B. The Board shall review the Claim at an initial hearing and enter an order within ninety (90) days from the date of receipt of the Claim and, in the case of disability claims, receipt by the Board of a written medical release authorization in a form approved by the General Counsel and a completed set of interrogatories prepared by the General Counsel and provided to the Claimant. The Board may extend the time for entering the order at an initial hearing for an additional ninety (90) days if it determines such time is necessary for full discovery and adequate review. The General Counsel and the Claimant may stipulate to further extensions of time.

C. It shall be the function of the General Counsel, throughout the claims procedure, to assist the Board in the discovery and presentation of evidence in order to assure that the Board receives all relevant information prior to the Board's decision.

D. The Claimant shall have the right to be represented by counsel at any or all times throughout the claims procedure.

2. INITIAL HEARING

A. At the initial hearing, the only evidence to be considered by the Board shall be documentary evidence contained in the pension file, including but not limited to, correspondence, medical records and reports of treating physicians and/or examining physicians and evidence received pursuant to paragraph B.

B. Other than questions from the Trustees, there will be no taking of additional evidence at the initial hearing, except that the Claimant will be afforded fifteen (15) minutes to make a presentation, which shall be limited to comments and/or arguments as to the evidence or information already contained in the pension file, including the report of the examining physician.

(1) The specific findings and conclusions of the Board, including specific references to pertinent provisions of the Plan on which such conclusions are based;

(2) A description of any additional material or information that the Board may deem necessary for the Claimant to perfect his Claim, together with the reasons why such material or information is necessary; and

(3) An explanation of the right to a full hearing on the Claim and the time limit in which a full hearing must be requested in writing.

D. The decision of the Board at the initial hearing shall not be final until after the time has expired to request a full hearing or, if a full hearing is requested, until the Board makes a decision at the conclusion of the full hearing.

3. FULL HEARING

B. A full hearing must be requested by the Claimant within ninety (90) days of the receipt of the Board's order. The order will be deemed received three days following the date it is mailed to Claimant at the address provided to the Board by Claimant.

C. Upon receipt of the request for a full hearing and considering the amount of discovery which might be conducted, the Board shall establish a date for the full hearing and cause notice to be given to the Claimant. The full hearing shall be held within ninety (90) days from the receipt of the request from the Claimant. The full hearing may be postponed, if necessary and with the consent of the Claimant, to permit full discovery of the facts.

D. Copies of all documents to be offered into evidence at the full hearing, including depositions, and a complete witness list with names and addresses of witnesses expected to be called, shall be furnished to the Board and the General Counsel by the

Should a Claimant requesting an initial or full hearing decide to appeal any decision made by the Board, with respect to any matter considered at such hearing, the Claimant requesting an initial or full hearing will need a record of the proceedings and may need to assure that a verbatim record of the proceeding is made. The Claimant requesting an initial or full hearing will be responsible for obtaining a court reporter or otherwise making a record of the proceedings before the Board.
