state or any political subdivision thereof whose primary responsibility is the supervision, protection, care, custody, or control of inmates within a correctional institution; and includes correctional probation officers, as defined in s. 943.10(3). However, the term "correctional officer" does not include any secretarial, clerical, or professionally trained personnel.

(3) "Law enforcement officer" means any person, other than a chief of police, who is employed full time or part time by any municipality or the state or any political subdivision thereof and whose primary responsibility is the prevention and detection of crime or the enforcement of the penal, traffic, or highway laws of this state; and includes any person who is appointed by the sheriff as a deputy sheriff under s. 30.07.

(4) "Prosecuting agency" means the Attorney General or an assistant attorney general, the statewide prosecutor or an assistant statewide prosecutor, a state attorney or an assistant state attorney, a city or county attorney, a special prosecutor, or any other person or entity charged with the prosecution of a criminal case.

History.—s. 1, ch. 74-274; s. 1, ch. 75-41; s. 34, ch. 77-104; s. 1, ch. 82-156; s. 1, ch. 89-223; s. 1, ch. 93-19; s. 3, ch. 2000-161; s. 2, ch. 2020-104; s. 1, ch. 2023-230.

112.532 Law enforcement officers' and correctional officers' rights.—All law enforcement officers and correctional officers employed by or appointed to a law enforcement agency or a correctional agency shall have the following rights and privileges:

(1) **RIGHTS OF LAW ENFORCEMENT OFFICERS AND CORRECTIONAL OFFICERS WHILE UNDER INVESTIGATION.**—Whenever a law enforcement officer or correctional officer is under investigation and subject to interrogation by members of his or her agency for any reason that could lead to disciplinary action, suspension, demotion, or dismissal, the interrogation must be conducted under the following conditions:

(a) The interrogation shall be conducted at a reasonable hour, preferably at a time when the law enforcement officer or correctional officer is on duty, unless the seriousness of the investigation is of such a degree that immediate action is required.

(b) The interrogation shall take place either at the office of the command of the investigating officer or at the office of the local precinct, police unit, or correctional unit in which the incident allegedly occurred, as designated by the investigating officer or agency.

(c) The law enforcement officer or correctional officer under investigation shall be informed of the rank, name, and command of the officer in charge of the investigation, the interrogating officer, and all persons present during the interrogation. All questions directed to the officer under interrogation shall be asked by or through one interrogator during any one investigative interrogation, unless specifically waived by the officer under investigation.

(d) The law enforcement officer or correctional officer under investigation must be informed of the nature of the investigation before any interrogation begins, and he or she must be informed of the names of all complainants. All identifiable witnesses shall be interviewed, whenever possible, prior to the beginning of the investigative interview of the accused officer. The complaint, all witness statements, including all other existing subject officer statements, and all other existing evidence,

including, but not limited to, incident reports, GPS locator information, and audio or video recordings relating to the incident under investigation, must be provided to each officer who is the subject of the complaint before the beginning of any investigative interview of that officer. An officer, after being informed of the right to review witness statements, may voluntarily waive the provisions of this paragraph and provide a voluntary statement at any time.

(e) Interrogating sessions shall be for reasonable periods and shall be timed to allow for such personal necessities and rest periods as are reasonably necessary.

(f) The law enforcement officer or correctional officer under interrogation may not be subjected to offensive language or be threatened with transfer, dismissal, or disciplinary action. A promise or reward may not be made as an inducement to answer any questions.

(g) The formal interrogation of a law enforcement officer or correctional officer, including all recess periods, must be recorded on audio tape, or otherwise preserved in such a manner as to allow a transcript to be prepared, and there shall be no unrecorded questions or statements. Upon the request of the interrogated officer, a copy of any recording of the interrogation session must be made available to the interrogated officer no later than 72 hours, excluding holidays and weekends, following said interrogation.

(h) If the law enforcement officer or correctional officer under interrogation is under arrest, or is likely to be placed under arrest as a result of the interrogation, he or she shall be completely informed of all his or her rights before commencing the interrogation.

(i) At the request of any law enforcement officer or correctional officer under investigation, he or she has the right to be represented by counsel or any other representative of his or her choice, who shall be present at all times during the interrogation whenever the interrogation relates to the officer's continued fitness for law enforcement or correctional service.

(j) Notwithstanding the rights and privileges provided by this part, this part does not limit the right of an agency to discipline or to pursue criminal charges against an officer.

(2) COMPLAINT REVIEW BOARDS.—A complaint review board shall be composed of three members: One member selected by the chief administrator of the agency or unit; one member selected by the aggrieved officer; and a third member to be selected by the other two members. Agencies or units having more than 100 law enforcement officers or correctional officers shall utilize a five-member board, with two members being selected by the administrator, two members being selected by the aggrieved officer, and the fifth member being selected by the other four members. The board members shall be law enforcement officers or correctional officers selected from any state, county, or municipal agency within the county. There shall be a board for law enforcement officers and a board for correctional officers whose members shall be from the same discipline as the aggrieved officer. The provisions of this subsection shall not apply to sheriffs or deputy sheriffs.

(3) CIVIL SUITS BROUGHT BY LAW ENFORCEMENT OFFICERS OR CORRECTIONAL OFFICERS.—Every law enforcement officer or correctional officer shall have the right to bring civil suit against any person, group of persons, or organization or corporation, or the head of such organization or corporation, for damages, either pecuniary or otherwise, suffered during the performance of the officer's official duties, for abridgment of the officer's civil rights arising out of the officer's performance of official duties, or for filing a complaint against the officer which the person knew was false when it was filed. This section does not establish a separate civil action against the officer's employing law enforcement agency for the investigation and processing of a complaint filed under this part.

(4) NOTICE OF DISCIPLINARY ACTION; COPY OF AND OPPORTUNITY TO ADDRESS CONTENTS OF INVESTIGATIVE FILE; CONFIDENTIALITY.—

(a) A dismissal, demotion, transfer, reassignment, or other personnel action that might result in loss of pay or benefits or that might otherwise be considered a punitive measure may not be taken against any law enforcement officer or correctional officer unless the law enforcement officer or correctional officer is notified of the action and the reason or reasons for the action before the effective date of the action.

(b) Notwithstanding s. 112.533(2), whenever a law enforcement officer or correctional officer is subject to disciplinary action consisting of suspension with loss of pay, demotion, or dismissal, the officer or the officer's representative shall, upon request, be provided with a complete copy of the investigative file, including the final investigative report and all evidence, and with the opportunity to

address the findings in the report with the employing law enforcement agency before imposing disciplinary action consisting of suspension with loss of pay, demotion, or dismissal. The contents of the complaint and investigation shall remain confidential until such time as the employing law enforcement agency makes a final determination whether or not to issue a notice of disciplinary action consisting of suspension with loss of pay, demotion, or dismissal. This paragraph does not provide law enforcement officers with a property interest or expectancy of continued employment, employment, or appointment as a law enforcement officer.

(5) **RETALIATION FOR EXERCISING RIGHTS.**—No law enforcement officer or correctional officer shall be discharged; disciplined; demoted; denied promotion, transfer, or reassignment; or otherwise discriminated against in regard to his or her employment or appointment, or be threatened with any such treatment, by reason of his or her exercise of the rights granted by this part.

(6) **LIMITATIONS PERIOD FOR DISCIPLINARY ACTIONS.**—

(a) Except as provided in this subsection, disciplinary action, suspension, demotion, or dismissal may not be undertaken by an agency against a law enforcement officer or correctional officer for any act, omission, or other allegation or complaint of misconduct, regardless of the origin of the allegation or complaint, if the investigation of the allegation or complaint is not completed within 180 days after the date the agency receives notice of the allegation or complaint by a person authorized by the agency to initiate an investigation of the misconduct. If the agency determines that disciplinary action is appropriate, it shall complete its investigation and give notice in writing to the law enforcement officer or correctional officer of its intent to proceed with disciplinary action, along with a proposal of the specific action sought, including length of suspension, if applicable. Notice to the officer must be provided within 180 days after the date the agency received notice of the alleged misconduct, regardless of the origin of the allegation or complaint, except as follows:

1. The running of the limitations period may be tolled for a period specified in a written waiver of the limitation by the law enforcement officer or correctional officer.

2. The running of the limitations period is tolled during the time that any criminal investigation or prosecution is pending in connection with the act, omission, or other allegation of misconduct.

3. If the investigation involves an officer who is incapacitated or otherwise unavailable, the running of the limitations period is tolled during the period of incapacitation or unavailability.

4. In a multijurisdictional investigation, the limitations period may be extended for a period of time reasonably necessary to facilitate the coordination of the agencies involved.

5. The running of the limitations period may be tolled for emergencies or natural disasters during the time period wherein the Governor has declared a state of emergency within the jurisdictional boundaries of the concerned agency.

6. The running of the limitations period is tolled during the time that the officer's compliance hearing proceeding is continuing beginning with the filing of the notice of violation and a request for a hearing and ending with the written determination of the compliance review panel or upon the violation being remedied by the agency.

(b) An investigation against a law enforcement officer or correctional officer may be reopened, notwithstanding the limitations period for commencing disciplinary action, demotion, or dismissal, if:

1. Significant new evidence has been discovered that is likely to affect the outcome of the investigation.

2. The evidence could not have reasonably been discovered in the normal course of investigation or the evidence resulted from the predisciplinary response of the officer.

Any disciplinary action resulting from an investigation that is reopened pursuant to this paragraph must be completed within 90 days after the date the investigation is reopened.

(7) **RIGHTS OF LAW ENFORCEMENT OFFICERS AND CORRECTIONAL OFFICERS RELATING TO A BRADY IDENTIFICATION SYSTEM.**—

(a) A law enforcement officer or correctional officer has all of the rights specified in s. 112.536 relating to the inclusion of the name and information of the officer in a Brady identification system.

(b) A law enforcement officer or correctional officer may not be discharged, suspended, demoted, or otherwise disciplined, or threatened with discharge, suspension, demotion, or other discipline, by his or her employing agency solely as a result of a prosecuting agency determining that the officer's name and information should be included in a Brady identification system. This paragraph does not prohibit an officer's employing agency from discharging, suspending, demoting, or taking other

disciplinary action against a law enforcement officer or correctional officer based on the underlying actions of the officer which resulted in his or her name being included in a Brady identification system. If a collective bargaining agreement applies, the actions taken by the officer's employing agency must conform to the rules and procedures adopted by the collective bargaining agreement.

History.—s. 2, ch. 74-274; s. 2, ch. 82-156; s. 2, ch. 93-19; s. 721, ch. 95-147; s. 1, ch. 98-249; s. 1, ch. 2000-184; s. 1, ch. 2003-149; s. 3, ch. 2005-100; s. 1, ch. 2007-110; s. 1, ch. 2009-200; s. 3, ch. 2020-104; s. 2, ch. 2023-230.

112.533 Receipt and processing of complaints.—

(1)(a) Every law enforcement agency and correctional agency shall establish and put into operation a system for the receipt, investigation, and determination of complaints received by such agency from any person, which shall be the procedure for investigating a complaint against a law enforcement and correctional officer and for determining whether to proceed with disciplinary action or to file disciplinary charges, notwithstanding any other law or ordinance to the contrary. When law enforcement or correctional agency personnel assigned the responsibility of investigating the complaint prepare an investigative report or summary, regardless of form, the person preparing the report shall, at the time the report is completed:

1. Verify pursuant to s. 92.525 that the contents of the report are true and accurate based upon the person's personal knowledge, information, and belief.

2. Include the following statement, sworn and subscribed to pursuant to s. 92.525:

"I, the undersigned, do hereby swear, under penalty of perjury, that, to the best of my personal knowledge, information, and belief, I have not knowingly or willfully deprived, or allowed another to deprive, the subject of the investigation of any of the rights contained in ss. 112.532 and 112.533, Florida Statutes."

The requirements of subparagraphs 1. and 2. shall be completed prior to the determination as to whether to proceed with disciplinary action or to file disciplinary charges. This subsection does not preclude the Criminal Justice Standards and Training Commission from exercising its authority under chapter 943.

(b)1. Any political subdivision that initiates or receives a complaint against a law enforcement officer or correctional officer must within 5 business days forward the complaint to the employing agency of the officer who is the subject of the complaint for review or investigation.

2. For purposes of this paragraph, the term "political subdivision" means a separate agency or unit of local government created or established by law or ordinance and the officers thereof and includes, but is not limited to, an authority, board, branch, bureau, city, commission, consolidated government, county, department, district, institution, metropolitan government, municipality, office, officer, public corporation, town, or village.

Notwithstanding the rights and privileges provided under this part or any provisions provided in a collective bargaining agreement, the agency head or the agency head's designee may request a sworn or certified investigator from a separate law enforcement or correctional agency to conduct the investigation when a conflict is identified with having an investigator conduct the investigation of an officer of the same employing agency; the employing agency does not have an investigator trained to conduct such investigations; or the agency's investigator is the subject of, or a witness in, the investigation and such agency is composed of any combination of 35 or fewer law enforcement officers or correctional officers. The employing agency must document the identified conflict. Upon completion of the investigation, the investigator shall present the findings without any disciplinary recommendation to the employing agency.

(2)(a) A complaint filed against a law enforcement officer or correctional officer with a law enforcement agency or correctional agency and all information obtained pursuant to the investigation by the agency of the complaint is confidential and exempt from the provisions of s. 119.07(1) until the investigation ceases to be active, or until the agency head or the agency head's designee provides written notice to the officer who is the subject of the complaint, either personally or by mail, that the agency has either:

1. Concluded the investigation with a finding not to proceed with disciplinary action or to file charges; or

2. Concluded the investigation with a finding to proceed with disciplinary action or to file charges. Notwithstanding the foregoing provisions, the officer who is the subject of the complaint, along with legal counsel or any other representative of his or her choice, may review the complaint and all statements regardless of form made by the complainant and witnesses and all existing evidence, including, but not limited to, incident reports, analyses, GPS locator information, and audio or video

recordings relating to the investigation, immediately before beginning the investigative interview. All statements, regardless of form, provided by a law enforcement officer or correctional officer during the course of a complaint investigation of that officer shall be made under oath pursuant to s. 92.525. Knowingly false statements given by a law enforcement officer or correctional officer under investigation may subject the law enforcement officer or correctional officer to prosecution for perjury. If a witness to a complaint is incarcerated in a correctional facility and may be under the supervision of, or have contact with, the officer under investigation, only the names and written statements of the complainant and nonincarcerated witnesses may be reviewed by the officer under investigation immediately prior to the beginning of the investigative interview.

(b) This subsection does not apply to any public record which is exempt from public disclosure pursuant to chapter 119. For the purposes of this subsection, an investigation shall be considered active as long as it is continuing with a reasonable, good faith anticipation that an administrative finding will be made in the foreseeable future. An investigation shall be presumed to be inactive if no finding is made within 45 days after the complaint is filed.

(c) Notwithstanding other provisions of this section, the complaint and information shall be available to law enforcement agencies, correctional agencies, and state attorneys in the conduct of a lawful criminal investigation.

(3) A law enforcement officer or correctional officer has the right to review his or her official personnel file at any reasonable time under the supervision of the designated records custodian. A law enforcement officer or correctional officer may attach to the file a concise statement in response to any items included in the file identified by the officer as derogatory, and copies of such items must be made available to the officer.

(4) Any person who is a participant in an internal investigation, including the complainant, the subject of the investigation and the subject's legal counsel or a representative of his or her choice, the investigator conducting the investigation, and any witnesses in the investigation, who willfully discloses any information obtained pursuant to the agency's investigation, including, but not limited to, the identity of the officer under investigation, the nature of the questions asked, information revealed, or documents furnished in connection with a confidential internal investigation of an agency, before such complaint, document, action, or proceeding becomes a public record as provided in this section commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. However, this subsection does not limit a law enforcement or correctional officer's ability to gain access to information under paragraph (2)(a). Additionally, a sheriff, police chief, or other head of a law enforcement agency, or his or her designee, is not precluded by this section from acknowledging the existence of a complaint and the fact that an investigation is underway.

112.534 Failure to comply; official misconduct.—

(1) If any law enforcement agency or correctional agency, including investigators in its internal affairs or professional standards division, or an assigned investigating supervisor, intentionally fails to comply with the requirements of this part, the following procedures apply. For purposes of this section, the term “law enforcement officer” or “correctional officer” includes the officer's representative or legal counsel, except in application of paragraph (d).

(a) The law enforcement officer or correctional officer shall advise the investigator of the intentional violation of the requirements of this part which is alleged to have occurred. The officer's notice of violation is sufficient to notify the investigator of the requirements of this part which are alleged to have been violated and the factual basis of each violation.

(b) If the investigator fails to cure the violation or continues the violation after being notified by the law enforcement officer or correctional officer, the officer shall request the agency head or his or her designee be informed of the alleged intentional violation. Once this request is made, the interview of the officer shall cease, and the officer's refusal to respond to further investigative questions does not constitute insubordination or any similar type of policy violation.

(c) Thereafter, within 3 working days, a written notice of violation and request for a compliance review hearing shall be filed with the agency head or designee which must contain sufficient information to identify the requirements of this part which are alleged to have been violated and the

factual basis of each violation. All evidence related to the investigation must be preserved for review and presentation at the compliance review hearing. For purposes of confidentiality, the compliance review panel hearing shall be considered part of the original investigation.

(d) Unless otherwise remedied by the agency before the hearing, a compliance review hearing must be conducted within 10 working days after the request for a compliance review hearing is filed, unless, by mutual agreement of the officer and agency or for extraordinary reasons, an alternate date is chosen. The panel shall review the circumstances and facts surrounding the alleged intentional violation. The compliance review panel shall be made up of three members: one member selected by the agency head, one member selected by the officer filing the request, and a third member to be selected by the other two members. The review panel members shall be law enforcement officers or correctional officers who are active from the same law enforcement discipline as the officer requesting the hearing. Panel members may be selected from any state, county, or municipal agency within the county in which the officer works. The compliance review hearing shall be conducted in the county in which the officer works.

(e) It is the responsibility of the compliance review panel to determine whether or not the investigator or agency intentionally violated the requirements provided under this part. It may hear evidence, review relevant documents, and hear argument before making such a determination; however, all evidence received shall be strictly limited to the allegation under consideration and may not be related to the disciplinary charges pending against the officer. The investigative materials are considered confidential for purposes of the compliance review hearing and determination.

(f) The officer bears the burden of proof to establish that the violation of this part was intentional. The standard of proof for such a determination is by a preponderance of the evidence. The determination of the panel must be made at the conclusion of the hearing, in writing, and filed with the agency head and the officer.

(g) If the alleged violation is sustained as intentional by the compliance review panel, the agency head shall immediately remove the investigator from any further involvement with the investigation of the officer. Additionally, the agency head shall direct an investigation be initiated against the investigator determined to have intentionally violated the requirements provided under this part for purposes of agency disciplinary action. If that investigation is sustained, the sustained allegations against the investigator shall be forwarded to the Criminal Justice Standards and Training Commission for review as an act of official misconduct or misuse of position.

(2)(a) All the provisions of s. 838.022 shall apply to this part.

(b) The provisions of chapter 120 do not apply to this part.

112.535 Construction.—The provisions of chapter 93-19, Laws of Florida, shall not be construed to restrict or otherwise limit the discretion of the sheriff to take any disciplinary action, without limitation, against a deputy sheriff, including the demotion, reprimand, suspension, or dismissal thereof, nor to limit the right of the sheriff to appoint deputy sheriffs or to withdraw their appointment as provided in chapter 30. History.—s. 6, ch. 93-19.

112.536 Requirements for maintaining a Brady identification system.—

(1)(a) A prosecuting agency is not required to maintain a Brady identification system and may determine, in its discretion, that its obligations under the decision in *Brady v. Maryland*, 373 U.S. 83 (1963), are better fulfilled through any such procedure the prosecuting agency otherwise chooses to utilize.

(b) The employing agency of a law enforcement officer or correctional officer shall forward all sustained and finalized internal affairs complaints relevant to s. 90.608, s. 90.609, or s. 90.610 to the prosecuting agency in the circuit in which the employing agency is located to assist the prosecuting agency in complying with its obligations under the *Brady* decision. The employing agency of a law enforcement officer or correctional officer must notify the law enforcement officer or correctional officer of any sustained and finalized internal affairs complaints that are sent to a prosecuting agency as required under this section. If the law enforcement officer or correctional officer is no longer

employed by the employing agency, the employing agency must mail through United States mail such notification to the officer's last known address on file with the employing agency.

(2) A prosecuting agency that maintains a Brady identification system must adopt written policies that, at a minimum, require all of the following:

(a) The right of a law enforcement officer or correctional officer to receive written notice by United States mail or e-mail, which must be sent to the officer's current or last known employing agency before or contemporaneously with the prosecuting agency including the name and information of the officer in the Brady identification system, unless a pending criminal case requires immediate disclosure or providing such notice to the officer would jeopardize a pending investigation.

(b) The right of a law enforcement officer or correctional officer to request reconsideration of the prosecuting agency's decision to include the name and information of the officer in a Brady identification system and his or her right to submit documents and evidence in support of the request for reconsideration.

(3) If, after a request for reconsideration is made under paragraph (2)(b), the prosecuting agency subsequently determines that the law enforcement officer or correctional officer should not be included in a Brady identification system, the prosecuting agency must do all of the following:

(a) Remove such officer from the Brady identification system.

(b) Send written notice by United States mail or e-mail to the law enforcement officer or correctional officer at the officer's current or last known employing agency confirming that the officer's name has been removed from the Brady identification system.

(c) If the name of a law enforcement officer or correctional officer was previously included in a Brady identification system and his or her name was disclosed in a pending criminal case, notify all parties to the pending criminal case of the officer's removal from the Brady identification system.

(4) If a prosecuting agency fails to comply with this section, a law enforcement officer or correctional officer may petition a court for a writ of mandamus to compel the prosecuting agency to comply with the requirements of this section. The court's scope of review in such matter is limited to whether the prosecuting agency acted in accordance with the procedural requirements of this section and may not include a judicial review of the evidence or merits that were the basis for the inclusion of the officer's name in a Brady identification system. This section does not preclude a law enforcement officer or correctional officer from pursuing any other available administrative or judicial remedies.

(5) This section does not:

(a) Require a prosecuting agency to give notice to or provide an opportunity for review and input from a law enforcement officer or correctional officer if the information in a Brady identification system is:

1. A criminal conviction that may be used for impeachment under s. 90.610; or

2. A sustained and finalized internal affairs complaint that may be used for impeachment under s. 90.608, s. 90.609, or s. 90.610;

(b) Limit the duty of a prosecuting agency to produce *Brady* evidence in all cases as required by the United States Constitution, the State Constitution, and the Florida Rules of Criminal Procedure and relevant case law;

(c) Limit or restrict a prosecuting agency's ability to remove the name and information of a law enforcement officer or correctional officer from a Brady identification system if, at any time, the prosecuting agency determines that the name and information of the officer are no longer proper for identification; or

(d) Create a private cause of action against a prosecuting agency or any employee of a prosecuting agency, other than the writ of mandamus authorized in subsection (4).

112.60 Short title.—This part may be cited as the “Florida Protection of Public Employee Retirement Benefits Act.”

History.—s. 1, ch. 78-170.

112.61 Legislative intent.—It is the intent of the Legislature in implementing the provisions of s. 14, Art. X of the State Constitution, relating to governmental retirement systems, that such retirement systems or plans be managed, administered, operated, and funded in such a manner as to maximize the protection of public employee retirement benefits. Inherent in this intent is the recognition that the pension liabilities attributable to the benefits promised public employees be fairly, orderly, and equitably funded by the current, as well as future, taxpayers. Accordingly, except as herein provided, it is the intent of this act to prohibit the use of any procedure, methodology, or assumptions the effect of which is to transfer to future taxpayers any portion of the costs which may reasonably have been expected to be paid by the current taxpayers. Actuarial experience may be used to fund additional benefits, provided that the present value of such benefits does not exceed the net actuarial experience accumulated from all sources of gains and losses. This act hereby establishes minimum standards for the operation and funding of public employee retirement systems and plans.

History.—s. 1, ch. 78-170; s. 13, ch. 79-183; s. 1, ch. 83-37; s. 3, ch. 94-259.

The provisions of this part supplement and, to the extent there are conflicts, prevail over the provisions of existing laws and local ordinances relating to such retirement systems or plans.

112.63 Actuarial reports and statements of actuarial impact; review.—

- (1) Each retirement system or plan subject to the provisions of this act shall have regularly scheduled actuarial reports prepared and certified by an enrolled actuary. The actuarial report shall consist of, but is not limited to, the following:
 - (a) Adequacy of employer and employee contribution rates in meeting levels of employee benefits provided in the system and changes, if any, needed in such rates to achieve or preserve a level of funding deemed adequate to enable payment through the indefinite future of the benefit amounts prescribed by the system, which shall include a valuation of present assets, based on statement value, and prospective assets and liabilities of the system and the extent of unfunded accrued liabilities, if any.

 - (f) Effective January 1, 2016, the mortality tables used in either of the two most recently published actuarial valuation reports of the Florida Retirement System, including the projection scale for mortality improvement. Appropriate risk and collar adjustments must be made based on plan demographics. The tables must be used for assumptions for preretirement and postretirement mortality.
 - (g) A statement by the enrolled actuary that the report is complete and accurate and that in his or her opinion the techniques and assumptions used are reasonable and meet the requirements and intent of this act.

The actuarial cost methods utilized for establishing the amount of the annual actuarial normal cost to support the promised benefits shall only be those methods approved in the Employee Retirement Income Security Act of 1974 and as permitted under regulations prescribed by the Secretary of the Treasury.

(2) The frequency of actuarial reports must be at least every 3 years commencing from the last actuarial report of the plan or system. The results of each actuarial report shall be filed with the plan administrator within 60 days of certification. Thereafter, the results of each actuarial report shall be made available for inspection upon request. Additionally, each retirement system or plan covered by this act which is not administered directly by the Department of Management Services shall furnish a copy of each actuarial report to the Department of Management Services within 60 days after receipt from the actuary. The requirements of this section are supplemental to actuarial valuations necessary to comply with the requirements of s. 218.39.

(3) No unit of local government shall agree to a proposed change in retirement benefits unless the administrator of the system, prior to adoption of the change by the governing body, and prior to the last public hearing thereon, has issued a statement of the actuarial impact of the proposed change upon the local retirement system, consistent with the actuarial review, and has furnished a copy of

such statement to the division. Such statement shall also indicate whether the proposed changes are in compliance with s. 14, Art. X of the State Constitution and with s. 112.64.

(4) Upon receipt, pursuant to subsection (2), of an actuarial report, or, pursuant to subsection (3), of a statement of actuarial impact, the Department of Management Services shall acknowledge such receipt, but shall only review and comment on each retirement system's or plan's actuarial valuations at least on a triennial basis.

(a) If the department finds that the actuarial valuation is not complete, accurate, or based on reasonable assumptions or otherwise materially fails to satisfy the requirements of this part; requires additional material information necessary to complete its review of the actuarial valuation of a system or plan or material information necessary to satisfy the duties of the department pursuant to s. 112.665(1); or does not receive the actuarial report or statement of actuarial impact, the department shall notify the administrator of the affected retirement system or plan and the affected governmental entity and request appropriate adjustment, the additional material information, or the required report or statement. The notification must inform the administrator and the affected governmental entity of the consequences for failing to comply with the requirements of this subsection.

(b) If, after a reasonable period of time, a satisfactory adjustment is not made or the report, statement, or additional material information is not provided, the department may notify the Department of Revenue and the Department of Financial Services of the noncompliance, and the Department of Revenue and the Department of Financial Services shall withhold any funds not pledged for satisfaction of bond debt service which are payable to the affected governmental entity until the adjustment is made or the report, statement, or additional material information is provided to the department. The Department of Management Services shall specify the date such action is to begin and notify the Department of Revenue, the Department of Financial Services, and the affected governmental entity 30 days before the specified date.

(c) Within 21 days after receipt of the notice, the affected governmental entity may petition the Department of Management Services for a hearing under ss. 120.569 and 120.57. The Department of Revenue and the Department of Financial Services may not be parties to the hearing, but may request to intervene if requested by the Department of Management Services or if the Department of Revenue or the Department of Financial Services determines its interests may be adversely affected by the hearing.

1. If the administrative law judge recommends in favor of the department, the department shall perform an actuarial review, prepare the statement of actuarial impact, or collect the requested material information. The cost to the department of performing the actuarial review, preparing the statement, or collecting the requested material information shall be charged to the affected governmental entity whose employees are covered by the retirement system or plan. If payment is not received by the department within 60 days after the affected governmental entity receives the request for payment, the department shall certify to the Department of Revenue and the Department of Financial Services the amount due, and the Department of Revenue and the Department of Financial Services shall pay such amount to the Department of Management Services from funds not pledged for satisfaction of bond debt service which are payable to the affected governmental entity.

2. If the administrative law judge recommends in favor of the affected governmental entity and the department performs an actuarial review, prepares the statement of actuarial impact, or collects the requested material information, the cost to the department shall be paid by the Department of Management Services.

(d) In the case of an affected special district, the Department of Management Services shall also notify the Department of Economic Opportunity. Upon receipt of notification, the Department of Economic Opportunity shall proceed pursuant to s. 189.067.

1. Failure of a special district to provide a required report or statement, to make appropriate adjustments, or to provide additional material information after the procedures specified in s. 189.067(1) are exhausted shall be deemed final action by the special district.

2. The Department of Management Services may notify the Department of Economic Opportunity of those special districts that failed to come into compliance. Upon receipt of notification, the Department of Economic Opportunity shall proceed pursuant to s. 189.067(4).

(5) Payments made to the fund as required by this chapter shall be based on the normal and past service costs contained in the most recent actuarial valuation, subject to being state-accepted.

(6) Beginning July 1, 1980, each retirement system or plan of a unit of local government shall maintain, in accurate and accessible form, the following information:

(a) For each active and inactive member of the system, a number or other means of identification; date of birth; sex; date of employment; period of credited service, split, if required, between prior service and current service; and occupational classification.

(b) For each active member, current pay rate, cumulative contributions together with accumulated interest, if credited, age at entry into system, and current rate of contribution.

(c) For each inactive member, average final compensation or equivalent and age at which deferred benefit is to begin.

(d) For each retired member and other beneficiary, a number or other means of identification, date of birth, sex, beginning date of benefit, type of retirement and amount of monthly benefit, and type of survivor benefit.

112.64 Administration of funds; amortization of unfunded liability.—

(1) Employee contributions shall be deposited in the retirement system or plan at least monthly. Employer contributions shall be deposited at least quarterly; however, any revenues received from any source by an employer which are specifically collected for the purpose of allocation for deposit into a retirement system or plan shall be so deposited within 30 days of receipt by the employer. All employers and employees participating in the Florida Retirement System and other existing retirement systems which are administered by the Department of Management Services shall continue to make contributions at least monthly.

(2) From and after October 1, 1980, for those plans in existence on October 1, 1980, the total contributions to the retirement system or plan shall be sufficient to meet the normal cost of the retirement system or plan and to amortize the unfunded liability, if any, within 40 years; however, nothing contained in this subsection permits any retirement system or plan to amortize its unfunded liabilities over a period longer than that which remains under its current amortization schedule.

(3) For a retirement system or plan which comes into existence after October 1, 1980, the unfunded liability, if any, shall be amortized within 40 years of the first plan year.

(4) The net increase, if any, in unfunded liability under the plan arising from significant plan amendments adopted, changes in actuarial assumptions, changes in funding methods, or actuarial gains or losses shall be amortized within 30 plan years.

(5)(a) If the amortization schedule for unfunded liability is to be based on a contribution derived in whole or in part from a percentage of the payroll of the system or plan membership, the assumption as to payroll growth shall not exceed the average payroll growth for the 10 years prior to the latest actuarial valuation of the system or plan unless a transfer, merger, or consolidation of government functions or services occurs, in which case the assumptions for payroll growth may be adjusted and may be based on the membership of the retirement plan or system subsequent to such transfer, merger, or consolidation.

(b) An unfunded liability amortization schedule that includes a payroll growth assumption and is in existence on September 30, 1996, or is established thereafter, may be continued using the same payroll growth assumption, or one not exceeding the payroll growth assumption established at the start of the schedule, regardless of the actual 10-year average payroll growth rate, provided that:

1. The assumptions underlying the payroll growth rate are consistent with the actuarial assumptions used to determine unfunded liabilities, including, but not limited to, the inflation assumption; and

2. The payroll growth rate is reasonable and consistent with future expectations of payroll growth.

(c) An unfunded liability amortization schedule that does not include a payroll growth assumption and is in existence on September 30, 1996, or is established thereafter, may be continued or modified to include a payroll growth assumption, provided that such assumption does not exceed the 10-year average payroll growth rate as of the actuarial valuation date such change in the amortization schedule commences. Such schedule may be continued thereafter, subject to the reasonable and consistent requirements in paragraph (b).

(6)(a) Notwithstanding any other provision of this part, the proceeds of a pension liability surtax imposed by a county pursuant to s. 212.055, which is levied for the purpose of funding or amortizing the unfunded liability of a defined benefit retirement plan or system, excluding the Florida Retirement System, shall be actuarially recognized, and the county shall apply the present value of the total projected proceeds of the surtax to reduce the unfunded liability or to amortize it as part of the county's annual required contribution, beginning with the fiscal year immediately following approval of the pension liability surtax. The unfunded liability amortization schedule must be adjusted beginning with the fiscal year immediately following approval of the pension liability surtax and amortized over a period of 30 years.

(b) The payroll of all employees in classifications covered by a closed retirement plan or system that receives funds from the pension liability surtax must be included in determining the unfunded liability amortization schedule for the closed plan, regardless of the plan in which the employees currently participate, and the payroll growth assumption must be adjusted to reflect the payroll of those employees when calculating the amortization of the unfunded liability.

(7) Nothing contained in this section shall result in the allocation of chapter 175 or chapter 185 premium tax funds to any other retirement system or plan or for any other use than the exclusive purpose of providing retirement benefits for firefighters or police officers.

History.—s. 1, ch. 78-170; s. 16, ch. 79-183; s. 2, ch. 84-266; s. 2, ch. 96-368; s. 22, ch. 99-255; s. 1, ch. 2016-146.

112.65 Limitation of benefits.—

(1) **ESTABLISHMENT OF PROGRAM.**—The normal retirement benefit or pension payable to a retiree who becomes a member of any retirement system or plan and who has not previously participated in such plan, on or after January 1, 1980, may not exceed 100 percent of his or her average final compensation. However, this section does not apply to supplemental retirement benefits or to pension increases attributable to cost-of-living increases or adjustments. For the purposes of this section, benefits accruing in individual member accounts established under the investment plan established in part II of chapter 121 are considered supplemental benefits. As used in this section, the term “average final compensation” means the average of the member's earnings over a period of time which the governmental entity has established by statute, charter, or ordinance.

(2) **RESTRICTION.**—No member of a retirement system or plan covered by this part who is not now a member of such plan shall be allowed to receive a retirement benefit or pension which is in part or in whole based upon any service with respect to which the member is already receiving, or will receive in the future, a retirement benefit or pension from a different employer's retirement system or plan. This restriction does not apply to social security benefits or federal benefits under chapter 67, Title 10, United States Code.

History.—s. 1, ch. 78-170; s. 17, ch. 79-183; s. 4, ch. 88-382; s. 723, ch. 95-147; s. 2, ch. 99-392; s. 1, ch. 2000-169; s. 4, ch. 2011-68.

112.656 Fiduciary duties; certain officials included as fiduciaries.—

(1) A fiduciary shall discharge his or her duties with respect to a plan solely in the interest of the participants and beneficiaries for the exclusive purpose of providing benefits to participants and their beneficiaries and defraying reasonable expenses of administering the plan. Investment decisions must comply with s. 112.662.

(2) Each retirement system or plan shall have one or more named fiduciaries with authority to control and manage the administration and operation of the retirement system or plan. However, the plan administrator, and any officer, trustee, and custodian, and any counsel, accountant, and actuary of the retirement system or plan who is employed on a full-time basis, shall be included as fiduciaries of such system or plan.

(3) A retirement system or plan may purchase insurance for its named fiduciary to cover liability or losses incurred by reason of act or omission of the fiduciary.

History.—s. 18, ch. 79-183; s. 724, ch. 95-147; s. 3, ch. 2023-28.

112.658 Office of Program Policy Analysis and Government Accountability to determine compliance of the Florida Retirement System.—

(1) The Office of Program Policy Analysis and Government Accountability shall determine, through the examination of actuarial reviews, financial statements, and the practices and procedures of the Department of Management Services, the compliance of the Florida Retirement System with the provisions of this act.

(2) The Office of Program Policy Analysis and Government Accountability shall employ an independent consulting actuary who is an enrolled actuary as defined in this part to assist in the determination of compliance.

(3) The Office of Program Policy Analysis and Government Accountability shall employ the same actuarial standards to monitor the Department of Management Services as the Department of Management Services uses to monitor local governments.

History.—s. 18, ch. 79-183; s. 4, ch. 83-37; s. 3, ch. 96-368; s. 23, ch. 99-255.

112.66 General provisions.—The following general provisions relating to the operation and administration of any retirement system or plan covered by this part shall be applicable:

(1) The provisions of each retirement system or plan shall be contained in a written summary plan description, to be published on a biennial basis, in a manner calculated to be understood by the average plan participant and sufficiently accurate and comprehensive to apprise participants of their rights and obligations under the plan and which shall include a report of pertinent financial and actuarial information on the solvency and actuarial soundness of the plan. Such summary plan description shall be furnished to a member of the system or plan upon initial employment or participation in such plan and, thereafter, with each new biennial publication by the administrator. The administrator of each plan shall publish the summary plan description not later than 210 days after the end of the plan year in which publication is required. During those years when a complete summary plan description is not published, the administrator of each plan or retirement system shall publish a supplement of changes during the previous year to be furnished to new members of the system upon initial employment or participation in the plan.

(2) The plan description shall contain the following information: the name and type of administration of the plan; the name and address of the person designated as agent for the service of legal process, if such person is not the administrator; the name and address of the administrator; the names, titles, and addresses of any trustee or trustees, if they are persons different from the administrator; a description of the relevant provisions of any applicable collective bargaining agreement; the plan's requirements respecting eligibility for participation and benefits; a description of the provisions providing for nonforfeitable pension benefits; the circumstances which may result in disqualification, ineligibility, or denial or forfeiture of benefits; the source of financing of the plan and the identity of any organization through which benefits are provided; the date of the end of the plan year and whether the records of the plan are kept on a calendar, policy, or fiscal year basis; the procedures to be followed in presenting claims for benefits under the plan and the remedies available under the plan for the redress of claims which are denied in whole or in part; citations to the relevant provisions of state or local law and regulations governing the establishment, operation, and administration of the plan; a description of those provisions which specify the conditions under which pension benefits become vested pension benefits; and a report of pertinent financial and actuarial information on the solvency and actuarial soundness of the plan.

(3) Each retirement system or plan shall provide for a plan administrator.

(4) Any provision in a legal agreement, contract, or instrument which purports to relieve a fiduciary of a retirement system or plan from responsibility or liability is void as being against public policy.

(5) A civil action may be brought by a member or beneficiary of a retirement system or plan to recover benefits due to him or her under the terms of his or her retirement system or plan, to enforce the member's or beneficiary's rights, or to clarify his or her rights to future benefits under the terms of the retirement system or plan.

(6) The governmental entity responsible for the administration and operation of a retirement system or plan may sue or be sued as an entity.

(7) There shall be timely adequate written notice given to any member or beneficiary whose claim for benefits under the terms of his or her retirement system or plan has been denied, setting forth the specific reasons for such denial. Unless otherwise provided by law, the terms of the retirement system or plan shall provide for a full and fair review in those cases when a member or beneficiary has had his or her claim to benefits denied.

(8) The assets and liabilities of a retirement system or plan shall remain under the ultimate control of the governmental unit responsible for the retirement system or plan, unless an irrevocable trust has been or is established for the purpose of managing and controlling the retirement system or plan, in

which case the board of trustees shall have ultimate control over the assets and liabilities of the retirement system or plan. Nothing herein shall absolve the governmental unit from being ultimately responsible for the payment of its contribution to a retirement system or plan nor remove from the governmental unit the ultimate authority to adjust benefits consistent with the Florida Statutes and the retirement system or plan; however, nothing contained herein shall be construed to permit the creation of such irrevocable trust except by special act of the Legislature.

(9) The instrument or instruments, ordinance, or statute under which a retirement system or plan operates shall provide that all assets of such retirement system or plan shall be held in trust by the board of trustees or, when an irrevocable trust does not exist, by the governmental entity.

(10) No plan shall discriminate in its benefit formula based on color, national origin, sex, or marital status. Nothing herein shall preclude a plan from actuarially adjusting benefits or offering options based on age, early retirement, or disability.

(11) For noncollectively bargained service earned on or after July 1, 2011, or for service earned under collective bargaining agreements entered into on or after July 1, 2011, when calculating retirement benefits, a defined benefit pension system or plan sponsored by a local government may include up to 300 hours per year of overtime compensation as specified in the plan or collective bargaining agreement, but may not include any payments for accrued unused sick leave or annual leave. For those members whose terms and conditions of employment are collectively bargained, this subsection is effective for the first agreement entered into on or after July 1, 2011. This subsection does not apply to state-administered retirement systems or plans.

(12) An actuarial or cash surplus in any system or plan may not be used for any expenses outside the plan.

(13) A local government sponsor of a retirement system or plan may not reduce contributions required to fund the normal cost. This subsection does not apply to state-administered retirement systems or plans.

(14) The state is not liable for any obligation relating to any current or future shortfall in any local government retirement system or plan.

112.661 Investment policies.—Investment of the assets of any local retirement system or plan must be consistent with a written investment policy adopted by the board. Such policies shall be structured to maximize the financial return to the retirement system or plan consistent with the risks incumbent in each investment and shall be structured to establish and maintain an appropriate diversification of the retirement system or plan's assets.

(1) **SCOPE.**—The investment policy shall apply to funds under the control of the board.

(2) **INVESTMENT OBJECTIVES.**—The investment policy shall describe the investment objectives of the board.

(3) **PERFORMANCE MEASUREMENT.**—The investment policy shall specify performance measures as are appropriate for the nature and size of the assets within the board's custody.

(4) **INVESTMENT AND FIDUCIARY STANDARDS.**—The investment policy shall describe the level of prudence and ethical standards to be followed by the board in carrying out its investment activities with respect to funds described in this section. The board in performing its investment duties shall comply with the fiduciary standards set forth in the Employee Retirement Income Security Act of 1974 at 29 U.S.C. s. 1104(a)(1)(A)-(C). Except as provided in s. 112.662, in case of conflict with other provisions of law authorizing investments, the investment and fiduciary standards set forth in this section prevail.

(5) **AUTHORIZED INVESTMENTS.**—

(a) The investment policy shall list investments authorized by the board. Investments not listed in the investment policy are prohibited. Unless otherwise authorized by law or ordinance, the investment of the assets of any local retirement system or plan covered by this part shall be subject to the limitations and conditions set forth in s. 215.47(1)-(6), (8), (9), (11) and (17).

(b) If a local retirement system or plan has investments that, on October 1, 2000, either exceed the applicable limit or do not satisfy the applicable investment standard, such excess or investment not in compliance with the policy may be continued until such time as it is economically feasible to dispose of such investment. However, no additional investment may be made in the investment category which exceeds the applicable limit, unless authorized by law or ordinance.

(6) **MATURITY AND LIQUIDITY REQUIREMENTS.**—The investment policy shall require that the investment portfolio be structured in such manner as to provide sufficient liquidity to pay obligations as they come due. To that end, the investment policy should direct that, to the extent possible, an attempt will be made to match investment maturities with known cash needs and anticipated cash-flow requirements.

(7) **PORTFOLIO COMPOSITION.**—The investment policy shall establish guidelines for investments and limits on security issues, issuers, and maturities. Such guidelines shall be commensurate with the nature and size of the funds within the custody of the board.

(8) **RISK AND DIVERSIFICATION.**—The investment policy shall provide for appropriate diversification of the investment portfolio. Investments held should be diversified to the extent practicable to control the risk of loss resulting from overconcentration of assets in a specific maturity, issuer, instrument, dealer, or bank through which financial instruments are bought and sold. Diversification strategies within the established guidelines shall be reviewed and revised periodically, as deemed necessary by the board.

(9) **EXPECTED ANNUAL RATE OF RETURN.**—The investment policy shall require that, for each actuarial valuation, the board determine the total expected annual rate of return for the current year, for each of the next several years, and for the long term thereafter. This determination must be filed promptly with the Department of Management Services and with the plan's sponsor and the consulting actuary. The department shall use this determination only to notify the board, the plan's sponsor, and consulting actuary of material differences between the total expected annual rate of return and the actuarial assumed rate of return.

(10) **THIRD-PARTY CUSTODIAL AGREEMENTS.**—The investment policy shall provide appropriate arrangements for the holding of assets of the board. Securities should be held with a third party, and all securities purchased by, and all collateral obtained by, the board should be properly designated as an asset of the board. No withdrawal of securities, in whole or in part, shall be made from safekeeping except by an authorized member of the board or the board's designee. Securities transactions between a broker-dealer and the custodian involving purchase or sale of securities by transfer of money or securities must be made on a "delivery vs. payment" basis, if applicable, to ensure that the custodian will have the security or money, as appropriate, in hand at the conclusion of the transaction.

(11) **MASTER REPURCHASE AGREEMENT.**—The investment policy shall require all approved institutions and dealers transacting repurchase agreements to execute and perform as stated in the Master Repurchase Agreement. All repurchase agreement transactions shall adhere to the requirements of the Master Repurchase Agreement.

(12) **BID REQUIREMENT.**—The investment policy shall provide that the board determine the approximate maturity date based on cash-flow needs and market conditions, analyze and select one or more optimal types of investment, and competitively bid the security in question when feasible and appropriate. Except as otherwise required by law, the most economically advantageous bid must be selected.

(13) **INTERNAL CONTROLS.**—The investment policy shall provide for a system of internal controls and operational procedures. The board shall establish a system of internal controls which shall be in writing and made a part of the board's operational procedures. The policy shall provide for review of such controls by independent certified public accountants as part of any financial audit periodically required of the board's unit of local government. The internal controls should be designed to prevent losses of funds which might arise from fraud, error, misrepresentation by third parties, or imprudent actions by the board or employees of the unit of local government.

(14) **CONTINUING EDUCATION.**—The investment policy shall provide for the continuing education of the board members in matters relating to investments and the board's responsibilities.

(15) **REPORTING.**—The investment policy shall provide for appropriate annual or more frequent reporting of investment activities. To that end, the board shall prepare periodic reports for submission to the governing body of the unit of local government which shall include investments in the portfolio by class or type, book value, income earned, and market value as of the report date. Such reports shall be available to the public.

(16) **FILING OF INVESTMENT POLICY.**—Upon adoption by the board, the investment policy shall be promptly filed with the Department of Management Services and the plan's sponsor and consulting

actuary. The effective date of the investment policy, and any amendment thereto, shall be the 31st calendar day following the filing date with the plan sponsor.

(17) **VALUATION OF ILLIQUID INVESTMENTS.**—The investment policy shall provide for the valuation of illiquid investments for which a generally recognized market is not available or for which there is no consistent or generally accepted pricing mechanism. If those investments are utilized, the investment policy must include the criteria set forth in s. 215.47(6), except that submission to the Investment Advisory Council is not required. The investment policy shall require that, for each actuarial valuation, the board must verify the determination of the fair market value for those investments and ascertain that the determination complies with all applicable state and federal requirements. The investment policy shall require that the board disclose to the Department of Management Services and the plan's sponsor each such investment for which the fair market value is not provided.

112.662 Investments; exercising shareholder rights.—

(1) As used in this section, the term “pecuniary factor” means a factor that the plan administrator, named fiduciary, board, or board of trustees prudently determines is expected to have a material effect on the risk or returns of an investment based on appropriate investment horizons consistent with the investment objectives and funding policy of the retirement system or plan. The term does not include the consideration of the furtherance of any social, political, or ideological interests.

(2) Notwithstanding any other law, when deciding whether to invest and when investing the assets of any retirement system or plan, only pecuniary factors may be considered and the interests of the participants and beneficiaries of the system or plan may not be subordinated to other objectives, including sacrificing investment return or undertaking additional investment risk to promote any nonpecuniary factor. The weight given to any pecuniary factor must appropriately reflect a prudent assessment of its impact on risk or returns.

(3) Notwithstanding any other law, when deciding whether to exercise shareholder rights or when exercising such rights on behalf of a retirement system or plan, including the voting of proxies, only pecuniary factors may be considered and the interests of the participants and beneficiaries of the system or plan may not be subordinated to other objectives, including sacrificing investment return or undertaking additional investment risk to promote any nonpecuniary factor.

(4)(a) By December 15, 2023, and by December 15 of each odd-numbered year thereafter, each retirement system or plan shall file a comprehensive report detailing and reviewing the governance policies concerning decisionmaking in vote decisions and adherence to the fiduciary standards required of such retirement system or plan under this section, including the exercise of shareholder rights.

1. The State Board of Administration, on behalf of the Florida Retirement System, shall submit its report to the Governor, the Attorney General, the Chief Financial Officer, the President of the Senate, and the Speaker of the House of Representatives.

2. All other retirement systems or plans shall submit their reports to the Department of Management Services.

(b) By January 15, 2024, and by January 15 of each even-numbered year thereafter, the Department of Management Services shall submit a summary report to the Governor, the Attorney General, the Chief Financial Officer, the President of the Senate, and the Speaker of the House of Representatives that includes a summary of the reports submitted under paragraph (a) and identifies any relevant trends among such systems and plans.

(c) The Department of Management Services shall report incidents of noncompliance to the Attorney General, who may institute proceedings to enjoin any person found violating this section. If such action is successful, the Attorney General is entitled to reasonable attorney fees and costs.

(d) The Department of Management Services shall adopt rules to implement this subsection.

(5) This section does not apply to individual member-directed investment accounts established as part of a defined contribution plan under s. 401(a), s. 403(b), or s. 457 of the Internal Revenue Code.

History.—s. 5, ch. 2023-28.

112.664 Reporting standards for defined benefit retirement plans or systems.—

(1) In addition to the other reporting requirements of this part, within 60 days after receipt of the certified actuarial report submitted after the close of the plan year that ends on or after December 31, 2015, and thereafter in each year required under s. 112.63(2), each defined benefit retirement system or plan, excluding the Florida Retirement System, shall prepare and electronically report the following information to the Department of Management Services in a format prescribed by the department:

(a) Annual financial statements that comply with the requirements of the Governmental Accounting Standards Board's Statement No. 67, titled "Financial Reporting for Pension Plans," and Statement No. 68, titled "Accounting and Financial Reporting for Pensions," using mortality tables used in either of the two most recently published actuarial valuation reports of the Florida Retirement System, including the projection scale for mortality improvement. Appropriate risk and collar adjustments must be made based on plan demographics. The tables must be used for assumptions for preretirement and postretirement mortality.

(b) Annual financial statements similar to those required under paragraph (a), but which use an assumed rate of return on investments and an assumed discount rate that are equal to 200 basis points less than the plan's assumed rate of return.

(c) Information indicating the number of months or years for which the current market value of assets are adequate to sustain the payment of expected retirement benefits as determined in the plan's latest valuation and under the financial statements prepared pursuant to paragraphs (a) and (b).

(d) Information indicating the recommended contributions to the plan based on the plan's latest valuation, and the contributions necessary to fund the plan based on financial statements prepared pursuant to paragraphs (a) and (b), stated as an annual dollar value and a percentage of valuation payroll.

(2) Each defined benefit retirement system or plan, excluding the Florida Retirement System, and its plan sponsor:

(a) Shall provide the information required by this section and the funded ratio of the system or plan as determined in the most recent actuarial valuation as part of the disclosures required under s. 166.241(3) and on any website that contains budget information relating to the plan sponsor or actuarial or performance information related to the system or plan.

(b) That has a publicly available website shall provide on that website:

1. The plan's most recent financial statement and actuarial valuation, including a link to the Division of Retirement Actuarial Summary Fact Sheet for that plan.

2. For the previous 5 years, beginning with 2013, a side-by-side comparison of the plan's assumed rate of return compared to the actual rate of return, as well as the percentages of cash, equity, bond, and alternative investments in the plan portfolio.

3. Any charts and graphs of the data provided in subparagraphs 1. and 2., presented in a standardized, user-friendly, and easily interpretable format as prescribed by the department.

(3) The plan shall be deemed to be in noncompliance if it has not submitted the required information to the Department of Management Services within 60 days after receipt of the certified actuarial report for the plan year for which the information is required to be submitted to the department.

(a) The Department of Management Services may notify the Department of Revenue and the Department of Financial Services of the noncompliance, and the Department of Revenue and the Department of Financial Services shall withhold any funds not pledged for satisfaction of bond debt service and which are payable to the plan sponsor until the information is provided to the department. The department shall specify the date the withholding is to begin and notify the Department of Revenue, the Department of Financial Services, and the plan sponsor 30 days before the specified date.

(b) Within 21 days after receipt of the notice, the plan sponsor may petition the Department of Management Services for a hearing under ss. 120.569 and 120.57. The Department of Revenue and the Department of Financial Services may not be parties to the hearing, but may request to intervene if requested by the department or if the Department of Revenue or the Department of Financial Services determines its interests may be adversely affected by the hearing.

The fact sheet should provide a summary of the plan's most current actuarial data, minimum funding requirements as a percentage of pay, and a 5-year history of funded ratios. The fact sheet must include a brief explanation of each element in order to maximize the transparency of the local government plans. The fact sheet must also contain the information specified in s. 112.664(1). These documents shall be posted on the department's website. These rights include the right to bring suit against any individual, group of persons, association, organization, or corporation for damages, either monetary or otherwise, suffered during the performance of the firefighter’s official duties or for abridgment of the firefighter’s rights, civil or otherwise, arising out of the performance of his or her official duties.

175.021 Legislative declaration.—

(1) It is hereby declared by the Legislature that firefighters perform state and municipal functions; that it is their duty to extinguish fires, to protect life, and to protect property at their own risk and peril; that it is their duty to prevent conflagration and to continuously instruct school personnel, public

officials, and private citizens in the prevention of fires and firesafety; that they protect both life and property from local emergencies as defined in s. 252.34; and that their activities are vital to the public safety. It is further declared that firefighters employed by special fire control districts serve under the same circumstances and perform the same duties as firefighters employed by municipalities and should therefore be entitled to the benefits available under this chapter. Therefore, the Legislature declares that it is a proper and legitimate state purpose to provide a uniform retirement system for the benefit of firefighters and intends, in implementing the provisions of s. 14, Art. X of the State Constitution as they relate to municipal and special district firefighters' pension trust fund systems and plans, that such retirement systems or plans be managed, administered, operated, and funded in such manner as to maximize the protection of the firefighters' pension trust funds. Pursuant to s. 18, Art. VII of the State Constitution, the Legislature hereby determines and declares that this act fulfills an important state interest.

(2) This chapter hereby establishes, for all municipal and special district pension plans existing under this chapter, including chapter plans and local law plans, minimum benefits and minimum standards for the operation and funding of such plans, hereinafter referred to as firefighters' pension trust funds, which must be met as conditions precedent to the plan or plan sponsor's receiving a distribution of insurance premium tax revenues under s. 175.121. Minimum benefits and minimum standards for each plan may not be diminished by local charter, ordinance, or resolution or by special act of the Legislature and may not be reduced or offset by any other local, state, or federal law that includes firefighters in its operation, except as provided under s. 112.65.

History.—s. 1, ch. 2004-21.

175.032 Definitions.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter, the term:

(1) “Additional premium tax revenues” means revenues received by a municipality or special fire control district pursuant to s. 175.121 which exceed base premium tax revenues.

(2) “Average final compensation” for:

(a) A full-time firefighter means one-twelfth of the average annual compensation of the 5 best years of the last 10 years of creditable service before retirement, termination, or death, or the career average as a full-time firefighter since July 1, 1953, whichever is greater. A year is 12 consecutive months or such other consecutive period of time as is used and consistently applied.

(b) A volunteer firefighter means the average salary of the 5 best years of the last 10 best contributing years before change in status to a permanent full-time firefighter or retirement as a volunteer firefighter or the career average of a volunteer firefighter, since July 1, 1953, whichever is greater.

(3) “Base premium tax revenues” means:

(a) For a local law plan in effect on October 1, 2003, the revenues received by a municipality or special fire control district pursuant to s. 175.121 for the 2002 calendar year.

(b) For a local law plan created between October 1, 2003, and March 1, 2015, inclusive, the revenues received by a municipality or special fire control district pursuant to s. 175.121 based upon the tax collections during the second calendar year of participation.

(4) “Chapter plan” means a separate defined benefit pension plan for firefighters which incorporates by reference the provisions of this chapter and has been adopted by the governing body of a municipality or special district. Except as specifically authorized in this chapter, the provisions of a chapter plan may not differ from the plan provisions set forth in ss. 175.021-175.341 and ss. 175.361-175.401. Actuarial valuations of chapter plans shall be conducted by the division as provided by s. 175.261(1).

(5) “Compensation” or “salary” means, for noncollectively bargained service earned before July 1, 2011, or for service earned under collective bargaining agreements in place before July 1, 2011, the fixed monthly remuneration paid a firefighter. If remuneration is based on actual services rendered, as in the case of a volunteer firefighter, the term means the total cash remuneration received yearly for such services, prorated on a monthly basis. For noncollectively bargained service earned on or after July 1, 2011, or for service earned under collective bargaining agreements entered into on or after July

1, 2011, the term has the same meaning except that when calculating retirement benefits, up to 300 hours per year in overtime compensation may be included as specified in the plan or collective bargaining agreement, but payments for accrued unused sick or annual leave may not be included.

(a) Any retirement trust fund or plan that meets the requirements of this chapter does not, solely by virtue of this subsection, reduce or diminish the monthly retirement income otherwise payable to each firefighter covered by the retirement trust fund or plan.

(b) The member's compensation or salary contributed as employee-elective salary reductions or deferrals to any salary reduction, deferred compensation, or tax-sheltered annuity program authorized under the Internal Revenue Code shall be deemed to be the compensation or salary the member would receive if he or she were not participating in such program and shall be treated as compensation for retirement purposes under this chapter.

(c) For any person who first becomes a member in any plan year beginning on or after January 1, 1996, compensation for that plan year may not include any amounts in excess of the Internal Revenue Code s. 401(a)(17) limitation, as amended by the Omnibus Budget Reconciliation Act of 1993, which limitation of \$150,000 shall be adjusted as required by federal law for qualified government plans and further adjusted for changes in the cost of living in the manner provided by Internal Revenue Code s. 401(a)(17)(B). For any person who first became a member before the first plan year beginning on or after January 1, 1996, the limitation on compensation may not be less than the maximum compensation amount that was allowed to be taken into account under the plan in effect on July 1, 1993, which limitation shall be adjusted for changes in the cost of living since 1989 in the manner provided by Internal Revenue Code s. 401(a)(17)(1991).

(6) "Creditable service" or "credited service" means the aggregate number of years of service and fractional parts of years of service of any firefighter, omitting intervening years and fractional parts of years when such firefighter may not have been employed by the municipality or special fire control district, subject to the following conditions:

(a) A firefighter may not receive credit for years or fractional parts of years of service if he or she has withdrawn his or her contributions to the fund for those years or fractional parts of years of service, unless the firefighter repays into the fund the amount he or she has withdrawn, plus interest determined by the board. The member has at least 90 days after his or her reemployment to make repayment.

(b) A firefighter may voluntarily leave his or her contributions in the fund for 5 years after leaving the employ of the fire department, pending the possibility of being rehired by the same department, without losing credit for the time he or she has participated actively as a firefighter. If the firefighter is not reemployed as a firefighter with the same department within 5 years, his or her contributions shall be returned without interest.

(c) Credited service under this chapter shall be provided only for service as a firefighter or for military service and does not include credit for any other type of service. A municipality, by local ordinance, or a special fire control district, by resolution, may provide for the purchase of credit for military service prior to employment as well as for prior service as a firefighter for some other employer as long as a firefighter is not entitled to receive a benefit for such prior service. For purposes of determining credit for prior service as a firefighter, in addition to service as a firefighter in this state, credit may be given for federal, other state, or county service if the prior service is recognized by the Division of State Fire Marshal as provided in chapter 633, or the firefighter provides proof to the board of trustees that his or her service is equivalent to the service required to meet the definition of a firefighter.

(d) In determining the creditable service of any firefighter, credit for up to 5 years of the time spent in the military service of the Armed Forces of the United States shall be added to the years of actual service if:

1. The firefighter is in the active employ of an employer immediately before such service and leaves a position, other than a temporary position, for the purpose of voluntary or involuntary service in the Armed Forces of the United States.

2. The firefighter is entitled to reemployment under the Uniformed Services Employment and Reemployment Rights Act.

3. The firefighter returns to his or her employment as a firefighter of the municipality or special fire control district within 1 year after the date of release from such active service.

(7) “Deferred Retirement Option Plan” or “DROP” means a local law plan retirement option in which a firefighter may elect to participate. A firefighter may retire for all purposes of the plan and defer receipt of retirement benefits into a DROP account while continuing employment with his or her employer. However, a firefighter who enters the DROP and who is otherwise eligible to participate may not be precluded from participation or continued participation in a supplemental plan in existence on, or created after, March 12, 1999.

(8) “Defined contribution plan” means the component of a local law plan, as provided in s. 175.351(1), to which deposits, if any, are made to provide benefits for firefighters, or for firefighters and police officers if both are included. Such component is an element of a local law plan and exists in conjunction with the defined benefit plan component that meets minimum benefits and minimum standards. The retirement benefits, if any, of the defined contribution plan component shall be provided through individual member accounts in accordance with the applicable provisions of the Internal Revenue Code and related regulations and are limited to the contributions, if any, made into each member’s account and the actual accumulated earnings, net of expenses, earned on the member’s account.

(9) “Division” means the Division of Retirement of the Department of Management Services.

(10) “Enrolled actuary” means an actuary who is enrolled under Subtitle C of Title III of the Employee Retirement Income Security Act of 1974 and who is a member of the Society of Actuaries or the American Academy of Actuaries.

(11)(a) “Firefighter” means a person employed solely by a constituted fire department of any municipality or special fire control district who is certified as a firefighter as a condition of employment in accordance with s. 633.408 and whose duty it is to extinguish fires, to protect life, or to protect property. The term includes all certified, supervisory, and command personnel whose duties include, in whole or in part, the supervision, training, guidance, and management responsibilities of full-time firefighters, part-time firefighters, or auxiliary firefighters but does not include part-time firefighters or auxiliary firefighters. However, for purposes of this chapter only, the term also includes public safety officers who are responsible for performing both police and fire services, who are certified as police officers or firefighters, and who are certified by their employers to the Chief Financial Officer as participating in this chapter before October 1, 1979. Effective October 1, 1979, public safety officers who have not been certified as participating in this chapter are considered police officers for retirement purposes and are eligible to participate in chapter 185. Any plan may provide that the fire chief has an option to participate in that plan.

(b) “Volunteer firefighter” means any person whose name is carried on the active membership roll of a constituted volunteer fire department or a combination of a paid and volunteer fire department of any municipality or special fire control district and whose duty it is to extinguish fires, to protect life, and to protect property. Compensation for services rendered by a volunteer firefighter does not disqualify him or her as a volunteer. A person may not be disqualified as a volunteer firefighter solely because he or she has other gainful employment. Any person who volunteers assistance at a fire but is not an active member of a department described herein is not a volunteer firefighter within the meaning of this paragraph.

(12) “Firefighters’ Pension Trust Fund” means a trust fund, by whatever name known, as provided under s. 175.041, for the purpose of assisting municipalities and special fire control districts in establishing and maintaining a retirement plan for firefighters.

(13) “Local law municipality” means any municipality in which a local law plan exists.

(14) “Local law plan” means a retirement plan that includes both a defined benefit plan component and a defined contribution plan component for firefighters, or for firefighters and police officers if both are included, as described in s. 175.351, established by municipal ordinance, special district resolution, or special act of the Legislature, which enactment sets forth all plan provisions. Local law plan provisions may vary from the provisions of this chapter if minimum benefits and minimum standards are met. However, any such variance must provide a greater benefit for firefighters. Actuarial valuations of local law plans shall be conducted by an enrolled actuary as provided in s. 175.261(2).

(15) “Local law special fire control district” means any special fire control district in which a local law plan exists.

(16) “Minimum benefits” means the benefits specified in ss. 175.021-175.341 and ss. 175.361-175.401.

(17) “Minimum standards” means the standards specified in ss. 175.021-175.401.

(18) “Property insurance” means property insurance as defined in s. 624.604 and covers real and personal property within the corporate limits of a municipality, or within the boundaries of a special fire control district, within the state. The term “multiple peril” means a combination or package policy that includes both property and casualty coverage for a single premium.

(19) “Retiree” or “retired firefighter” means a firefighter who has entered retirement status. For the purposes of a plan that includes a Deferred Retirement Option Plan (DROP), a firefighter who enters the DROP is considered a retiree for all purposes of the plan. However, a firefighter who enters the DROP and who is otherwise eligible to participate may not be precluded from participation or continued participation in a supplemental plan in existence on, or created after, March 12, 1999.

(20) “Retirement” means a firefighter’s separation from municipal or fire district employment as a firefighter with immediate eligibility for benefits under the plan. For purposes of a plan that includes a Deferred Retirement Option Plan (DROP), “retirement” means the date a firefighter enters the DROP.

(21) “Special act plan” means a plan subject to the provisions of this chapter which was created by an act of the Legislature and continues to require an act of the Legislature to alter plan benefits.

(22) “Special benefits” means benefits provided in a defined contribution plan for firefighters.

(23) “Special fire control district” means a special district, as defined in s. 189.012, established for the purposes of extinguishing fires, protecting life, and protecting property within the incorporated or unincorporated portions of a county or combination of counties, or within any combination of incorporated and unincorporated portions of a county or combination of counties. The term does not include any dependent or independent special district, as those terms are defined in s. 189.012, the employees of which are members of the Florida Retirement System pursuant to s. 121.051(1) or (2).

(24) “Supplemental plan” means a plan to which deposits are made to provide special benefits for firefighters, or for firefighters and police officers if both are included. Such a plan is an element of a local law plan and exists in conjunction with a defined benefit plan component that meets minimum benefits and minimum standards. Any supplemental plan in existence on March 1, 2015, shall be deemed to be a defined contribution plan in compliance with s. 175.351(6).

(25) “Supplemental plan municipality” means a local law municipality in which any supplemental plan existed as of December 1, 2000.

175.041 Firefighters’ Pension Trust Fund created; applicability of provisions.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) There shall be established a special fund exclusively for the purpose of this chapter, which in the case of chapter plans shall be known as the “Firefighters’ Pension Trust Fund,” in each municipality and each special fire control district of this state heretofore or hereafter created which now has or which may hereafter have a constituted fire department or an authorized volunteer fire department, or any combination thereof.

(2) To qualify as a fire department or volunteer fire department or combination thereof under the provisions of this chapter, the department shall own and use apparatus for the fighting of fires that was in compliance with National Fire Protection Association Standards for Automotive Fire Apparatus at the time of purchase.

(3) The provisions of this chapter shall apply only to municipalities organized and established pursuant to the laws of the state and to special fire control districts, and said provisions shall not apply to the unincorporated areas of any county or counties except with respect to special fire control districts that include unincorporated areas, nor shall the provisions hereof apply to any governmental entity whose firefighters are eligible to participate in the Florida Retirement System.

(a) Special fire control districts that include, or consist exclusively of, unincorporated areas of one or more counties may levy and impose the tax and participate in the retirement programs enabled by this chapter.

(b) With respect to the distribution of premium taxes, a single consolidated government consisting of a former county and one or more municipalities, consolidated pursuant to s. 3 or s. 6(e), Art. VIII of

the State Constitution, is also eligible to participate under this chapter. The consolidated government shall notify the division when it has entered into an interlocal agreement to provide fire services to a municipality within its boundaries. The municipality may enact an ordinance levying the tax as provided in s. 175.101. Upon being provided copies of the interlocal agreement and the municipal ordinance levying the tax, the division may distribute any premium taxes reported for the municipality to the consolidated government as long as the interlocal agreement is in effect.

(c) Any municipality that has entered into an interlocal agreement to provide fire protection services to any other incorporated municipality, in its entirety, for a period of 12 months or more may be eligible to receive the premium taxes reported for such other municipality. In order to be eligible for such premium taxes, the municipality providing the fire services must notify the division that it has entered into an interlocal agreement with another municipality. The municipality receiving the fire services may enact an ordinance levying the tax as provided in s. 175.101. Upon being provided copies of the interlocal agreement and the municipal ordinance levying the tax, the division may distribute any premium taxes reported for the municipality receiving the fire services to the participating municipality providing the fire services as long as the interlocal agreement is in effect.

(4) No municipality shall establish more than one retirement plan for public safety officers which is supported in whole or in part by the distribution of premium tax funds as provided by this chapter or chapter 185, nor shall any municipality establish a retirement plan for public safety officers which receives premium tax funds from both this chapter and chapter 185.

175.051 Actuarial deficits not state obligation.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter, actuarial deficits, if any, arising under this chapter shall not be the obligation of the state.

History.—s. 1, ch. 63-249; s. 4, ch. 99-1.

175.061 Board of trustees; members; terms of office; meetings; legal entity; costs; attorney's fees.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) In each municipality and in each special fire control district there is hereby created a board of trustees of the firefighters' pension trust fund, which shall be solely responsible for administering the trust fund. Effective October 1, 1986, and thereafter:

(a) The membership of the board of trustees for a chapter plan consists of five members, two of whom, unless otherwise prohibited by law, must be legal residents of the municipality or special fire control district and must be appointed by the governing body of the municipality or special fire control district, and two of whom must be full-time firefighters as defined in s. 175.032 who are elected by a majority of the active firefighters who are members of such plan. With respect to any chapter plan or local law plan that, on January 1, 1997, allowed retired firefighters to vote in such elections, retirees may continue to vote in such elections. The fifth member shall be chosen by a majority of the previous four members as provided herein, and such person's name shall be submitted to the governing body of the municipality or special fire control district. Upon receipt of the fifth person's name, the governing body of the municipality or special fire control district shall, as a ministerial duty, appoint such person to the board of trustees. The fifth member shall have the same rights as each of the other four members, shall serve as trustee for a period of 2 years, and may succeed himself or herself in office. Each resident member shall serve as trustee for a period of 2 years, unless sooner replaced by the governing body at whose pleasure he or she serves, and may succeed himself or herself as a trustee. Each firefighter member shall serve as trustee for a period of 2 years, unless he or she sooner leaves the employment of the municipality or special fire control district as a firefighter, whereupon a successor shall be chosen in the same manner as an original appointment. Each firefighter may succeed himself or herself in office. The terms of office of the appointed and elected members may be amended by municipal ordinance, special act of the Legislature, or resolution adopted by the governing body of the special fire control district to extend the terms from 2 years to 4 years. The length of the terms of office shall be the same for all board members.

(b) The membership of boards of trustees for local law plans shall be as follows:

1. If a municipality or special fire control district has a pension plan for firefighters only, the provisions of paragraph (a) apply.

2. If a municipality has a pension plan for firefighters and police officers, the provisions of paragraph (a) apply, except that one member of the board must be a firefighter and one member of the board must be a police officer as defined in s. 185.02, respectively elected by a majority of the active firefighters or police officers who are members of the plan.

3. A board of trustees operating a local law plan on July 1, 1999, which is combined with a plan for general employees shall hold an election of the firefighters, or firefighters and police officers, if included, to determine whether a plan is to be established for firefighters only, or for firefighters and police officers where included. Based on the election results, a new board shall be established as provided in subparagraph 1. or subparagraph 2., as appropriate. The municipality or fire control district shall enact an ordinance or resolution to implement the new board by October 1, 1999. The newly established board shall take whatever action is necessary to determine the amount of assets attributable to firefighters, or firefighters and police officers where included. Such assets include all employer, employee, and state contributions made by or on behalf of firefighters, or firefighters and police officers where included, and any investment income derived from such contributions. All such moneys shall be transferred into the newly established retirement plan, as directed by the board. With respect to a board of trustees operating a local law plan on June 30, 1986, this paragraph does not permit the reduction of the membership percentage of firefighters, or of firefighters and police officers where a joint or mixed fund exists. However, for the sole purpose of changing municipal representation, a municipality may by ordinance change the municipal representation on the board of trustees operating a local law plan by ordinance, only if such change does not reduce the membership percentage of firefighters, or firefighters and police officers, or the membership percentage of the municipal representation.

(c) Whenever the active firefighter membership of a closed chapter plan or closed local law plan as provided in s. 175.371 falls below 10, an active firefighter member seat may be held by either a retired member or an active firefighter member of the plan who is elected by the active and retired members of the plan. If there are no active or retired firefighters remaining in the plan or capable of serving, the remaining board members may elect an individual to serve in the active firefighter seat. Upon receipt of such person's name, the legislative body of the municipality or special fire control district shall, as a ministerial duty, appoint such person to the board of trustees. This paragraph applies only to those plans that are closed to new members under s. 175.371(2), and does not apply to any other municipality or fire control district having a chapter or local law plan.

(2) The trustees shall by a majority vote elect from their number a chair and a secretary. The secretary of the board shall keep a complete minute book of the actions, proceedings, or hearings of the board. The trustees shall not receive any compensation as such, but may receive expenses and per diem as provided by Florida law.

(3) The board of trustees shall meet at least quarterly each year.

(4) Each board of trustees shall be a legal entity with, in addition to other powers and responsibilities contained herein, the power to bring and defend lawsuits of every kind, nature, and description.

(5) In any judicial proceeding or administrative proceeding under chapter 120 brought under or pursuant to the provisions of this chapter, the prevailing party shall be entitled to recover the costs thereof, together with reasonable attorney's fees.

(6) The provisions of this section may not be altered by a participating municipality or special fire control district operating a chapter plan or local law plan under this chapter.

(7) The board of trustees may, upon written request of the retiree of the plan, or by a dependent, if authorized by the retiree or the retiree's beneficiary, authorize the plan administrator to withhold from the monthly retirement payment funds that are necessary to pay for the benefits being received through the governmental entity from which the employee retired, to pay the certified bargaining agent of the governmental entity, and to make any payments for child support or alimony. Upon the written request of the retiree of the plan, the board may also authorize the plan administrator to withhold from the retirement payment those funds necessary to pay for premiums for accident, health, and long-term care insurance for the retiree and the retiree's spouse and dependents. A retirement plan does not incur liability for participation in this permissive program if its actions are taken in good faith.

(8)(a) The board of trustees shall:

1. Provide a detailed accounting report of its expenses for each fiscal year to the plan sponsor and the Department of Management Services and make the report available to each member of the plan and post the report on the board's website, if the board has a website. The report must include all administrative expenses that, for purposes of this subsection, are expenses relating to any legal counsel, actuary, plan administrator, and all other consultants, and all travel and other expenses paid to or on behalf of the members of the board of trustees or anyone else on behalf of the plan.

2. Operate under an administrative expense budget for each fiscal year, provide a copy of the budget to the plan sponsor, and make available a copy of the budget to plan members before the beginning of the fiscal year. If the board of trustees amends the administrative expense budget, the board must provide a copy of the amended budget to the plan sponsor and make available a copy of the amended budget to plan members.

(b) Notwithstanding s. 175.351(2) and (3), a local law plan created by special act before May 27, 1939, must comply with the provisions of this subsection.

History.—s. 1, ch. 63-249; s. 2, ch. 81-168; s. 3, ch. 86-41; s. 15, ch. 93-193; s. 919, ch. 95-147; s. 5, ch. 99-1; s. 3, ch. 2002-66; s. 7, ch. 2004-21; s. 4, ch. 2009-97; s. 5, ch. 2011-216; s. 3, ch. 2015-39.

175.071 General powers and duties of board of trustees.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) The board of trustees, subject to the fiduciary standards in ss. 112.656, 112.661, and 518.11, the Code of Ethics in ss. 112.311-112.3187, and the requirements in s. 112.662, may:

(a) Invest and reinvest the assets of the firefighters' pension trust fund in annuity and life insurance contracts of life insurance companies in amounts sufficient to provide, in whole or in part, the benefits to which all of the participants in the firefighters' pension trust fund are entitled under this chapter and pay the initial and subsequent premiums thereon.

(b) Invest and reinvest the assets of the firefighters' pension trust fund in:

1. Time or savings accounts of a national bank, a state bank insured by the Bank Insurance Fund, or a savings, building, and loan association insured by the Savings Association Insurance Fund administered by the Federal Deposit Insurance Corporation or a state or federal chartered credit union whose share accounts are insured by the National Credit Union Share Insurance Fund.

2. Obligations of the United States or obligations guaranteed as to principal and interest by the government of the United States.

3. Bonds issued by the State of Israel.

4. Bonds, stocks, or other evidences of indebtedness issued or guaranteed by a corporation organized under the laws of the United States, any state or organized territory of the United States, or the District of Columbia, if:

a. The corporation is listed on any one or more of the recognized national stock exchanges or on the National Market System of the NASDAQ Stock Market and, in the case of bonds only, holds a rating in one of the three highest classifications by a major rating service; and

b. The board of trustees may not invest more than 5 percent of its assets in the common stock or capital stock of any one issuing company, nor may the aggregate investment in any one issuing company exceed 5 percent of the outstanding capital stock of that company or the aggregate of its investments under this subparagraph at cost exceed 50 percent of the assets of the fund.

This paragraph applies to all boards of trustees and participants. However, if a municipality or special fire control district has a duly enacted pension plan pursuant to, and in compliance with, s. 175.351, and the trustees desire to vary the investment procedures, the trustees of such plan must request a variance of the investment procedures as outlined herein only through a municipal ordinance, special act of the Legislature, or resolution by the governing body of the special fire control district; if a special act, or a municipality by ordinance adopted before July 1, 1998, permits a greater than 50-percent equity investment, such municipality is not required to comply with the aggregate equity investment provisions of this paragraph. Notwithstanding any other provision of law, this section may not be construed to take away any preexisting legal authority to make equity investments that exceed the requirements of this paragraph. Notwithstanding any other provision of law, the board of trustees may invest up to 25 percent of plan assets in foreign securities on a market-value basis. The investment cap on foreign securities may not be revised, amended, increased, or repealed except as provided by general law.

(c) Issue drafts upon the firefighters' pension trust fund pursuant to this act and rules prescribed by the board of trustees. All such drafts must be consecutively numbered, be signed by the chair and

secretary, or by two individuals designated by the board who are subject to the same fiduciary standards as the board of trustees under this subsection, and state upon their faces the purpose for which the drafts are drawn. The treasurer or depository of each municipality or special fire control district shall retain such drafts when paid, as permanent vouchers for disbursements made, and no money may be otherwise drawn from the fund.

(d) Convert into cash any securities of the fund.

(e) Keep a complete record of all receipts and disbursements and the board's acts and proceedings.

(2) Any and all acts and decisions shall be effectuated by vote of a majority of the members of the board; however, no trustee shall take part in any action in connection with the trustee's own participation in the fund, and no unfair discrimination shall be shown to any individual firefighter participating in the fund.

(3) The board's action on all claims for retirement under this act shall be final, provided, however, that the rules and regulations of the board have been complied with.

(4) The secretary of the board of trustees shall keep a record of all persons receiving retirement payments under the provisions of this chapter, in which shall be noted the time when the pension is allowed and when the pension shall cease to be paid. In this record, the secretary shall keep a list of all firefighters employed by the municipality or special fire control district. The record shall show the name, address, and time of employment of such firefighters and when they cease to be employed by the municipality or special fire control district.

(5) The sole and exclusive administration of, and the responsibilities for, the proper operation of the firefighters' pension trust fund and for making effective the provisions of this chapter are vested in the board of trustees; however, nothing herein shall empower a board of trustees to amend the provisions of a retirement plan without the approval of the municipality or special fire control district. The board of trustees shall keep in convenient form such data as shall be necessary for an actuarial valuation of the firefighters' pension trust fund and for checking the actual experience of the fund.

(6)(a) At least once every 3 years, the board of trustees shall retain a professionally qualified independent consultant who shall evaluate the performance of any existing professional money manager and shall make recommendations to the board of trustees regarding the selection of money managers for the next investment term. These recommendations shall be considered by the board of trustees at its next regularly scheduled meeting. The date, time, place, and subject of this meeting shall be advertised in the same manner as for any meeting of the board.

(b) For purposes of this subsection, the term "professionally qualified independent consultant" means a consultant who, based on education and experience, is professionally qualified to evaluate the performance of professional money managers, and who, at a minimum:

1. Provides his or her services on a flat-fee basis.
2. Is not associated in any manner with the money manager for the pension fund.
3. Makes calculations according to the American Banking Institute method of calculating time-weighted rates of return. All calculations must be made net of fees.
4. Has 3 or more years of experience working in the public sector.

(7) To assist the board in meeting its responsibilities under this chapter, the board, if it so elects, may:

- (a) Employ independent legal counsel at the pension fund's expense.
- (b) Employ an independent enrolled actuary, as defined in s. 175.032, at the pension fund's expense.
- (c) Employ such independent professional, technical, or other advisers as it deems necessary at the pension fund's expense.

If the board chooses to use the municipality's or special district's legal counsel or actuary, or chooses to use any of the municipality's or special district's other professional, technical, or other advisers, it must do so only under terms and conditions acceptable to the board.

(8) Notwithstanding paragraph (1)(b) and as provided in s. 215.473, the board of trustees must identify and publicly report any direct or indirect holdings it may have in any scrutinized company, as defined in that section, and proceed to sell, redeem, divest, or withdraw all publicly traded securities it may have in that company beginning January 1, 2010. The divestiture of any such security must be completed by September 30, 2010. The board and its named officers or investment advisors may not be

deemed to have breached their fiduciary duty in any action taken to dispose of any such security, and the board shall have satisfactorily discharged the fiduciary duties of loyalty, prudence, and sole and exclusive benefit to the participants of the pension fund and their beneficiaries if the actions it takes are consistent with the duties imposed by s. 215.473, and the manner of the disposition, if any, is reasonable as to the means chosen. For the purposes of effecting compliance with that section, the pension fund shall designate terror-free plans that allocate their funds among securities not subject to divestiture. No person may bring any civil, criminal, or administrative action against the board of trustees or any employee, officer, director, or advisor of such pension fund based upon the divestiture of any security pursuant to this subsection.

175.081 Use of annuity or insurance policies.—When the board of trustees of any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan purchases annuity or life insurance contracts to provide all or any part of the benefits as provided for by this chapter, the following principles shall be observed:

- (1) Only those firefighters who have been members of the firefighters' pension trust fund for 1 year or more may participate in the insured plan.
- (2) Individual policies shall be purchased only when a group insurance plan is not feasible.
- (3) Each application and policy shall designate the firefighters' pension trust fund as owner of the policy.
- (4) Policies shall be written on an annual premium basis.
- (5) The type of policy shall be one which for the premium paid provides each individual with the maximum retirement benefit at his or her earliest statutory normal retirement age.
- (6) Death benefit, if any, should not exceed:
 - (a) One hundred times the estimated normal retirement income, based on the assumption that the present rate of compensation continues without change to normal retirement date, or
 - (b) Twice the annual rate of compensation as of the date of termination of service, or
 - (c) The single-sum value of the accrued deferred retirement income (beginning at normal retirement date) at date of termination of service, whichever is greatest.
- (7) An insurance plan may provide that the assignment of insurance contract to separating firefighters shall be at least equivalent to the return of the firefighters' contributions used to purchase the contract. An assignment of contract discharges the municipality or special fire control district, as appropriate, from all further obligation to the participant under the plan even though the cash value of such contract may be less than the firefighters' contributions.
- (8) Provisions shall be made, either by issuance of separate policies or otherwise, that the separating firefighter does not receive cash value and other benefits under the policies assigned to him or her which exceed the present value of his or her vested interest under the firefighters' pension trust fund, inclusive of his or her contribution to the plan; the contributions by the state shall not be exhausted faster merely because the method of funding adopted was through insurance companies.
- (9) The firefighter shall have the right at any time to give the board of trustees written instructions designating the primary and contingent beneficiaries to receive death benefits or proceeds and the method of settlement of the death benefit or proceeds, or requesting a change in the beneficiary designation or method of settlement previously made, subject to the terms of the policy or policies on his or her life. Upon receipt of such written instructions, the board of trustees shall take necessary steps to effectuate the designation or change of beneficiary or settlement option.

175.091 Creation and maintenance of fund.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

- (1) The firefighters' pension trust fund in each municipality and in each special fire control district shall be created and maintained in the following manner:
 - (a) By payment to the fund of the net proceeds of the 1.85-percent excise or other similar tax which may be imposed by the municipality or special fire control district upon fire insurance companies, fire insurance associations, or other property insurers on their gross receipts on premiums from holders of policies, which policies cover real or personal property within the corporate limits of

such municipality, in the case of a municipal government, and within the legally defined jurisdiction of the district, in the case of a special fire control district. Whenever a municipality maintains a firefighters' pension trust fund under the provisions of this chapter but is partially contained within the boundaries of a special fire control district, that portion of the 1.85-percent excise, license, or other similar tax which is collected for insurance policies covering property within the jurisdiction of both the municipality and the special fire control district shall be given to the firefighters' pension trust fund of the fire service provider. Remaining revenues collected pursuant to this chapter shall be distributed to the municipality or special fire control district according to the location of the insured property.

(b) Except as reduced or increased contributions are authorized by subsection (2), by the payment to the fund of 5 percent of the salary of each uniformed firefighter who is a member or duly enrolled in the fire department of any municipality or special fire control district, which 5 percent shall be deducted by the municipality or special fire control district from the compensation due to the firefighter and paid over to the board of trustees of the firefighters' pension trust fund wherein such firefighter is employed. No firefighter shall have any right to the money so paid into the fund except as provided in this chapter.

(c) By all fines and forfeitures imposed and collected from any firefighter because of the violation of any rule and regulation promulgated by the board of trustees.

(d) By mandatory payment by the municipality or special fire control district of a sum equal to the normal cost of and the amount required to fund any actuarial deficiency shown by an actuarial valuation conducted under part VII of chapter 112 after taking into account the amounts described in paragraphs (b), (c), (e), (f), and (g) and the tax proceeds described in paragraph (a) which are used to fund benefits in a defined benefit plan component.

(e) By all gifts, bequests, and devises when donated to the fund.

(f) By all accretions to the fund by way of interest or dividends on bank deposits, or otherwise.

(g) By all other sources or income now or hereafter authorized by law for the augmentation of such firefighters' pension trust fund.

(2) Member contribution rates may be adjusted as follows:

(a) The employing municipality or special fire control district, by local ordinance or resolution, may elect to make an employee's contributions. However, under no circumstances may a municipality or special fire control district reduce the member contribution to less than one-half of 1 percent of salary.

(b) Firefighter member contributions may be increased by consent of the members' collective bargaining representative or, if none, by majority consent of firefighter members of the fund. Nothing in this section shall be construed to require adjustment of member contribution rates in effect on the date this act becomes a law, including rates that exceed 5 percent of salary, provided that such rates are at least one-half of 1 percent of salary.

175.101 State excise tax on property insurance premiums authorized; procedure.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) Each municipality or special fire control district in this state described and classified in s. 175.041, having a lawfully established firefighters' pension trust fund or municipal fund or special fire control district fund, by whatever name known, providing pension benefits to firefighters as provided under this chapter, may assess and impose on every insurance company, corporation, or other insurer now engaged in or carrying on, or who shall hereinafter engage in or carry on, the business of property insurance as shown by the records of the Office of Insurance Regulation of the Financial Services Commission, an excise tax in addition to any lawful license or excise tax now levied by each of the municipalities or special fire control districts, respectively, amounting to 1.85 percent of the gross amount of receipts of premiums from policyholders on all premiums collected on property insurance policies covering property within the corporate limits of such municipalities or within the legally defined boundaries of special fire control districts, respectively. Whenever the boundaries of a special fire control district that has lawfully established a firefighters' pension trust fund encompass a portion of the corporate territory of a municipality that has also lawfully established a firefighters' pension trust fund, that portion of the tax receipts attributable to insurance policies covering property situated

both within the municipality and the special fire control district shall be given to the fire service provider. For the purpose of this section, the boundaries of a special fire control district include an area that has been annexed until the completion of the 4-year period provided for in s. 171.093(4), or other agreed-upon extension, or if a special fire control district is providing services under an interlocal agreement executed in accordance with s. 171.093(3). The agent shall identify the fire service provider on the property owner's application for insurance. Remaining revenues collected pursuant to this chapter shall be distributed to the municipality or special fire control district according to the location of the insured property.

(2) In the case of multiple peril policies with a single premium for both the property and casualty coverages in such policies, 70 percent of such premium shall be used as the basis for the 1.85-percent tax.

(3) This excise tax shall be payable annually on March 1 of each year after the passage of an ordinance, in the case of a municipality, or resolution, in the case of a special fire control district, assessing and imposing the tax authorized by this section. Installments of taxes shall be paid according to the provision of s. 624.5092(2)(a), (b), and (c).

This section also applies to any municipality consisting of a single consolidated government which is made up of a former county and one or more municipalities, consolidated pursuant to the authority in s. 3 or s. 6(e), Art. VIII of the State Constitution, and to property insurance policies covering property within the boundaries of the consolidated government, regardless of whether the properties are located within one or more separately incorporated areas within the consolidated government, provided the properties are being provided fire protection services by the consolidated government. This section also applies to any municipality, as provided in s. 175.041(3)(c), which has entered into an interlocal agreement to receive fire protection services from another municipality participating under this chapter. The excise tax may be levied on all premiums collected on property insurance policies covering property located within the corporate limits of the municipality receiving the fire protection services, but will be available for distribution to the municipality providing the fire protection services.

175.1015 Determination of local premium tax situs.—

(1)(a) Any insurance company that is obligated to report and remit the excise tax on property insurance premiums imposed under s. 175.101 shall be held harmless from any liability, including, but not limited to, liability for taxes, interest, or penalties that would otherwise be due solely as a result of an assignment of an insured property to an incorrect local taxing jurisdiction if the insurance company exercises due diligence in applying an electronic database provided by the Department of Revenue under subsection (2). Insurance companies that do not use the electronic database provided by the Department of Revenue or that do not exercise due diligence in applying the electronic database for tax years on or after January 1, 2006, are subject to a 0.5 percent penalty on the portion of the premium pertaining to any insured risk that is improperly assigned, whether assigned to an improper local taxing jurisdiction, not assigned to a local taxing jurisdiction when it should be assigned to a local taxing jurisdiction, or assigned to a local taxing jurisdiction when it should not be assigned to a local taxing jurisdiction.

(b) Any insurance company that is obligated to report and remit the excise tax on commercial property insurance premiums imposed under s. 175.101 and is unable, after due diligence, to assign an insured property to a specific local taxing jurisdiction for purposes of complying with paragraph (a) shall remit the excise tax on commercial property insurance premiums using a methodology of apportionment in a manner consistent with the remittance for the 2004 calendar year. An insurance company which makes two contacts with the agent responsible for a commercial property insurance application for the purpose of verifying information on the application necessary for the assignment to the appropriate taxing jurisdiction shall be considered to have exercised due diligence. Any insurance company which complies with the provisions of this paragraph shall not be subject to the penalty provided in paragraph (a).

(2)(a) The Department of Revenue shall, subject to legislative appropriation, create as soon as practical and feasible, and thereafter shall maintain, an electronic database that conforms to any format approved by the American National Standards Institute's Accredited Standards Committee X12 and that designates for each street address and address range in the state, including any multiple

postal street addresses applicable to one street location, the local taxing jurisdiction in which the street address and address range is located, and the appropriate code for each such participating local taxing jurisdiction, identified by one nationwide standard numeric code. The nationwide standard numeric code must contain the same number of numeric digits, and each digit or combination of digits must refer to the same level of taxing jurisdiction throughout the United States and must be in a format similar to FIPS 55-3 or other appropriate standard approved by the Federation of Tax Administrators and the Multistate Tax Commission. Each address or address range must be provided in standard postal format, including the street number, street number range, street name, and zip code. Each year after the creation of the initial database, the Department of Revenue shall annually create and maintain a database for the current tax year. Each annual database must be calendar-year specific.

(b)1. Each participating local taxing jurisdiction shall furnish to the Department of Revenue all information needed to create the electronic database as soon as practical and feasible. The information furnished to the Department of Revenue must specify an effective date.

2. Each participating local taxing jurisdiction shall furnish to the Department of Revenue all information needed to create and update the current year's database, including changes in annexations, incorporations, and reorganizations and any other changes in jurisdictional boundaries, as well as changes in eligibility to participate in the excise tax imposed under this chapter. The information must specify an effective date and must be furnished to the Department of Revenue by July 1 of the current year.

3. The Department of Revenue shall create and update the current year's database in accordance with the information furnished by participating local taxing jurisdictions under subparagraph 1. or subparagraph 2., as appropriate. To the extent practicable, the Department of Revenue shall post each new annual database on a website by September 1 of each year. Each participating local taxing jurisdiction shall have access to this website and, within 30 days thereafter, shall provide any corrections to the Department of Revenue. The Department of Revenue shall finalize the current year's database and post it on a website by November 1 of the current year. If a dispute in jurisdictional boundaries cannot be resolved so that changes in boundaries may be included, as appropriate, in the database by November 1, the changes may not be retroactively included in the current year's database and the boundaries will remain the same as in the previous year's database. The finalized database must be used in assigning policies and premiums to the proper local taxing jurisdiction for the insurance premium tax return due on the following March 1 for the tax year 2005. For subsequent tax years, the finalized database must be used in assigning policies and premiums to the proper local taxing jurisdiction for the insurance premium tax return due for the tax year beginning on or after the January 1 following the website posting of the database. Information contained in the electronic database is conclusive for purposes of this chapter. The electronic database is not an order, a rule, or a policy of general applicability.

4. Each annual database must identify the additions, deletions, and other changes to the preceding version of the database.

(3)(a) As used in this section, the term "due diligence" means the care and attention that is expected from and is ordinarily exercised by a reasonable and prudent person under the circumstances.

(b) Notwithstanding any law to the contrary, an insurance company is exercising due diligence if the insurance company complies with the provisions of paragraph (1)(b) or if the insurance company assigns an insured's premium to local taxing jurisdictions in accordance with the Department of Revenue's annual database and with respect to such database:

1. Expends reasonable resources to accurately and reliably implement such method;
2. Maintains adequate internal controls to correctly include in its database of policyholders the location of the property insured, in the proper address format, so that matching with the department's database is accurate; and
3. Corrects errors in the assignment of addresses to local taxing jurisdictions within 120 days after the insurance company discovers the errors.

(4) There is annually appropriated from the moneys collected under this chapter and deposited in the Police and Firefighter's Premium Tax Trust Fund an amount sufficient to pay the expenses of the Department of Revenue in administering this section, but not to exceed \$50,000 annually, adjusted annually by the lesser of a 5-percent increase or the percentage of growth in the total collections.

(5) The Department of Revenue shall adopt rules necessary to administer this section, including rules establishing procedures and forms.

(6) Any insurer that is obligated to collect and remit the tax on property insurance imposed under s. 175.101 shall be held harmless from any liability, including, but not limited to, liability for taxes, interest, or penalties that would otherwise be due solely as a result of an assignment of an insured property to an incorrect local taxing jurisdiction, based on the collection and remission of the tax accruing before January 1, 2005, if the insurer collects and reports this tax consistent with filings for periods before January 1, 2005. Further, any insurer that is obligated to collect and remit the tax on property insurance imposed under this section is not subject to an examination under s. 624.316 or s. 624.3161 which would occur solely as a result of an assignment of an insured property to an incorrect local taxing jurisdiction, based on the collection and remission of such tax accruing before January 1, 2005.

History.—s. 2, ch. 2004-21.

175.111 Certified copy of ordinance or resolution filed; insurance companies' annual report of premiums; duplicate files; book of accounts.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter, whenever any municipality passes an ordinance or whenever any special fire control district passes a resolution establishing a chapter plan or local law plan assessing and imposing the taxes authorized in s. 175.101, a certified copy of such ordinance or resolution shall be deposited with the division. Thereafter every insurance company, association, corporation, or other insurer carrying on the business of property insurance on real or personal property, on or before the succeeding March 1 after date of the passage of the ordinance or resolution, shall report fully in writing and under oath to the division and the Department of Revenue a just and true account of all premiums by such insurer received for property insurance policies covering or insuring any real or personal property located within the corporate limits of each such municipality or special fire control district during the period of time elapsing between the date of the passage of the ordinance or resolution and the end of the calendar year. The report shall include the code designation as prescribed by the division for each piece of insured property, real or personal, located within the corporate limits of each municipality and within the legally defined boundaries of each special fire control district. The aforesaid insurer shall annually thereafter, on March 1, file with the Department of Revenue a similar report covering the preceding year's premium receipts, and every such insurer at the same time of making such reports shall pay to the Department of Revenue the amount of the tax hereinbefore mentioned. Every insurer engaged in carrying on such insurance business in the state shall keep accurate books of accounts of all such business done by it within the corporate limits of each such municipality and within the legally defined boundaries of each such special fire control district, and in such manner as to be able to comply with the provisions of this chapter. Based on the insurers' reports of premium receipts, the division shall prepare a consolidated premium report and shall furnish to any municipality or special fire control district requesting the same a copy of the relevant section of that report.

175.121 Department of Revenue and Division of Retirement to keep accounts of deposits; disbursements.—For any municipality or special fire control district having a chapter or local law plan established pursuant to this chapter:

(1) The Department of Revenue shall keep a separate account of all moneys collected for each municipality and each special fire control district under the provisions of this chapter. All moneys so collected must be transferred to the Police and Firefighters' Premium Tax Trust Fund and shall be separately accounted for by the division. The moneys budgeted as necessary to pay the expenses of the division for the daily oversight and monitoring of the firefighters' pension plans under this chapter and for the oversight and actuarial reviews conducted under part VII of chapter 112 are annually appropriated from the interest and investment income earned on the moneys collected for each municipality or special fire control district and deposited in the Police and Firefighters' Premium Tax Trust Fund. Interest and investment income remaining thereafter in the trust fund which is unexpended and otherwise unallocated by law shall revert to the General Revenue Fund on June 30 of each year.

(2) The Chief Financial Officer shall, on or before July 1 of each year, and at such other times as authorized by the division, draw his or her warrants on the full net amount of money then on deposit in the Police and Firefighters' Premium Tax Trust Fund pursuant to this chapter, specifying the

municipalities and special fire control districts to which the moneys must be paid and the net amount collected for and to be paid to each municipality or special fire control district, respectively, subject to the limitation on disbursement under s. 175.122. The sum payable to each municipality or special fire control district is appropriated annually out of the Police and Firefighters' Premium Tax Trust Fund. The warrants of the Chief Financial Officer shall be payable to the respective municipalities and special fire control districts entitled to receive them and shall be remitted annually by the division to the respective municipalities and special fire control districts. In lieu thereof, the municipality or special fire control district may provide authorization to the division for the direct payment of the premium tax to the board of trustees. In order for a municipality or special fire control district and its pension fund to participate in the distribution of premium tax moneys under this chapter, all the provisions shall be complied with annually, including state acceptance pursuant to part VII of chapter 112.

(3)(a) All moneys not distributed to municipalities and special fire control districts under this section as a result of the limitation on disbursement contained in s. 175.122, or as a result of any municipality or special fire control district not having qualified in any given year, or portion thereof, shall be transferred to the Firefighters' Supplemental Compensation Trust Fund administered by the Department of Revenue, as provided in s. 633.422.

(b)1. Moneys transferred under paragraph (a) but not needed to support the supplemental compensation program in a given year shall be redistributed pro rata to those participating municipalities and special fire control districts that transfer any portion of their funds to support the supplemental compensation program in that year. Such additional moneys shall be used to cover or offset costs of the retirement plan.

2. To assist the Department of Revenue, the division shall identify those municipalities and special fire control districts that are eligible for redistribution as provided in s. 633.422(3)(c)2., by listing the municipalities and special fire control districts from which funds were transferred under paragraph (a) and specifying the amount transferred by each.

175.1215 Police and Firefighters' Premium Tax Trust Fund.—The Police and Firefighters' Premium Tax Trust Fund is created, to be administered by the Division of Retirement of the Department of Management Services. Funds credited to the trust fund, as provided in chapter 95-250, Laws of Florida, or similar legislation, shall be expended for the purposes set forth in that legislation.

In lieu thereof, the municipality or special fire control district may provide authorization to the division for the direct payment of the premium tax to the board of trustees. The board shall deposit such moneys in the Firefighters' Pension Trust Fund immediately, and under no circumstances more than 5 days after receipt. Employee contributions, however, which are withheld by the employer on behalf of an

employee member shall be deposited immediately after each pay period with the board of trustees of the firefighters' pension trust fund. Employer contributions shall be deposited at least quarterly.

175.141 Payment of excise tax credit on similar state excise or license tax.—The tax herein authorized to be imposed by each municipality and each special fire control district shall in nowise be in addition to any similar state excise or license tax imposed by part IV of chapter 624, but the payor of the tax hereby authorized shall receive credit therefor on his or her said state excise or license tax and the balance of said state excise or license tax shall be paid to the Department of Revenue as provided by law.

175.151 Penalty for failure of insurers to comply with this act.—If any insurance company, corporation or other insurer fails to comply with the provisions of this act, on or before March 1 of each year as herein provided, the certificate of authority issued to said insurance company, corporation or other insurer to transact business in this state may be canceled and revoked by the Office of Insurance Regulation of the Financial Services Commission, and it is unlawful for any such insurance company, corporation, or other insurer to transact business thereafter in this state unless such insurance company, corporation, or other insurer shall be granted a new certificate of authority to transact any business in this state, in compliance with provisions of law authorizing such certificate of authority to be issued. The division is responsible for notifying the Office of Insurance Regulation regarding any such failure to comply.

175.162 Requirements for retirement.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter, any firefighter who completes 10 or more years of creditable service as a firefighter and attains age 55, or completes 25 years of creditable service as a firefighter and attains age 52, and who for such minimum period has been a member of the firefighters' pension trust fund operating under a chapter plan or local law plan, is eligible for normal retirement benefits. Normal retirement under the plan is retirement from the service of the municipality or special fire control district on or after the normal retirement date. In such event, payment of retirement income will be governed by the following provisions of this section:

(1) The normal retirement date of each firefighter will be the first day of the month coincident with or next following the date on which he or she has completed 10 or more years of creditable service and attained age 55 or completed 25 years of creditable service and attained age 52.

(2)(a)1. The amount of monthly retirement income payable to a full-time firefighter who retires on or after his or her normal retirement date shall be an amount equal to the number of his or her years of credited service multiplied by 2.75 percent of his or her average final compensation as a full-time firefighter.

2. Effective July 1, 2015, a plan that is in compliance with this chapter except that the plan provides a benefit that is less than 2.75 percent of the average final compensation of a full-time firefighter for all years of credited service or provides an effective benefit that is less than 2.75 percent as a result of a maximum benefit limitation:

a. Must maintain, at a minimum, the percentage amount or maximum benefit limitation in effect on July 1, 2015, and is not required to increase the benefit to 2.75 percent of the average final compensation of a full-time firefighter for all years of credited service; or

b. If the plan changes the percentage amount or maximum benefit limitation to 2.75 percent or more of the average final compensation of a full-time firefighter for all years of credited service, the plan may not thereafter decrease the percentage amount or maximum benefit limitation to less than 2.75 percent of the average final compensation of a full-time firefighter for all years of credited service.

(b) The amount of monthly retirement income payable to a volunteer firefighter who retires on or after his or her normal retirement date shall be an amount equal to the number of his or her years of credited service multiplied by 2 percent of his or her average final compensation as a volunteer firefighter.

(3) The monthly retirement income payable in the event of normal retirement will be payable on the first day of each month. The first payment will be made on the firefighter's normal retirement date, or on the first day of the month coincident with or next following his or her actual retirement, if

later, and the last payment will be the payment due next preceding the firefighter's death; except that, in the event the firefighter dies after retirement but before he or she has received retirement benefits for a period of 10 years, the same monthly benefit will be paid to the beneficiary (or beneficiaries) as designated by the firefighter for the balance of such 10-year period. If a firefighter continues in the service of the municipality or special fire control district beyond his or her normal retirement date and dies prior to his or her date of actual retirement, without an option made pursuant to s. 175.171 being in effect, monthly retirement income payments will be made for a period of 10 years to a beneficiary (or beneficiaries) designated by the firefighter as if the firefighter had retired on the date on which his or her death occurred.

(4) Early retirement under the plan is retirement from the service of the municipality or special fire control district, with the consent of the municipality or special fire control district, as of the first day of any calendar month which is prior to the firefighter's normal retirement date but subsequent to the date as of which he or she has both attained the age of 50 years and has been a member of this fund for 10 continuous years. In the event of early retirement, payment of retirement income shall be governed as follows: The monthly amount of retirement income payable to a firefighter who retires prior to his or her normal retirement date shall be in the amount computed as described in subsection (2), taking into account the firefighter's credited service to his or her date of actual retirement and final monthly compensation as of such date, such amount of retirement income to be actuarially reduced to take into account the firefighter's younger age and the earlier commencement of retirement income benefits. The amount of monthly income payable in the event of early retirement will be paid in the same manner as in subsection (3). In no event shall the early retirement reduction exceed 3 percent for each year by which the member's age at retirement preceded the member's normal retirement age, as provided in subsection (1).

175.171 Optional forms of retirement income.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) In lieu of the amount and form of retirement income payable in the event of normal or early retirement as specified in s. 175.162, a firefighter, upon written request to the board of trustees and subject to the approval of the board of trustees, may elect to receive a retirement income or benefit of equivalent actuarial value payable in accordance with one of the following options:

(a) A retirement income of larger monthly amount, payable to the firefighter for his or her lifetime only.

(b) A retirement income of a modified monthly amount, payable to the firefighter during the joint lifetime of the firefighter and a joint annuitant designated by the firefighter, and following the death of either of them, 100 percent, 75 percent, 66 ²/₃ percent, or 50 percent of such monthly amounts payable to the survivor for the lifetime of the survivor.

(c) Such other amount and form of retirement payments or benefits as, in the opinion of the board of trustees, will best meet the circumstances of the retiring firefighter.

1. The firefighter upon electing any option of this section must designate the joint annuitant or beneficiary to receive the benefit, if any, payable under the plan in the event of his or her death, and may change such designation, but any such change shall be deemed a new election and is subject to approval by the board of trustees. Such designation must name a joint annuitant or one or more primary beneficiaries where applicable. If a firefighter has elected an option with a joint annuitant or beneficiary and his or her retirement income benefits have commenced, the firefighter may change the designated joint annuitant or beneficiary, but only if the board of trustees consents to such change and if the joint annuitant last designated by the firefighter is alive when the firefighter files with the board of trustees a request for such change.

2. The consent of a firefighter's joint annuitant or beneficiary to any such change is not required.

3. The board of trustees may request evidence of the good health of the joint annuitant that is being removed, and the amount of the retirement income payable to the firefighter upon designation of a new joint annuitant shall be actuarially redetermined taking into account the age and gender of the former joint annuitant, the new joint annuitant, and the firefighter. Each designation must be made in writing on a form prepared by the board of trustees and filed with the board of trustees. If no

designated beneficiary survives the firefighter, such benefits as are payable in the event of the death of the firefighter subsequent to his or her retirement shall be paid as provided in s. 175.181.

4. Notwithstanding the provisions of this paragraph, a retired firefighter may change his or her designation of joint annuitant or beneficiary up to two times as provided in s. 175.333 without the approval of the board of trustees or the current joint annuitant or beneficiary. The retiree is not required to provide proof of the good health of the joint annuitant or beneficiary being removed, and the joint annuitant or beneficiary being removed need not be living.

(2) Retirement income payments shall be made under the option elected in accordance with the provisions of this section and shall be subject to the following limitations:

(a) If a firefighter dies prior to his or her normal retirement date or early retirement date, whichever first occurs, no retirement benefit will be payable under the option to any person, but the benefits, if any, will be determined under s. 175.201.

(b) If the designated beneficiary or joint annuitant dies before the firefighter's retirement under the plan, the option elected is canceled automatically and a retirement income of the normal form and amount is payable to the firefighter upon retirement as if the election had not been made, unless a new election is made in accordance with this section or a new beneficiary is designated by the firefighter before retirement and within 90 days after the death of the beneficiary.

(c) If both the retired firefighter and the beneficiary (or beneficiaries) designated by him or her die before the full payment has been effected under any option providing for payments for a period certain and life thereafter, made pursuant to the provisions of paragraph (1)(c), the board of trustees may, in its discretion, direct that the commuted value of the remaining payments be paid in a lump sum and in accordance with s. 175.181.

(d) If a firefighter continues beyond his or her normal retirement date pursuant to the provisions of s. 175.162(1) and dies prior to actual retirement and while an option made pursuant to the provisions of this section is in effect, monthly retirement income payments will be made, or a retirement benefit will be paid, under the option to a beneficiary (or beneficiaries) designated by the firefighter in the amount or amounts computed as if the firefighter had retired under the option on the date on which death occurred.

(3) No firefighter may make any change in his or her retirement option after the date of cashing or depositing the first retirement check.

175.181 Beneficiaries.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) Each firefighter may, on a form provided for that purpose, signed and filed with the board of trustees, designate a choice of one or more persons, named sequentially or jointly, as his or her beneficiary (or beneficiaries) to receive the benefit, if any, which may be payable in the event of his or her death; and each designation may be revoked by such firefighter by signing and filing with the board of trustees a new designation-of-beneficiary form.

(2) If no beneficiary is named in the manner provided by subsection (1), or if no beneficiary designated by the member survives him or her, the death benefit, if any, which may be payable under the plan with respect to such deceased firefighter shall be paid by the board of trustees to the estate of such deceased firefighter, provided that the board of trustees, in its discretion, may direct that the commuted value of the remaining monthly income payments be paid in a lump sum. Any payment made to any person pursuant to this subsection shall operate as a complete discharge of all obligations under the plan with regard to the deceased firefighter and any other persons with rights under the plan and shall not be subject to review by anyone but shall be final, binding, and conclusive on all persons ever interested hereunder.

(3) Notwithstanding any other provision of law to the contrary, the surviving spouse of any pension participant member killed in the line of duty shall not lose survivor retirement benefits if the spouse remarries. The surviving spouse of such deceased member whose benefit terminated because of remarriage shall have the benefit reinstated as of July 1, 1994, at an amount that would have been payable had such benefit not been terminated.

175.191 Disability retirement.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) A firefighter having 10 or more years of credited service or a firefighter who becomes totally and permanently disabled in the line of duty, regardless of length of service, may retire from the service of the municipality or special fire control district under the plan if the firefighter becomes totally and permanently disabled as defined in subsection (2) by reason of any cause other than a cause set out in subsection (3) on or after the effective date of the plan. Such retirement shall herein be referred to as “disability retirement.”

(2) A firefighter will be considered totally disabled if, in the opinion of the board of trustees, he or she is wholly prevented from rendering useful and efficient service as a firefighter; and a firefighter will be considered permanently disabled if, in the opinion of the board of trustees, he or she is likely to remain so disabled continuously and permanently from a cause other than is specified in subsection (3).

(3) A firefighter will not be entitled to receive any disability retirement income if the disability is a result of:

- (a) Excessive and habitual use by the firefighter of drugs, intoxicants, or narcotics;
 - (b) Injury or disease sustained by the firefighter while willfully and illegally participating in fights, riots, or civil insurrections or while committing a crime;
 - (c) Injury or disease sustained by the firefighter while serving in any armed forces; or
 - (d) Injury or disease sustained by the firefighter after his or her employment has terminated.
- (4) No firefighter shall be permitted to retire under the provisions of this section until he or she is examined by a duly qualified physician or surgeon, to be selected by the board of trustees for that purpose, and is found to be disabled in the degree and in the manner specified in this section. Any firefighter retiring under this section may be examined periodically by a duly qualified physician or surgeon or board of physicians and surgeons, to be selected by the board of trustees for that purpose, to determine if such disability has ceased to exist.

(5) The benefit payable to a firefighter who retires from the service of a municipality or special fire control district due to total and permanent disability as a direct result of a disability is the monthly income payable for 10 years certain and life for which, if the firefighter’s disability occurred in the line of duty, his or her monthly benefit shall be the accrued retirement benefit, but shall not be less than 42 percent of his or her average monthly salary at the time of disability. If after 10 years of service the disability is other than in the line of duty, the firefighter’s monthly benefit shall be the accrued normal retirement benefit, but shall not be less than 25 percent of his or her average monthly salary at the time of disability.

(6) The monthly retirement income to which a firefighter is entitled in the event of his or her disability retirement shall be payable on the first day of the first month after the board of trustees determines such entitlement. However, the monthly retirement income shall be payable as of the date the board determines such entitlement, and any portion due for a partial month shall be paid together with the first payment. The last payment will be, if the firefighter recovers from the disability, the payment due next preceding the date of such recovery or, if the firefighter dies without recovering from the disability, the payment due next preceding his or her death or the 120th monthly payment, whichever is later. In lieu of the benefit payment as provided in this paragraph, a firefighter may select an optional form as provided in s. 175.171. Any monthly retirement income payments due after the death of a disabled firefighter shall be paid to the firefighter’s designated beneficiary (or beneficiaries) as provided in ss. 175.181 and 175.201.

(7) If the board of trustees finds that a firefighter who is receiving a disability retirement income is no longer disabled, as provided herein, the board of trustees shall direct that the disability retirement income be discontinued. “Recovery from disability” as used herein means the ability of the firefighter to render useful and efficient service as a firefighter.

(8) If the firefighter recovers from disability and reenters the service as a firefighter, service will be deemed to have been continuous, but the period beginning with the first month for which he or she received a disability retirement income payment and ending with the date he or she reentered the service may not be considered as credited service for the purpose of this plan.

175.195 False, misleading, or fraudulent statements made to obtain public retirement benefits prohibited; penalty.—

(1) It is unlawful for a person to willfully and knowingly make, or cause to be made, or to assist, conspire with, or urge another to make, or cause to be made, any false, fraudulent, or misleading oral

or written statement or withhold or conceal material information to obtain any benefit available under a retirement plan receiving funding under this chapter.

(2)(a) A person who violates subsection (1) commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(b) In addition to any applicable criminal penalty, upon conviction for a violation described in subsection (1), a participant or beneficiary of a pension plan receiving funding under this chapter may, in the discretion of the board of trustees, be required to forfeit the right to receive any or all benefits to which the person would otherwise be entitled under this chapter. For purposes of this paragraph, “conviction” means a determination of guilt that is the result of a plea or trial, regardless of whether adjudication is withheld.

175.201 Death prior to retirement; refunds of contributions; death benefits.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) If a firefighter dies before being eligible to retire, the heirs, legatees, beneficiaries, or personal representatives of such deceased firefighter shall be entitled to a refund of 100 percent, without interest, of the contributions made to the firefighters’ pension trust fund by such deceased firefighter or, in the event an annuity or life insurance contract has been purchased by the board of trustees on such firefighter, then to the death benefits available under such life insurance or annuity contract subject to the limitations on such death benefits set forth in s. 175.081, whichever amount is greater.

(2) If a firefighter having at least 10 years of credited service dies prior to retirement, his or her beneficiary is entitled to the benefits otherwise payable to the firefighter at early or normal retirement age.

In the event that the death benefit paid by a life insurance company exceeds the limit set forth in s. 175.081, the excess of the death benefit over the limit shall be paid to the firefighters’ pension trust fund. However, death benefits provided pursuant to s. 112.191 or any other state or federal law shall not be included in the calculation of death or retirement benefits provided under this chapter.

175.211 Separation from service; refunds.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) If a firefighter leaves the service of the municipality or special fire control district before accumulating aggregate time of 10 years toward retirement and before being eligible to retire under the provisions of this chapter, the firefighter shall be entitled to a refund of all of his or her contributions made to the firefighters’ pension trust fund after July 1, 1963, without interest, less any disability benefits paid to him or her after July 1, 1963.

(2) If a firefighter who has been in the service of the municipality or special fire control district for at least 10 years elects to leave his or her accrued contributions, if contributions are required, in the firefighters’ pension trust fund, such firefighter upon attaining the age of 50 years may retire at the actuarial equivalent of the amount of such retirement income otherwise payable to him or her, as provided in s. 175.162(4), or upon attaining age 55 years may retire as provided in s. 175.162(1).

175.221 Lump-sum payment of small retirement income.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter, notwithstanding any provisions of the plan to the contrary, if the monthly retirement income payable to any person entitled to benefits hereunder is less than \$100, or if the single-sum value of the accrued retirement income is less than \$5,000, as of the date of retirement or termination of service, whichever is applicable, the board of trustees, in the exercise of its discretion, may specify that the actuarial equivalent of such retirement income be paid in a lump sum.

175.231 Diseases of firefighters suffered in line of duty; presumption.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter, any condition or impairment of health of a firefighter caused by tuberculosis, hypertension, or heart disease resulting in total or partial disability or death shall be

presumed to have been accidental and suffered in the line of duty unless the contrary is shown by competent evidence, provided that such firefighter shall have successfully passed a physical examination before entering into such service, which examination failed to reveal any evidence of such condition. This section shall be applicable to all firefighters only with reference to pension and retirement benefits under this chapter.

2. An independent audit by a certified public accountant if the fund has \$250,000 or more in assets, or a certified statement of accounting if the fund has less than \$250,000 in assets, for the most recent plan year, showing a detailed listing of assets and methods used to value them and a statement of all income and disbursements during the year. Such income and disbursements shall be reconciled with the assets at the beginning and end of the year.

5. If any benefits are insured with a commercial insurance company, the report should include a statement of the relationship of the insured benefits to the benefits provided by this chapter as well as the name of the insurer and information about the basis of premium rates, mortality table, interest rates, and method used in valuing retirement benefits.

(b) In addition to annual reports provided under paragraph (a), by February 1 of each triennial year, an actuarial valuation of the chapter plan must be made by the division at least once every 3 years, as provided in s. 112.63, commencing 3 years from the last actuarial valuation of the plan or system for existing plans, or commencing 3 years from issuance of the initial actuarial impact statement submitted under s. 112.63 for newly created plans. To that end, the chair of the board of trustees for each firefighters' pension trust fund operating under a chapter plan shall report to the division such data as it needs to complete an actuarial valuation of each fund. The forms for each municipality and special fire control district shall be supplied by the division. The expense of this actuarial valuation shall be borne by the firefighters' pension trust fund established by ss. 175.041 and 175.121. However, any funds so deposited with the treasurer of the municipality or special fire control district shall be kept in a separate fund by the treasurer or clearly identified as such funds of the firefighters' pension trust fund. In lieu thereof, the board of trustees shall deposit the funds of the firefighters' pension trust fund in a qualified public depository as defined in s. 280.02, which depository with regard to such funds shall conform to and be bound by all of the provisions of chapter 280.

control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter, each municipality and each special fire control district shall be independent of any other municipality or special fire control district, and the board of trustees of the firefighters' pension trust fund of each municipality and each special fire control district shall function for the municipality or special fire control district that it serves as trustee. Each board of trustees shall be independent of the municipality or special fire control district for which it serves as board of trustees to the extent required to accomplish the intent, requirements, and responsibilities provided for in this chapter.

175.333 Discrimination in benefit formula prohibited; restrictions regarding designation of joint annuitants.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) No plan shall discriminate in its benefit formula based on color, national origin, sex, or marital status.

(2)(a) If a plan offers a joint annuitant option and the member selects such option, or if a plan specifies that the member's spouse is to receive the benefits that continue to be payable upon the death of the member, then, in both of these cases, after retirement benefits have commenced, a retired member may change his or her designation of joint annuitant or beneficiary only twice.

(b) Any retired member who desires to change his or her joint annuitant or beneficiary shall file with the board of trustees of his or her plan a notarized notice of such change either by registered letter or on such form as is provided by the administrator of the plan. Upon receipt of a completed change of joint annuitant form or such other notice, the board of trustees shall adjust the member's monthly benefit by the application of actuarial tables and calculations developed to ensure that the benefit paid is the actuarial equivalent of the present value of the member's current benefit. Nothing herein shall preclude a plan from actuarially adjusting benefits or offering options based upon sex, age, early retirement, or disability.

(3) Eligibility for coverage under the plan must be based upon length of service or attained age, or both, and benefits must be determined by a nondiscriminatory formula based upon:

- (a) Length of service and compensation; or
- (b) Length of service.

(1) The division shall be responsible for the daily oversight and monitoring for actuarial soundness of the firefighters' pension plans, whether chapter or local law plans, established under this chapter, for receiving and holding the premium tax moneys collected under this chapter, and, upon determining compliance with the provisions of this chapter, for disbursing those moneys to the firefighters' pension plans. The funds necessary to pay expenses for such administration shall be annually appropriated from the interest and investment income earned on moneys deposited in the trust fund.

(2) The State Board of Administration shall invest and reinvest the moneys in the trust fund collected under this chapter in accordance with ss. 215.44-215.53. Costs incurred by the board in carrying out the provisions of this subsection shall be deducted from the interest and investment income accruing to the trust fund.

175.351 Municipalities and special fire control districts that have their own retirement plans for firefighters.—In order for a municipality or special fire control district that has its own retirement plan for firefighters, or for firefighters and police officers if both are included, to participate in the distribution of the tax fund established under s. 175.101, a local law plan must meet minimum benefits and minimum standards, except as provided in the mutual consent provisions in paragraph (1)(g) with respect to the minimum benefits not met as of October 1, 2012.

(1) If a municipality has a retirement plan for firefighters, or for firefighters and police officers if both are included, which in the opinion of the division meets minimum benefits and minimum standards, the board of trustees of the retirement plan must place the income from the premium tax in s. 175.101 in such plan for the sole and exclusive use of its firefighters, or for firefighters and police officers if both are included, where it shall become an integral part of that plan and be used to fund

benefits as provided herein. Effective October 1, 2015, for noncollectively bargained service or upon entering into a collective bargaining agreement on or after July 1, 2015:

(a) The base premium tax revenues must be used to fund minimum benefits or other retirement benefits in excess of the minimum benefits as determined by the municipality or special fire control district.

(b) Of the additional premium tax revenues received that are in excess of the amount received for the 2012 calendar year, 50 percent must be used to fund minimum benefits or other retirement benefits in excess of the minimum benefits as determined by the municipality or special fire control district, and 50 percent must be placed in a defined contribution plan to fund special benefits.

(c) Additional premium tax revenues not described in paragraph (b) must be used to fund benefits that are not included in the minimum benefits. If the additional premium tax revenues subject to this paragraph exceed the full annual cost of benefits provided through the plan which are in excess of the minimum benefits, any amount in excess of the full annual cost must be used as provided in paragraph (b).

(d) Of any accumulations of additional premium tax revenues which have not been allocated to fund benefits in excess of the minimum benefits, 50 percent of the amount of the accumulations must be used to fund special benefits, and 50 percent must be applied to fund any unfunded actuarial liabilities of the plan; provided that any amount of accumulations in excess of the amount required to fund the unfunded actuarial liabilities must be used to fund special benefits.

(e) For a plan created after March 1, 2015, 50 percent of the insurance premium tax revenues must be used to fund defined benefit plan component benefits, with the remainder used to fund defined contribution plan component benefits.

(f) If a plan offers benefits in excess of the minimum benefits, such benefits, excluding supplemental plan benefits in effect as of September 30, 2014, may be reduced if the plan continues to meet minimum benefits and minimum standards. The amount of insurance premium tax revenues previously used to fund benefits in excess of minimum benefits before the reduction, excluding the amount of any additional premium tax revenues distributed to a supplemental plan for the 2012 calendar year, must be used as provided in paragraph (b). However, benefits in excess of minimum benefits may not be reduced if a plan does not meet the minimum percentage amount of 2.75 percent of the average final compensation of a full-time firefighter, as required by s. 175.162(2)(a)1., or provides an effective benefit that is below 2.75 percent as a result of a maximum benefit limitation as described in s. 175.162(2)(a)2.

(g) Notwithstanding paragraphs (a)-(f), the use of premium tax revenues, including any accumulations of additional premium tax revenues which have not been allocated to fund benefits in excess of minimum benefits, may deviate from the provisions of this subsection by mutual consent of the members' collective bargaining representative or, if there is no representative, by a majority of the firefighter members of the fund, and by consent of the municipality or special fire control district, provided that the plan continues to meet minimum benefits and minimum standards; however, a plan that operates pursuant to this paragraph and does not meet minimum benefits as of October 1, 2012, may continue to provide the benefits that do not meet the minimum benefits at the same level as was provided as of October 1, 2012, and all other benefit levels must continue to meet the minimum benefits. Such mutually agreed deviation must continue until modified or revoked by subsequent mutual consent of the members' collective bargaining representative or, if none, by a majority of the firefighter members of the fund, and the municipality or special fire control district. An existing arrangement for the use of premium tax revenues contained within a special act plan or a plan within a supplemental plan municipality is considered, as of July 1, 2015, to be a deviation for which mutual consent has been granted.

(2) The premium tax provided by this chapter must be used in its entirety to provide retirement benefits to firefighters, or to firefighters and police officers if both are included. Local law plans created by special act before May 27, 1939, are deemed to comply with this chapter.

(3) A retirement plan or amendment to a retirement plan may not be proposed for adoption unless the proposed plan or amendment contains an actuarial estimate of the costs involved. Such proposed plan or proposed plan change may not be adopted without the approval of the municipality, special fire control district, or, where required, the Legislature. Copies of the proposed plan or proposed plan change and the actuarial impact statement of the proposed plan or proposed plan change shall be

furnished to the division before the last public hearing on the proposal is held. Such statement must also indicate whether the proposed plan or proposed plan change is in compliance with s. 14, Art. X of the State Constitution and those provisions of part VII of chapter 112 which are not expressly provided in this chapter. Notwithstanding any other provision, only those local law plans created by special act of legislation before May 27, 1939, are deemed to meet minimum benefits and minimum standards.

(4) Notwithstanding any other provision, with respect to any supplemental plan municipality:

(a) A local law plan and a supplemental plan may continue to use their definition of compensation or salary in existence on March 12, 1999.

(b) Section 175.061(1)(b) does not apply, and a local law plan and a supplemental plan shall continue to be administered by a board or boards of trustees numbered, constituted, and selected as the board or boards were numbered, constituted, and selected on December 1, 2000.

(5) The retirement plan setting forth the benefits and the trust agreement, if any, covering the duties and responsibilities of the trustees and the regulations of the investment of funds must be in writing, and copies made available to the participants and to the general public.

(6) In addition to the defined benefit plan component of the local law plan, each plan sponsor must have a defined contribution plan component within the local law plan by October 1, 2015, for noncollectively bargained service, upon entering into a collective bargaining agreement on or after July 1, 2015, or upon the creation date of a new participating plan. Depending upon the application of subsection (1), a defined contribution plan component may or may not receive any funding.

(7) Notwithstanding any other provision of this chapter, a municipality or special fire control district that has implemented or proposed changes to a local law plan based on the municipality's or district's reliance on an interpretation of this chapter by the Department of Management Services on or after August 14, 2012, and before March 3, 2015, may continue the implemented changes or continue to implement proposed changes. Such reliance must be evidenced by a written collective bargaining proposal or agreement, or formal correspondence between the municipality or district and the Department of Management Services which describes the specific changes to the local law plan, with the initial proposal, agreement, or correspondence from the municipality or district dated before March 3, 2015. Changes to the local law plan which are otherwise contrary to minimum benefits and minimum standards may continue in effect until the earlier of October 1, 2018, or the effective date of a collective bargaining agreement that is contrary to the changes to the local law plan.

175.361 Termination of plan and distribution of fund.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter, the plan may be terminated by the municipality or special fire control district. Upon termination of the plan by the municipality or special fire control district for any reason or because of a transfer, merger, or consolidation of governmental units, services, or functions as provided in chapter 121, or upon written notice by the municipality or special fire control district to the board of trustees that contributions under the plan are being permanently discontinued, the rights of all employees to benefits accrued to the date of such termination and the amounts credited to the employees' accounts are nonforfeitable. The fund shall be distributed in accordance with the following procedures:

(1) The board of trustees shall determine the date of distribution and the asset value required to fund all the nonforfeitable benefits after taking into account the expenses of such distribution. The board shall inform the municipality or special fire control district if additional assets are required, in which event the municipality or special fire control district shall continue to financially support the plan until all nonforfeitable benefits have been funded.

(2) The board of trustees shall determine the method of distribution of the asset value, whether distribution shall be by payment in cash, by the maintenance of another or substituted trust fund, by the purchase of insured annuities, or otherwise, for each firefighter entitled to benefits under the plan as specified in subsection (3).

(3) The board of trustees shall distribute the asset value as of the date of termination in the manner set forth in this subsection, on the basis that the amount required to provide any given retirement income is the actuarially computed single-sum value of such retirement income, except that if the method of distribution determined under subsection (2) involves the purchase of an insured

annuity, the amount required to provide the given retirement income is the single premium payable for such annuity. The actuarial single-sum value may not be less than the employee's accumulated contributions to the plan, with interest if provided by the plan, less the value of any plan benefits previously paid to the employee.

(4) If there is asset value remaining after the full distribution specified in subsection (3), and after the payment of any expenses incurred with such distribution, such excess shall be returned to the municipality or special fire control district, less return to the state of the state's contributions, provided that, if the excess is less than the total contributions made by the municipality or special fire control district and the state to date of termination of the plan, such excess shall be divided proportionately to the total contributions made by the municipality or special fire control district and the state.

(5) The board of trustees shall distribute, in accordance with subsection (2), the amounts determined under subsection (3).

If, after 24 months after the date the plan terminated or the date the board received written notice that the contributions thereunder were being permanently discontinued, the municipality or special fire control district or the board of trustees of the firefighters' pension trust fund affected has not complied with all the provisions in this section, the Department of Management Services shall effect the termination of the fund in accordance with this section.

175.371 Transfer to another state retirement system; benefits payable.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter:

(1) Any firefighter who has a vested right to benefits under a pension plan created pursuant to the provisions of this chapter and who elects to participate in another state retirement system may not receive a benefit under the provisions of the latter retirement system for any year's service for which benefits are paid under the provisions of the pension plan created pursuant to this chapter.

(2) When every active participant in any pension plan created pursuant to this chapter elects to transfer to another state retirement system, the pension plan created pursuant to this chapter shall be terminated and the assets distributed in accordance with s. 175.361. If some participants in a pension plan created pursuant to this chapter elect to transfer to another state retirement system and other participants elect to remain in the existing plan created pursuant to this chapter, the plan created pursuant to this chapter shall continue to receive state premium tax moneys until fully funded. If the plan is fully funded at a particular valuation date and not fully funded at a later valuation date, the plan shall resume receipt of state premium tax moneys until the plan is once again fully funded. "Fully funded" means that the present value of all benefits, accrued and projected, is less than the available assets and the present value of future member contributions and future plan sponsor contributions on an actuarial entry age cost funding basis. Effective May 31, 1998, for plans discussed herein, the plan shall remain in effect until the final benefit payment has been made to the last participant or beneficiary and shall then be terminated in accordance with s. 175.361.

History.—s. 22, ch. 86-41; s. 37, ch. 99-1; s. 5, ch. 2002-66.

175.381 Applicability.—This act shall apply to all municipalities, special fire control districts, chapter plans, local law municipalities, local law special fire control districts, or local law plans presently existing or to be created pursuant to this chapter. Those plans presently existing pursuant to s. 175.351 and not in compliance with the provisions of this act must comply no later than December 31, 1999. However, the plan sponsor of any plan established by special act of the Legislature shall have until July 1, 2000, to comply with the provisions of this act, except as otherwise provided in this act with regard to establishment and election of board members. The provisions of this act shall be construed to establish minimum standards and minimum benefit levels, and nothing contained in this act or in chapter 175 shall operate to reduce presently existing rights or benefits of any firefighter, directly, indirectly, or otherwise.

History.—s. 23, ch. 86-41; s. 38, ch. 99-1.

175.401 Retiree health insurance subsidy.—For any municipality, special fire control district, chapter plan, local law municipality, local law special fire control district, or local law plan under this chapter, under the broad grant of home rule powers under the State Constitution and chapter 166, municipalities have the authority to establish and administer locally funded health insurance subsidy

programs. In addition, special fire control districts may, by resolution, establish and administer locally funded health insurance subsidy programs. Pursuant thereto:

(1) **PURPOSE.**—The purpose of this section is to allow municipalities and special fire control districts the option to use premium tax moneys, as provided for under this chapter, to establish and administer health insurance subsidy programs which will provide a monthly subsidy payment to retired members of any firefighters' pension trust fund system or plan as provided under this chapter, or to beneficiaries who are spouses or financial dependents entitled to receive benefits under such a plan, in order to assist such retired members or beneficiaries in paying the costs of health insurance.

(2) **RETIREE HEALTH INSURANCE SUBSIDY TRUST FUNDS; ESTABLISHMENT AND TERMINATION.**—

(a) Any municipality or special fire control district having a firefighters' pension trust fund system or plan as provided under this chapter may, in its discretion, establish by ordinance or resolution, as appropriate, a trust fund to be known as the firefighters' retiree health insurance subsidy trust fund. This fund may be a separate account established for such purpose in the existing firefighters' pension fund, provided that all funds deposited in such account are segregated from, and not commingled with, pension funds or other public moneys and that the account otherwise conforms to the requirements of subsection (8). The trust fund shall be used to account for all moneys received and disbursed pursuant to this section.

(b) Prior to the second reading of the ordinance before the municipal legislative body, or of the resolution before the governing body of the special fire control district, an actuarial valuation must be performed by an enrolled actuary as provided in s. 112.63, and copies of the valuation and the proposed implementing ordinance or resolution shall be furnished to the division.

(c) The subsidy program may, at the discretion of the municipal governing body, be permanently discontinued by municipal ordinance, and at the discretion of the governing body of a special fire control district may be permanently discontinued by resolution, at any time, subject to the requirements of any applicable collective bargaining agreement, in the same manner and subject to the same conditions established for plan termination and fund distribution under s. 175.361.

(3) **FUNDING.**—Trust funds established pursuant to this section shall be funded in the following manner:

(a) By payment to the fund of an amount equivalent to one-half of the net increase over the previous tax year in the premium tax funds provided for in this chapter, said amount to be established in the implementing ordinance or resolution.

(b) By no less than one-half of 1 percent of the base salary of each firefighter, for so long as the firefighter is employed and covered by a pension plan established pursuant to this chapter. The municipality or special fire control district, with approval of the board of trustees, may increase member contributions if needed to fund benefits greater than the minimums established in this section.

(c) By payment by the municipality or special fire control district, on at least a quarterly basis, of whatever sum is determined necessary to maintain the actuarial soundness of the fund in accordance with s. 112.64.

Such contributions and payments shall be submitted to the board of trustees of the firefighters' pension trust fund, or the plan trustees in the case of local law plans established under s. 175.351, and deposited in the firefighters' retiree health insurance subsidy trust fund, in the same manner and subject to the same time constraints as provided under s. 175.131.

(4) **ELIGIBILITY FOR RETIREE HEALTH INSURANCE SUBSIDY.**—A person who has contributed to the retiree health insurance subsidy trust fund and retires under a firefighters' pension trust fund system or plan as provided under this chapter, including any local law plan as provided under s. 175.351, or a beneficiary who is a spouse or financial dependent entitled to receive benefits under such a plan, is eligible for health insurance subsidy payments provided under this section. However, the fund, with approval of the board of trustees and approval of the municipality or special fire control district, may provide coverage to retirees and beneficiaries when the retirees have not contributed to the fund as provided in subsection (3). Payment of the retiree health insurance subsidy shall be made only after coverage for health insurance for the retiree or beneficiary has been certified in writing to the board of trustees of the firefighters' pension trust fund.

(5) **RETIREE HEALTH INSURANCE SUBSIDY AMOUNT.**—Beginning on the effective date established in the implementing ordinance or resolution, each eligible retiree, or beneficiary who is a spouse or

financial dependent thereof, shall receive a monthly retiree health insurance subsidy payment equal to the aggregate number of years of service, as defined in s. 175.032, completed at the time of retirement multiplied by an amount determined in the implementing ordinance or resolution, but no less than \$3 for each year of service. Nothing herein shall be construed to restrict the plan sponsor from establishing, in the implementing ordinance or resolution, a cap of no less than 30 years upon the number of years' service for which credit will be given toward a health insurance subsidy or a maximum monthly subsidy amount.

(6) PAYMENT OF RETIREE HEALTH INSURANCE SUBSIDY.—Beginning on the effective date established in the implementing ordinance or resolution, any monthly retiree health insurance subsidy amount due and payable under this section shall be paid to retired members, or their eligible beneficiaries, by the board of trustees of the firefighters' pension trust fund, or the plan trustees in the case of local law plans established under s. 175.351, in the same manner as provided by s. 175.071(1)(c) for drafts upon the pension fund.

(7) INVESTMENT OF THE TRUST FUND.—The trustees of the firefighters' pension trust fund, or the plan trustees in the case of local law plans established under s. 175.351, are hereby authorized to invest and reinvest the funds of the firefighters' retiree health insurance subsidy trust fund in the same manner and subject to the same conditions as apply hereunder to the investment of firefighters' pension funds under s. 175.071.

(8) DEPOSIT OF HEALTH INSURANCE SUBSIDY FUNDS.—All funds of the health insurance subsidy fund may be deposited by the board of trustees with the treasurer of the municipality or special fire control district, acting in a ministerial capacity only, who shall be liable in the same manner and to the same extent as he or she is liable for the safekeeping of funds for the municipality or special fire control district. Any funds so deposited shall be segregated by the treasurer in a separate fund, clearly identified as funds of the health insurance subsidy fund. In lieu thereof, the board of trustees shall deposit the funds of the health insurance subsidy fund in a qualified public depository as defined in s. 280.02, which shall conform to and be bound by the provisions of chapter 280 with regard to such funds. In no case shall the funds of the health insurance subsidy fund be deposited in any financial institution, brokerage house trust company, or other entity that is not a public depository as provided by s. 280.02.

(9) SEPARATION FROM SERVICE; REFUNDS.—Any firefighter who terminates employment with a municipality or special fire control district having a retiree health insurance subsidy trust fund system or plan as provided under this section shall be entitled to a refund of all employee contributions he or she made to that trust fund, without interest, regardless of whether the firefighter has vested for purposes of retirement. Any firefighter who has vested for purposes of retirement in the service of the municipality or special fire control district, and has contributed to the firefighters' retiree health insurance subsidy trust fund for so long as he or she was eligible to make such contributions, may, in his or her discretion, elect to leave his or her accrued contributions in the fund, whereupon, such firefighter shall, upon retiring and commencing to draw retirement benefits, receive a health insurance subsidy based upon his or her aggregate number of years of service, as defined in s. 175.032.

(10) ADMINISTRATION OF SYSTEM; ACTUARIAL VALUATIONS; AUDITS; RULES; ADMINISTRATIVE COSTS.—The board of trustees of the firefighters' pension trust fund, or the plan trustees in the case of local law plans established under s. 175.351, shall be solely responsible for administering the health insurance subsidy trust fund. Pursuant thereto:

(a) As part of its administrative duties, no less frequently than every 3 years, the board shall have an actuarial valuation of the firefighters' retiree health insurance subsidy trust fund prepared as provided in s. 112.63 by an enrolled actuary, covering the same reporting period or plan year used for the firefighters' pension plan, and shall submit a report of the valuation, including actuarial assumptions and type and basis of funding, to the division.

(b) By February 1 of each year, the trustees shall file a report with the division, containing an independent audit by a certified public accountant if the fund has \$250,000 or more in assets, or a certified statement of accounting if the fund has less than \$250,000 in assets, for the most recent plan year, showing a detailed listing of assets and methods used to value them and a statement of all income and disbursements during the year. Such income and disbursements shall be reconciled with the assets at the beginning of and end of the year.

(c) The trustees may adopt such rules and regulations as are necessary for the effective and efficient administration of this section.

(d) At the discretion of the plan sponsor, the cost of administration may be appropriated from the trust fund or paid directly by the plan sponsor.

(11) **BENEFITS.**—Subsidy payments shall be payable under the firefighters' retiree health insurance subsidy program only to participants in the program or their beneficiaries. Such subsidy payments shall not be subject to assignment, execution, or attachment or to any legal process whatsoever, and shall be in addition to any other benefits to which eligible recipients are entitled under any workers' compensation law, pension law, collective bargaining agreement, municipal or county ordinance, or any other state or federal statute.

(12) **DISTRIBUTION OF PREMIUM TAXES; COMPLIANCE REQUIRED.**—Premium tax dollars for which spending authority is granted under this section shall be distributed from the Police and Firefighters' Premium Tax Trust Fund and remitted annually to municipalities and special fire control districts in the same manner as provided under this chapter for firefighters' pension funds. Once a health insurance subsidy plan has been implemented by a municipality or special fire control district under this section, in order for the municipality or special fire control district to participate in the distribution of premium tax dollars authorized under this section, all provisions of this section, including state acceptance pursuant to part VII of chapter 112, shall be complied with, and said premium tax dollars may be withheld for noncompliance.

History.—s. 1, ch. 92-51; s. 39, ch. 93-193; s. 12, ch. 94-259; s. 1451, ch. 95-147; s. 4, ch. 95-250; s. 40, ch. 99-1.

175.411 Optional participation.—A municipality or special fire control district may revoke its participation under this chapter by rescinding the legislative act, ordinance, or resolution which assesses and imposes the taxes authorized in s. 175.101, and by furnishing a certified copy of such legislative act, ordinance, or resolution to the division. Thereafter, the municipality or special fire control district shall be prohibited from participating under this chapter, and shall not be eligible for future premium tax moneys. Premium tax moneys previously received shall continue to be used for the sole and exclusive benefit of firefighters, or firefighters and police officers where included, and no amendment, legislative act, ordinance, or resolution shall be adopted which shall have the effect of reducing the then-vested accrued benefits of the firefighters, retirees, or their beneficiaries. The municipality or special fire control district shall continue to furnish an annual report to the division as provided in s. 175.261. If the municipality or special fire control district subsequently terminates the defined benefit plan, they shall do so in compliance with the provisions of s. 175.361.

(Please note public was present at this time)

Continued to talk about the plan, the loss the plan

New Buisness: Board discussion brought up about how our plan receives it's excise tax money, Chief Ippolito gave a brief description and then stated that Dep. Insuranceman Greg Gay is looking into assuring all dept.'s would receive there right allocated monies. Process is to take 8-10 months at least, but we have received more monies over the past two years. Also noted that North Naples has a lawsuit in court over their dept. not receiving the correct allocated monies.

Chairman Anderson brought up adding plan options to our 175 plan, which are in equilevence to the state FRS plan. The additions brought up would include: Drop plan

Cola plan

Dropping 10 yrs vested to 6 yrs of vested service

Dropping the last (best) 5yrs to 3yrs

Chief Ippolito stated that the last (best) 5yrs to 3yrs did not pass in legislation, so this addition would be excluded from the additions until it passed.

The whole objective here is to make the 175 plan equivalent to FRS. These items are all negotiated items so we have to bring these changes to the union.

Motion was made by Sven to move towards adopting the drop/cola plan, and (10 to 6yrs). Kolin 2nd, discussion

Kolin amended motion, and re-made to state we would proceed with an equivalent drop/cola plan to match FRS plan.

1. Fiduciary liability policy for board members is required and Sven asked for all members get a copy of it.
2. General liability auto policy for board members to protect pension board members from getting sued when attending conferences, etc.
3. Lawyer- we need to look into getting an attorney just for the pension board, not district as well. Though the attorney's are very costly. Once we hit \$300,00 dollars we will be required to have our own attorney.

Sven/ Kolin brought up the possibility of buying back years in service for existing/new employees.

1. Cost
 2. More attractive to new hires
 3. Discussion further by all board members

The 175 plan could add past service time in any type of government entity and up the years to 10 or any total amount of years. 2 people on the dept. are eligible to buy back military time. The process would go this way: A resolution would have to be drafted and adopted by both pension and fire boards and then added to our plan. The next step would be to do cost analysis of the employee's in the plan, and from the time we would get the breakdown of the cost the employee's would have 3 months to buy back that time. Further discussion on this issue was to be brought up at the next meeting and to set-up the process.

New Business

Military Time

Mr. Anderson updated the Board on being able to buy back military time. After getting information for the League of Cities, he mentioned that an actuary study needs to be completed due to the District not having a policy on military time buy backs. The study will be a cost for the District due to being a benefit. Mr. Manning gave several examples on what other departments have been calculating for this benefit. Mr. Anderson stated that the benefit should be completed as soon as possible due to it reflecting from current salaries. Chief Ippolito stated that this would require several studies to be completed, one to make sure the plan is sound and one for each individual interested in this benefit. After much discussion, it was decided that more information will be collected and presented at the next pension board meeting. Mr. McCain suggested that the Military benefit be added after the Stop/Start due to this being an extra benefit. Chief Ippolito stated he would ask Mr. Linn his opinion.

Board of Directors

Chief Ippolito informed the Board that the Board of Directors must consist of 5 members per Chapter 175; two members must be fulltime firefighters for the district, two members must be legal residents of the district and one as a chosen independent member decided by the four other Board of Directors. Military Buy-Back Option

Terry Dettmar questioned on the military buy back time issue. Sven Anderson informed Board members that this issue was on hold until Stop/Start was completed and asked the Board to move forward quickly with the military buy-back revision to Chapter 175. Kolin Manning stated that a resolution and actuary study needs to be completed to add this to the Districts' Chapter 175. Chief Bosnjak questioned if Florida Retirement Systems offers a military buy-back option. Discussion ensued on the cost of the study and the impact to the District. Sven Anderson stated that research will be conducted on FRS to clarify what direction the Board may take regarding this issue. He also mentioned that this issue needs to move forward quickly due to the cost to the staff members for this option.

New Business

Retirement Roster

Kolin Manning informed the Board that the State requires that the District keep a roster of retired staff members.

FRS vs. Chapter 175

Chief Bosnjak informed the Board the staff member Jeff DeBusman has been promoted to Acting Fire Marshal and before completing fire school was in FRS. After research, he cannot be switched from Regular Risk to High Risk per State Retirement requirements. Due to this requirement, he can only be eligible for Regular Risk. Discussion ensued on changing the position description then to reapply to FRS. At this time, it is suggested that Chief Bosnjak research more into Jeff DeBusman retirement options. Chief Bosnjak stated he will have more information at the next meeting.

Chief Bosnjak informed the Board on information from the research he collected. He presented other options for comparison from Bonita Springs and Estero Fire Districts. After discussion, Chief Bosnjak asked the Board for direction on moving forward with offering the military buy-back option in the Chapter 175 fund. The Board agreed to mimic the Florida Statutes and Florida Retirement System and to move forward with creating a resolution to include the military buy-back option in the San Carlos Park Fire Protection and Rescue Service Districts' Chapter 175 fund. It was agreed by Board members to use Bonita Springs Fire Control Districts plan to create ours minus the payment plan and to include a 90 day maximum to pay for buy-back options. The Board also stated that the maximum years to buy-back is up to 4 years and service to be only in Florida. It was suggested to ask Attorney Linn on wording to include other public service positions that may be eligible for the buy-back option. Mirroring the Florida Retirement System was agreed by all Board members.

FRS vs. Chapter 175

Discussion ensued on the job description for the Acting Fire Marshal, Jeff DeBusman. He is currently regular risk. Chief Bosnjak stated that due to him already being regular risk, Florida State Retirement suggested that he could not move to special risk at this time. More research on this to come in the future.

Old Business

Military Buy-Back Option

Chief Bosnjak was presented the final voting results from District 9 on adding the Military option to the current Chapter 175 Pension Plan. Final voting results from District 9 were 26-0 leaning towards aye. A letter was signed requested from Attorney Jim Linn to move forward with creating a resolution to present to the San Carlos Park Fire District Board of Fire Commissioners. Chief Bosnjak informed the Pension Board on finding he collected about adding other Public service to the plan. Chapter 175 is defined as a firefighter pension plan, therefore police, teachers, or emergency medical service is outside the statutes for the current policy. In regards to out of state firefighter service, you are allowed to buy-back time as well, as long as the job description matches what Florida requires. It was also noted by Chief Bosnjak that you may request the buy-back option any number of times throughout your career, but you must purchase it within the 90 day maximum. Other findings from the Chapter 175 research states that to purchase back military and other fire service time it is at the 3% regular risk rate not the 2% special risk rate. After discussion, all questions were answered.

Motion to accept the draft resolution and to send out for completion with the District Attorney made by Kolin Manning and seconded by Mike McCain. The motion was voted upon, with no questions, treasurer's report stands approved for audit.

Old Business

503 C-Plan -

Mr. Tarantino brought the 503C-plan up under old business to trustee members. Mr. Cambareri stated that this was first brought to the trustees by retired trustee member Anthony Bosnjak. Mr. Cambareri then stated that he discovered that currently there are no retirement designated as 503 C plan and that a lot of what was brought to the table was more in regards to the SCPFD plan having its own line item but. At this time, Mr. Cambareri stated that it is not needed because the district has managed the plans line items under its budget. But if the plan was to concur more cost then it would be a good idea to have a separate budget which will increase responsibility and work load to trustee members. Mr. McCain mentioned that many people are not retiring at this time and that when more are withdrawing from the plan, Mr. Cambareri stated that this would be a better time to approach the idea of the plan having its own line item budget. No other questions, 503 C-plan old business concluded.

Fiduciary Liability Policy –

Mr. Tarantino inquired on the Fiduciary Liability Policy. Mr. Cambareri informed trustee members that the pension attorney reviewed several options for liability insurance that was approved by the Board of Fire Commissioners and that all trustees were covered under Fiduciary Liability policies. Mr. McCain asked what amount limits were and question was answered. Mr. Tarantino asked if specific names were covered,

Fiduciary Liability Policy cont.

Mr. Cambareri answered that at this time trustee names are assigned to the policy. When future voting and a change in trustee may occur, the names will be changed to reflect the change. Currently the Fire Board of Commissioners has elected to be responsible for the payment of the policy. Mr. Dettmar and Mr. Cain both stated this is good to have the policy. Mr. Dettmar brought up that maybe the policy could be listed under seat names instead of individual names. Mr. Cambareri stated that the policy is an annual renewal and changes to individual names can be changed at that time. No other questions, Fiduciary Liability Policy old business concluded.

Pension Plan Attorney –

Mr. Tarantino addressed the Board stating that Secretary Delecaes was asked to do some/get some further information on the Independent Pension Attorney and stated that he had a communication that was sent out to all pension members. Mr. Tarantino stated he personally contacted Matt Dickey from the League of Cities who said that using the Districts attorney was uncommon and we are only one of a couple in the State that do it. He also called Trish Shoemaker, now retired, who stated the same information that it was uncommon. Mr. Tarantino mentioned that Mr. Delecaes sent out an email to pension members on their thoughts on it and his reply is “I am close to completing a poll in which I asked all members via email if they would support the pension board to seek out prices and qualifications for an attorney to represent the pension board independently looking out for the exclusive interest of the chapter 175 pension plan only” to this point the 33 active chapter 175 pension members 25 have responded to the email, voice or text, 22 have stated that they would like to see proposal for qualifications and/or bids and 3 stated to not proceed. By an overwhelming majority at this point. Mr. Delecaes stated he will proceed with seeking out proposals and fee schedules from Attorneys with the background knowledge and understanding of the state statute known as Chapter 175. Further along in Mr. Delecaes correspondence to trustee members that was being read by Mr. Tarantino he mentions once this information is received he stated that he would pass it along with further support and or oppression (sp). Mr. Tarantino states it seems to be from the little bit of research he has done and what Mr. Delecaes has collected that the issue is conflict of interest, with that said, Mr. Tarantino stated that options have been brought up and that Mr. Delecaes has taken “head of this”, so he did not have much information on this but he did make some phone calls and that there were options to either pay the attorney per hour to come or via phone or pay flat fees per year as Bonita Springs Fire District does around \$8,000.00 per year (attending all meetings throughout the year). Mr. Tarantino states he would like to table this topic until more information is presented from Mr. Delecaes at the next meeting in January. Discussion ensued:

Mr. Cambareri started discussion stating that he too has looked into the same question in regards to the attorneys, informing the Board that after talking with Glen Thomas, one of the State’s top pension attorneys, the current pension attorney, that there has not been any issue with the pension plan since its inception. At the same time this topic would have to go through the Board of Fire Commissioners and if this was to go “into play” it would be like having two attorneys for the same plan. Mr. Cambareri states to keep in mind that moving forward with this new independent attorney these cost come out of the plan.

Fiduciary Liability Policy cont.

Mr. McCain questions the Board on when Chief Nat was running the department we got the attorney due to being so small at the time and that is why it has always been this way and that no issue have arisen. Mr. Cambareri reminded the board that there would be an increase in cost as well as double cost when two attorneys instead of one handle pension business. Mr. McCain also questioned Mr. Tarantino if the push for an independent attorney was due to the worry that the current attorney would suggest to follow what was best for the district instead of what was best for the firefighters. Mr. Tarantino answered "that is correct".

Mr. Tarantino also mentioned that with the retirement monies get quite substantial, with the earnings from the plan, it seems to be affordable to have the independent attorney. The answer that he received from Mr. Deleacaes is obviously without having all the information gathered at this time that will make a difference if the pension member's will agree with the need of an independent attorney.

Mr. McCain asked Mr. Cambareri that in the event that the decision is the Board of Trustee ultimately not the attorneys. Mr. Cambareri explained to the Trustees that their responsibility is to insure the investment funds are being invested properly and that if there are payouts that all payouts are done correctly and within the law. The Board of Fire Commissioners is still the owner of the plan, and deal with the plans administrator. Any increase in cost associated with an independent attorney would have to be brought to the Board of Commissioners for their approval. If that approval requires an attorney review, they will use the District attorney to make sure their decision at the highest level of authority is being done correctly. Mr. McCain stressed an example, where the pension attorney could say one thing and the board attorney something else and that the Board of Fire Commissioners have the deciding act. Mr. McCain asked that if the plan attorney made a decision based on the best interest of the Board of Fire Commissioners instead of the firefighters would they know about it or will the decision be union laterally. Mr. Cambareri stated that the Board of Fire Commissioners has the trustees to look over the pension plan as stated above, but they have the jurisdiction and right to decision in regards to the pension plan. Mr. McCain stated, he is still trying to figure out why hire an outside attorney? Where is the benefit for it? Mr. Tarantino states that most pension members that don't have an attorney. Mr. Tarantino asked Mr. McCain that if he had to call the pension attorney, who he would call stating that even trustee members don't have easy contact with the pension attorney. He states an example: If there was a discrepancy with the pension board and the district the feeling is that the attorney will side with the district.

Mr. Cambareri gave examples of the process in regards to a pension resolution, keeping in mind that Lewis Longman and Walker have several sections of offices, including Pension law.

Mr. McCain expressed is thoughts in regards to how often the pension board needs to have an attorney present. Do we need to see one quarterly or just once a year? Mr. Cambareri explained that any questions the pension plan need answered, it was handle with the pension attorney. Mr. Tarantino stated that an attorney is recommended by the State to make sure everything is being done correctly to attend all Chapter 175 Pension meetings and that they are there for the pension members and Mr. McCain stated that he did not want to spend money on unnecessary items. Mr. Tarantino stated that everything

Fiduciary Liability Policy cont.

that is discussed at the meetings he feels that comes to a head reverts back to the Fire Commissioners handling all pension business and that the Florida Statutes reads to him that the Trustees have the ultimate decision making ability. Mr. Cambareri informed Mr. Tarantino that we are all just trustees of the plan. Mr. Dettmar then mentions that he is a pension trustee member appointed by the Board of Fire Commissioners. He stated that there have been options to approach the Fire Commissioners to handle items before resolution. He understands that pension members want an independent attorney but expressed that the cost will come from the plan not district funds especially \$8,000.00.

Mr. Tarantino mentions that at the last meeting he asked Mr. Cambareri directly if there was a conflict between the district and the pension Board, where does the attorney's responsibility lie, seeing that the fire district is paying his salary. Mr. Tarantino states that Mr. Cambareri's answer to him was "The Fire District". Mr. Tarantino then stated he did not feel represented. The pension members are not feeling represented.

Mr. Cambareri responded to Mr. Tarantino's concerns stating once again that the Fire Board of Commissioners own the pension plan and as trustees we are put there to make sure the investments are done correctly. The Board of Commissioners can do to this plan whatever they feel is necessary to make sure things are funded accordantly and that the trustees were there to make sure that the investments are doing well, whether we need to move into different portfolios and that pay outs are done correctly and to manage those things and report back as a think tank group and that is all. Mr. Dettmar states that the trustees oversee the plan. Mr. Tarantino brings up another scenario where the pension board does get its own independent attorney and funds it with the plan that it could potentially trickle down as a cost. Mr. Cambareri stated that eventually it will cost, anything that is taken from the fund, has to be paid back by the tax payer, so if the cost was taken out is has to be paid back to keep the plan actuary sound. Mr. Cambareri stressed his only point was that if we are going to increase cost coming out of the plan that the plan support it. But he also wanted to make the Trustees aware that it will increase the cost on what the department and the tax payer put into the plan at the end of the year.

Mr. McCain asked the trustees if the only thing the attorneys does is supervise the trustees which is monitoring the performance and making sure its invested, it really isn't understanding what the rules and regulations are that the pension board is doing. Mr. Cambareri answered "correct" and informed trustees that the only thing an attorney is going to do is make sure trustees are conducting meetings correctly and investments are correct. Also they will make sure that our decisions in regards to the plan are correct and to give guidance.

Mr. Dettmar informed trustees that they needed to make sure what they said in the very beginning that is there a conflict between the two different attorneys if they disagree on some issue, whatever it might be, which way would the trustees go? He then states that as discussed earlier the Board of Commissioners is ultimately responsible, Trustees are responsible for the investments and to make sure the plan is running right to make sure there is money there. The Fire Board is responsible to make sure the final number, whatever is calculated by the actuary, is met every year. He then states that he understands but that he is telling the trustees that he has seen from experience an attorney for everything and that at the end of the year you start putting so much money in these attorneys and see increase above and beyond what you thought you would pay. Mr.

Fiduciary Liability Policy cont.

Tarantino states that the attorney would have a contract for the \$8000.00 amount. Mr. Dettmar said that contract or not, there are additional costs that will be seen. He then stated that he, Mr. Tarantino could see the district attorneys cost increasing because the attorney overseeing the board or not overseeing, but is involved with the pension board, which will be more indebt.

Mr. Cambareri informed Mr. Tarantino, "no", the attorney would be doing the same things that he has done every year since the plans inception. Mr. Tarantino said that when he looks at it, he sees a "gains, and gains, and gains", and that he does see a difference on using pension funds for the independent attorney. Mr. Dettmar stated that as long as the plan is making money it shouldn't be a problem. Mr. Cambareri stated he sees no problems with it what so ever, but reminded them that when you take money out of the plan to pay for this independent attorney, it has to be placed back in. Mr. Tarantino questioned that is the district had to pay a million dollars to fund the plan actuary and the trustees asked so if the plan was \$8000.00 less, how much would the district have to pay? So we knew what we would actually know what the cost difference would be. Mr. Cambareri informed them that we could submit to the actuary at the cost of the plan and gave examples of what the numbers would be. He then said that if the Trustees decide to put an attorney on, that gets put into the plan and during the next fiscal year when the actuary study it will reflect the cost of those funds being allocated to the independent attorney. That is when the District will know what the new cost will be this usually reported before the next budget year.

Mr. Dettmar asked that the pension members be informed of all information and to make sure they understand everything. Mr. Tarantino noted that during some discussion with 15 or so members that they were willing to spend their own personal money to have an attorney at the meetings representing them due to them feeling that they have no representation and the plan not being handled per their expectations. Mr. McCain asked where members think its lacking. Mr. Tarantino stated they don't think anything is lacking and that it is a comfortibility (sp) factor that they didn't have anyone work for "them". Stating that if anyone member had a question, it had to be funneled down through the district instead of them being able to pick up a phone and call to get answers to their questions.

Mr. Tarantino states that the best thing to do is get more information and that nothing happens quickly so it would be next year anyway to go with an independent attorney. He then requested what the annual cost would be, who's funding it and where it is coming from. Mr. Cambareri gave his point of view, stating that if we go through the process that we have to have it come out of the plan because there is not money in the budget for the district to pay \$10,000.00 and Mr. Tarantino agreed.

Mr. McCain asked that the trustees need to know what the true benefit would be, saying that he knows about the members being represented, but needing to know what are the benefits. Mr. McCain then stated that this discussion needs to be further discussed and to go on. Mr. Tarantino clarified Mr. McCain's question and will forward to the Pension Secretary:

1. What is the Pension Boards benefit to having an independent attorney rather than continuing with the district provided pension attorney.

Fiduciary Liability Policy cont.

Mr. McCain addressed the trustees reminding them that the trustees are here just to monitor what's going on with the plan and the investments and he doesn't see what an attorney brings to the table that benefits the members, it's not like the trustees are stealing money or cheating, the plan is all audited. Trustees do not manage the money that is done with an outside with the Florida League of Cities. Trustee can change the manger of the plan but the League has been doing a pretty good job based on all the averages, so were going to spend \$8000.00 to have an attorney tell us "yeah, everything is fine, just keep doing what you're doing? Mr. Dettmar asked if the League of Cities has an attorney that oversees the manager. Mr. Tarantino informed the trustees that the League does have its own attorney that oversees plan managers.

Mr. Cambareri asked Mr. Tarantino that if he contacts the League and has questions regarding the plan, wouldn't they defer to their attorneys before giving answers? This benefit of another attorney is covered through the plan administrator. Mr. Tarantino understands Mr. McCain's position on the topic, but does not quite understand Mr. Cambareri's position on the topic and stated it seems like Mr. Cambareri is against getting an independent attorney. Mr. Cambareri clearly states that he is not against it at all that he just wanted to make sure that trustee members are informed that the increase cost of the independent attorney could not come from the department budget. Mr. Tarantino interrupted Mr. Cambareri saying "you're concerned with the cost". Mr. Cambareri again stated that the cost of the attorney will come from the plan which will increase the contribution rate to the district and the taxpayers, and that is all he has to discuss.

Mr. Tarantino says he will funnel out the questions to the members and the independent pension attorney will be further discussed at the next meeting in January. Topic tabled.

New Business Cont.

Plaque Presentation

Mr. Cambareri presented two plaques to Mr. Tarantino for Mr. Sven Anderson and Mr. Kolin Manning for their years of service as a trustee member.

New Hire Pension Plan

Mr. Tarantino wanted to address the trustees in regards to making changes to the pension plan for new hires. He stated that is was inevitable that at some point we would be hiring and that the plan is currently not sustainable. Mr. Tarantino approached the DVP asking him his thoughts and he was ok with anything that the trustees brought to him as long as the plan did not change for current members, which was not the same direction of thought that Mr. Tarantino had. Mr. Tarantino wants to get a packet together from the Fire Boards, the Local 1826 and the Fire Chief that can open up the contract article quickly and that most pension members agree that new hires contribute something and that now is the time to make those changes. Mr. Dettmar agreed 100%. Mr. McCain asked if the new hire would be part of the current plan or if they would be part of a separate B plan? Mr. Cambareri informed the Board that the department has also been looking into a separate plan for new hires and was glad that other trustee members agreed to look into changes. Mr. Cambareri gave several options for trustees:

Option One: Tier Plan showing changes for new hires

Option Two: Close the current plan to new hires, only having current members in that plan. New Employee joining FRS

Option Three: Freeze the plan and invest in 401K or other hybrids available.

Mr. Cambareri stated that if any changes to the current plan must be done through collective bargaining. He then explained the tier plan and informed the trustees on a PowerPoint presentation he will try to get and email to them for their review. Mr. Cambareri then explained the use of exercise tax monies and that exercise tax monies can be used until the very last member retires from the plan.

Mr. Tarantino informed that trustees that he would like make a couple of different options for plans and that his personal opinion is to stay with the current Chapter 175 plan and that it seems that many other plans are doing well with the tier options and a 10 year vesting period with a cap. He feels that other districts are also going in this direction and to get this done quickly. Mr. McCain asked if this is something the trustee start and Mr. Cambareri answered that this will be brought to the Fire Board with options and numbers and the Board will make the decision on what changes depending on what is feasible for the district. Then it will go to the negotiation table, then to the trustees to implement.

Mr. Tarantino would like to avoid the split that the district has had for the past 15 years, by still having new hires part of the Chapter 175 under the new tier and vesting options so they can still attend the meetings and be part of the group. He then stated that if the Fire Board makes the decision to have all new hires FRS, it is what it is, but that plan will lack the flexibility and that Chapter 175 can be changed.

Mr. Cambareri informed trustees that Chapter 175 is very costly and that many organizations have started the plan and have very quickly got out of it. If anyone were to look at the process, the plan is not cost effective unless there were great reductions to the plan. The East Coast is currently suffering financial losses due to their plans not being sustainable and their ability to be unable to fund the plans. He then stated that he feels that Chapter 175 is not the solution for new hires and the district. Mr. Cambareri is looking into many different aspects to bring to the Board of Fire Commissioners for discussion.

Mr. Tarantino says it's difficult because if you offer a plan that is not the same as other districts many new hires will stay for short periods of time until position at other district with better retirements become available and essentially San Carlos will become another stepping stone. Mr. Cambareri understands that they may be some disparity but unfortunately it is out of our hands. He also stated that the tier process was the first option he has looked at, but using a tier in a 175 plan still keeps you in the pension business and the object right now especially with the volatility, is to maybe not keep bound to a pension business and let the State of Florida run the pension. This will give the employee the ability to run his/her own pension with 401K. Most Legal representatives are warning entities to get out of the pension business. Discussion ensued on what other District have for their retirement options.

Mr. Tarantino once again stated he wants future hires to continue to be part of the Chapter 175 plan.

Exercise Tax Premiums

Mr. Tarantino brought a concern from Mr. Deleacaes in regards to exercise Tax Premiums.

Mr. Tarantino inquired with Mr. McCain as to the location on the summary report that shows these additional premiums. Mr. McCain stated he has never seen any financial documents other than the summary report. Mr. Cambareri explained that when the Fire District did the Stop/Re-Start program a few years back that the plan was re-evaluated and the new excise tax cap was raised to approximately \$455,000 whereas it used to be \$78,000. If more than \$455,000 is collected in state insurance excise taxes, the addition overpayment could then be used for addition benefits under the plan. Mr. Cambareri stated that when excise tax funds are collected, they are sent to the Fire District with 2 letters to be signed by Commissioner Garofalo, which is then deposited to the appropriate account within 5 business days. Mr. Tarantino inquired where the additional excise tax revenue was displayed on the financial summary. Mr. Dettmar believes it is displayed as "other" on the financial summary. Mr. Cambareri produced a previous year report that shows this detail in the "contribution" section of the report.

Treasurers Report

Trustee McCain discussed the options of Matt Dickey from of the Florida League of Cities or John Manning of Manning & Napier managing our funds. Mr. Dickey discussed how his agency was a turnkey option for us. Accompanied by costing less for services, the League of Cities includes investment management, custodial banking, performance monitoring & investment consulting. Trustee McCain discussed the pension fund's performance and its stability with a 60/40 split whereas 60% of our investments are in blended equities and 40% are in fixed income. The pension board feels that the fund is performing well and no change is needed at this time. Mr. Dickey discussed the stability of the bonds we are invested in and how they are scrutinized and traded on our behalf to increase revenue in the pension fund. Trustee Dettmar asked if we had any choice on how we invest in regards to the aggressiveness of funds. Mr. Dickey advised we could only choose between a 50/50, 60/40 or 70/30 split in funds.

New Business

Secretary Deleacaes opened up discussions to send Request for Qualifications (RFQ's) for an attorney exclusive to our pension fund. In further discussion Trustee Dettmar and Trustee Cambareri mentioned that in the past, the pension fund used the fire districts attorney, Lewis, Longman & Walker with no issues. Secretary Deleacaes noted a concern for a conflict of interest with a single attorney representing both the pension fund and the fire district. Chairman Tarantino inquired if Lewis, Longman & Walker's responsibility was, with the fire district or the pension fund when confronted with a conflict.

New Business Continued

Trustee Cambareri advised the pension board that the attorney's responsibility is with the fire district, which oversees the pension board. Chairman Tarantino has no issue with looking into RFQ's.

Old Business

Secretary Deleacaes apologizes to the board for a misunderstanding in regards to future tax revenue.

Secretary Deleacaes discusses the direction received from the board in the previous meeting to request proposals.

Trustee Cambareri requested the Chairman to clarify if Secretary Deleacaes was given permission by way of a board motion in the previous meeting to seek out proposals or just get information.

Chairman Tarantino stated he was not aware that a motion was need for an RFP.

Chairman Tarantino stated he had requested a legal opinion as to if a motion was necessary for an RFP and has not received an answer.

Trustee Cambareri asked to defer to the attorney present from Lewis, Longman & Walker.

The attorney stated that he was not aware of any law prohibiting the board from seeking an RFP but simply that the "pension board" must do it. He states that this is his legal opinion.

Secretary Deleacaes explained that as a 12-year fire district commissioner that he is not aware of a motion and a vote for RFP's. Secretary Deleacaes further explains that the pension board gave direction to him to seek out the RFP. Trustee Cambareri states he thought we were just looking into it and not aware of an RFP being sent out.

Discussion ensued on the attorneys that were sent RFP's.

Trustee Cambareri would like to see the current attorney that the district does business with to have a chance to present a proposal. Secretary Deleacaes explains that the reason why an RFP was not sent to the fire district's attorney is because the pension membership feels there is a conflict of interest with Lewis, Longman & Walker representing the Fire District and the Pension Board. Secretary Deleacaes stated that the pension membership is simply seeking out fair and independent legal council to represent the pension fund. Trustee Dettmar posed a question to the district's attorney of "who ultimately in the end does the attorney listen too because the fire district oversees the pension fund" The attorney from Lewis, Longman & Walker stated, no they don't oversee the pension board. Secretary Deleacaes asked the attorney for clarification on that question and the attorney replied that the fire district does not run the pension board and for very good reason.

Discussion on the Stop/Start a couple of years ago was discussed as to a reason why an independent attorney might have been a good idea.

The fire district's attorney feels that everything was handled properly with the start/stop. Secretary Deleacaes asked why we don't have an independent pension attorney when just about every pension board across the state has an independent attorney.

Secretary Deleacaes asked if the members of the board were allowed to contact them whenever necessary and the attorney stated yes, anytime. Secretary Deleacaes reminded the attorney that we have not been privileged to contact them whenever we wanted due to following proper channels.

Trustee Cambareri stated his interpretation of the previous meeting was that I was only supposed to get information on an attorney. Trustee McCain agrees that he felt I was only seeking information. Trustee Dettmar just feels that a step was missed and that we just need to look at it again and discuss it. Secretary Deleacaes questions that if Lewis, Longman & Walker is representing the pension board then where is our contract with them. Trustee Cambareri states, "it must be in the book".

Trustee Cambareri "point of order" that the stop/start money was not used to fund the past chiefs buyouts.

Trustee Dettmar asked the League of Cities if the fund is self-sufficient. The district will put in 730,000 of the 954,000 due. Trustee Dettmar's concern is that we need to pay for an attorney from the pension fund money.

Trustee Deleacaes asked if the fund has a profitable year, what happens to the excess. The League of Cities states the excess will reduce the amount the district's contribution. Secretary Deleacaes contends that \$5,000 a year for a pension attorney is a small percentage from the plan and the League of Cities agrees.

Secretary Deleacaes asked if SB 458 will be hurt our pension fund or help it. The attorney and league of cities cannot answer at this point however the attorney for the district feels it will pass in its current state. The league of cities states that our pension fund is almost 84% funded. The league of cities states that the new bill will not affect our plan. The league of cities states that the district's contribution will drop by 1% October of 2015.

Treasurer McCain asked if the 7% return is based on a 60/40 target. The league of cities states that the actuary moved us down to a 7% assumption return but if we want to set the assumption at 7 ¼% it will bring the districts contribution rate down 3%. The league of cities discussed that a new GASB 68 rule will make the actuary use a stricter assumption rate. The actuary is trying to bring our assumption rate in line with GASB 68 now. Treasurer McCain would like to see an assumption rate based on a 70/30 split if possible at the next scheduled meeting in April. Treasurer McCain is concerned with our investments in the Bond Market and would like to look at options with a 70/30 split investment.

Chairman Tarantino discussed what to do with the current RFP's that were received. The fire district's attorney encouraged the pension board to contact him if necessary. Secretary Deleacaes stated it's not that easy for fear we may run up an undue legal bill. Trustee Cambareri stated that in the past questions were proposed to the Fire Chief but if we are going to move forward with an attorney, we should formulate a plan and a budget for pension plan attorney fees. Secretary Deleacaes asked if the pension board paid fees to an attorney if the board was required to get bids for the services. The league of cities states we are not obligated as a board to get RFP's for anything however RFP's avoid all the issues we're having.

Chairman Tarantino feels that if we are going to spend any money from the plan on an independent attorney, we should get the members opinions. Trustee Cambareri asks that if we are going to contact legal to just give him a heads-up so he knows if he has enough funds set-aside for the bill. Chairman Tarantino suggests that if any board member has any legal questions that we should go to the fire chief first to prevent duplication of questions. Chairman Tarantino advised that there is also a folder in the shared fires documents on the fire district server for Q&A. Florida league of cities advises that any pension member that has a retirement question they should call the league of cities for an appropriate answer. Trustee Cambareri states that pension members should attempt to contact the league of cities prior to asking Lewis, Longman & Walker.

Trustee Cambareri feels we should find out what information we need to put in an RFP by seeing what is currently provided to the pension board through other means. Trustee Cambareri wants the pension board to be together before we resubmit the RFP.

Chairman Tarantino feels we should review the two RFP's that were returned to see if any changes need to be made. Trustee Cambareri wants to make sure each trustee has

a copy of the RFP to see if they want to add things and create a better product to bring back to the table. Trustee Cambareri thinks we can come back to the next meeting with all our RFP ideas and create an RFP we can all have a say in. Secretary Deleacaes stated he would make sure every board member has a copy of the RFP that was sent out previously. Trustee Cambareri would like us to see what legal provisions are we getting from the league of cities for our 20 basis points. The league of cities states they don't do any legal work for us except for the plan document. An outside company does all other legal work and they will not comment on legal opinions. The league of cities will provide us with a list of what administrative duties they provide. Secretary Deleacaes asked about a PowerPoint that Trustee Cambareri had seen by Glen Thomas in Arcadia. Chairman Tarantino discussed a matter about Trustee Dettmar wanting seat numbers placed on the fiduciary responsibility policy. This policy is renewed annually and shouldn't be needed.

New Business

Trustee Cambareri would like the records of proceedings and documents kept consistent. Trustee Cambareri would like the treasurers report date placed on the minutes.

Trustee Cambareri noted that a new sunshine law requiring the public to be able to speak prior to a vote, he would provide a copy of the document.

Public Input

Sven Anderson noted that he has no problem with board members using him as a resource if needed. Sven Anderson's discussed his opinion on the hiring of an attorney and feels the fire district's attorney is doing a fine job. Secretary Deleacaes discussed how slowly the meeting process is without having an attorney present to answer questions and having to wait 3 months for answers to be answered. Attorney Jim Brantley from the firm Donnelly & Gross asked if his firm would have to resubmit their RFP and displayed concern that his firms sealed bid has been seen his RFP bid price. Chairman Tarantino assured him that he would be allowed to submit changes. Chairman Tarantino would like the board's decision on an attorney to be presented the pension members for their approval as well. Pension member Jon Pearman advised the board that although most of the members wanted the board to seek out an attorney, they might change their minds in lieu of prices and information.

The plan is currently set at 7% and there are options to change the rate to 7.25% or 7.50% depending on market conditions. New Business

Secretary Slocum polled the board members if 1730 would be an acceptable time for the meetings and was accepted by the members. Mr. Anderson also requested once the proposals for attorneys are received he would like the board to present the information to the pension members and have a vote on whether or not to proceed with hiring a pension attorney. Pension Board Meeting Minutes

Motion to accept the April 5, 2018 minutes was made by Trustee Cambareri, and was seconded by Chairperson Louzao. *The motion was voted upon, with no questions, the motion carried unanimously.*

Pension Board Treasurer's Report

Treasurer Byal stated that the most recent summary report is from May 31st. The ending balance from May 31st is \$18,731,316.59. During the month the earnings were \$96,582.13 which included a \$1,000 retainer fee to the attorney and included the standard contributions/distributions.

- Treasurer Byal asked Jeremy Langley to provide some feedback on switching from a 70/30 allocation. Jeremy Langley stated that there have been a few changes made to the plan as far as the 30% allocation is concerned. The 30% allocation is the fixed income: 2 different portfolios make up this 30% allocation -the two portfolios include 60% core plus and 40% broad market (high quality fund).
- The change to the 30% allocation will even out both portfolios to 50/50. Core plus has more risk and lowering the portfolio to 50% will help the stability. Also the rising interest rates are good news long term, higher interest rates will make it so we can get more return on fixed income and will take pressure of stock allocation.
- Another change made was that there can be a 10% variance in the allocations, this was changed from a 5% variance. The variance will allow more flexibility for the board to make any changes with a changing market.
- Real estates portfolio is fully funded and will be included in this month's summary.
- Jeremy Langley discussed the quarterly report ending June 30th: he states that the year to date has been a very volatile market with many ups and downs. At the end of the quarter we were down .18%. Even with the volatility the ending year to date portfolio on March 31st was 4.10%. The volatility is expected to continue throughout the year.

- Treasure byal asked Jeremy Langley when it might be beneficial to switch to a 60/40 allocation. Jeremy Langley stated that the advisory board is not prone to making changes based on trying to stay ahead of the market. The board would advise to stick with one allocation through a full market cycle; although there may be an inevitable downturn in the market it is best to see it through. He further explained that although switching to a 60/40 allocation may be more conservative it would mean more of an allocation to the fixed income which would not bring a great return either.
- Jeremy Langley stated that he would like to attend at least 3 meetings per year. He also states that it takes approximately 45 days to gather data after each quarter.

Trustee Cambareri made a motion to accept the treasurer's report. Chairperson Louzao seconded the motion. *The motion was voted upon, with no questions, the motion carried unanimously.*

Old Business

Chairperson Louzao stated that he was able to attend the pension school in Tallahassee. He stated that there are a few potential issues he would like to address in the future. Overall, he stated the course was very informative and beneficial.

Attorney contract was extended; invoices that were sent from the attorneys for questions asked were handled at no charge.

Treasurer Byal stated that all the fees and distributions were consistent and he did not notice any issues with the report. Chairperson Louzao asked about a distribution to Dale Deleacaes that appear to be two separate distributions. Jeremy Langley advised that the split payment also occurred in June. The total between the two distribution is consistent with past payments, however it may be that a portion is paid to a different source. The 60/40 fund for the quarter was up .49% and our fund was up .82%. Treasurer Byal asked about the 60/40 fund and if the Real Estate fund was included in that portfolio. Jeremy Langley explained that there is a 10% allocation to all portfolios. Jeremy Langley stated that they have a Board of Trustees that oversee the entire Pension fund advisors and they have found that there is about a .5% percent difference is expected return between each Allocation. Trustee Cambareri discussed that the fund began at a

60/40 allocation and eventually became a 70/30 as funds and members contributing increased. Jeremy Langley advised that a 60/40 allocation has a normal assumption rate of 7%, which is our current assumption rate at a 70/30 allocation. Treasurer Byal asked if there was a difference in the Basis point as we approach 20 million in the fund. Jeremy Langley stated that he will look into that.

Old Business

Chairperson Louzao mentioned the upcoming pension conference in Orlando. He was wondering if Trustee Stirns is still interested in attending the conference. Chairperson Louzao also mentioned that he was interested in attending as well as Secretary Wittmann. Trustee Cambareri discussed how many rooms will need to be reserved for the conference as well as registration. Trustee Cambareri made a motion to approve the funds for the Pension Board members to attend the conference and that the plan will refund the cost associated with that. Chairperson Louzao Second the motion.

New Business

Chairperson Louzao stated that he spoke with Mr. Donnelly the pension attorney and that he can answer any questions over the phone during pension meetings if needed. Chairperson Louzao stated that a member may be bringing a disability claim to the board. Trustee Cambareri stated that the member is having an actuary study completed to have all the options available to make an informed decision.

Pension Board Meeting Minutes

Motion to accept the January 9th, 2019 minutes was made by Chairperson Louzao. Trustee Cambareri second the motion. *The motion was voted upon, with no questions, the motion carried unanimously.*

He also stated that the latest statement as of January 31st, 2019 had an ending balance of \$19,500,101.85 with the regular distributions, contributions and earnings from the plan. Treasurer Byal stated that the market has remained relatively stable despite the volatility of the current market. He then stated that he hoped to see the plan cross the 20 million dollar threshold and asked Jeremy Langley to elaborate on the cost savings for the plan as it drops in basis points. Jeremy Langley stated that the first 6 million are 20 basis points, the following 9 million are 15 basis points, from 15-25 million is 10 basis points, 25-50 million is 5 basis points and anything over 50 million is no additional charge. Treasurer Byal asked to confirm that we are still on a 70/30 allocation with the plan. Jeremy Langley stated he will gather the data and give us a more detailed break down of the cost savings.

Chairperson Louzao made a motion to accept the treasures report as read by Treasurer Byal. Trustee Cambareri second the motion *The motion was voted upon, with no questions, the motion carried unanimously.*

The plan currently pays approximately 30,000/year.

Old Business

Chairperson Louzao mentioned the actuary study for the pension plan and asked trustee Cambareri to explain the report. Cambareri gave a brief explanation of the current plans and how the district has a schedule A and a Schedule B plan for members. The Schedule B plan is for employees hired after 2014. The document stated that in order to restore the benefits to schedule B including a 3% COLA all employees would be required to contribute 4.71%, or 22.55% if only Schedule B employees contributed. Trustee Cambareri then stated that if the COLA was reduced to 1% the cost would be 1.87% of all payroll, or 9.38% for post 2014 employees. If the post 2014 employees choose to change their benefit the total cost would be 25.75% with a 3% COLA or 12.5% with a 1% COLA. Trustee Stirns asked if all the employees agree to these terms. Trustee Cambareri stated that they were simply inquiring to see what the cost of the increased benefit may cost. Trustee Stirns asked if all employees would need to vote yes for this to pass or if it was a majority vote. Chairperson Louzao confirmed that it would only need to be a majority vote. New Business

Chairperson Louzao mentioned that one of the plan members, Richard Doupe, has questions about the disability application. After going through the process with the pension attorney, we are just waiting for the medical records from the doctors. Doupe has done everything on his side.

Once the medical records get back, a special meeting will be held for Doupe. The pension attorney will be present. Mr. Langley will also be present.

Trustee David Cambareri asked if when the attorney sits down for the meeting, if they could not talk about the medical records in public, but in a closed meeting. Chairperson Louzao states he is working on that request and that the attorney is also making a checklist that can be followed to make the process easier.

Election results for Chairperson Louzao's position on the pension board resulted in Sheldon Sumicz being the only person to run, therefore Sheldon Sumicz will step into a role September 5th, 2019. The role that he will take, whether it's Chairperson or Secretary, will depend on a vote being held on September 5th.

Mr. Langley states that due to required distributions going down 3.5%, demographic experience, the hiring of 7 new personnel, and investments have brought the costs down. Some numbers are: \$26.5 million is the expected payout for future retirement, \$132,000 expected future administration expenses, \$19.8 million in actuary value assets, And an expected employee contribution of \$300,000. So from the numbers, the plan needs to make \$6.5 million.

b. Set Annual Rate of Return

Chairman Wittmann asked why the rate of return was set at 7% when the market value in the valuation showed 5.5%. Mr. Carr stated 7% was the long-term assumption. The State requires the board to set an expectation and this was based on what the investment consultants believe was the most likely long-term expectation. Trustee Cambareri stated the plan was at 7.5% earlier on and they lowered it to 7%. He felt it would be fair to keep it at 7% and it was working long term. Mr. Langley stated their plan was taking a conservative stance at 7% since they were in the 70% equity allocation and the

consultant would say they could receive a 7.5% return. They were in an appropriate situation.

B. Other than questions from the Trustees, there will be no taking of additional evidence at the initial hearing, except that the Claimant will be afforded 15 minutes to make a presentation, which shall be limited to comments and/or arguments as to the evidence or information already contained in the pension file, including the report of the examining physician.

C. Upon completion of the review of the Claim at the initial hearing, the Board shall enter an order setting forth its findings and conclusions on the Claim. The written order shall be provided to the Claimant. The order shall include:

(1) The specific findings and conclusions of the Board, including specific references to pertinent provisions of the Plan on which such conclusions are based;

(2) A description of any additional material or information that the Board may deem necessary for the Claimant to perfect his Claim, together with the reasons why such material or information is necessary; and

(3) An explanation of the right to a full hearing on the Claim and the time limit in which a full hearing must be requested in writing.

D. The decision of the Board at the initial hearing shall not be final until after the time has expired to request a full hearing or, if a full hearing is requested, until the Board makes a decision at the conclusion of the full hearing.

C. Upon receipt of the request for a full hearing and considering the amount of discovery which might be conducted, the Board shall establish a date for the full hearing and cause notice to be given to the Claimant. The full hearing shall be held within 90 days from the receipt of the request from the Claimant. The full hearing may be postponed, if necessary and with the consent of the Claimant, to permit full discovery of the facts.

The Claimant may request in writing the issuance of subpoenas by the Board. A reasonable fee may be charged for the issuance of any subpoenas not to exceed the fees set forth in Florida Statutes.

H. Testimony at the full hearing may be submitted in the form of a deposition. Depositions timely submitted will be part of the record before the Board at the full hearing and will not be read in totality at the full hearing; provided, however, that this does not preclude the Claimant or the General Counsel from reading parts of depositions in an opening or closing statement.

I. Irrelevant and unduly repetitious evidence shall be excluded.

J. Any person who knowingly gives false testimony is guilty of a misdemeanor of the first degree, punishable as provided in Section 775.082 or 775.083, Florida Statutes.

- P. Should a Claimant requesting an initial or full hearing decide to appeal any decision made by the Board, with respect to any matter considered at such hearing, the Claimant requesting an initial or full hearing will need a record of the proceedings and may need to assure that a verbatim record of the proceeding is made. The Claimant requesting an initial or full hearing will be responsible for obtaining a court reporter or otherwise making a record of the proceedings before the Board.
- Q. The decisions of the Board after the requested full hearing shall be final and binding.
- R. Within 15 days after making a decision at the full hearing, the Board shall enter a final order setting forth its findings and conclusions and a copy of the order shall be provided to the Claimant.
- S. Judicial review of decisions of the Board shall be sought by the filing of a timely petition for writ of certiorari with the Clerk of the Circuit Court, in the appropriate county.

4. CONDUCT OF THE FULL HEARING

C. Upon receipt of the properly completed interrogatories and medical release authorization, the General Counsel will request medical records from all relevant treating physicians; personnel records from the employer, copies of relevant workers' compensation records, and copies of other records deemed to be relevant to the Claim. The Board shall pay, from the Fund, the cost of any medical examinations required by the Board and for copies of medical records.

D. The General Counsel will, if authorized by the Board, upon receipt of the medical records from the treating physicians, schedule an independent medical examination (IME) or examinations with an appropriate independent examining physician or physicians who will be asked to render an opinion about Claimant's physical condition as it relates to the claimed disability.

E. Upon receipt of the IME report or reports from the examining physician or physicians, the General Counsel will provide all records of treating physicians, relevant workers' compensation claims records, the independent medical evaluation, and all other relevant documents to the Board for inclusion in the pension file and the Board shall then schedule the initial hearing

This endorsement modifies any Coverage Part or Coverage Form included in this Policy that is subject to the federal Terrorism Risk Insurance Act of 2002 as amended.

Cap On Losses From Certified Acts Of Terrorism Endorsement

The following is added to this Policy. This provision can limit coverage for any loss arising out of a *Certified Act Of Terrorism* if such loss is otherwise covered by this Policy. This provision does not apply if and to the extent that coverage for the loss is excluded or limited by an exclusion or other coverage limitation for losses arising out of *Certified Acts Of Terrorism* in another endorsement to this policy.

If aggregate insured losses attributable to *Certified Acts Of Terrorism* exceed \$100 billion in a calendar year and the Insurer has met its insurer deductible under *TRIA*, the Insurer will not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Certified Act Of Terrorism means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of *TRIA*, to be an act of terrorism pursuant to *TRIA*. The criteria contained in *TRIA* for a *Certified Act Of Terrorism* include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to *TRIA*; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

TRIA means the federal Terrorism Risk Insurance Act of 2002 as amended.

This endorsement modifies any Coverage Part or Coverage Form included in this Policy that is subject to the federal Terrorism Risk Insurance Act of 2002 as amended.

Federal Terrorism Risk Insurance Act Disclosure Endorsement

The federal Terrorism Risk Insurance Act of 2002 as amended ("TRIA"), establishes a program under which the Federal Government may partially reimburse "Insured Losses" (as defined in TRIA) caused by "Acts Of Terrorism" (as defined in TRIA). Act Of Terrorism is defined in Section 102(1) of TRIA to mean any act that is certified by the Secretary of the Treasury - in consultation with the Secretary of Homeland Security and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The Federal Government's share of compensation for such Insured Losses is 80% of the amount of such Insured Losses in excess of each Insurer's "Insurer Deductible" (as defined in TRIA), subject to the "Program Trigger" (as defined in TRIA).

In no event, however, will the Federal Government be required to pay any portion of the amount of such Insured Losses occurring in a calendar year that in the aggregate exceeds \$100 billion, nor will any Insurer be required to pay any portion of such amount provided that such Insurer has met its Insurer Deductible. Therefore, if such Insured Losses occurring in a calendar year exceed \$100 billion in the aggregate, the amount of any payments by the Federal Government and any coverage provided by this policy for losses caused by Acts Of Terrorism may be reduced.

For each coverage provided by this policy that applies to such Insured Losses, the charge for such Insured Losses is no more than one percent of your premium, and does not include any charge for the portion of such Insured Losses covered by the Federal Government under TRIA. Please note that no separate additional premium charge has been made for coverage for Insured Losses covered by TRIA. The premium charge that is allocable to such coverage is inseparable from and imbedded in your overall premium.

 - a. committing any intentionally dishonest or fraudulent act or omission;
 - b. committing any willful violation of any statute, rule, or law; or

IV. SEVERABILITY OF EXCLUSIONS

No conduct of any **Insured** will be imputed to any other **Insured** to determine the application of any of the exclusions set forth in section III. EXCLUSIONS above.

V. CONDITIONS

A. TERRITORY

This **Policy** applies to **Claims** made or **Wrongful Acts** occurring anywhere in the world, where legally permissible.

B. RETENTION

The **Insured** shall bear uninsured at its own risk the amount of any applicable Retention, which amount must be paid in satisfaction of **Loss**.

If any **Claim** gives rise to coverage under this **Policy**, the Company has no obligation to pay **Loss**, including **Defense Expenses**, until the applicable Retention amount set forth in ITEM 5 of the Declarations has been paid by the **Insured**.

If any **Claim** is subject to different Retentions under this **Policy**, the applicable Retentions will be applied separately to each part of such **Claim**, but the sum of such Retentions will not exceed the largest applicable Retention under this **Policy**.

The Company, at its sole discretion, may pay all or part of the Retention amount on behalf of any **Insured**, and in such event, the **Insureds** agree to repay the Company any amounts so paid.

However, none of the Retention amounts set forth in ITEM 5 of the Declarations will apply to:

1. **Settlement Fees** under section I. INSURING AGREEMENTS, B., of this **Policy**;

2. **502(c) Penalties**; or
3. civil penalties under the privacy provisions of **HIPAA**.

C. **LIMIT OF LIABILITY**

1. Limit of Liability

Regardless of the number of persons or entities bringing **Claims** or the number of persons or entities who are **Insureds**, and regardless of when payment is made by the Company or when an **Insured's** legal obligation with regard thereto arises or is established, and further subject to any applicable **Annual Reinstatement of the Limit of Liability**, the Company's maximum limit of liability for all **Loss**, including **Defense Expenses**, for all **Claims** under this **Policy** will not exceed the remaining Limit of Liability stated in ITEM 5 of the Declarations.

2. Settlement Program Limit of Liability

The Company's maximum limit of liability for all **Settlement Fees** and **Defense Expenses** in connection with each **Settlement Program Notice** will not exceed the amount set forth in ITEM 5 of the Declarations as the Settlement Program Limit of Liability for each **Settlement Program Notice**, which amount is included within, and not in addition to, any applicable limit of liability. However, if ITEM 5 of the Declarations indicates that Additional Defense Coverage is applicable, **Defense Expenses** incurred in connection with a **Settlement Program Notice** will apply first to and reduce the remaining **Additional Defense Limit of Liability**; provided that the Settlement Program Limit of Liability will be reduced and may be exhausted by payment of such **Defense Expenses** under the **Additional Defense Limit of Liability**.

Furthermore, in the event a **Claim** covered under Insuring Agreement A. and a **Settlement Program Notice** covered under Insuring Agreement B. arise from the same facts, circumstances, situations, or events, the Company's maximum limit of liability under Insuring Agreement B. for the **Settlement Program Notice** will not exceed the amount set forth in ITEM 5 of the Declarations as the Settlement Program Limit of Liability for each **Settlement Program Notice**, but such limit will apply only to all **Settlement Fees** in connection with such **Settlement Program Notice**. In such an event, **Defense Expenses** incurred in connection with the **Claim** and the **Settlement Program Notice** will be subject to the Limit of Liability for each **Claim** stated in ITEM 5 of the Declarations.

3. HIPAA Limit of Liability

The Company's maximum limit of liability for all civil money penalties under the privacy provisions of **HIPAA** will not exceed the amount set forth in ITEM 5 of the Declarations as the HIPAA Limit of Liability, which amount is included within, and not in addition to, any applicable limit of liability.

4. 502(c) Penalties Limit of Liability

The Company's maximum limit of liability for all **Section 502(c) Penalties** will not exceed the amount set forth in ITEM 5 of the Declarations as the Section 502(c) Penalties Limit of Liability, which amount is included within, and not in addition to, any applicable limit of liability.

5. Annual Reinstatement of the Limit of Liability

Regardless of the number of persons or entities bringing **Claims** or the number of persons or entities who are **Insureds**, and regardless of when payment is made by the Company or when an **Insured's** legal obligation with regard thereto arises or is established, if ITEM 10 of the Declarations includes an **Annual Reinstatement of the Limit of Liability**:

- a. the Company's maximum limit of liability for all **Loss**, including **Defense Expenses**, for all **Claims** made during each **Policy Year** will not exceed the remaining limit of liability stated in ITEM 5 of the Declarations; and

- b. with regard to the Extended Reporting Period or the Run-Off Extended Reporting Period, if applicable, the Company's maximum limit of liability for all **Claims** made during the Extended Reporting Period or the Run-Off Extended Reporting Period will not exceed the remaining limit of liability for the last **Policy Year** in effect at the time of the termination or cancellation of this **Policy** or the **Change of Control**.

6. Other Provisions

Payment of **Defense Expenses** will reduce and may exhaust all applicable limits of liability. In the event the amount of **Loss** exceeds the portion of the applicable limit of liability remaining after prior payments of **Loss**, the Company's liability will not exceed the remaining amount of the applicable limit of liability. In no event will the Company be obligated to make any payment for **Loss**, including **Defense Expenses**, with regard to a **Claim** after the applicable limit of liability has been exhausted by payment or tender of payment of **Loss**.

If the limit of liability is exhausted by the payment of amounts covered under this **Policy**, the premium for this **Policy** will be fully earned, all obligations of the Company under this **Policy** will be completely fulfilled and exhausted, including any duty to defend, and the Company will have no further obligations of any kind or nature whatsoever under this **Policy**.

D. ADDITIONAL DEFENSE COVERAGE

Regardless of the number of persons or entities bringing **Claims** or the number of persons or entities who are **Insureds**, and regardless of when payment is made by the Company or when an **Insured's** legal obligation with regard thereto arises or is established, if ITEM 5 of the Declarations indicates that this **Policy** includes Additional Defense Coverage, **Defense Expenses** incurred by the Company or the **Insured**, with the Company's consent, in the defense of any **Claim** made during the **Policy Period** under this **Policy** will apply first to and reduce the **Additional Defense Limit of Liability**. The **Additional Defense Limit of Liability** will be in addition to, and not part of, the Limit of Liability. The **Additional Defense Limit of Liability** is applicable to **Defense Expenses** only. If the **Annual Reinstatement of the Limit of Liability** is applicable, the **Additional Defense Limit of Liability** will be reinstated for each **Policy Year**.

Upon exhaustion of the **Additional Defense Limit of Liability**:

1. **Defense Expenses** incurred by the Company or the **Insured**, with the Company's consent, in the defense of a **Claim** are part of and not in addition to any applicable limit of liability; and
2. payment by the Company or the **Insured**, with the Company's consent, of **Defense Expenses** reduces any applicable limit of liability.

E. CLAIM DEFENSE

1. If Duty-to-Defend coverage is provided with respect to this **Policy** as indicated in ITEM 7 of the Declarations, the Company will have the right and duty to defend any **Claim** covered by this **Policy**, even if the allegations are groundless, false or fraudulent, including the right to select defense counsel with respect to such **Claim**; provided that the Company will not be obligated to defend or to continue to defend any **Claim** after the applicable limit of liability has been exhausted by payment of **Loss**.
2. If Reimbursement coverage is provided with respect to this **Policy** as indicated in ITEM 7 of the Declarations:
 - a. the Company will have no duty to defend any **Claim** covered by this **Policy**. It will be the duty of the **Insured** to defend such **Claims**; and the Company will have the right to participate with the **Insured** in the investigation, defense and settlement, including the negotiation of a settlement of any **Claim** that appears reasonably likely to be covered in whole or in part by this **Policy** and the selection of appropriate defense counsel; and

- b. upon written request, the Company will advance **Defense Expenses** with respect to such **Claim**. Such advanced payments by the Company will be repaid to the Company by the **Insureds** severally according to their respective interests in the event and to the extent that the **Insureds** are not entitled to payment of such **Defense Expenses** under this **Policy**. As a condition of any payment of **Defense Expenses** under this subsection, the Company may require a written undertaking on terms and conditions satisfactory to the Company guaranteeing the repayment of any **Defense Expenses** paid to or on behalf of any **Insured** if it is finally determined that any such **Claim** or portion of any **Claim** is not covered under this **Policy**.
3. The **Insured** agrees to cooperate with the Company and, upon the Company's request, assist in making settlements and in the defense of **Claims** and in enforcing rights of contribution or indemnity against any person or entity which may be liable to the **Insured** because of an act or omission insured under this **Policy**, will attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses.

If a **Benefit Plan Official** becomes aware that a **Claim** has been made against any **Insured**, the **Insured**, as a condition precedent to any rights under this **Policy**, must give to the Company written notice of the particulars of such **Claim**, including all facts related to any alleged **Wrongful Act**, the identity of each person allegedly involved in or affected by such **Wrongful Act**, and the dates of the alleged events, as soon as practicable. The **Insured** agrees to give the Company such information, assistance and cooperation as it may reasonably require.

All notices of **Claims** and **Settlement Program Notices** must be sent to the Company by email, facsimile, or mail as set forth in ITEM 4 of the Declarations and will be effective upon receipt. The **Insured** agrees not to voluntarily settle any **Claim** or enter into a **Settlement Program**, make any settlement offer, assume or admit any liability or, except at the **Insured's** own cost, voluntarily make any payment, pay or incur any **Defense Expenses** or **Settlement Fees**, or assume any obligation or incur any other expense, without the Company's prior written consent, such consent not to be unreasonably withheld. The Company is not liable for any settlement, **Defense Expenses**, **Settlement Fees**, assumed obligation or admission to which it has not consented.

G. NOTICE OF POTENTIAL CLAIMS

If an **Insured** first becomes aware of a **Potential Claim** during the **Policy Period**, and gives the Company written notice of the particulars of such **Potential Claim**, including all facts related to the **Wrongful Act**, the identity of each person allegedly involved in or affected by such **Wrongful Act**, the dates of the alleged events, and the reasons for anticipating a **Claim**, as soon as practicable during the **Policy Period**, or if exercised, during the Extended Reporting Period or Run-Off Extended Reporting Period, any **Claim** subsequently made against any **Insured** arising out of such **Wrongful Act** will be deemed to have been made during the **Policy Period**.

All notices under this subsection must be sent to the Company by email, facsimile, or mail as set forth in ITEM 4 of the Declarations and will be effective upon receipt.

H. RELATED CLAIMS

All **Claims** or **Potential Claims** for **Related Wrongful Acts** will be considered as a single **Claim** or **Potential Claim**, whichever is applicable, for purposes of this **Policy**. All **Claims** or **Potential Claims** for **Related Wrongful Acts** will be deemed to have been made at the time the first of such **Claims** or **Potential Claims** for **Related Wrongful Acts** was made whether prior to or during the **Policy Period**, or if exercised, during the Extended Reporting Period or Run-Off Extended Reporting Period.

I. SETTLEMENT

The Company may, with the written consent of the **Insured**, make such settlement or compromise of any **Claim** as the Company deems expedient. In the event that the Company recommends an offer of

settlement of any **Claim** which is acceptable to the claimant(s) (a "Settlement Offer"), and if the **Insured** refuses to consent to such Settlement Offer, the **Insured** will be solely responsible for 30% of all **Defense Expenses** incurred or paid by the **Insured** after the date the **Insured** refused to consent to the Settlement Offer, and the **Insured** will also be responsible for 30% of all **Loss**, other than **Defense Expenses**, in excess of the Settlement Offer, provided that the Company's liability under this **Policy** for such **Claim** will not exceed the remaining applicable limit of liability.

J. **MERGER OF PLANS**

If, during the **Policy Period**, a **Benefit Plan** is merged with another **Benefit Plan**, this **Policy** will continue to provide coverage for both plans, subject to all other terms and conditions of this **Policy** and only for so long as this **Policy** remains in effect as to the **Insureds**.

If, during the **Policy Period**, a **Benefit Plan** ("Covered Plan") is merged with another benefit plan for which coverage is not provided under this **Policy** ("Uncovered Plan"), this **Policy** will continue to provide coverage for only the Covered Plan, subject to all other terms and conditions of this **Policy** and only for so long as this **Policy** remains in effect as to the **Insureds**, but only for **Claims** for **Wrongful Acts** which occurred prior to the date of such merger.

K. **CHANGE OF CONTROL**

If, during the **Policy Period**, a **Change of Control** occurs, coverage will continue in full force and effect with respect to **Claims** for **Wrongful Acts** committed before such event, but coverage will cease with respect to **Claims** for **Wrongful Acts** committed after such event. No coverage will be available hereunder for **Loss**, including **Defense Expenses**, for any **Claim** based upon, alleging, arising out of, or in any way relating to, directly or indirectly any **Wrongful Act** committed or allegedly committed after such event. After any such event, the **Policy** may not be canceled by or on behalf of any **Insured** and the entire premium for the **Policy** will be deemed fully earned.

Upon the occurrence of any **Change of Control**, the **Insurance Representative** will have the right to give the Company notice that the **Insured** desires to purchase a Run-Off Extended Reporting Period for this **Policy** for the period set forth in ITEM 9 of the Declarations following the effective date of such **Change of Control**, regarding **Claims** made during such Run-Off Extended Reporting Period against persons or entities who at the effective date of the **Change of Control** are **Insureds**, but only for **Wrongful Acts** occurring wholly prior to such **Change of Control** and which otherwise would be covered by this **Policy**, subject to the following provisions:

1. such Run-Off Extended Reporting Period will not provide new, additional or renewed limits of liability;
2. the Company's total liability for all **Claims** made during such Run-Off Extended Reporting Period will be only the remaining portion of the applicable limit of liability set forth in the Declarations as of the effective date of the **Change of Control**; and
3. for purposes of coverage under section I. INSURING AGREEMENTS, B., the Run-Off Extended Reporting Period will apply only to **Settlement Fees** and **Defense Expenses** incurred by the **Insured** in connection with any **Settlement Program Notice** as a result of the **Insured's** participation during the Run-Off Extended Reporting Period in a **Settlement Program**, but only if such participation commences during the Run-Off Extended Reporting Period and involves a **Benefit Plan's** actual or alleged inadvertent noncompliance with any statute, rule or regulation before the effective date of the **Change of Control**.

The premium due for the Run-Off Extended Reporting Period will equal the percentage set forth in ITEM 9 of the Declarations of the annualized premium of this **Policy**, including the fully annualized amount of any additional premiums charged by the Company during the **Policy Period** prior to the **Change of Control**. The entire premium for the Run-Off Extended Reporting Period will be deemed fully earned at the commencement of such Run-Off Extended Reporting Period.

The right to elect the Run-Off Extended Reporting Period will terminate unless written notice of such election, together with payment of the additional premium due, is received by the Company within thirty

(30) days of the **Change of Control**. In the event the Run-Off Extended Reporting Period is purchased, the option to purchase the Extended Reporting Period in section V. CONDITIONS M. EXTENDED REPORTING PERIOD of this **Policy** will terminate. In the event the Run-Off Extended Reporting Period is not purchased, the **Insured** will have the right to purchase the Extended Reporting Period under the terms of section V. CONDITIONS M. EXTENDED REPORTING PERIOD of this **Policy**.

L. TERMINATION OF PLAN

If before or during the **Policy Period** any **Benefit Plan** is terminated, this **Policy** will provide coverage for such plan, subject to all other terms, conditions and limitations of this **Policy** for so long as this **Policy** remains in effect as to the **Insureds**.

M. EXTENDED REPORTING PERIOD

At any time prior to or within 60 days after the effective date of termination or cancellation of this **Policy** for any reason other than nonpayment of premium, the **Insurance Representative** may give the Company written notice that the **Insured** desires to purchase an Extended Reporting Period for the period set forth in ITEM 8 of the Declarations following the effective date of such termination or cancellation, regarding **Claims** made during such Extended Reporting Period against persons or entities who at or prior to the effective date of termination or cancellation are **Insureds**, but only for **Wrongful Acts** occurring wholly prior to the effective date of the termination or cancellation and which otherwise would be covered by this **Policy**, subject to the following provisions:

1. such Extended Reporting Period will not provide a new, additional or renewed limit(s) of liability;
2. the Company's maximum limit of liability for all **Claims** made during such Extended Reporting Period will be only the remaining portion of the applicable limit of liability set forth in the Declarations as of the effective date of the termination or cancellation; and
3. for purposes of coverage under section I. INSURING AGREEMENTS, B., the Extended Reporting Period will apply only to **Settlement Fees** and **Defense Expenses** incurred by the **Insured** in connection with any **Settlement Program Notice** as a result of the **Insured's** participation during the Extended Reporting Period in a **Settlement Program**, but only if such participation commences during the Extended Reporting Period and involves a **Benefit Plan's** actual or alleged inadvertent noncompliance with any statute, rule or regulation before the effective date of such termination or nonrenewal.

The premium due for the Extended Reporting Period will equal the percentage set forth in ITEM 8 of the Declarations of the annualized premium of this **Policy**, including the fully annualized amount of any additional premiums charged by the Company during the **Policy Year** prior to such termination or cancellation. The entire premium for the Extended Reporting Period will be deemed to have been fully earned at the commencement of such Extended Reporting Period.

The right to elect the Extended Reporting Period will terminate unless written notice of such election, together with payment of the additional premium due, is received by the Company within 60 days of the effective date of the termination or cancellation.

N. SUBROGATION

In the event of payment under this **Policy**, the Company is subrogated to all of the **Insured's** rights of recovery against any person or organization to the extent of such payment and the **Insured** agrees to execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The **Insured** will do nothing to prejudice such rights.

O. RECOURSE

Unless such right is waived by an endorsement to this **Policy**, the Company will have the right of recourse pursuant to Section 410(b)(1) of the Employee Retirement Income Security Act of 1974, as amended, against any **Insured** that breaches a fiduciary obligation if this **Policy** is purchased using assets of the **Benefit Plan**.

P. RECOVERIES

All recoveries from third parties for payments made under this **Policy** will be applied, after first deducting the costs and expenses incurred in obtaining such recovery, in the following order of priority:

1. first, to the Company to reimburse the Company for any Retention amount it has paid on behalf of any **Insured**;
2. second, to the **Insured** to reimburse the **Insured** for the amount it has paid which would have been paid hereunder but for the fact that it is in excess of the applicable limits of liability hereunder;
3. third, to the Company to reimburse the Company for the amount paid hereunder; and
4. fourth, to the **Insured** in satisfaction of any applicable Retention;

provided, recoveries do not include any recovery from insurance, suretyship, reinsurance, security or indemnity taken for the Company's benefit.

1. the **Claim** against such spouse or Domestic Partner results from a **Wrongful Act** actually or allegedly committed by the **Insured Person**, to whom the spouse is married, or who is joined with the Domestic Partner; and
2. such **Insured Person** and his or her spouse or Domestic Partner are represented by the same counsel in connection with such **Claim**.

No spouse or Domestic Partner of an **Insured Person** will, by reason of this subsection have any greater right to coverage under this **Policy** than the **Insured Person** to whom such spouse is married, or to whom such Domestic Partner is joined.

The Company has no obligation to make any payment for **Loss** in connection with any **Claim** against a spouse or Domestic Partner of an **Insured Person** for any actual or alleged act, error, omission, misstatement, misleading statement, neglect or breach of duty by such spouse or Domestic Partner.

R. ALLOCATION

1. If Duty-to-Defend coverage is indicated in ITEM 7 of the Declarations and there is a **Claim** under this **Policy** in which the **Insureds** who are afforded coverage for such **Claim** incur an amount consisting of both **Loss** that is covered by this **Policy** and also loss that is not covered by this **Policy** because such **Claim** includes both covered and uncovered matters, then such covered **Loss** and uncovered loss will be allocated as follows:
 - a. one hundred percent (100%) of **Defense Expenses** incurred by and on behalf of the **Insureds** who are afforded coverage for such **Claim** will be allocated to covered **Loss**; and
 - b. all loss other than **Defense Expense** will be allocated between covered **Loss** and uncovered loss based upon the relative legal and financial exposures of, and relative benefits obtained in connection with the defense and settlement of the **Claim** by the **Insureds** and others not insured under this **Policy**. In making such a determination, the **Insureds** and the Company agree to use their best efforts to determine a fair and proper allocation of all such amounts. In the event that an allocation cannot be agreed to, then

the Company will be obligated to make an interim payment of the amount of **Loss** which the parties agree is not in dispute until a final amount is agreed upon or determined pursuant to the provisions of this **Policy** and applicable law.

2. If Reimbursement coverage is indicated in ITEM 7 of the Declarations and there is a **Claim** under this **Policy** in which the **Insureds** who are afforded coverage for such **Claim** incur an amount consisting of both **Loss** that is covered by this **Policy** and also loss that is not covered by this **Policy** because such **Claim** includes both covered and uncovered matters or covered and uncovered parties, the **Insureds** and the Company agree to use their best efforts to determine a fair and proper allocation of all such amounts. In making such a determination, the parties will take into account the relative legal and financial exposures of, and relative benefits obtained in connection with the defense and settlement of the **Claim** by the **Insureds** and others not insured under this **Policy**. In the event that an allocation cannot be agreed to, then the Company will be obligated to make an interim payment of the amount of **Loss** which the parties agree is not in dispute until a final amount is agreed upon or determined pursuant to the provisions of this **Policy** and applicable law.

S. CANCELLATION

The Company may cancel this **Policy** for failure to pay a premium when due, in which case twenty (20) days written notice will be given to the **Insurance Representative**, unless payment in full is received within twenty (20) days of the **Insurance Representative's** receipt of such notice of cancellation. The Company has the right to the premium amount for the portion of the **Policy Period** during which this **Policy** was in effect.

Subject to the provisions set forth in section III. CONDITIONS, K. In the event the **Insurance Representative** cancels, the earned premium will be computed on a pro-rata basis. Premium adjustment may be made either at the time cancellation is effective or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

The Company will not be required to renew this **Policy** upon its expiration. If the Company elects not to renew, it will provide to the **Insurance Representative** written notice to that effect at least thirty (30) days before the Expiration Date set forth in ITEM 3 of the Declarations.

This **Policy** will not be subject to the terms of any other insurance.

U. ACTION AGAINST THE COMPANY

No action will lie against the Company unless there has been full compliance with all of the terms of this **Policy**.

No person or organization has any right under this **Policy** to join the Company as a party to any action against the **Insured** to determine the **Insured's** liability, nor may the Company be impleaded by an **Insured** or said **Insured's** legal representative. Bankruptcy or insolvency of any **Insured** or an **Insured's** estate does not relieve the Company of any of its obligations hereunder.

V. CHANGES

Only the **Insurance Representative** is authorized to make changes in the terms of this **Policy** and solely with the Company's prior written consent. This **Policy's** terms can be changed, amended or waived only by endorsement issued by the Company and made a part of this **Policy**. Notice to any representative of the **Insured** or knowledge possessed by any agent or by any other person will not effect a waiver or

change to any part of this **Policy**, or estop the Company from asserting any right under the terms, conditions and limitations of this **Policy**, nor may the terms, conditions and limitations hereunder be waived or changed, except by a written endorsement to this **Policy** issued by the Company.

W. ASSIGNMENT

This **Policy** may not be assigned or transferred, and any such attempted assignment or transfer is void and without effect unless the Company has provided its prior written consent to such assignment or transfer.

If any statement or representation in the **Application** is untrue, this **Policy** is void and of no effect whatsoever, but only with respect to:

3. any **Benefit Plan**, if the person who signed the **Application** knew that the statement or representation was untrue.

Whether an **Insured Person** had such knowledge will be determined without regard to whether the **Insured Person** actually knew the **Application**, or any other application completed for this **Policy**, contained any such untrue statement or representation.

Y. LIBERALIZATION

If, during the **Policy Period**, the Company is required, by law or by insurance supervisory authorities of the state in which this **Policy** was issued, to make any changes in the form of this **Policy**, by which the insurance afforded by this **Policy** could be extended or broadened without increased premium charge by endorsement or substitution of form, then such extended or broadened insurance will inure to the benefit of the **Insured** as of the date the revision or change is approved for general use by the applicable department of insurance.

Z. AUTHORIZATION

By acceptance of the terms herein, the **Insurance Representative** agrees to act on behalf of all **Insureds** with respect to the payment of premiums, the receiving of any return premiums that may become due hereunder, and the receiving of notices of cancellation, nonrenewal, or change of coverage, and the **Insureds** each agree that they have, individually and collectively, delegated such authority exclusively to the **Insurance Representative**; provided, that nothing herein will relieve the **Insureds** from giving any notice to the Company that is required under this **Policy**.

Re: Important Information about Claims Information Line

Dear SAN CARLOS PARK FIRE DISTRICT FIREFIGHTERS RETIREMENT PLAN

Travelers Bond & Specialty Insurance is pleased to announce its **1-800-842-8496** Claims Information Line. This line is designed to provide insureds with an additional resource on how to report claims or those circumstances or events which may become claims.

Policyholders will be able to obtain assistance on the following topics from the Claims Information Line:

- The information that needs to be included with the claim notice
- The address, electronic mail address and/or facsimile number to which the policyholder can send claims related information
- Get questions on the claim process answered

The Declarations Page of your policy sets forth where you should report claims and claims related information. You should also review the policy's reporting requirements to be aware of how much time you have to report a claim to Travelers. The sooner Travelers is notified, the sooner we can become involved in the process and offer assistance to our policyholder. A delay in reporting may result in all or part of a matter to fall outside of the coverage provided.

The Claims Information Line should streamline the claim reporting process and allow policyholders to ask questions on what information is needed as well as other questions which will assist them in working with Travelers. While the Claims Information Line provides policyholders a valuable resource by answering questions and providing information, the line does not replace the reporting requirements contained in the Policy.

We hope this improvement to customer service is something our policyholders will find helps them understand the claim process and provides them a resource for reporting.
